ABOUT YES BANK

YES BANK is committed
to its vision of
**'BUILDING THE FINEST
QUALITY BANK OF THE
WORLD IN INDIA BY 2025'**
having evolved its organizational
ethos into the 'Professionals'
Bank of India'

AT YES BANK, OUR DIFFERENTIATION BEGINS WITH A SINGLE WORD - YES.

YES BANK, India's 4th largest private sector bank is a high quality, customer centric, service driven, private Indian Bank catering to the Future Businesses of India. Since inception in 2004, YES BANK has fructified into a 'Full Service Commercial Bank' that has steadily built Corporate Banking, Financial Markets, Investment Banking, Corporate Finance,

Branch Banking, Business and Transaction Banking, Digital Banking and Wealth Management business lines across the country, and is well equipped to offer a range of comprehensive products and services to Corporate and Retail customers. YES BANK is headquartered in the Lower Parel Innovation District (LPID) of Mumbai, and now has a pan-India presence with a footprint of 1,000 branches and 1,800 ATMs across all 29 states and 7 Union Territories in India.

THE A.R.T. OF BANKING

ALLIANCES. RELATIONSHIPS. TECHNOLOGY

The word 'ART' typically invokes thoughts of brilliant visuals, esoteric images and aesthetics, the result of an artist's labor of love. However, an oft unnoticed and underappreciated aspect is the underlying technical skill and practice required to make ART come to life.

Banking is no different. For ages, Banking has been equated to Branches and ATMs and off late to Digital channels, Apps and wallets. However, all of the foregoing function on the bedrock of robust technology, processes and people.

FY 2016-17 was a tipping point of sorts, with the half-life of technology innovation reducing drastically in the Banking and Payments industry through disruptions from the challengers, as well as the incumbents. This disruption presented both challenges and inherent opportunities, requiring rapid transformation and fundamental re-platforming of the banking bedrock.

At YES BANK, our philosophy to capitalize on this resulted in adoption of the ART - Alliances, Relationships and Technology (ART) approach to Banking.

The ART approach manifests itself in different ways across the various business verticals and is aimed at helping us stay ahead of the banking curve:

- **Corporate & Retail Banking** - The Bank continues to focus on 'lifecycle banking' by building strong **relationships** with our corporate & retail clientele and serving their needs using emerging **technologies**.
- **Digital Banking** - The approach has been to build **Alliances** and **Relationships** with new age

start ups and FinTech companies in an effort to 'collaborate and co-create' solutions that bring the future of Banking to the present, through **technology** led Innovation.

- **Responsible Banking** - YES BANK partners closely with leading global leaders such as UNEP-FI, WBCSD, UNGC as well as stakeholders in India, to bring in global best practices on CSR and Sustainability into the Indian context
- **Financial Inclusion** - By building strong **relationships** with a network of Business Correspondents and partnering with Cooperative Banks, YES BANK is providing these institutions access to its technology infrastructure, with the aim of enabling Financial Inclusion
- **YES Global Institute** - A practicing think tank which is building a global network of **relationships** to focus on India's sustainable and inclusive socio-economic growth and development

At YES BANK, it is our strong belief that a Bank should play the role of an 'enabler' for the country's growth and to serve the varied financial requirements of corporate and retail customers with solutions based on superior technology and service experience.

The ART approach allows YES BANK to offer Banking as a platform and Banking as a Solution, thereby not only serving retail customers but also allowing Corporates and Startups to use the Bank's expertise to create differentiated path-breaking solutions. The Banking bedrock has the potential to create impact beyond the Banking industry, and YES BANK's A.R.T will serve as an engine driving this impact.

We remain firmly on course to achieve our institutional vision of "Building the Finest Quality Bank of the World in India by 2025", and also make meaningful contribution to India's socio economic development as we move forwards on this path.

Ashok Chawla,
Non-Executive Independent
Part-Time Chairman

**In the year
2016-17, YES BANK
made immense progress
and created a bouquet of
Digital Banking products**
to offer an omni-channel
Banking experience to the
customers.

**YES BANK has always believed
that effective Corporate
Governance forms the bedrock
of Business Excellence in an
organization.**

Dear Shareholders,

While the Global economy continued to be fragile in FY 2016-17, the Indian economy consolidated the gains achieved in restoring macroeconomic stability. There has been robust policy support which has resulted in a renewed confidence in India, as has also been reiterated by leading multi-lateral institutions such as the International Monetary Fund (IMF).

The Government of India continued its reform agenda with focussed initiatives like the Smart Cities Mission, Digital India and improving the Ease of Doing Business. The policy measures should serve as a strong platform to ensure India asserts its position leading global economy. The Government has also unveiled measures to address the asset quality pressures and rising NPAs faced by the Banking industry.

The full impact of all these measures is expected to bear fruit over the next 4 to 6 quarters. At YES BANK, we are cognizant of the same and have further geared the machinery of the Bank to respond to the evolving needs of the economy.

The year, 2016-17 also marked an accelerated adoption of digital banking technologies on the back of the 'less cash' vision of the Government of India. The Bank created a bouquet of Digital Banking products to offer an omni-channel Banking experience to the new generation customers.

We have been prompt in identifying new avenues for growth; we have rapidly embraced new information-based technologies. However, what is of paramount importance is an increased recognition of the social responsibility of financial services providers. YES BANK is acutely conscious of this and is ahead of its peers in the journey to the new paradigm.

The cumulative result of all these initiatives is accolades from prestigious national and international bodies for its exemplary performance on multiple parameters - Business outcomes, Sustainability, Responsible Banking, Innovation, Technology and Human Capital.

YES BANK has always believed that effective Corporate Governance forms the bedrock of Business Excellence in an organization. The importance of this goes beyond mere adherence to rules & regulations.

My colleagues on the Board of Directors of the Bank are accomplished professionals with a proven track records in diverse fields. During the year, Ms. Radha Singh, Mr. M.R. Srinivasan, Mr. Ajay Vohra and Mr. Diwan Arun Nanda retired from the Board. I would like to thank them for their valuable

opportunity to understand the strength of the Bank's leadership and guide them to ensure long-term sustenance of business strategy while keeping in mind customer requirements.

The Board is confident that, with the initiatives taken during the year, Yes Bank would continue on its mission and vision of "Building the Finest Quality Bank of the World in India by 2025".

achieving Size and Scale as a
BIG Bank.**

**The Indian economy has
successfully navigated through
extant global uncertainties
and emerged as a preferred
destination for foreign investment**

Dear Shareholders,

Since my last communication through YES BANK's Annual Report 2015-16, the economic and business landscape has undergone substantial changes. Global economic recovery remained fragile amidst generalized slowdown in cross border trade, rising political tendency towards protectionism, and subdued growth in productivity. Notwithstanding the resilience exhibited by global financial markets in the face of the Brexit referendum and the unanticipated US presidential election outcome, elevated levels of uncertainty continued to impact global risk appetite in 2016.

Overall, 2016 ended with World GDP growth moderating to 3.1% from 3.2% in 2015. Going forward, the IMF expects World GDP growth to improve towards 3.4% 2017, on the back of projected fiscal stimulus in the US, firming up of global commodity prices after the slump in 2015, and unchanged accommodative monetary policy stance in most of the developed economies, barring US, which is expected to take calibrated steps towards further policy normalization in 2017.

In contrast, the Indian economy has successfully navigated through extant global uncertainties and emerged as a preferred destination for foreign investment. Overall macroeconomic position has strengthened with policy support over the last two years moving towards providing structural strength and imparting efficiency. Multilateral institutes like the IMF and the World Bank have endorsed India as a 'bright spot' in today's global economy amid 'profound' reforms.

The year 2016-17 was marked by a variety of institutional and behavioral reforms like implementation of the Insolvency and bankruptcy Code, creation of Monetary Policy Committee, redesigning of the FRBM framework, passage of GST, and last but not the least, the policy thrust towards a less-cash formal

economy. In addition, the trend of benign inflation and continued improvement in twin deficits further boosted the macroeconomic appeal.

India's economic prospects for FY18 appear optimistic with policymakers creating enablers for strong and sustainable growth in the medium to long-term. Government's commitment towards reforms, implementation of Seventh Pay Commission payout by State Governments, ongoing quality fiscal consolidation, and marginal improvement in external demand is expected to boost GDP growth by 20 bps to 7.3%. Growth

In March 2017, YES BANK consummated India's largest private sector Qualified Institutional Placement (QIP) in INR terms, having raised ₹ 4,906.65 Cr (USD 750 mn)

momentum is likely to accelerate in the second half of 2017-18 amid rapid pace of ongoing re-monetization and trickle-down impact of past policy reforms.

FY 2016-17 was a significant year in YES BANK's lifecycle and we have made substantial progress towards achieving Size and Scale as a BIG Bank, with a firmly embedded Digital Banking ethos, and a focus on Quality.

Since inception, YES BANK has dedicated itself to revolutionizing the 'Banking Experience' in our country India. Our differentiated 'Knowledge Banking' philosophy has helped us build long-lasting relationships with the top corporate houses, emerging corporates and MSMEs, and the use of state-of-the-art technology and innovation has helped us build comprehensive, customized solutions tailored to the unique needs of our clients.

We have also made significant investments in ensuring an omni-channel experience for our retail customers by supplementing our rapidly expanding branch footprint with a bouquet of offerings across the Digital value chain.

By embracing the A.R.T. - Alliances and Relationships driven by Technology - philosophy, YES BANK is bringing in the future of Banking to the present by partnering with FinTech start-ups and technology innovators from across the globe. Our belief in partnerships to further the ecosystem emanates from the ideology to "Collaborate and Co-create" to actualize path breaking solutions for Indian banking.

In January 2017, YES BANK along with its partners IBM and Cateina Technologies pioneered a unique Vendor Financing solution using the Blockchain technology. An industry-first solution, it reduces the processing time for Supply Chain finance from 4 days to almost real-time. Blockchain, combined with the power of API Banking has the potential to create a paradigm shift in B2B transactions and revolutionizing the world of Transaction Banking.

In FY 2016-17, the Bank raised capital across a wide array of transactions partnering with leading national and international institutions.

YES BANK, raised ₹ 330 crores (approx. USD 50 millions equivalent) through an issue of a 7-year Green Infrastructure Bonds to FMO, the Dutch Development Bank, on a private placement basis.

In March 2017, YES BANK consummated India's largest private sector Qualified Institutional Placement (QIP) in INR terms, having raised ₹ 4,906.65 crores (USD 750 millions) from marquee Institutional Investors from USA, Canada, Europe, Asia and India. The QIP has significantly boosted our capital adequacy and ensured that YES BANK is well positioned to capitalize on the opportunities provided by the re-invigorated economic environment in India.

YES BANK also raised ₹ 3,000 crores via Basel III Compliant AT-1 Bonds against a base issue size of

MD & CEO'S COMMUNIQUE (CONTD.)

₹ 2,100 crores. The bonds which were issued in December 2016 witnessed participation from Insurance Companies, Mutual Funds, Pension Funds, Provident Funds, Banks amongst others. Combined, the two transactions represented approx. USD 1.2 billions of Tier-I Capital raised by YES BANK in FY 2016-17.

Continuing our leadership in Green Financing, YES BANK, raised ₹ 330 crores (approx. USD 50 millions equivalent) through an issue of a 7-year Green Infrastructure Bonds to FMO, the Dutch Development Bank, on a private placement basis. This is FMO's 1st Investment in a Green Bond issued by a bank in India.

In September 2016, YES BANK also raised ₹ 2,135 crores via issue of long-term Infrastructure Bonds, against the base issue size of ₹ 1,000 crores. The proceeds from the Infrastructure Bonds will be used to finance long-term projects in Infrastructure and its allied sub-sectors, in accordance with the guidelines issued by the Reserve Bank of India.

In terms of Human Capital, the Bank now has over 20,000 Professional Entrepreneurs working towards the Bank's vision and evolving our organizational character as the 'Professionals' Bank of India'.

RESPONSIBLE BANKING

In today's increasingly interconnected societies and economies, the solution to our shared challenges and ambitions requires a collective, 'glocal' approach that is driven through 'Alliances, Relationships and Technology' (A.R.T.). At YES BANK, since inception, the ethos of responsible banking has remained the mainstay of its single-minded focus on inclusive and sustainable growth, by weaving sustainability principles into its core operations and expanding its alliances for India's development. As a core plank that runs across all functions of the Bank, it is firmly integrated with our business strategies, approaches & targets, enabling it to create shared stakeholder value both in the near and long-term.

20,000+

Professional Entrepreneurs working towards the Bank's vision and evolving our organizational character as the 'Professionals' Bank of India'.

COP22

At the COP22 in Marrakech, Morocco, your Bank's CSR project, 'Say YES to Sustainable MSMEs in India' was highlighted as a Role Model case study by the World Resources Institute, and showcased at the Conference's India Pavilion.

YES BANK is a signatory to key protocols focused on climate action and sustainable development, including the UN Environment Programme Finance Initiative (UNEP FI), Carbon Pricing Leadership Coalition, UN Global Compact, CDP, Natural Capital Finance Alliance, and member of influential national and global alliances including the India GHG Program, TERI Council for Business Sustainability, and the World Business Council for Sustainable Development.

Marking its presence at the highest level of global discussions, YES BANK spoke at the UN High-Level Thematic Debate at the UN General Assembly in New York in April 2016. In addition, the Bank was also invited as the Lead Discussant to the UN Private Sector Forum at the UN General Assembly in September 2016.

Significantly, at the COP22 in Marrakech, Morocco, your Bank's CSR project, 'Say YES to Sustainable

MSMEs in India' was highlighted as a Role Model case study by the World Resources Institute, and showcased at the Conference's India Pavilion.

The Bank was included in the DJSI Emerging Markets Index for the 2nd consecutive year in 2016, and continues to be the only Indian Bank in the DJSI. In a significant achievement, the Bank was assigned an ESG rating of AAA by MSCI ESG Research, assessing the Bank on pertinent Environmental, Social and Corporate Governance parameters. This year, your Bank became the first bank globally to migrate to the latest ISO 14001:2015 certification, which now covers your Bank's 444 Metro-Urban branches and 3 corporate offices.

YES BANK's CSR programs continue to be guided at the highest level by its Board approved CSR Policy. YES COMMUNITY, the Bank's unique branch-led community engagement program, touched 20 lakh lives in 2016-17. Its Livelihood and Water Security program provided access to safe and clean drinking water to more than 3.66 crore lives in Maharashtra, Delhi and Goa. The bank's interventions in the MSME sector on environmental sustainability impacted 2,229 MSME units and over 10,425 workers in 11 states.

I am proud to share that 'YES! i am the CHANGE', the social film making challenge by YES FOUNDATION, has achieved unparalleled success, with participation of over 13 lakh individuals comprising 3.24 lakh teams, submitting over 29,000 films, and the launch of a new initiative, the YES FOUNDATION Social Film Grant, in FY 2016-17.

YES BANK is the first Indian Bank to release its Sustainability Report adhering to the newly released GRI Standards, while continuing to report as per the Integrated Reporting framework and at the GC Advanced level of the UN Global Compact.

Towards advancing the adoption of sustainability reporting in India, YES BANK is a member of the <IR> Lab India of the International Integrated Reporting Council, and is a member of the Advisory Group for GRI's South Asia regional hub.

RECOGNITION FOR OUR INITIATIVES

YES BANK continued to garner multiple recognitions nationally and internationally from prestigious publications, advisory houses and independent bodies. In June 2016, YES BANK became the youngest Indian company to be a part of the Forbes Global 2000 List of World's Top Companies 2016. YES BANK is also one of the youngest Banks globally to have become a part of this elite list of global companies.

At the Business Today - KPMG India's Best Banks, YES BANK was adjudged India's Best Mid-Sized Bank for 2016. This was the 8th year in a row that YES BANK has been recognized at these marquee awards of the Indian Banking industry. The Banker, London recognized YES BANK as the Global Winner in the 'Payments' Category at its Transaction Banking Awards 2016.

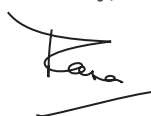

THE WAY FORWARD

I would like to acknowledge and thank Ms. Radha Singh, Mr. M.R. Srinivasan, Mr. Ravish Chopra and Mr. Diwan Arun Nanda for their contributions and impeccable guidance as part of YES BANK's board over the years.

As we embark towards the next financial year, YES BANK is fully equipped to actualize our strategy of building a strong Corporate & Retail Banking franchise with Digital presence across the customer value chain and at every touch-point.

With support from valued shareholders such as yourself and all our stakeholders including clients and partners, YES BANK is committed to ensuring a culture of Professional Entrepreneurship as we move towards our vision of 'Building the Finest Quality Bank of the World in India by latest 2025.

Thank you.
Sincerely,

HUMAN CAPITAL MANAGEMENT

At YES BANK, our Human Capital philosophy focuses on creating the right mindset to enable business performance by empowering and encouraging our executives to push their boundaries beyond their comfort zones, embrace challenges & drive growth, thereby deepening mind share and growing it into market share.

We engage and develop our Human Capital by creating a YES BANK culture, encouraging open & honest Communication, strengthening Connect among employees and community, supporting Career development and showing that we Care as an organization. All of these are underpinned by YES BANK's integrated Vision and Values framework. YES BANK has always emphasized on 'Knowledge' as a key differentiator, wherein we continuously enhance the capability and capacity of our Human Capital by creating an environment of continuous learning which equips them with knowledge and skills aligned to YES BANK's strategic objectives, business goals, job and regulatory requirements.

Our University & School Relationship Management (USRM) program is a structured, sustainable and scalable engagement process, which creates and maintains the maximum mind share for YES BANK among the students of Top B schools in India, thereby positioning us as a preferred Employer of Choice. Hiring of 100 management graduates from premier B-Schools in FY 2016-17 through Y-PEP (YES Professional Entrepreneurship Program), the flagship program for campus recruitment is testimony to the success of the USRM program.

In line with creating competitive advantage through HR Digitization characterized by big data, integration, mobility, social media, gamification,

and cloud computing, we are in the process of completing the adoption of our new HRIT system. This will enhance our ability to manage employees in a more flexible, agile and customized manner, by integration of talent management into the fabric of everyday business and by becoming a vital component of YES BANK's performance to re-affirm our commitment towards 'Building the Finest Quality Bank of the World in India by latest 2025'.

FINANCIAL INCLUSION

In line with its Responsible Banking vision of mainstreaming sustainability within its core business operations and cognizant of the needs of 'The Next Billion' customers, YES BANK has steadfastly focused on 'inclusive growth' of 'emerging India'.

Through a specialized Business Unit – Inclusive and Social Banking (ISB) – the Bank has adopted the guiding principle of Frugal Innovations for Financial Inclusion (FI4FI). The objective is to systematically leverage Information and Communication Technologies (ICT) and frugal business models to offer focused financial solutions, catering to India's under-banked and unbanked population.

The Bank is also foraying into a cashless and paperless ecosystem. The Bank's innovative and sophisticated financial tools and advanced technologies are designed in partnership with credible technology partners and are used to

offer solutions which also ensure better efficiency, security and viability.

Towards creating a multiplier effect, YES BANK seeks to collaborate with technology organizations. Such a strategy will unveil new avenues of extending even more expedient products to customers.

The Bank's flagship group lending program in rural and semi-urban India is YES LEAP. It has financed over 2 lakh self-help groups (SHGs) spread in 260 districts and 19 states, thus touching and transforming the lives of over 20 lakh families.

ROBUST RISK MANAGEMENT

At YES BANK, we realize that we are in the business of managing risks for our clients, investors and other stakeholders. We have leveraged our Alliances and Relationships with marquee industry partners and also pioneered implementation of latest Technologies to hone our A.R.T of Risk Management and our ability to comprehensively manage diverse risks.

The risk management culture at YES BANK is top-down and bottom-up. The Board is eventually responsible for risk management, which comprises risk governance and oversight structure, and for maintaining an appropriate internal control framework. The Bank's Board reviews and approves the threshold limits of risk to be taken in line with the Bank's strategic objectives and risk appetite. These limits are continuously monitored by an experienced risk management team and overseen by the Risk Monitoring Committee, a sub-committee of the Board. Our risk culture also involves proactive risk identification, appraisal and appropriate time-bound initiatives to mitigate risk with the objective to balance risks with returns. The Bank has set robust risk filters and systems that enables it to detect early warning signals and embrace appropriate proactive actions.

The Bank continues to strengthen strategic partnerships with some of the best global IT majors with the objective to develop innovative features that enhance process efficiencies to mitigate operational risk and provide sector-specific banking solutions. The effectiveness of YES BANK's risk governance continues to be reflected in best-in-class credit metrics.

YES GLOBAL INSTITUTE

About YES Global Institute

YES Global Institute, the practicing think-tank, has been established as a division of YES BANK to focus on channelizing private sector capital towards India's development. The Institute synergizes all the knowledge verticals within YES BANK, including the following: Social Impact, Culture, Natural Capital, Glocal Forums, Sustainable Investment Banking, Micro, Small and Medium enterprises, Food & Agribusiness Strategic Advisory & Research, Inclusive & Social Banking, North-East Region Initiatives, Strategic Government Advisory, Smart City Advisory, Renewable Energy, Responsible Banking, Business Economics Banking and University & School Relationship Management.

At YES BANK, we believe that India's equitable economic growth can only be accelerated by a robust partnership between public sector governance and private sector innovation and entrepreneurship. In addition, through leveraging the strong backbone of the public sector, the private sector investment frameworks and the deployment of national innovative financing instruments, India will be able to achieve an equitable ecosystem. This Social Impact economy can further emerge through an inherent focus on India's untapped Natural Capital, its rich heritage, handmade crafts, Culture and its important Glocal position in the global economy.

YES Global Institute's approach on taking these themes forward is to be a leading ecosystem player, thereby connecting capital to growth and development projects. This is done through its research, analysis, convenings of Glocal leaders; and finally, through launching market-based solutions for engaging private sector capital in India's evolution. The Institute recognizes the solutions of new-age, innovative social entrepreneurs, and links them with impact investments to generate financial and social returns.

IMPORTANT PROJECTS

SOCIAL IMPACT

YES Global Institute's Social Impact team has leveraged the ART approach to catalyze the Impact Investing ecosystem in India by harnessing synergistic relations with global players like Global Impact Investing Network (GIIN), Sir Ronald Cohen, Prof. John Hoffmire (University of Oxford), Embassy of Israel and Tata Institute of Social Sciences (TISS). Our strategic mindshare initiatives to catalyze private capital for development have yielded in strategic market share with YES Global Institute being recognized as an integral player in developing cantors of innovative financing instruments.

YES CULTURE

YES Global Institute's YES Culture arm is working towards promoting and conserving India's heritage in association with India's premier heritage conservation organizations. We are collaborating with the Indian National Trust for Art and Cultural Heritage (INTACH) in Delhi/NCR, by conducting over 73 walks in historic neighborhoods of Delhi/NCR, impacting over 1500 citizens over the past year. Cycle tours have been added to this archetype of community based engagement. Owing to the rapid success of this multi-dimensional program, YES Culture has amplified the project by conducting walks in Udaipur, along with the Udaipur Municipal Corporation and the Maharana of Mewar Charitable Foundation. YES Culture endeavors to conduct similar engagements in other cities nationally through strategic partnerships to augment efforts towards conserving and promoting India's rich cultural heritage.

RESPONSIBLE BANKING

In an increasingly connected world, no business remains a silo, and the solutions to today's challenges and ambitions require a collective, 'glocalized' approach. Technology is emerging as the go-to answer for developmental and market-based solutions, and is intrinsically linking economies, societies and the environment into a common pathway of sustainable development.

The massive strides in Information and communication technologies offer the corporate sector an unprecedented opportunity to advance development towards achieving the world's socio-economic and environmental goals.

YES BANK institutionalized Responsible Banking as a key differentiator and one of its five strategic pillars since inception, as it believed that as a financial institution in India, there was an inherent need to play a central role in the economy to have significant social and environmental impacts.

YES BANK believes that collaborations yield results and, as a public trust institution, play to its strengths. To a large degree, YES BANK's success in driving positive impact could be accredited to the opportunities presented by its stakeholder engagements and partnerships. With a greater understanding of the needs and issues of its stakeholders, YES BANK has been able to establish the right alliances and amplify its sustainability impact both within and outside the organization, leading to the realization of first-to-many sustainability initiatives.

BUILDING ALLIANCES FOR GLOCAL IMPACT

Through its proactive approach and extensive engagements with its stakeholders, YES BANK has helped cement strong community relations and leveraged its partnerships with national and international institutions, multi-lateral organizations, academia and corporate peers to

bring a positive change to the lives of vulnerable or marginalized communities, lend its voice to policy and regulatory action on pertinent issues, drive investments towards the sunrise sectors of the economy, and innovate to bring India's unbanked and under-banked population into the formal economy.

YES BANK was also the only Indian bank to be invited to speak at the G20 ESG Workshop in Berne, Switzerland and participated in the World Bank Group's Dialogue for Climate Action in Vienna, in May 2016.

In addition to making its voice heard at the highest platform such as the United Nations, YES BANK was also the only Indian bank to be invited to speak at the G20 ESG Workshop in Berne, Switzerland and participated in the World Bank Group's Dialogue for Climate Action in Vienna, in May 2016.

As a signatory to key global coalitions and alliances, YES BANK has emerged as a strong voice on key topics. It is a signatory to UN Environment Programme Finance Initiative (UNEP FI), UN Global Compact, CDP, Natural Capital Finance Alliance (earlier the Natural Capital Declaration), and member of national and global alliances including the India GHG Program, TERI Council for Business Sustainability, and the World Business Council for Sustainable Development.

DRIVING GLOBAL CLIMATE ACTION

YES BANK believes that climate change is an opportunity for the global economy to shift onto a pathway of low-carbon and inclusive growth. Through its Responsible Banking ethos, YES BANK has been addressing the low carbon transformation by adopting a 360 degree approach to mainstreaming climate action.

Driving Global Climate Action approach has focused on

- Integrating Environmental & Social parameters into its lending decisions
- Innovating for the Bottom of the Pyramid through leveraging technology
- Proactively investing in positive impact sectors
- Greening its own operations
- Climate literacy

On the occasion of the historic COP21 of the UNFCCC at Paris in October 2015, YES BANK had committed to mobilize USD 5 billion for climate action by 2020, towards climate mitigation, adaptation & resilience and contributing to achieving India's Nationally Determined Contributions.

At the COP22 of the UNFCCC in Marrakech, Morocco, one of YES BANK's flagship CSR projects, 'Say YES to Sustainable MSMEs in India' was highlighted as a Role Model case study by the World Resources Institute, and showcased at the Conference's India Pavilion.

YES BANK believes that putting a price on carbon would further accelerate the global shift towards production of cleaner sources of energy and adoption of energy efficiency. YES BANK is the first Indian banking sector signatory to the Carbon Pricing Leadership Coalition, a voluntary partnership of governments, businesses & civil society organizations towards advancing the carbon pricing agenda.

PARTNERING FOR POSITIVE COMMUNITY IMPACT

The magnitude of developmental challenges in India covering 1.3 billion people is significant, and would require breakthrough innovative thinking and developing large scale solutions that are sustainable and scalable. YES BANK believes that participatory approaches enable the power of coalition and drive accelerated social impact that can secure the most basic needs for the vast majority of the population.

Through its Responsible Banking ethos, YES BANK focuses on creating shared value for its stakeholder spectrum through social, economic and environmental interventions, guided by its four pronged approach framework to 'Promote, Invest, Engage, and Collaborate & Monitor'.

Through effective stakeholder engagement, the Bank ensures that its community development interventions stay relevant, scalable and sustainable, and are strongly aligned with the needs of the stakeholders. By building the right partnerships across corporate, government, and non-profit sectors, the Bank is implementing development projects in each and every corner of the country.

In 2016-17, through its flagship branch-led community engagement program, YES COMMUNITY, the Bank positively touched 2,019,900 lives through 6,156 events held in and around its 1,000 branches across India.

YES Foundation, YES BANK's social development arm, launched 'YES! i am the CHANGE' in 2012 as a movement to inspire, engage and empower youth to participate in India's social transformation. Today, YES! i am the CHANGE has emerged as the world's largest social film movement, with a participation of over 13 lakh individuals from 3.24 lakh teams, submitting over 29,000 short films on socially and environmentally relevant issues.

INDIA BOLE YES! CREATING A RESONATING BRAND

YES BANK, in early years of the Bank's journey, emphasized on the motto 'Experience our Expertise' with a strong focus on Knowledge Banking. With its foray into the retail sector, YES BANK, in its service driven approach, focused on 'YES FOR YOU'. The mantra of 'YES' to create a delightful banking experience was further inculcated in each and every YES BANKer and every customer touchpoint.

In 2015, as the fifth largest Indian Private Sector Bank, YES BANK launched 'INDIA bole YES!'. INDIA bole YES! is our endeavor to translate the ethos of the Bank while saluting the indomitable spirit of rising India. India is a nation of great potential, which

has emerged as a global force to reckon with. The nation is willing to meet challenges head on with the confidence of coming out as winners. These are the same values that YES BANK has embodied since inception and continues to nurture.

Taking forward the Government of India's bold & revolutionary step of Demonetization in November 2016, YES BANK brand took another leap - INDIA bole YES! to a LESS-CASH Economy.

Taking forward the Government of India's bold and revolutionary step of Demonetization in November 2016, YES BANK brand took another leap - INDIA bole YES! to a LESS-CASH Economy. This expression amplified through print, TV, outdoors and social media, emphasized on the Nation's motto. INDIA bole YES! to a LESS-CASH Economy is the YES BANK'S commitment to being one of the early adapters or rather pioneers to 'Digital way of working'. YES BANK's forte has always been in proactively adapting to the 'Future Businesses & Opportunities'.

THE A.R.T. OF BRANDING

YES BANK has imbibed the spirit of A.R.T. in developing its Brand as a highly visible and relevant brand. YES BANK's high impact brand partnership as a Central Sponsor with the IPL has been a testimony to the approach. YES BANK has gained more visibility and mindshare through this partnership and positioned the brand as a young, vibrant and a contemporary brand and helped in making INDIA bole YES! a household slogan.

YES BANK has entered into similar Brand Partnerships with YES BANK - Economic Times Global Business Summit, YES BANK Express Adda, Brand partnership with Kidzania, amongst others.

LEADERSHIP IN SOCIAL MEDIA

Social Media Channels have become a crucial & integral part of our Digital Transformation Roadmap with global achievements and recognitions for the YES BANK brand.

A testimonial to our leadership is the fact that YES BANK is the Highest Followed Banking Brand in the World on Twitter & has conceptualized multiple award winning campaigns during FY 2016-17 like #INDIAboleYES brand campaign, Customer Service Campaign during Demonetization & engagement campaign during IPL Sponsorship.

LEVERAGING A.R.T. FOR GLOBAL SUSTAINABLE IMPACT

YES BANK believes that as a financial institution, there is an inherent need to play a leading role in India's development. In line with its Responsible Banking ethos, YES BANK has been able to establish the right alliances and amplify its sustainability impact both within and outside the organization, leading to the realization of first-to-many sustainability initiatives.

In an increasingly connected world, no business remains a silo, and the solutions to today's challenges and ambitions require a collective, 'globalized' approach. With a greater understanding of the needs and issues of its stakeholders, YES BANK has been able to establish the right alliances and amplify its sustainability impact both within and outside the organization, leading to the realization of first-to-many sustainability initiatives.

BUILDING ALLIANCES FOR GLOBAL IMPACT

Through its proactive approach and extensive engagements with its stakeholders, YES BANK, has helped cement strong community relations and leveraged its partnerships with national and international institutions, multilateral organizations, academia and corporate peers to bring a positive change to the lives of vulnerable or marginalized

communities, lends its voice to policy and regulatory action on pertinent issues, drives investments towards the sunrise sectors of the economy, and innovates to bring India's unbanked and under-banked population into the formal economy. INCLUSIVE & SOCIAL BANKING

YES BANK firmly believes that greater participation of the unbanked and under-banked Indians in the economy would not only lead to inclusive growth but also achieve greater social justice. The Bank, since its inception, has been focusing on 'inclusive growth' of 'emerging India' through innovative products and services for rural and urban India and is forging key partnerships to amplify its impact.

The Bank, through Inclusive and Social Banking (ISB), its specialized Business Unit, has adopted the guiding principle of Frugal Innovations for Financial Inclusion (FI4FI) to systematically leverage ICT and frugal business models to offer focused financial solutions catering to the under-banked and unbanked population in India.

ISB is working under the ambit of financial inclusion to reach out to the financially marginalized by leveraging the Bank's extensive branch network, technology edge and relationship capital in the Public, Private and Social sectors.

Using sophisticated financial tools and advanced technologies, the Unit offers solutions that include direct micro-credit, micro saving and micro insurance and remittance services across various geographical and socio-economic contexts in India.

Through YES LEAP, the Bank's flagship lending program and YES JLG program, it has financed over 230,000 SHGs spread in 260 districts, thus directly reaching over 20 lakhs families. YES SAHAJ, the Bank's award winning technology solution platform based on the RBI's Business Correspondent (BC) model offers safe and secure, doorstep banking services using low cost technology. Through these programs, YES BANK has cumulatively financed over ₹ 5,200 crores.

Towards creating a multiplier effect through larger collaborations, YES BANK appoints business correspondents (BC) such as NBFCs, allowing the Bank to scale up its product and service offerings for the Bottom of the Pyramid (BOP). ISB currently works with 31 Business Correspondent partners, present in 17 states in India.

YES LEAP

Innovating on the RBI's BC model, YES LEAP (Livelihood Enhancement Action Program) is the Bank's innovative version of the Self Help Group (SHG) Banking Linkage program. YES BANK has been partnering with credible NGOs/private institutions and appoints them as BCs and provides banking services through them, allowing the Bank to scale up its product and service offerings for the Bottom of the Pyramid (BOP).

YES LEAP is currently partnering with 31 BC partners, including Self Help Promoting Institutions and NBFCs, to provide comprehensive financial services to SHGs in 260 districts in India, and reaching out to over 20 lakhs predominantly rural households.

FINANCIAL CAPITAL (CONTD.)

Towards enhancing the impact and delivery mechanisms of LEAP, the Bank is exploring to introduce tablet-based solutions which would be able to digitally track payments and receipts, take videos of SHG meetings and group recordings, play health and hygiene messages and track movement of BC agents.

As the majority of the SHGs linked to YES LEAP program are women-centric, YES LEAP has been able to contribute towards strengthening women entrepreneurship and financial empowerment in rural India.

YES JOINT LIABILITY GROUP

The YES Joint Liability Group (JLG) is an initiative to provide banking services to the BOP in rural, semi-urban and urban India, based on the Joint Liability Group methodology wherein, term loans are provided to individual members of a JLG focusing on income generation.

Through YES JLG, the Bank provides direct financing, through its partners, which include NBFCs and MFIs, with a wide network in India to be able to reach the most needy and financially excluded segments.

The program, launched in March 2015, reached 153,717 Joint Liability Group members via a network of 16 Business Correspondents as on March 31, 2017.

YES KISAN DAIRY PLUS

YES BANK's YES Kisan Dairy Plus, a comprehensive suite of financial products in the organized dairy sector, continues to benefit both small milk producers as well as the large dairy buyer. As the bank accounts of both the buyer and the seller are linked to the Bank's banking network, small milk producers can get paid immediately for their sale, which may take many days without such a system. With an account at YES BANK, the small dairy seller can continue to earn interest, or use its bouquet of financial services to utilize their income.

YES SAHAJ

YES BANK had launched YES SAHAJ in 2011 with the vision of taking basic banking to the farthest corners of the country and financially integrating the millions of Indians at the BOP, and developing innovative solutions that can overcome the limitations of traditional, brick-and-mortar banking.

YES SAHAJ is an innovative, low-cost, micro-ATM leveraging technological innovations within existing principles of mobile banking, India's strong mobile penetration and the RBI's BC Model, to offer basic banking to India's rural hinterland. It is a cost-efficient alternative to Hand-held Devices which allows real time, on-field reporting of repayment collection and savings amount of SHG and JLG members, enabling centralized monitoring. It also acts as a key platform for remittance operations of two key YES BANK products - YES LEAP and YES MONEY.

MICROFINANCE INSTITUTIONS GROUP

YES BANK promotes microfinance as a new asset class, widening access to capital through a two-pronged strategy involving the Microfinance Institutions Group (MFIG), and mainstreaming Bottom of the Pyramid clients through ISB. MFIG's product suite includes Term Loan Facilities, loan syndications and, rated capital market loan products like pool securitization, bonds, commercial paper and pass through certificates.

AGRIBUSINESS PRODUCT MANAGEMENT

The Agribusiness Product Management (ABPM) unit at the Bank has experienced banking and industry professionals with in-depth knowledge of the Priority Sector to deliver efficient and customized banking solutions to the core agri sectors.

DIGITAL BANKING

Innovation and Technology are key brand pillars at YES BANK, which continues to maintain its focus on leveraging state-of-the-art technology and introducing innovative practices towards its vision of building the 'Finest Quality Bank of the World in India.' The Bank has adopted a holistic approach

towards going digital and has integrated that strategy across the entire Traditional and Digital banking ecosystem.

As the new-age digital customers migrate away from the traditional banking channels and adopt digital banking, YES BANK's digital focus would be on ensuring ease of transaction, and winning and retaining customers by creating value for them that enhances the convenience and quality of their everyday lives beyond mere transactions. YES BANK has significantly expanded its bouquet of digital products that cater to varied segments of population and use cases, riding the waves of technological advancements to provide a seamless customer experience.

The Reserve Bank of India (RBI) has released its Vision 2018 document, aimed at encouraging greater use of electronic payments by all sections of society by bringing down paper-based transactions, increasing the usage of digital channels, and boosting the use of mobile banking. The Government of India's demonetization move and promotion of digital banking services have also encouraged and supported the use and acceptance of the Digital technologies to carry out day to day transactions.

The Bank has been working on disruptive technologies and frugal innovations to ensure inclusion of feature phone users and change the way customers make payments. YES BANK has created a unique, sustainable and growing business model with SIMsePAY, a breakthrough, yet simple, innovation that was conceptualized and developed under the Bank's Vision to provide simple, easy to use, convenient and 24X7 banking services on the go.

The size and volume of digital banking transactions done through YES BANK's products and services continue to scale up rapidly in FY 2016-17, aided by Government policy initiatives and interventions. The number of Mobile Banking transactions rose from approximately 6.9 lakhs in 2015-16 to over 1.05 crores transactions in 2016-17, a significant jump

of over 1400%, with over 2.58 lakhs active Mobile Banking users in the reporting period. Similarly, the number of transactions on the Bank's Retail Net Banking channel rose to almost 1.25 crores from 48 lakhs in the previous year, a growth of over 150%. Similarly, the number of active net banking users in the reporting period almost doubled to 3.04 lakhs.

YES MONEY

Since its launch in 2011, YES MONEY, the Bank's award-winning, innovative domestic remittance platform has cumulatively remitted close to USD 2.5 billion in domestic remittances.

YES MONEY operates on the custom-built multi-platform Remittance Knowledge Bridge which synergizes India's vast spread of hyper-local family owned stores into being full-fledged, secure BC partners of the Bank towards meeting the remittance needs of millions of unbanked and under-banked population in India.

POSITIVE SOCIAL IMPACT INITIATIVES - YES COMMUNITY

YES COMMUNITY, YES BANK's innovative branched community engagement and impact model, continues its focus on pertinent social and environmental issues of local and global significance. During the reporting period, the Bank enhanced its partnerships with non-profit organizations, local and state governments, and its corporate peers to deliver and scale up impact on the ground.

In FY 2016-17, YES COMMUNITY witnessed strong growth, and impacted 20,19,900 lives through 6,156 activities, thus convincingly surpassing its target of touching 8 lakhs lives in the year. Key programs initiated under YES COMMUNITY included:

GREENING INDIA'S NATIONAL HIGHWAYS

One of India's commitments under its Nationally Determined Contributions (NDC) is to create additional carbon sink of 2.5 to 3 billion tons of CO₂ Equivalent through additional forest and tree cover by 2030. Towards this commitment, enhancing the tree cover around India's rapidly expanding national highways has an immense potential to expand the country's green cover and generating employment opportunities for the rural community.

YES COMMUNITY GROWTH

(No.)

The Ministry of Road Transport and Highways (MoRTH) of the Government of India promulgated the Green Highways (Plantations, Transplantations, Beautification and Maintenance) Policy - 2015, to develop green corridors along National Highways, envisioning the development of eco-friendly national highways with participation from communities, farmers, NGOs, the private sector, financial institutions, government agencies and the Forest Departments.

The National Green Highways Mission (NGHM) under National Highways Authority of India (NHAI), has been entrusted with the task of implementing roadside plantations, which is expected to generate one lakh direct employment opportunities in the plantations sector in next ten years.

In 2016, YES BANK became the first private institution to undertake a CSR commitment to 'Adopt a Green Highway', under the NGHM initiative. The Bank would develop green corridors along the Mumbai-Nashik-Pimpalgaon Highway.

Nitin Gadkari (Union Minister for Road Transport and Highways, Government of India) and Namita Vikas (Group President & Global Head - Climate Strategy & Responsible Banking, YES BANK) holding the charter with NGHM at the 'Green Highways Project - Way Ahead' workshop

Towards raising awareness on the topics and exploring synergies for collaboration between YES BANK and NGHM, a joint Charter was launched by Nitin Gadkari, Union Minister for Road Transport and Highways, Government of India at the NGHM organized workshop on the theme "Green Highways Projects: Way Ahead" on July 01, 2016 at New Delhi. YES BANK and NGHM signed a formal MoU on November 07, 2016 in New Delhi.

To raise awareness on the importance of greening highways and its role in maintaining ecological sustainability, YES BANK and NGHM conducted nationwide painting and slogan writing competitions under the initiative of 'Green Highways for Sustainable Environment' to spread the message amongst young students in schools and colleges. These competitions were conducted in 402 locations, touching 70,350 students with the winning paintings and slogans from students produced into a widely distributed coffee table book.

WASTE MANAGEMENT

The Prime Minister launched the 'Swachh Bharat Abhiyan' with a clarion call to all citizens by proclaiming – "A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019". Waste management being a critical element of public health and safety, the national cleanliness campaign identified Solid and Liquid Waste Management (SLWM) as one of its key focus areas.

In line with the government's campaign, YES COMMUNITY launched the "Swacchagraha" program on Waste Management to promote eco-friendly practices within the community.

Through this initiative, branches conducted workshops on Waste Segregation and 'Make your own paper bag' drives by partnering with Local Municipal Authorities, RWAs, youth clubs, colleges, schools, Traders Associations and NGOs.

To encourage a habit of recycling amongst students and the youth, branches conducted workshops in schools, on making paper gift bags from waste paper. A total of 371 schools participated in this activity.

TREE PLANTATION DRIVE

Forests are the lungs of the earth. Deforestation has had a major impact on global warming and habitat loss, the effects of which are increasingly being experienced in our day-to-day lives. One of India's

Nagpur Branch conducting the tree plantation drive with the Indian Army

key Nationally Determined Contributions (NDC) is to create an additional carbon sink of 2.5 to 3 billion tons of CO₂ Equivalent through additional forest and tree cover by 2030.

At the COP21 in 2015, YES BANK undertook a climate commitment to increase India's green cover by contributing to a carbon sink and planting 2 million saplings by the year 2020. YES BANK branches addressed this challenge with a massive campaign that witnessed the full participation of local community members. 525 YES BANK branches collaborated with citizens across the board to plant 105,000 saplings in public spaces and neighbourhoods.

NATIONAL ROAD SAFETY WEEK

National Road Safety Week is observed in India from January 09 to 15 every year to raise awareness on safe driving practices. As a socially conscious corporate citizen, YES BANK looks at 'safety' as an important aspect of community development and road safety entails accelerated tourism and economic growth. In 2016-17, YES BANK branches conducted YES COMMUNITY activities under the theme "Your Safety, Secures your family- Be cautious on Road" to highlight and emphasize the need for safe and accident free roads.

The objective was to increase awareness on importance of safe roads through collaborative efforts of relevant stakeholders.

Branches partnered with local two-wheeler dealers, along with a national partnership with Hero Moto Corp, to conduct the awareness campaigns at two-wheeler showrooms.

FINANCIAL LITERACY

The Government of India's move on demonetization and its promotion of various digital financial transaction methods have prompted millions of Indians to adopt digital banking platforms in an unprecedented way. Towards supporting the government's vision, YES BANK, is converting its branches into Digital Banking Literacy Centers and conducting sensitization sessions for its customers and the community at large on harnessing the power of digital banking.

The broad objective of the initiative was to spread awareness on financial transactions through all available digital banking platforms, essentials for a secure digital banking transaction and to mobilize volunteers to bring an enormous change by participating in the "Each one Enrich one" campaign and to support Government of India's GO CASHLESS approach.

The branches also conducted financial literacy camps with sessions on 'fake note detection' for relevant stakeholders. An elementary quiz on financial literacy was also conducted and winners were given certificates of appreciation.

SCALING UP YES COMMUNITY IMPACT LIVELIHOOD & WATER SECURITY

According to the WHO/UNICEF Joint Monitoring Program for Water Supply and Sanitation, at least 1.8 billion people worldwide are estimated to drink water that is faecally contaminated. Water is vital for survival of all known life forms. We require clean drinking water for our survival, but only less than 0.3% of all freshwater is available for use. This rarity of clean water not only makes it precious but also makes it imperative for Public and Private sectors to make it available to the community at large.

In concurrence with SDG 6, YES BANK believes that access to safe and clean drinking water is critical and has identified 'access to safe and clean drinking water' as a key challenge. The Bank launched its Livelihood and Water Security initiative under the YES COMMUNITY umbrella in 2014, and under the initiative, aims at providing affordable solutions that provide safe and clean drinking water in urban, rural and semi-rural communities.

On the occasion of COP21 in October 2015, YES BANK took a key commitment to touch 100 million (10 crores) lives through its safe and clean drinking water program by 2020. Since its launch in 2011, YES BANK has already provided access to safe & clean drinking water to more than 5 crore lives through this Security initiative, touching over 3.66 crore lives in 2016-17 alone.

The Bank continues to use the innovative, membrane-based water purification technology developed by its social start-up partner. The technology requires no electricity or chemical-dosing for the purification process, and the innovative filters use an internationally patented gravity based technology to purify water from any freshwater source, are quick and easy to assemble, and need minimum maintenance, making it ideal for the Indian context.

YES BANK has joined hands with the Indian Railways in 2015 to provide access to safe and clean drinking water at 1,000 railway stations across India by 2019. In the first phase

*Community Water Systems installed at
Hamalpanchayat School, Pune*

(FY 2015-16) of the project, the Bank had set up 100 community water filter systems across 'D' and 'E' category railway stations in the Konkan belt and other locations in Maharashtra.

In the second phase of implementation in FY 2016-17, YES BANK expanded its reach and provided access to safe and clean drinking water at additional 192 railway stations in Solapur, Bhusawal, Nagpur and Pune divisions through installation of purification systems.

Expanding upon its current partnerships, YES BANK has partnered with an organization to install Water ATMs, a unique concept adopted by the Bank, to dispense safe and clean drinking water by installing Community Water centers and Water ATMs in urban slums of Delhi. This initiative would serve 6 communities with a combined population of over 1 lakh people. Filtered water would be available at nominal prices at these ATMs to instill a sense of ownership in the consumers. Additionally, through this unique initiative livelihood would be provided to the ATM operators.

SOCIAL & RELATIONSHIP CAPITAL (CONTD.)

In addition to focusing on the availability of clean water, the initiatives also focus on sensitization of communities in health, supplementary education, sanitation and overall social welfare.

SKILL DEVELOPMENT THROUGH YES STEADY

YES STEADY (Skills Training and Enhancement for Development of Youth) was launched by YES BANK in 2014, to provide employability training to youth through targeted skill building initiatives. For the initiative, the Bank partnered with Deshpande Foundation to provide employability training to youth in Karnataka and Telangana states in the first phase, inducting 1,200 students.

In the reporting period, 1,382 students were inducted and have undergone skill training under various focus sectors such as agriculture, accountancy, electrical works, BPO & soft skills and primary teachers training. The students are provided with employment linkages through a formal placement cell and are connected with an alumni network of Deshpande Foundation's existing programs.

In addition, YES BANK supports four NGO partners in running Community Knowledge Centers in Maharashtra, Tamil Nadu and Kerala, with 4,055 students completing their training in 2016-17.

SAY YES TO SUSTAINABLE MSMEs IN INDIA

The MSME sector in India has shown admirable innovativeness and resilience towards economic shocks. Responsible for generating around 100 million jobs throughout the country's geographical expanse, this sector is known for employment generation caliber, low capital and technological requirement, promotion of inherent skills, use of local resources and exportability of products.

In 2014-15, YES BANK launched the first-of-its-kind MSME CSR project 'Say YES to Sustainable MSMEs in India', to promote environmental sustainability and Occupational Health and Safety (OHS) within the Indian MSME sector in partnership with Foundation

for MSME Clusters (FMC) and Entrepreneurship Development Institute of India (EDII).

In 2016-17, the initiative impacted 2,229 MSMEs on Energy Efficiency and OHS through sensitization workshops, safety trainings, first-aid trainings, and health camps, benefitting 10,425 workers across 11 states, 18 locations and 13 sectors including Foundry, Dyeing, Rubber, Plastic, General Engineering, Textile, Rice Mills, Auto ancillaries, Industrial tools and pumps, Sports goods, Handicrafts and Railway vendors. Since its inception, the project has already impacted over 3,000 MSMEs, benefitted more than 22,000 workers and helped reduce an estimated 6,000 metric tons of CO₂ emissions.

Continuing its focus on providing path-breaking solutions, the bank on-boarded Small Industries Development Bank of India (SIDBI) to extend an all-inclusive solution for increasing the energy efficiency of this sector, becoming a one-stop solution provider to the OHS and Energy Efficiency (EE) requirements of the MSMEs.

As a best practice, YES BANK has attempted to calculate the project's evaluative Social Return On Investment (SROI) for the financial year 2015-16. SROI is a principle-based method for measuring the extra-financial value of an initiative relative to the inputs invested.

To calculate the SROI, the Bank conducted a thorough analysis of inputs from the stakeholders for the initiative, the outputs achieved and the corresponding outcomes. The inputs were based on data collected from beneficiary MSME units and implementation partners through questionnaires.

The Net SROI achieved was 6.98, or in other words, the social impact generated by the project is almost 7 times the value of the inputs invested by the stakeholders.

In the process of measuring the SROI, the following key findings emerged:

Energy Efficiency and Occupational Health & Safety workshop being organized in Hyderabad, Telangana with Micro Units Balanagar Association

- ₹ 2.8 crores was saved by the MSMEs through YES BANK's energy efficiency interventions*
- ₹ 16.9 crores was saved by the MSMEs through YES BANK's OHS interventions*
- 5,181 hazardous incidents and health issues were avoided*
- 4.03 working days were saved for each employee, annually by increasing the operational efficiency and productivity*
- 98.6% of the benefitted MSME units were satisfied with this intervention^

EMPLOYEE PAYROLL GIVING

YES BANK continues to partner with GivelIndia for the payroll giving initiative for its employees. Employees registered under the programme contribute a certain

portion of their salaries every month, as selected by the employees themselves, which can be donated to a cause of their choice. To ensure that 100% of the employee contribution is donated, the Bank pays for all the administrative charges to participate in the platform. During the reporting period, a total of ₹1,613,400 was received as donations from employees.

YES FOUNDATION - BUILDING AN EMPOWERED AND EQUITABLE INDIA

India's development challenges require innovative and inclusive solutions with a multiplier effect, addressing scale and impact. Backed by YES BANK's over decade of positive impact, YES FOUNDATION, a public charitable trust governed by an independent Governing Council, follows a differentiated approach innovatively harnessing media to channel high octane youth energy and stimulate entrepreneurship for an empowered and equitable India.

YES FOUNDATION addresses the gaps in the development sector by strengthening Design and Innovation-led Creative Entrepreneurship (DICE) solutions by youth and Non-Profits, redefining the contours of social development. The Foundation's programs address the biggest challenge facing India - the MINDSET, especially of the youth. These "mindset transformation programs" successfully harness the latent capabilities of millions of youth into positive action for India's inclusive development resonating responsible citizenship across the country.

YES! I AM THE CHANGE

YES FOUNDATION, in 2013, launched its flagship program, YES! i am the CHANGE (YIAC), a nationwide mindset transformation program, to inculcate the spirit of responsible youth citizenship through the impactful medium of films. It features a 101-Hour Social Filmmaking Challenge where participants make 3-min short films on social causes.

The topics are socially relevant such as child rights and education, environment, women empowerment, and livelihood and employment and aligned with the UN Sustainable Development Goals. This enables the

SOCIAL & RELATIONSHIP CAPITAL (CONTD.)

YIAC films to form an open repository of invaluable communication resources with an Indian context for the use of NGOs and yet maintain an international social alignment. The immersive process of participation leads to experiential learning and in the process, advocates and volunteers are created for causes and NGOs.

In 2015, YIAC had emerged as the World's Largest Social Filmmaking Movement with 500,000 youth participants from 2,500 cities and towns pan India.

YIAC highlights for the fourth edition in 2016-17 include:

- In 2016, YIAC received an unprecedented response of over 1.3 million participants and over 29,500 films (~1000% increase over previous year)
- Over 34,000 films on Sustainable Development Goals (SDGs) accumulated over four years in a variety of national and regional languages that are available for free use to NGOs to further their causes. These films are also showcased by YES FOUNDATION on various platforms to sensitize youth and promote responsible youth citizenship
- Students across 5,000 schools and colleges in India engaged through various on-ground activities, digital engagement, workshops, social film festivals and screenings to bring awareness about pertinent social causes. Youth are also sensitized on responsible consumption of media
- Training provided to 800 NGO professionals on zero budget filmmaking and using the films for advocacy, resource mobilization and volunteer mobilization
- YES! i am the CHANGE (YIAC) 2014 and 2015 entered the Limca Book of Records as the Largest Social Filmmaking Challenge in India
- YIAC was the overall winner of the 2016-17 Peer Awards for Excellence, UK. It was also the

winner of each of the Judging Criteria – Impact, Innovation and Inspiration

- YIAC won Gold in the 6th Asia Pacific Customer Engagement Forum & Awards (ACEF) for Successful Use of CSR Activity in the Online Media category

In February 2017, stalwarts of India's film, government, corporate and development sectors celebrated the best social films by 1.3 million youth across 2,500 cities and towns pan-India at YES FOUNDATION's YES! i am the CHANGE Awards ceremony. Chief Guests, G.M. Rao, Founder Chairman, GMR Group, Shaina NC, National Spokesperson, Bharatiya Janata Party and Piyush Pandey, Executive Chairman and Creative Director, Ogilvy & Mather India felicitated the top films.

The top YES! i am the CHANGE films were selected by a 19-member eminent jury, including celebrated actor Shabana Azmi, Ashu Suyash, MD & CEO, CRISIL, Magsaysay award winner Anshu Gupta, Zahabiya Khorakiwala, Managing Director, Wockhardt Hospitals, Rebecca Tavares, UN Women's Representative for India, Bhutan, Maldives and Sri Lanka, amongst others.

The awards ceremony was followed by a two-day YES! i am the CHANGE Social Film Festival showcasing the top YIAC films. The Festival was inaugurated by the doyen of Indian innovation Dr. R. A. Mashelkar and included interactive sessions with eminent individuals such as celebrated Film Director Shyam Benegal, Magsaysay Award Winner Anshu Gupta among others.

YES FOUNDATION CHANGEMAKER INITIATIVE

YES FOUNDATION Changemaker Initiative was launched in 2015 to honour and support the projects of past participants of YIAC who have gone beyond filmmaking, are focused on developing innovative solutions and consistently contributing towards social causes.

The first initiative mentored by YES FOUNDATION was

'Missing', a unique international awareness campaign on human trafficking by Leena Kejriwal, public artist & YES! i am the Changemaker Awardee 2015.

This year, the Changemaker Award was conferred on Ravi Iyer, Amar Ramesh and Meghatithi Kabear.

The Foundation also launched the Everyday Hero Award to recognize individuals doing exceptional community service. Roxanne Davur, Joseph Sekar and Sanjay Kumar were the award recipients.

YES FOUNDATION MEDIA FOR SOCIAL CHANGE FELLOWSHIP

To further enable and deepen youth social engagement, YES FOUNDATION launched the YES FOUNDATION Media for Social Change Fellowship in 2016, a high impact program to develop socially conscious youth leadership in association with ISDI-WPP School of Communication and supported by International Advertising Association, India Chapter and YES BANK.

The objective of the Fellowship is to develop socially conscious youth leadership through exposure to social issues and credible NGOs, along with strengthen the communication efforts of NGOs and maximize their social impact.

The 2-month Fellowship provides high potential youth (18-25 years) an opportunity for intensive and sustained engagement with social issues through regular capacity building trainings and structured placement with credible NGOs. The Fellows are trained by industry leaders in a 1-week intensive, Induction training on marketing, communications, digital and social media. This is followed by a 7-week, full-time placement in NGOs where Fellows lead well-defined communication projects such as developing films, websites, social media campaigns, case studies etc. for NGOs with guidance from industry leaders.

Participation in the Fellowship hones the leadership skills of the youth and is a stepping stone towards their professional careers. Most importantly,

Onir (Filmmaker), Pooja Bhatt (Actor), Prerana Langa (CEO, YES FOUNDATION), Namita Vikas (Member, Governing Council, YES FOUNDATION), Dr. Ashvini Madhukar Joshi, IAS (Collector, Mumbai), Leena Kejriwal (Awardee 2015) at the launch of the initiative

exposure to social issues sensitizes the youth and enables them to emerge as social leaders.

In 2016, the inaugural edition, 45 youth were selected to be a part of the Fellowship cohort from 922 aspirants across 166 cities and towns pan-India. They were placed with 19 credible NGOs, across Mumbai.

YES FOUNDATION SOCIAL FILM GRANT

YES FOUNDATION actively supports emerging filmmakers and works towards sensitizing professional filmmakers on social filmmaking to tackle the dearth of strong communication resources for NGOs, especially on the Sustainable Development Goals (SDGs). Towards this, YES FOUNDATION Social Film Grant was launched in association with UNDP India in 2016. It is a competitive film production fund for exceptionally talented emerging filmmakers to make 1-minute Public Service Films on SDGs.

4 high quality films produced as a part of the program are used on digital platforms by UN affiliates and YES FOUNDATION to popularize SDGs amongst youth and policymakers.

Street Dreams, a Public Service Announcement film on Zero Hunger (Sustainable Development Goal) produced under the Social Film Grant garnered 4.7 million views on Twitter and 1.2 million views on Facebook.

YES ENABLER

YES Enabler is a high impact program promoting Communications and DICE (Design and Innovation-led Creative Entrepreneurship) to accelerate social impact of NGOs and social enterprises. The program envisages a strategic national platform to bring together major actors in the development ecosystem (corporates/corporate foundations, NGOs and government agencies) and proactively facilitate knowledge-sharing and effective partnerships for channelization of CSR funding in India.

Hemant Gupta (MD & CEO, BSE Sammaan CSR Ltd.), Namita Vikas (Member, Governing Council, YES FOUNDATION) and Prerana Langa (CEO, YES FOUNDATION) signing a joint Charter to bring innovation & excellence in the development sector, at Mumbai on January 17, 2017

YES FOUNDATION and BSE Sammaan signed a joint charter which aims to bring innovation and excellence to the development sector, amplify social impact of NGOs and catalyze India's social transformation.

YES GLOBAL INSTITUTE

YES Global Institute, the practicing think-tank, has been established as a division of YES BANK to focus on channelizing private sector capital towards India's development.

The Institute's interventions with predominant impact in Natural Capital and Intellectual Capital have been included in the respective sections of the Disclosures.

SOCIAL IMPACT

Social Impact vertical at the Institute is looking to bring about social transformation by catalyzing private capital for development by harnessing the true spirit of entrepreneurship. The Institute believes that the next wave of growth and more

importantly equitable growth would come from the emergence of economy based on the principles of DICE (Design Innovation Creativity and Entrepreneurship). This would create an enabling ecosystem to catapult social economic growth leading to the betterment of the Bottom of the Pyramid by jump-starting innovative thinking among the youth and community members. Towards this endeavor, The Institute looks to collaborate and partner with various stakeholders including policy makers, impact investors, government, industry and academia to facilitate the enablement of a conducive ecosystem.

The Institute is also involved in enabling the Impact Investing ecosystem in India by capturing the MINDSHARE in this sector and bringing the best global practices to augment the development of the Impact landscape.

YES CULTURE

The Institute, through its YES Culture initiative is dedicated towards the promotion, development and conservation of India's cultural heritage. YES Culture is positioned to drive financing and inclusive socio-economic development through the promotion of creativity and innovative Indian arts. The Institute engage with the government, industry and academia to foster synergies between stakeholders.

YES Culture works towards identifying standout initiatives that can be engaged with as key participants and partners. It also focuses on public engagement with heritage sites to promote the need for conservation. An important aspect of its work is advocating research on cultural issues and organizing platforms to augment awareness of India's rich cultural heritage.

GLOCAL FORUMS

YES Global Institute strongly believes that India's social indices have to improve immensely if the dream of inclusive and sustainable growth is to be realized. The Institute envisages a new equilibrium of demand and supply side interventions to put India on a road to high social sector growth. The Glocal Forums at the Institute works towards bringing in key insights from the socio economic context of developed countries and localize appropriate solutions for the Indian context. It undertakes extensive outreach, thought leadership and research across the innovation, technology and social space to build suitable networks and generate the required momentum for change in policy and mindset. The focus regions for global outreach are the USA, Europe, the UK, Asia and Rest of the World.

GLOBAL ENGAGEMENT ON SUSTAINABLE DEVELOPMENT

During the year, the Bank significantly expanded its global engagement on key sustainability topics and was recognized as a Thought Leader on key national and international platforms.

YES BANK remains a signatory to key protocols focused on climate action and sustainable development, including the UN Environment Programme Finance Initiative (UNEP FI), Carbon Pricing Leadership Coalition, UN Global Compact, CDP, Natural Capital Finance Alliance, and member of influential national and global alliances including the India GHG Program, TERI Council for Business Sustainability, and the World Business Council for Sustainable Development.

During the year, the Bank spoke at the UN High-Level Thematic Debate, at the UN in New York in April 2016. The Bank was also invited as the Lead Discussant to the UN Private Sector Forum at the UN General Assembly in September 2016.

The Bank spoke at the World Bank Group's Dialogue for Climate Action in Vienna in May 2016, and also spoke at the Climate Week organized by the World Bank in New York in September 2016, where it was applauded for its pioneering role in launching green bonds in India.

YES BANK was the only Indian bank to be invited to speak at the G20 ESG Workshop in Berne, Switzerland in May 2016, where the Bank's pioneering work in green finance was highlighted.

Significantly, at the COP22 in Marrakech, Morocco, the Bank's CSR project, 'Say YES to Sustainable MSMEs in India' was highlighted as a Role Model case study by the World Resources Institute, and showcased at the Conference's India Pavilion.

NATURAL CAPITAL FINANCE ALLIANCE

YES BANK, in 2013, had become the first Indian signatory to the Natural Capital Declaration, now a part of the Natural Capital Finance Alliance (NCFA),

a joint initiative of the UNEP FI and Global Canopy Programme. As a signatory, the Bank remains committed to bringing together an ecosystem that would help develop an appropriate regulatory framework,

disclosure mechanisms and reporting measures to integrate, value, and account for natural capital.

YES BANK has been re-elected unanimously to be the Chair of the Steering Committee of NCFA for 2018, overseeing NCFA's strategy and providing direction/oversight for the Working Groups and the Secretariat. The Bank's activities at the NCFA is reported in the Natural Capital section of this Report.

PARTNERSHIP WITH UNITED NATIONS ENVIRONMENT PROGRAMME FINANCE INITIATIVE (UNEP FI)

YES BANK, as the first Indian signatory to the UNEP FI, a global partnership between the UNEP and financial sector, continues to play a leadership role at the platform.

Namita Vikas, Group President & Global Head – Climate Strategy & Responsible Banking, YES BANK, was the Asia-Pacific Chair of the UNEP FI for 2016 and the Bank is elected to its Global Steering Committee. As a part of the Board of the Banking Commission of UNEP FI, the Bank is actively engaged in its primary work streams such as the Positive Impact Working Group (PIWG), whose role is to

define and carry out the activities necessary towards Positive Impact Finance (PIF). The Principles for Positive Impact Finance were launched in Paris on January 30, 2017 by 19 leading banks and investors including YES BANK, totaling \$6.6 trillion in assets. The Principles provide guidance for financiers and investors to analyze, monitor and disclose the social, environmental and economic impacts of the financial products and services they deliver. YES BANK was one of the key members involved in the development of the principles and going forward the Bank will be considering piloting the Principles on a part of its portfolio. YES BANK's deep engagement with UNEP FI has also provided it the opportunity to be a part of climate finance discourse under the aegis of the UN Secretary General's team on Climate Change.

DEVELOPING VOLUNTARY GUIDELINES ON RESPONSIBLE FINANCING FOR INDIA

YES BANK continues to partner with the Indian Banks Association (IBA), and GIZ to develop the National Voluntary Guidelines on Responsible Financing. The Guidelines aims to promote financial institutions to adopt eight principles, which include Guidance on ethical conduct and Environmental & Social (E&S) governance, E&S risk management, Minimizing environmental footprint in internal operations, Environmentally friendly products, services and investment, Enabling inclusive human and social development, Stakeholder engagement, Commitment to human rights, and Disclosure.

E&S RISK ASSESSMENT FOR SME LENDING

In the reporting period, the Bank, jointly with KPMG International and GIZ, conducted workshops on E&S Risk Assessment for SME Lending. The trainings were conducted in Mumbai and Delhi, for the Emerging Business Banking (EBB) and Small Business Banking (SBB) teams with the objective of improving their understanding of the MSME sector through environmental and social lens, and to expand the scope of risk management to include non-financial risks. The workshops were successfully concluded with participation of over 50 YES BANK leaders.

CARBON PRICING LEADERSHIP COALITION

In May 2016, YES BANK became the First Indian Bank to join the Carbon Pricing Leadership Coalition (CPLC), a first-of-its-kind voluntary partnership of national and sub-national governments, businesses, and civil society organizations, led by the World Bank Group.

Following the increased emphasis on “putting a price on carbon”, corporate sector and governments have been initiating conversations to address climate change and transition from ‘concern’ to ‘action’. Towards the same, The World Bank Group, business groups, and investors have called on governments and corporations around the world to support carbon pricing to bring down emissions and drive investment into cleaner options.

Launched in December 2015, during the COP21 climate negotiations in Paris by World Bank and

other founding members, Carbon Pricing Leadership Coalition’s vision is to cover 25% of global GHG emissions by explicit carbon prices by 2020 and to double this again by 2030. As a private sector partner to CPLC, YES BANK has committed to work for building momentum of carbon pricing.

The coalition currently has 28 government partners including Canada, Italy, France, Germany, Switzerland and United Kingdom and 136 private sector partners including Coca-Cola HBC AG, Ernst & Young, Nestlé, Philip, Unilever, Mahindra and Tata Group among others.

KNOWLEDGE REPORTS FINANCIAL STRUCTURES FOR SOLAR ENERGY

International Solar Alliance (ISA) was launched at COP21, as a coalition of 121 solar resource rich countries, to accelerate investments in solar through development of innovative financial mechanisms for reducing cost of capital and enhancing investor confidence and

commitment to the sector. ISA aims to achieve 1,000 GW of deployed solar capacity by 2030 across its member countries, which is expected to require investments to the tune of at least USD 1 trillion.

This report is an attempt to address the need for enhancing investment and availability of funds for solar energy through financial & non-financial mechanisms and structures and encouraging policy makers and financial institutions to think beyond the ‘notions’ for developing innovative approaches towards this global endeavor. The report was placed at the 3rd meeting of International Solar Alliance at New York on April 22, 2016.

TRANSPLANTING GROWTH GREENING OUR HIGHWAYS

India stands at the cusp of economic revolution as the fastest growing economy in the world. Roads and transportation are bound to play a quintessential role in connecting and sustaining the economy and also assist social cohesion. As India goes on creating these new avenues of its success,

due considerations have to be given to environmental aspects in their planning and construction process.

Transplantation of trees to the sides of the highways presents a win-win situation for economy, environment and the society. This paper puts transplantation at the center of discussion as the 'preferred' technique for plantation along the highways highlighting the need for developing guidelines to do so in a methodical manner. The paper also presents a sample matrix to select the right species for transplantation along the highways. The paper was launched by Nitin Gadkari, Minister of Road Transport and highways, Government of India, at New Delhi on July 01, 2016.

CLIMATE CHANGE AS A DRIVER OF ENERGY EFFICIENCY IN MSMEs

Micro, Small and Medium Enterprises (MSMEs) play a very important role in India's growth story contributing about 38% to the GDP, accounting for nearly 40% of the exports and employing 117 million people. Given their significance, it is important for the MSME sector to embrace low

carbon pathways to drive sustainability and create a climate resilient economy. Energy efficiency therefore assumes greater importance and needs particular attention within the MSME sector.

The YES BANK knowledge report 'Climate Change as a Driver of Energy Efficiency in MSMEs' is a step towards exploring new and innovative mechanisms to scale up and drive energy efficiency projects in the MSME sector. The report undertakes a primary research on six MSME clusters across the country and sets out strategies directed towards climate-targeted development of the MSMEs focused on 'hardware' such as technology, infrastructure, collaboration and inclusivity. The report was widely disseminated at the 11th CII Sustainability Summit 'Global Goals & Competitiveness' in New Delhi on September 14, 2016.

COMPENDIUM OF GLOBAL SUCCESS STORIES IN SOLAR POWER

YES BANK, under the guidance of Ministry of New and Renewable Energy (MNRE), prepared a compendium of global success stories in case study format. The compendium highlights replicable and scalable models demonstrating deployment of new technologies, business models, innovative financing mechanisms and enabling policy frameworks. It is a valuable document for all the relevant stakeholders including Government, businesses, policy makers and financial institutions to co-create an enabling environment to fuel solar sector development in the country through knowledge sharing and replication of best practices. The compendium was released at the International Energy Conference in Vadodara on October 06, 2016.

FASAR

In line with YES BANK's approach of being a knowledge-driven organization, a specialized Food & Agribusiness Strategic Advisory & Research group (FASAR) has been domiciled within the Bank. The group houses industry specialists with immense sectoral knowledge and relevant experience and expertise in the conceptualization and implementation of food & agri initiatives.

FASAR continues to closely work with corporates, small & medium enterprises, multinationals, central government, state governments & multilateral agencies to execute project advisory, strategic advisory & policy advisory across the key growth sectors such as Agri Exports, Agri Inputs, Agricultural Marketing, Agri Value Chain, Biotechnology, Dairy, Animal Feed, Food Processing & Food Parks, Food Services, Food Safety,

Farm Mechanization, Horticulture, Marine Industry, Organic Value Chain, Poultry Industry, Plantations, Warehousing & Cold Chain, amongst others.

In 2016-17, FASAR executed 26 new advisory mandates on Agri Infrastructure, Value Chain, Sugar Industry, Agri exports, Farm mechanization, Food Processing, Plantations, Organic, Dairy and Feed.

FASAR also conducted in-depth research on various sub-sectors of Food & Agri domain and publishes knowledge reports and research papers on key trends and developments in the sector. The team has authored knowledge reports with various partners covering the latest industry trends and sectoral issues.

During the year, FASAR partnered with various external stakeholders to bring forth sector specific reports on Dairy, Innovations in Indian Agriculture, Farm mechanization, Cold Chain, Organic, FDI in Food Retail and Horticulture.

STRATEGIC GOVERNMENT ADVISORY

Strategic Government Advisory (SGA) is a dedicated division designed to deepen the Bank's engagement and partnership with a wide range of stakeholders including Central Government ministries, State Governments, Bilateral & Multilateral Agencies, Key Educational Institutions, Think-Tanks, Industry Associations/Chambers, International Trade Bodies, Corporate Partners and Voluntary Groups amongst others. Knowledge bankers at SGA have cross-functional domain expertise and experience across key sectors such as Infrastructure (including social infrastructure), Tourism, Education and e-Governance.

As a division unique to the banking industry, SGA has extended strategic advisory services and supporting development programs through a wide variety of engagements including Policy Advocacy, Bid Process Advisory, implementation of specific

projects on PPP mode, in addition to the thought leadership, knowledge partnerships and Research & Advisory services to State & Central Government organizations. The strength of this approach lies in the Bank's capability to effectively integrate all stages of projects – right from conceptualization, structuring of projects, extending to facilitating investments from the private sector.

SGA also works with the Government to participate in developing innovative financial and banking solutions to cater the unique needs of the Public Sector, to secure empanelment for the Bank, and to identify areas outside the current realm of engagement where banks can deliver on their role as drivers of economic growth. These include working with the Government in showcasing mechanisms for better returns, developing cashless payment and transaction solutions and efficiency across the financial supply chain between Union Government, State Governments, Local Governments and citizens or beneficiaries.

SGA has successfully executed over 300+ mandates and knowledge reports over last 12 years, with focused research that offers visionary perspectives, document successful interventions and highlight investment potential in different regions of the country.

BUSINESS ECONOMIC BANKING

India remains one of the fastest-growing large economies of the world, aptly described as the brightest spot on the global map. The Indian Economy has transitioned from a state of crisis of confidence in 2013 to a bright spot in 2017.

A lucid and comprehensive understanding of all the trends and nuances of the Indian Economy is an imperative in the ever-changing global economic order. Business Economics Banking (BEB) is the research and knowledge-driven team, domiciled within the Bank, which provides authoritative, cutting edge macro/markets outlook and sectoral research content, both for external and internal consumption.

The team, through active participation in client meetings and industry engagements, aims to further deepen YES BANK's Mindshare. With strong international linkages and memberships, forums, digital enablement of vast economic research and forecasts as well as strategic convening with key Government and Industry stakeholders, Business Economics Banking plays a leading role in positioning the Bank 'glocally'.

The BEB team, led by eminent economist Dr. Shubhada Rao, who brings with her close to three decades of unparalleled experience, publishes periodic reports of evolving macroeconomic data and thematic reports on key economic trends. Over the years, primary research and reports published by BEB have been referred to and cited by key stakeholders including the Government, global investors, media and top clients. As a validation of its expertise, the team won the Reuters Most Accurate Forecaster Award for 2016 for the Indian economy.

YES GLOBAL INSTITUTE

YES Global Institute, a practicing think-tank, has been established as a division of YES BANK to focus on channelizing private sector capital towards India's development, and houses all the knowledge verticals within the Bank.

YES Global Institute in partnership with ISDI, hosted Professor John Hoffmire (University of Oxford) (First from left), on a talk and simulation on Crowd-Funding

The Institute's approach on taking these themes forward is to be a leading ecosystem player, thereby connecting capital to growth and development projects. This is done via its research, analysis, convenings of Glocal leaders, and finally through launching market-based solutions for engaging private sector capital in India's evolution. Aligning with the global economic trends, the Institute recognizes new-age, innovative social entrepreneurs' solutions and links them with impact investments in order to generate financial and social returns.

For more details on YES GLOBAL INSTITUTE and its initiatives, please visit the Institute's website <https://www.yesinstitute.in/>

NATIONAL CFO FORUM

With an objective to recognize and appreciate the indispensable role of the CFO in an organization, YES BANK launched the National CFO Forum as a unique knowledge initiative in 2011. Launched with a 15 member governing council and 100 members, the forum has grown into the largest community of CFOs & financial leaders in India with 600 members and 40 member governing council.

The forum now has 8 regional chapters, and CFOs & top finance leadership from leading private, MNC & public sector companies across industries participate in various Forum initiatives for business expansion and growth. In addition to conclaves and roundtables hosted across India, the Forum publishes the quarterly magazine, YES CFO Insights, as a valuable repository of experiences, thoughts and insights of CFOs in India. Focusing on contemporary themes, pertinent to recent economic developments and policy changes.

In March 2016, the Forum launched an interactive website to create an online platform for the CFO community to increase regular interaction with one another and share views on key topics of interest.

CFO Insights, the quarterly magazine published by YES BANK and YES Global Institute focuses on thought leadership articles and interviews on topical issues in business and finance, economy, and public policy. The magazine enjoys a readership of 15,000 of the most influential business and finance leaders in the country, in addition to lakhs of readers who consume it digitally. Past editions of the magazine has focused on themes like Make in India, e-Commerce, Innovation, Corporate & Financial Governance, Women Leadership & MSMEs, Digital Disruption among others.

YES BANK, in its 13 years since inception, has firmly placed Natural Capital as one of its key focus areas. The Bank has one of the largest Renewable Energy lending portfolios among private sector banks, is the first Indian bank to be ISO 14001 certified for Environmental Management System, the first Indian signatory to the Natural Capital Declaration, is recognized as a Climate Disclosure Leader, and drives environmental sustainability initiatives as its CSR focus.

INTEGRATING NATURAL CAPITAL: A CONTINUAL IMPROVEMENT JOURNEY

In line with its commitment to achieve internal natural resource consumption efficiencies and minimizing its carbon footprint, YES BANK became the first commercial bank in India to achieve the ISO 14001:2004 certification in 2013. The certification was based on the Bank's Environmental Management Policy that outlined the Bank's commitment to achieve a 5% reduction in its carbon emissions intensity annually.

In the reporting period, YES BANK became the FIRST Bank GLOBALLY to migrate to the latest ISO 14001:2015 Environment Management System (EMS) standard, within a year of its release. The Bank has also enhanced the scope of its EMS, covering 444 metro urban branch locations, and has included its Retail Asset operations in the certification program.

The recertification to the new standard is based on the Bank's new Environmental Management Policy released in 2016 which entails achieving internal natural resource consumption efficiencies and firmly

outlines the Bank's commitment to achieve a minimum of 10% reduction in its carbon emissions intensity through broad-level actions. The new Policy highlights greater commitments to environment protection and commitment to source renewable energy for the greening the Bank's operations.

What's new in ISO 14001:2015 Environment Management System

The 5 changes in the new ISO 14001

- 1. DRIVEN BY LEADERSHIP**
Greater Commitment from the Top Management
- 2. BETTER STRATEGIC FIT**
Increased alignment with BANK's strategic direction
- 3. GREATER PROTECTION FOR THE ENVIRONMENT**
Focus on proactive initiatives and ensuring environmental performance
- 4. LIFE CYCLE THINKING**
Considering environmental impact at each stage of operation from development to end-of-life
- 5. EFFECTIVE COMMUNICATION**
Driven through effective communication strategy

Extensive awareness campaigns and training programs were conducted throughout the year, which helped the Bank in involving all employees to collaboratively work towards reaching higher

environmental performance standards. The Bank trained all its employees on the Environmental Management System through a comprehensive E-Learning module, leading to greater employee awareness and participation. The Bank also circulated resource conservation mailers, signage and posters widely, internally.

DIGITAL & PAPERLESS BANKING

The Bank continued its efforts to gradually move towards paperless banking, by digitizing paper-based products and processes, wherever possible.

Its key initiatives during the year included:

- **Document Digitization:** The initiative, in collaboration with the Bank's partner NEWGEN, aims to reduce paper used in account opening and verification forms through digitization of documentation and verification. It has saved over 75,000 sheets of A4 size paper in the Bank's retail operations, based on the estimated number of sheets typically required
- **Click to Happiness:** The Bank had initiated a completely digital personal loan system for employees in December 2015, processing 2,582 loan applications by March 2017, thus avoiding the potential use of approximately 2,582,000 A4 sheets of paper (based on the estimate of each manual loan sanction process requiring an average 100 A4 sheets per application)
- **e-KYC:** In 2015, the Bank initiated electronic verification for its new customers, through e-KYC (Know Your Customer), resulting in greater paper savings as a result of reduced requirement for physical documents
- **Digital Reimbursements:** The Bank has digitized all employee reimbursement claims, such as mobile phone, local conveyance, outstation travel, staff relocation, through an internal YES PAY platform. The initiative, since it becoming operational in October 2014, has resulted in total paper savings of 186,881 A4

size sheets (as on March 31, 2017). This saving consists of avoiding 36,311 Employee Mobile expense claims of an estimated average 3 sheets per claim, and 38,974 Local Conveyance expense claims of an estimated average 2 sheets per claim.

REDUCE, REUSE AND RECYCLE

During the year, the Bank continued its focused efforts in resource consumption reduction through various initiatives. Key initiatives include:

- A partnership has been initiated with a waste aggregator
- A pilot project to recycle all the paper waste generated by the Bank has been implemented. The pilot is running across 66 branches and the corporate office in Mumbai
- The Bank promoted car-pooling among its employees using mobile app based solutions at some of its major locations
- The Bank encouraged individual business units to take commitments at a leadership level to reduce their dependency on paper resulting in more accountability and ownership

E-WASTE MANAGEMENT

Owing to the high dependency on technology, electronic waste is a primary environmental concern for the Bank. The Bank has empanelled Central Pollution Control Board (CPCB) authorized third party e-waste handlers for disposal of e-waste from its locations across India.

- In FY 2016-17, the Bank responsibly disposed 1,510 assets as e-waste which included desktops, printers and laptop hardware, UPS, and server hardware
- The Bank continued its partnership with Canon to responsibly dispose 135 empty toner cartridges during the year

NATURAL CAPITAL (CONTD.)

INFRASTRUCTURE

YES BANK has been incrementally investing in technology to renew existing infrastructure to improve performance and enhance resource-efficiency.

- The Bank has been migrating to LED lighting in phases. As on March 31, 2017, 3,128 LED lights have been installed at 136 new branch locations with a potential saving of 2,26,780 kwh of energy consumption and ₹ 22.6 lakhs in monetary savings annually
- To optimize the water usage, the Bank has installed pressure compensating aerators in water faucets at key locations
- CO₂ monitoring equipment were installed at YES BANK Tower, Mumbai to monitor and improve the ambient air quality in the work space

STEPS TAKEN AND IMPACT ON CONSERVATION OF ENERGY

YES BANK's energy management initiatives over a 2 year period will aim at reducing 18-20% energy consumption from sustainable facility management.

- Installations of IoT based energy monitoring system which helps in dynamic monitoring of consumption across facilities and result in 5 to 7% savings. The pilot study conducted over 10 branches was successful and the Bank would target metro urban branches for implementation in 2017-18. In a second level pilot, it achieved between 8-12% drop in energy consumption in FY 2016-17
- Similarly Power factors at branches are being monitored above 0.9 with the help of capacitor bank and monitoring panels are installed and reduce risk of penalty levied by DISCOMs
- The air conditioning replacement model has been developed with a criteria for replacing old models with an energy consumption of 1.6-1.8 times of peak load and temperature control with dedicated AHU units for centralized AC systems are being carried out

- Retrofit solutions for HVAC systems, which has a potential saving of 10 to 15%, would be incorporated in a phased manner over a 2 year period. Maintaining AC temperature above 25° Celsius all the time has helped the bank to achieve 3% saving of hourly KWh consumptions
- 92% of YES Bank branches are issued Petro cards for procurement of diesel, which has resulted into enhanced transparency, reduce wastages and cost saving of 15-20% over last financial year

WATER FOOTPRINT

Considering the nature of the Bank's business and locations it operates in, there are no significant negative impacts on the communities around its areas of operation. The Bank encourages branches to lead their own mitigation initiatives and shares best practices across other branches. Water efficient faucets design is one of the initiatives taken at corporate offices and in FY 2016-17, 96 water efficient faucets were installed with a design capacity of saving 1 liter of water per minute, leading to 1.05 lakhs Kiloliters[#] of water saving annually. The Bank is looking at monitoring of water consumption at branches periodically and metering system are being installed.

[#]Assumption: Everyday approx. 3,000 employees at the Bank's head office at IFC, Mumbai use water taps for 1 min average.

LEADERSHIP IN CLIMATE DISCLOSURE

YES BANK was the first Indian banking signatory to the CDP and has been reporting its carbon emissions since 2009. Backed by its enhanced disclosures on emissions and a clear climate action strategy, the Bank has been recognized as a Climate Disclosures Leader consistently. The Bank's responses for FY 2016-17 to the CDP would be submitted by its annual deadline of June 29, 2017.

* Diesel Consumption and related Emissions have taken extrapolated data for March 2016 basis of the average of previous 11 months data.

** Scope 3 includes Business Air Travel by the employees.

Grid Electricity Consumed has been calculated from the electricity bills for all locations, hence a 15% reduction in the calculation has been considered to account for Government taxes and overheads

Scope 1 emissions include CO₂, N₂O and CH₄ emissions from YES BANK's diesel usage and 10% refrigerant leakage from the AC systems. The emission factors and GWP (Global Warming Potential) values have been taken from GHG protocol. The cost of diesel consumed pan bank is converted in quantities consumed by using state level diesel prices. Like 2012-13 (base year), we have used operational control approach for measuring and managing these emissions.

Note: Scope 2 emissions include CO₂ emissions from electricity consumed by YES BANK. The emission factors have been taken from CEA's (Central Electrical Authority) CO₂ database, version 10. The cost of electricity consumed pan bank is converted in quantities of electricity consumed by using state level tariffs. Like 2012-13 (base year), we have used operational control approach for measuring and managing these emissions.

NATURAL CAPITAL INITIATIVE

YES BANK had launched the Natural Capital Initiative in 2013, reflecting its proactive approach in the natural capital space. The objective has been to bring together an ecosystem that would help in developing appropriate regulatory framework, disclosure mechanisms and reporting measures to integrate, value, and account for natural capital. This commitment was also emphasized by the Bank becoming the first Indian signatory to the Natural Capital Declaration, now a part of Natural Capital Finance Alliance (NCFA).

NATURAL CAPITAL (CONTD.)

NATURAL CAPITAL FINANCE ALLIANCE - STEERING COMMITTEE AND WORKING GROUPS

YES BANK has been the Chair of the Steering Committee of NCFA since January 2016, overseeing NCFA's strategy and providing direction/oversight for the Working Groups and the Secretariat. In addition, YES BANK:

- Is responsible for ensuring that all working groups deliver effective and complementary outputs to support implementation of the NCFA commitments
- Reviews progress across all Roadmap activities on a quarterly basis
- Reviews key implementation planning documents to agree milestones and outputs for NCFA implementation

- Reviews key outputs of Working Groups to ensure they support implementation of NCFA commitments, delivering against objectives in the roadmap and business plan

- Oversees budgetary decisions on the distribution of funds across Working Groups and expenditure within Working Groups

- Works with the Secretariat to ensure that Working Groups establish adequate third-party independent peer review processes to help ensure the quality and credibility of outputs.

NATURAL CAPITAL CONSERVATION - SAY YES TO SAVE THE GODAWAN

In 2015-16, YES BANK, in partnership with the Government of Rajasthan, launched the 'Say YES to Save the Godawan' towards protecting the critically endangered Great Indian Bustard or Godawan, the state bird of Rajasthan. As part of

7 GIBs were spotted in Camera Traps within the YES BANK supported safe enclosures in the Desert National Park, Rajasthan. (Photo credit: Anoop KR, Dy. Conservator of Forests, Desert National Park, Jaisalmer, Rajasthan)

the initiative, enclosures were developed in the Desert National Park near Jaisalmer for the bird to reduce human intervention in its natural habitat. The Bank also engaged with the rural community by sensitizing them on conserving the habitat. Efforts over the past two years have borne results as the enclosure has now become an activity hub for Godawan and other species such as desert cats and vultures. Total number of sightings has increased manifold as more of these critically endangered birds now find a safe haven here.

SAY YES TO GREEN HIGHWAYS

India has committed to creating an additional carbon sink of 2.5 to 3 billion Tons of CO₂ Equivalent through additional forest and tree cover by 2030, as part of its Nationally Determined Contributions (NDC). Enhancing the tree cover around India's rapidly expanding national highways has a potential to not only expand the country's green cover but also generate employment opportunities for the rural community, and is being driven by the National Green Highways Mission (NGHM),

under the National Highways Authority of India (NHAI), Ministry of Road Transport and Highways, Government of India.

YES BANK is the first private sector player to enter into CSR commitment with the NHAI under its 'Adopt a Green Highway' program and launched 'Say YES to Green Highways' in FY 2016-17 under the YES COMMUNITY umbrella. Details on the initiative are covered under Social & Relationship Capital section of this Report.

NATURAL CAPITAL INITIATIVES BY YES GLOBAL INSTITUTE

The increasing effects of climate change on species and habitats coupled with the ecological externalities of economic growth accentuate the need of a Natural Capital focus. Following a 'Triple A' approach – Awareness, Advocacy & Action, the Institute is working towards promoting India's 'green economic growth'. Its focus themes include projects under the banners of Eco-Tourism, Forestry and Wildlife, Agriculture and Urban Ecology.

● **YES Global Institute Natural Capital Conservation Dialogue Series:** The dialogue deliberated on innovative instruments for financing natural capital projects and ecosystems services

● **'International Bamboo Studio':** The unique bamboo design studio and workshop organized by National Institute of Design's (NID) Center for Bamboo Initiatives was held in Bengaluru and supported by the Institute

● **Natural Capital Awareness Videos:** Working with Tittar Lodge Productions and actor Gul Panag, the Institute is creating a unique awareness video on Organic Food Cultures in India. The 'Organic Langar' in Golden Temple in Amritsar and 'Urban Organic Farming' in Mumbai are key case studies

● **Natural Capital Advocacy:** The Institute has been instrumental in drafting a policy motion on 'Protection, restoration and sustainable use of urban water bodies in India' at the IUCN's World

NATURAL CAPITAL (CONTD.)

Conservation Congress 2016 in Hawaii. Global Bamboo Summit 2016: The Institute supported the Global Bamboo Summit 2016 organized by Governments of India and Madhya Pradesh in Indore, Madhya Pradesh. The Institute is also focused on reinvigorating opportunities in the sector and advocating for the need for collective action and policy

- **Ecotourism Potential at Tiger Reserves around Nagpur:** The Institute has led a study, identifying eco-tourism opportunities at Umred, Karandhala, Tadoba, Andheri and Nawegoan, Nagzaria tiger reserves in Maharashtra. The Institute is also working towards highlighting the current infrastructural gaps to provide a roadmap for development

ENVIRONMENT & SOCIAL POLICY

YES BANK believes that it is critical for banks to have an established framework to recognize, evaluate, monitor and manage the environmental and social facets in day-to-day decision-making process. It is also becoming increasingly imperative for banks to consider the 'sustainability dimension' in making credit decisions. In line with its Responsible Banking strategy and practices, YES BANK has been taking a precautionary approach to environmental and social impacts, resulting from its lending activities.

The Bank's Environment and Social Policy (ESP), implemented in 2006, serves as a structured approach towards responsible lending. Through this policy, the Bank integrates environmental and social risks into its overall credit risk assessment framework. The Bank has voluntarily adopted the policy which is based on international frameworks such as the Equator Principles and IFC guidelines. The ESP continues to be a crucial part of the Bank's credit risk appraisal process, which goes beyond the realm of financial risk mitigation.

POSITIVE IMPACT CLIMATE FINANCE

YES BANK continues to believe that proactive corporate intervention is critical to achieving global climate goals, with financial institutions having a larger role in driving climate action. The Bank remains fully committed to playing the role of a catalyst and work towards unlocking innovative financial mechanisms towards achieving India's ambitious target of combating climate change in the near and long-term.

With the integration of positive climate action into its business strategy, operations, reporting and disclosures, risk frameworks, and business portfolio, YES BANK continues to have one of the largest portfolios in renewable energy, in the private banking space in India, and has successfully scaled up its lending to key renewable energy projects in wind, solar and small hydro, executing some of the largest deals in this sector.

RENEWABLE ENERGY LENDING & ADVISORY

It is estimated that USD 2.5 trillion would be needed by 2030 to fund India's NDCs. The need for climate finance continues to increase in India, which is demonstrated by India's target to achieve 175 GW Renewable Energy by 2022. The market remains a witness to an expansive growth with an additional capacity of over 11 GW of clean energy added in 2016-17 alone. During the year, YES BANK had exposure 1,158 MW of Renewable Energy projects including solar, wind and biomass, and holds a leadership position in this space.

Key transactions of the Bank in the reporting period include:

- Underwriter of Term Debt of ₹ 1.7 billion for 40 MW Solar power project in Maharashtra
- Refinancing of Term Debt of ₹ 0.45 billion for 6 MW Solar Power Project in Maharashtra/Uttar Pradesh

- Refinancing of Term Debt of ₹ 0.10 billion for 5 MW Small Hydro Project in Himachal Pradesh
- Underwriter of Term Debt of ₹ 0.17 billion for 2 MW Small Hydro Project in Himachal Pradesh
- Participated through Term Debt of ₹ 0.60 billion for 30 MW Solar Power Project in Madhya Pradesh
- Underwriter of Term Debt of ₹ 1.76 billion for 30 MW Solar power project in Telangana
- Underwriter of Term Debt of ₹ 2.53 billion for 48 MW Solar power project in Telangana
- Underwriter of Term Debt of ₹ 1.17 billion for 24 MW Wind power project in Gujarat

YES BANK ISSUES ITS THIRD GREEN BOND TO FMO

Green bonds (bonds to fund climate adaptation and mitigation projects) have emerged as a key financing mechanism driving the national economy's transition to a greener future. The green bond space in India has grown to over ₹ 19,500 crores (equivalent to USD 2.7 billions) since India's maiden issuance of ₹ 1,000 crores in Feb 2015 by YES BANK. In August 2015, YES BANK further strengthened the green bond market with issuance of ₹ 315 crores (USD 50 millions equivalent) to International Finance Corporation (IFC) on private placement basis, with culmination of the first offshore rupee dominated bond or "green masala bond".

In September 2016, YES BANK issued its third green bond, ₹ 330 crores (approx. USD 50 millions equivalent) to FMO the Dutch Development Bank, on a private placement basis with a 7-year tenure. This is FMO's first Investment in a Green Bond issued in India.

FMO is investing in YES BANK's bonds through FMO's own sustainability bonds. The amount raised is going to be used by YES BANK to finance Green Infrastructure including solar and wind projects in the renewable energy space. This issuance has received a third-party pre-assurance by KPMG. Following the internal guidelines for adherence to Green Bond Principles instated by YES BANK, this green bond issue is in line with the Green Bond Principles 2016.

One of the unique features of the transaction lies in its innovative financing structure. FMO has used the proceeds of sustainability bonds raised by them to invest in this third green bond issued by YES BANK. Following a similar structure by IFC last year, this provides an effective mechanism to channelize funds for green financing from foreign green investors to emerging nations like India.

YES BANK SIGNS MOU WITH SIDBI FOR ENERGY EFFICIENCY OF MSMEs

With over 51 million MSME units in India, which account for 40% of the total exports and contribute to 38% of the GDP, the sector is emerging as a power house for growth in India. Identifying the energy saving potential of MSMEs, Small Industries Development Bank of India (SIDBI) launched a Partial Risk Sharing Facility (PRSF) scheme under World Bank initiative for promoting energy efficiency by providing partial guarantee of 75% of the loans up to ₹ 15 crores for energy efficiency projects.

In July 2016, YES BANK became the first Financial Institution to sign an MoU with SIDBI to implement this scheme. Committed to enhancing the overall competitiveness and sustainability of this agile sector, YES BANK strongly believes that financial institutions need to play the role of sustainability catalysts and transform their financial systems to become more inclusive and make MSMEs and climate finance a part of their core business strategy.

REVIEW OF YES BANK'S PRACTICES IN ENVIRONMENTAL RISK ANALYSIS

Under its first Presidency of the G20, China established a Green Finance Study Group (GFSG), reporting to Finance Ministers and Central Bank Governors. The GFSG's objective has been to identify institutional and market barriers to green finance and, based on country experiences and best

practices, analyze options on how to enhance the ability of the financial system to mobilize private green investment, thereby facilitating the green transformation of the global economy.

To deliver this objective, the GFSG has been addressing a set of interrelated challenges across five areas of research, three of which have a sectoral

focus ('greening the banking system', 'greening the bond market', 'greening institutional investment') and two of which are cross-cutting ('risk analysis' and 'measuring progress').

The GFSC, in knowledge partnership with the Cambridge Center for Sustainable Finance, Cambridge Institute for Sustainability Leadership (CISL) presented a compendium of the tools and techniques that financial institutions are developing to analyze environmental risks so as to mainstream financial decision-making, also featuring YES BANK' approach measuring and managing its exposure to natural capital risks.

In the context of a study commissioned by GIZ on behalf of the German Ministry for Economic Cooperation and Development (BMZ), the Bank engaged Trucost to understand these risks and potential opportunities. The recommendations suggest a need for more data on natural capital risk exposure and working with clients to address these risks, amongst others.

YES BANK RAISES MONEY THROUGH ITS LARGEST INFRASTRUCTURE BONDS ISSUANCE

YES BANK successfully raised ₹ 21.35 Bn in Senior Long-term Infrastructure Bonds (in September, 2016). The issue garnered huge demand from diverse set of domestic investors including Insurance companies, Asset Management Companies (AMC's), Pension Funds, Provident Funds, corporates etc. Against base issue size of ₹ 10 billions, another ₹ 11.35 billion were raised using of the Green shoe exercisable option. This multifold subscription depicts the enormous belief of these diverse set of investors in the Bank's development ethos. The proceeds from these bonds shall be used to finance long-term infrastructure projects including its associated sub-sectors along-with the affordable housing sector as a part of YBL's overall retail strategy.

YES BANK'S ENGAGEMENTS WITH THE MINISTRY OF NEW AND RENEWABLE ENERGY (MNRE)

YES BANK continues to work with Ministry of New and Renewable Energy (MNRE), Government of India, on all key initiatives including as Knowledge Partner for International Solar Alliance (ISA) launched at COP 21 summit in December, 2015 by Indian Prime Minister Narendra Modi and French President Francois Hollande. The Bank has delivered multiple presentations/reports on the ISA arena including presentation on "Mobilizing USD 1 Trillion for ISA Solar Projects" during 2nd meeting of International Steering Committee of ISA in Abu Dhabi in January, 2016. YES BANK also released a Knowledge Report on "Financial Structures for Solar Energy" during ISA's 3rd meeting in April, 2016 in New York. As a member to the US-India Clean Energy Task force, the Bank has also provided valuable inputs regularly on renewable energy policy recommendations, including PPA standardization and innovative financing market instruments including warehousing.

YES BANK's Human Capital philosophy focuses on creating the right mindset to enable business performance by empowering and encouraging its executives to push their boundaries beyond their comfort zones, embrace challenges and drive growth, thereby deepening mind share and growing it into market share.

The Bank engages with and develops its Human Capital by creating a 'YES BANK culture', encouraging open & honest Communication, strengthening Connect among employees and community, supporting Career development and showing that it Care as an organization. All of these are underpinned by YES BANK's integrated Vision and Values framework. YES BANK has always emphasized on 'Knowledge' as a key differentiator, wherein it continuously enhances the capability and capacity of its Human Capital by creating an environment of continuous learning which equips its employees with knowledge and skills aligned to the Bank's strategic objectives, business goals, job and regulatory requirements.

The Bank's University & School Relationship Management (USRM) program is a structured, sustainable and scalable engagement process, which creates and maintains the maximum mindshare for YES BANK among the students of Top B schools in India, thereby positioning it as a preferred Employer of Choice. Hiring of 100 management graduates from premier B-Schools in FY 2016-17 through the Y-PEP (YES Professional Entrepreneurship Program), the flagship program for campus recruitment is testimony to the success of the USRM program.

In line with creating competitive advantage through HR Digitization characterized by big data, integration, mobility, social media, gamification, and cloud computing, the Bank is in the process of completing the adoption of its new HRIT system. It will enhance its ability to manage employees in a more flexible, agile and customized manner, by integration of talent management into the fabric of everyday business and by becoming a vital component of YES BANK's performance to re-affirm its commitment towards becoming 'The Finest Quality Bank of the World by 2020'.

HEALTH AND WELLNESS

YES CLUB FIT - A WELLNESS INITIATIVE

YES BANK launched an innovative pedometer-based WELLNESS initiative called 'YES CLUB FIT' to help further augment the health quotient of YES BANK executives. YES CLUB FIT was designed to help YES BANKers become more active, within the time and space constraints of modern life, via a format that is fun, team oriented and relevant to them. This was complemented with regular sessions on ergonomics, meditation, zumba and lifestyle management. This initiative attracted participation from all executives irrespective of age, gender, physical ability and fitness levels.

SAY YES TO G.R.A.C.E

Through 'Say YES to G.R.A.C.E' (Gender Respect And Commitment to Equality), a robust framework, the Bank creates awareness and periodic dissemination and reiteration of the Bank's revised Policy for Prevention of Sexual Harassment, in line with 'The Sexual Harassment of Women at Workplace (Prevention, Prohibition

and Redressal) Act & Rules, 2013.' The Bank has an Internal Committee to investigate and inquire into sexual harassment complaints.

EMPLOYEE ENGAGEMENT

To engage its growing workforce, YES BANK follows the 5C's Engagement Model comprising Culture, Communication, Career, Connect, and Care. It engages and develops Human Capital by disseminating and reconnecting YES BANKers with the Bank's core values, by creating an intentional culture, encouraging open and honest communication, strengthening connect with employees and community, supporting career development and showing their care as an organization.

YES CLUB

With the objective of encouraging an atmosphere of fun, camaraderie, and to provide YES BANKers a platform to showcase their talent and creativity, YES CLUB was launched across 180+ Hub Branches. 'YES CLUB' facilitates participation activities around three broad themes: Social, Culture and Sports. Since its launch, YES BANKers across Hub branches have organized and participated in activities such as Sports tournaments, adventure & trekking trips, arts and crafts exhibitions, photography contests, blood donation camps, and employee volunteering activities.

WORKPLACE BY FACEBOOK

YES BANK strongly believes that an engaged team is critical in achieving its business goals. In its determined effort to make the Bank a Great Place to Work, YES BANK partnered with global social networking leader Facebook to launch 'Facebook At Work'. YES BANK was the first and only bank in India as well as one of the first 5 companies in India to launch Facebook At Work. On May 09, 2016, this platform was launched to all YES BANKers and within 45 days of its launch, 15,000 YES BANKers (100% of the workforce at

the time) started leveraging this platform to share, collaborate, and ideate. A highly engaging platform, Facebook At Work (now renamed as Workplace by Facebook), is built with same intuitive architecture as Facebook but has additional streamlined features that are focused on improving team collaboration, motivation and efficiency. The Bank's goal is to improve collaboration and knowledge sharing within and between its teams.

YES LEAGUE OF EXCELLENCE

YES BANK launched its revamped Rewards & Recognition online portal called the 'YES LEAGUE OF EXCELLENCE' to provide a formal recognition platform to recognize and reward Excellence at YES BANK and in turn create a 'Culture of Appreciation'. All YES BANKers have the option to Appreciate & Wish their colleagues on achievements or occasions. Reporting Managers can Nominate colleagues for Employee of the Month and similar other rewards.

EMPLOYEE ENGAGEMENT

YES BANK strongly believes that an engaged team is critical in achieving its business goals and building a sustainable organization. In an effort to make YES BANK a 'Great Place to Work', the Bank has been partnering with the Great Place to Work® Institute, India for the last 5 years to undertake an independent 'Executive Engagement Survey' and assessment of its workplace cultural practices. Great Place to Work® Institute, India conducts this survey annually across various organizations in India as a part of the 'India's Best Companies to Work For' - Survey.

The Trust Index Score for YES BANK increased over the last 5 years across all dimensions viz. Credibility, Pride, Respect, Fairness and Camaraderie. The score has consistently gone up from 70 in 2013 to 72 in 2014 to 74 both in 2015 and 2016.

In 2017 study, 13,658 YES Bankers i.e. 85% of the workforce at that time participated in the survey. As per the preliminary report, the Trust Index score has improved to be at 75 for 2017.

YES WE CARE - ADOPTION LEAVE

YES BANK rolled out adoption benefits for its employees, in an effort to align organizational objectives with the needs of employees. Realizing that employees need to spend time building an emotional connect with new additions to the family and recognizing that many are choosing to adopt children, the organization introduced the benefits, applicable from August 01, 2016. Under the new policy, called 'Bringing A Beautiful Yes' rolled out under the 'Yes We Care' initiative, leaves will now be allowed for employees adopting a child. Women employees adopting a child can take two months of paid leave for adopting a child of 6 years of age or below, and one month of paid leave for adopting a child over the age of six years (up to 14 years). The Bank has also enhanced its existing paternity leaves to seven days, which will be applicable in cases of adoption as well. Mothers resuming work post adoption receive a monetary gift voucher to welcome them back.

MY VOICE

In line with the Bank's objective to provide a consistent and superior service experience for its employees, 'My Voice' aims at providing executives with a simple, easy-to-use platform to post inquiries and grievances and provide suggestions and feedback.

My Voice acts as an empowerment tool for executives as queries also reach the Head of Human Capital Management. HCM team analyzes queries received to identify the concern areas. Analysis Reports are shared with Head - Human Capital Management and corrective actions are undertaken. No cases of discrimination were reported by employees during the year.

Most queries were raised on Compensation & Benefits related matters (about 48%), which may be further elaborated as queries on PMS, Group Insurance/ Medclaim, Reimbursements and Salary & Tax.

My Voice is aimed at providing direct access to Bank's HCM team. The charts below depict the extensive use of the tool across all regions.

LEARNING & DEVELOPMENT

YES SCHOOL OF BANKING

Since inception, YES BANK has emphasized on a knowledge-driven approach with an objective focus on capability development, and being aspired as an 'Employer of Choice' by the brightest and best quality Human Capital.

YES SCHOOL OF BANKING (YSB), institutionalized in 2007, functions as the center of excellence for learning solutions in banking and related areas, including Behavioral & Leadership skills, Employee Induction (includes Know Your Customer and Anti Money Laundering), Mandatory Policies and compliance, Process training and Product training.

YES SCHOOL OF BANKING IS THE FIRST AND ONLY LEARNING & DEVELOPMENT FUNCTION IN THE INDIAN BANKING INDUSTRY TO ACHIEVE 'DUAL INTERNATIONAL CERTIFICATION' - ISO 9001:2008 AND ISO 29990:2010

The dual certifications from Bureau Veritas for quality management reflect YSB's robust L&D processes including conceptualization of learning solutions and effective deployment of developmental activities across the organization to meet business requirements while continuously improving employee behavior, systems and service quality. The key parameters taken into consideration were: Customer Focus, Leadership, Involvement of People, Process Approach, Continual Improvement, Fact based Decision making & Creating Value for customers.

HUMAN CAPITAL (CONTD.)

GAMIFICATION FOR HIGHER ENGAGEMENT IN LEARNING

YSB launched an e-learning 'gamification' module imparting training on Grooming, Attitude & Wellness, under the YES Personality Program in September 2016. The Gamification module offers game-based immersive learning experience with a special focus on experiential learning which allows the employees to navigate through five distinct games using avatars and selecting the most appropriate actions, collecting points in return. Through this, the Bank intended to create a subconscious awareness, which results in a change of behavior as the game considers all real life instances and offers choices - both right & wrong and accordingly add or deduct points.

'WHERE EAGLES DARE' BREAKTHROUGH WORKSHOPS

The workshops are designed to specifically enable Leaders for Envisioning Scale at a BU level, Envisioning Scale as Collaborate teams and Success Meet. The breakthrough workshop series was conducted in three phases and was attended by 111 Leaders from Top & Senior Management. As an outcome, various projects have been initiated for Support or Product Units as a result of the discussions that emerged during the workshop.

L.E.A.P (LEADERSHIP EXCELLENCE TO MINIMIZE ATTRITION AND MAXIMIZE PRODUCTIVITY)

The L.E.A.P Program was launched for Senior and Middle Management Executives in January 2017 aimed to enhance the leadership capability and capacity of YES BANK Leaders, minimize attrition, maximize productivity and eliminate gender bias at the workplace.

MY LEARNINGS@YES

MY Learning@YES, the Bank's online Learning Management System, supports e-learning as well as classroom training and caters to the need for planning, conducting and recording all key aspects of instructor-led training programs. Additionally, the system has features such as a versatile training calendar, training schedule management, feedback mechanism and management information system.

The Program incorporates the latest management research and involves a highly experiential kind of learning, where participants have the opportunity to engage in role plays, group discussions, partner conversations and case studies.

YESSENTIALS INDUCTION PROGRAM

YESsentials continues to be YSB's high impact induction program that trains new employees on key essential areas that every YES BANKer must be aware of and imbibe. The Induction program is the first critical training for employees on key regulatory and compliance issues including Know Your Customer

YES PROFESSIONAL ENTREPRENEURSHIP PROGRAM (Y-PEP)

Y-PEP, the Bank's innovative and institutionalized Talent Acquisition program, continues to strengthen YES BANK's position as an 'Employer of Choice' across premium B-School campuses, and create a strong talent pool to drive the Bank's future growth. During FY 2016-17, the Bank inducted 107 Y-PEP candidates into the Y-PEP program. This highly qualified talent pool has contributed to consistently augment and support the Bank's knowledge based, state-of-the-art technology driven services across key banking relationships, products, knowledge advisory groups, and critical support functions.

In a first-of-its-kind initiative, YES BANK introduced a game-based evaluation round, in addition to group discussions and interviews during the hiring process of Y-PEPs to assess the core competencies of the applicants.

This highly interactive gamification app helped evaluate the following competencies of candidates that are specially customized in line with the bank's core ethics - Customer Focus, Influence and Impact, Quality Focus, Professional Entrepreneurship, Drive for Results, YES Personality. Over 3,000 data points are captured in a 25-minute session which is 150 times more than a traditional assessment.

YES ASPIRE TO INNOVATE

'YES ASPIRE to INNOVATE' is YESBANK's scholarship program conceived to provide a grooming platform for outstanding young leaders, who would lead India into its next wave of socio-economic growth. The program offers individual scholarships of ₹ 2 lakhs each to 30 YES ASPIRE Scholars chosen from India's 15 premier B-Schools. The scholars also have an opportunity to interact with entrepreneurs, industry and thought leaders.

WOMEN-CENTRIC INITIATIVES

In view of the rise in societal awareness and action towards women's safety in India, YES BANK organizes awareness and training workshops for its female executives on basic preparedness and response measures, which are designed to sensitize, empower and support them in untoward situations. These guidelines were aimed at increasing safety awareness, and providing practical tips and tools that would help female executives avoid potentially hostile situations in the most practical manner. Another key initiative that was implemented was the 24X7 Helpline Number for SOS situations for all YBL executives. A List of Next of Kin, along with phone numbers is made available with the 24X7 call center, to inform them should any such necessity arise.

YES BANK'S SUPPLY CHAIN

The Bank's procurement practices are centrally driven by the Central Procurement Unit and overseen by its Central Procurement Committee. In the reporting period, the Bank continued with its efforts in strengthening its Supply chain based on the following principles:

- ⦿ Risk Management
- ⦿ Effective Cost Management
- ⦿ Strengthening systems, controls and processes
- ⦿ Responsible Sourcing

The Bank has a diverse supplier base, including suppliers of the key platforms on which the Bank operates. As the Bank is spread across the country, it also procures from local vendors for localized consumption of products and services. The Bank has formed strategic relationships with eminent Indian and global companies. These partnerships not only widen business platforms but also lay the foundation for a sustainable future.

Complete list of YES BANK's strategic relationships is accessible <https://www.yesbank.in/about-us/corporate-partnership>.

The Bank with the focus on ensuring proactive management of strategic supplier partners, and adequate risk management, has been strengthening its Vendor Management framework. The Bank also continues its endeavor to improvise and continually adopt global best practices. The Bank continues to follow the mechanism of segregating its vendors into four categories - Strategic, Critical, Core and Basic, and based on categorization, vendor review and risk management practices are implemented. It has also put in place processes to ensure Vendor redundancy/Business Continuity Planning (BCP) for critical spends.

The Bank also has well-established vendor guidelines outlining the vendor selection criteria, compliance with laws of the land, in addition to assessing vendors' credibility, capability and cost to deliver. As part of the Bank's stated objective and commitment to implement best practices in Corporate Governance, the Bank has a web-based 'Corporate Whistleblower Initiative' (CWI) - which is an independent online reporting service aimed at facilitating secure and confidential communication between the Bank and its vendors.

The Bank has also undertaken several other key initiatives in order to strengthen the vendor management process implemented. These include:

- ⦿ Process standardization for claiming Central Value Added

- Tax benefit
- Multiple year contracts, depending on the category of the spends
- Initiated strategic contracts with key vendors with standard terms for year round purchases for complex items

SUPPLY CHAIN SUSTAINABILITY

As the first Indian banking signatory to the UN Global Compact, YES BANK continues to abide by the 10 Principles of the Compact covering four major dimensions — human rights, labor, environment and anti-corruption, and uses them as the foundation for building its sustainable supply chain practices.

The Bank believes that its suppliers are an integral part of its ecosystem and strives to connect its strengths with its supply chain partners' competencies to make optimum use of the opportunities for sustainable development. In line with its belief, and as a part of the ESG operationalization plan, the Bank released a Supplier Code of Conduct based on Environmental, Social and Governance (ESG) parameters, which defines the Bank's commitment to human rights, fair labour practices, environmental progress and anti-corruption policies.

Through this initiative, the Bank is encouraging its suppliers to support its Sustainability agenda, and expects its supply chain partners to comply with the applicable laws of the land and adhere to internationally recognized ESG standards.

To create awareness and to engage with the strategic suppliers, a 'Sustainable Procurement Workshop' was conducted at the Bank's corporate office in Mumbai, which witnessed participation from

senior executives of 20 of its strategic suppliers. The Bank also introduced an ESG self-assessment tool for suppliers, to understand their current practices and identify areas for improvement.

TECHNOLOGY & WORKPLACE MOBILITY

YES BANK has invested in and implemented state-of-the-art technology initiatives since its inception, and has successfully implemented them. The Bank's philosophy is to engage with key partner companies who are acknowledged leaders in their products or businesses to develop specific solutions for YES BANK that become differentiators in the marketplace.

Optimizing IT asset use in service organizations is emerging as a global best practice to reduce generation of E-waste and lower operational costs. As on March 31, 2017, the Bank had an IT asset to employee ratio of 1.34. In FY 2016-17, the Bank has responsibly disposed 8,985 kgs of E-waste through authorized empanelled recyclers.

As reported last year, the Bank had adopted Citrix Workplace Cloud and Netscaler ADC solutions to empower workforce mobility and ensure faster rollout of new branches. The Bank has facilitated a unified approach to creating, publishing and delivering complete workspaces through Citrix Workspace Cloud solution. As a result of these initiatives, employees continue to have secure access to apps, desktops, data and services from any device over any network, to empower mobile employees with the freedom and flexibility to choose how they work.

SECTION E: PRINCIPLE-WISE PERFORMANCE

PRINCIPLE 1

1. **DOES THE POLICY RELATING TO ETHICS, BRIBERY AND CORRUPTION COVER ONLY THE COMPANY? YES/NO. DOES IT EXTEND TO THE GROUP/ JOINT VENTURES/ SUPPLIERS/ CONTRACTORS/ NGOS/ OTHERS?**

The Bank has a separate Vendor Management Policy that covers the pertinent issues related to ethics, bribery and corruption. During the Reporting period, the Bank released a Supplier Code of Conduct in line with the Ten Principles of the UN Global Compact for its strategic suppliers.

2. **HOW MANY STAKEHOLDER COMPLAINTS HAVE BEEN RECEIVED IN THE PAST FINANCIAL YEAR AND WHAT PERCENTAGE WAS SATISFACTORILY RESOLVED BY THE MANAGEMENT? IF SO, PROVIDE DETAILS THEREOF, IN ABOUT 50 WORDS OR SO.**

Please refer to page numbers 297 for Customer Complaints, page numbers 220 for Shareholder Complaints in this Annual Report.

For Employee complaints, please refer to page 68 of the Sustainability Disclosures in this Annual Report.

PRINCIPLE 2

1. **LIST UP TO THREE OF YOUR PRODUCTS OR SERVICES WHOSE DESIGN HAS INCORPORATED SOCIAL OR ENVIRONMENTAL CONCERNS, RISKS AND/OR OPPORTUNITIES.**

- i. Digital Banking – YES MONEY, SimsePay, YES PAY
- ii. Inclusive and Social Banking –YES LEAP/ YES SAHAJ/ YES Kisan Dairy Plus/ YES Joint Liability Group
- iii. Sustainable Investment Banking and Corporate Finance – Lending and advisory in clean energy, technology and water, among others

2. FOR EACH SUCH PRODUCT, PROVIDE THE FOLLOWING DETAILS IN RESPECT OF RESOURCE USE (ENERGY, WATER, RAW MATERIAL ETC.) PER UNIT OF PRODUCT (OPTIONAL):

- i. Reduction during sourcing/ production/ distribution achieved since the previous year throughout the value chain?

On account of the nature of its services, the major resources consumed at the Bank are grid electricity and paper. During the reporting period, the Bank has launched several key initiatives and achieved significant traction on on-going initiatives, towards achieving internal resource efficiencies, focused on product and process digitization, greater employee awareness, reduction in waste generation, and improved waste management.

In the reporting year, YES BANK has become the first bank in the world to migrate to the new ISO 14001:2015 Environment Management System, which now covers 444 bank branches and 3 office locations, and has launched a revised Environmental Management Policy, wherein it has, significantly, doubled its Carbon emissions intensity target to 10% year-on-year. During the year, the Bank also launched a Supplier Code of Conduct based on environmental, social and governance parameters.

The key initiatives focusing on achieving resource consumption efficiency at the Bank, and the impact achieved, are included in the Sustainability Disclosures 2016-17 that is a part of this Annual Report.

- ii. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Given that the Bank's primary product offerings are financial services, resource

consumption during usage by consumers is not a significant material issue for the banking sector in general. During the year, the Bank's 444 branch locations and 3 offices were certified as ISO 14001:2015 in Environment Management System, under which the Bank makes maximum effort to raise awareness among its customers on efficient resource consumption, and on broader national agendas, such as Swachh Bharat Abhiyan, through YES COMMUNITY and related initiatives.

The Bank is rapidly adopting technology to digitize its operations and product offerings, and has witnessed a strong growth in adoption of mobile banking, mobile wallets and internet banking, thus reducing the incidence of paper usage and travel among its customers. The impact achieved through related initiatives is included in the Sustainability Disclosures, as a part of this Annual Report.

3. DOES THE COMPANY HAVE PROCEDURES IN PLACE FOR SUSTAINABLE SOURCING (INCLUDING TRANSPORTATION)?

- i. If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Given that the Banking sector's primary product offering is financial services, the Bank does not have any raw material requirements. The primary resources consumed for its day-to-day operations are paper, grid electricity, water from municipal sources, and diesel, for DG sets in locations with erratic availability of electricity. Through a centralized procurement process, led by the Central Procurement Unit, the Bank strives to achieve greater transparency, compliance and adoption of environmental and labor best practices.

ANNUAL BUSINESS RESPONSIBILITY REPORT (ABBR) (CONTD.)

4. HAS THE COMPANY TAKEN ANY STEPS TO PROCURE GOODS AND SERVICES FROM LOCAL & SMALL PRODUCERS, INCLUDING COMMUNITIES SURROUNDING THEIR PLACE OF WORK?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes. The Bank's award-winning product for the Bottom of the Pyramid – YES MONEY, is based on the Business Correspondent (BC) model that enrolls local small business owners as BC Agents (BCA) to provide remittance services to local communities. These BCAs are trained in remittance operations and basic banking.

In addition to the Bank's procurement done through the Central Procurement Unit, given that the Bank has branches in all states and Union Territories in India, it also procures locally for daily use items and services such as stationary, food and beverages and local transport. It works with most local vendors to align them with the Bank's procurement requirements and standards.

5. DOES THE COMPANY HAVE A MECHANISM TO RECYCLE PRODUCTS AND WASTE? IF YES, WHAT IS THE PERCENTAGE OF RECYCLING OF PRODUCTS AND WASTE (SEPARATELY AS <5%, 5-10%, >10%).

Also, provide details thereof, in about 50 words or so.

Yes. As the Banking sector's primary product offering is financial services, its waste is related to paper, municipal waste, and electronic waste. The Bank has strong policies and practices in place for responsible disposal of all such waste through authorized third party vendors. For waste paper disposal, the Bank has local authorized vendors to ensure near 100% recycling of waste paper.

For e-waste handling, the bank has a national authorized vendor for centralized collection and handling of e-waste to ensure near 100% of e-waste management.

The Bank's waste management practices are included in the Sustainability Disclosures, which is a part of this Annual Report.

PRINCIPLE 3

1. PLEASE INDICATE THE TOTAL NUMBER OF EMPLOYEES.

YES BANK had 20,125 employees as on March 31, 2017.

2. PLEASE INDICATE THE TOTAL NUMBER OF EMPLOYEES HIRED ON TEMPORARY/ CONTRACTUAL/CASUAL BASIS.

6. WHAT PERCENTAGE OF YOUR PERMANENT EMPLOYEES IS MEMBERS OF THIS RECOGNIZED EMPLOYEE ASSOCIATION?

Not applicable as the Bank does not have an employee association.

7. PLEASE INDICATE THE NUMBER OF COMPLAINTS RELATING TO CHILD LABOR, FORCED LABOR, INVOLUNTARY LABOR, SEXUAL HARASSMENT IN THE LAST FINANCIAL YEAR AND PENDING, AS ON THE END OF THE FINANCIAL YEAR.

Sr. No.	Category	No. of complaints filed during the financial year	No. of complaints pending as on end of the financial year
1.	Child labor/forced labor/involuntary labor	Nil	Nil
2.	Sexual harassment	10	3
3.	Discriminatory employment	Nil	Nil

8. WHAT PERCENTAGE OF YOUR UNDER MENTIONED EMPLOYEES WERE GIVEN SAFETY & SKILL UPGRADATION TRAINING IN THE LAST YEAR?

I. PERMANENT EMPLOYEES

The Bank has a separate entity, the YES SCHOOL OF BANKING, as a center of excellence in imparting learning solutions in banking, skill development and personality development, among others. The Bank's training programs are divided into 5 broad categories: Behavioral and Leadership Skills, Employee Induction, Mandatory Policies and Compliance, Process Training and Product Training. In the reporting period, 16,096 employees were trained under 3,640 classroom-based training programs.

II. PERMANENT WOMEN EMPLOYEES

3,071 women employees were imparted classroom-based training during the year, which is over 82.9% of the Bank's total women employees.

III. CASUAL/ TEMPORARY/ CONTRACTUAL EMPLOYEES

Not applicable as the Bank only hires employees on a permanent basis. However, the Bank works with its vendors providing staffing services to ensure adequate training is provided to the staff on the Bank's policies and processes.

IV. EMPLOYEES WITH DISABILITIES

All employees are imparted training basis their training requirements and organizational profile.

PRINCIPLE 4

1. HAS THE COMPANY MAPPED ITS INTERNAL AND EXTERNAL STAKEHOLDERS?

Yes/No

2. OUT OF THE ABOVE, HAS THE COMPANY IDENTIFIED THE DISADVANTAGED, VULNERABLE & MARGINALIZED STAKEHOLDERS?

The under-banked and unbanked population in rural and urban India, which is still not entirely integrated into India's mainstream economy, can be vulnerable to socio-economic exploitation. The bank focuses on financial inclusion as a key business priority to positively impact this stakeholder group.

3. ARE THERE ANY SPECIAL INITIATIVES TAKEN BY THE COMPANY TO ENGAGE WITH THE DISADVANTAGED, VULNERABLE AND MARGINALIZED STAKEHOLDERS? IF SO, PROVIDE DETAILS THEREOF, IN ABOUT 50 WORDS OR SO.

Yes. The Bank engages with such stakeholders in multiple ways. Through its focused Business Units such as Inclusive and Social Banking, Digital Banking, Agribusiness Product Banking and Rural Retail Banking, the Bank offers financial products and services to diverse stakeholders in rural and

MANAGEMENT DISCUSSION AND ANALYSIS

EXECUTIVE OVERVIEW

MACRO-ECONOMIC AND INDUSTRY OVERVIEW

For major part of calendar year 2016, the global economic scenario was characterized by subdued cross border trade, weak investment activity, sluggish productivity growth, and heightened political and policy uncertainty. As per the International Monetary Fund (January 2017), World GDP growth moderated to 3.1% in 2016 from 3.3% in 2015.

Global commodity prices strengthened during the course of 2016 amidst expectation of strong infrastructure investment in China, fiscal easing in the US, and agreement by major oil producers to trim supply. Price of crude oil (Brent), industrial metals, gold, and agricultural commodities rose by approximately 55%, 20%, 9% and 7% respectively in 2016.

Meanwhile, growth in global trade volume continued to remain subdued with estimated growth of 2.2% in 2016 (by IMF) vis-a-vis 2.7% in 2015. The ongoing slowdown and rebalancing in China (with more than 10% share in global trade), declining investments by commodity exporters like Brazil, Russia, etc., and significant exchange rate depreciation in many EMs resulted in weakening of global trade activity.

Nevertheless, the increase in global commodity prices towards the end of 2016 after the slump in 2015 resulted in an end to deflationary conditions worldwide. Even as core inflation rates have remained broadly stable, headline inflation rates have recovered globally. This resulted in an increase in interest rates in most of the advanced economies with US Federal Reserve backed by improved growth prospects, raising its monetary policy rate by 50 bps during December 2016 and March 2017.

In line with the mild deceleration in global economic activity, the Indian economy during the course of 2016-17, is projected by the Central Statistical Organization to see a moderation in GDP growth to 7.1% vis-a-vis 7.9% in FY 2015-16. The withdrawal of legal tender character of specified bank notes (SBNs) by the Reserve Bank of India in November 2016 provided a

transient loss in growth momentum for few high cash dependent sectors. While private consumption growth is expected to maintain its above 7% growth rate in FY 2016-17 along with export performance turning positive, gross fixed capital formation is projected to witness a marked slowdown. On the sectoral front, while manufacturing and trade, financial, and real estate services is projected to see a deceleration in growth momentum in FY 2016-17 an upturn in agriculture and allied sector along with public services is expected to provide an offsetting impact. Over the medium term, the positive impact of demonetization is likely to emerge strongly with a behavioural shift in conducting economic transactions via formal financial channels. This could boost economic efficiency and boost the propensity for financial savings.

Meanwhile, domestic retail inflation continued to moderate despite an increase in global commodity prices. Average CPI inflation in FY 2016-17 decelerated to 4.5% from 4.9% in FY 2015-16. A favourable monsoon out-turn after two consecutive years of deficiency helped to lower food inflation, which also benefitted from continued rationalization in Minimum Support Prices (MSPs) announced by the government and timely offloading of surplus food stocks. The central bank's anti-inflationary stance and quality fiscal consolidation over the last 2-3 years has resulted in a successful gradual disinflation for the Indian economy.

Even as retail inflation declined, wholesale rate of inflation, as measured by the WPI, increased to 3.7% in FY 2016-17 from -2.5% in FY 2015-16. The increase in WPI inflation was predominantly driven by the rise in global commodity prices, especially crude oil, whose average price rose by 6.1% during FY 2016-17. Despite the increase, WPI inflation remained comfortably lower than its long term average of around 5.5%.

India's external position strengthened further in FY 2016-17. For the first three quarters (Apr-Dec), the current account moderated to 0.7% of GDP in FY 2016-17 from 1.4% in the corresponding period in FY 2015-16. Foreign exchange reserves of USD 370 billions (as of March 31, 2017) and robust net FDI inflows (USD 35.2 billions between Apr-Feb FY 2016-17) were noteworthy.

developments against the background of global uncertainties.

On the fiscal front, the government stuck to its FY 2016-17 fiscal deficit target of 3.5% of GDP accompanied by moderate improvement in quality of adjustment. While the capital expenditure is slated for a 10.6% growth in FY 2016-17 the subsidy bill is expected to contract by 1.4%.

On the monetary policy front, the RBI reduced the repo rate by a cumulative of 50 bps to 6.25% during the course of FY 2016-17. Highlighting its confidence on revival in economic growth, the central bank in Feb-17 policy review shifted its monetary policy stance to neutral from accommodative earlier. This shift in monetary policy stance is expected to help achieve the medium term inflation target of 4%.

From an average deficit of ₹ 1,889 billions in March 2016, money market liquidity improved towards ₹ 95 billions in October 2016 largely on the back of front loading of government expenditure, seasonal behavior of currency in circulation, and dollar purchases by the RBI. Thereafter, liquidity surplus spiked significantly to a record high level of ₹ 4,524 billions – average for the month of March 2017. Although the second half of the fiscal year generally witnesses contraction in liquidity conditions, the surge in liquidity surplus since November 2016 happened on the back of the jump in bank deposits post the withdrawal of legal tender character of SBNs by the RBI, even as growth in bank credit weakened amidst deceleration in overall economic activity.

Despite volatility in global financial markets and limited amount of monetary policy easing by the RBI in FY 2016-17 vis-a-vis FY 2015-16 the 10-year g-sec yield fell by 79 bps to 6.68% as of end March 2017. Continued gradual disinflation, quality fiscal consolidation, surge in money market liquidity surplus post withdrawal of legal tender character of SBNs by the RBI in November 2016, and stability in rupee vis-a-vis other currencies in emerging markets were important enablers for the decline in g-sec yields during FY 2016-17.

Over the course of FY 2016-17 the Indian rupee traded in a band of 64.85-68.77 vis-a-vis the US dollar. Rupee largely traded with a moderate weakening bias during the months of Apr-Dec 2016 with factors like increase in global commodity prices, global uncertainty post UK's political decision to exit Eurozone, and likelihood of faster pace of increase in US interest rates weighing on sentiment in the global foreign exchange markets. However, the Indian rupee appreciated by 4.45% during Jan-Mar 2017, supported by a weaker dollar, and improved prospects for domestic reforms after the strong out-turn in the state assembly elections conducted in Feb-Mar 2017.

BUSINESS SEGMENT OVERVIEW

CORPORATE BANKING

Your Bank's Corporate Banking (CB) group provided comprehensive financial and risk management solutions to large corporate clients with a turnover greater than ₹ 1,500 crores. This distinctive approach translated into mutually-beneficial relationships with clients in knowledge-driven sectors like life sciences and healthcare, information technology, food and agribusiness, manufacturing, infrastructure, media and entertainment, hospitality and education, among others.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

Your Bank remained committed to continuous improvement in terms of service, risk management and product portfolio through original research, benchmarking and client orientation.

EMERGING CORPORATES BANKING

The economic evolution of a dynamic economy is characterized by the transformation of its mid-sized companies to large global businesses. The Indian economy is at an inflection point with new tail-winds for sustained, substantial growth. The mid size businesses, backed by strong entrepreneurial ambition, form the backbone of the economy and are in the best position to capitalize on this growth potential. Your bank strives to be the catalyst in bringing about this growth.

Emerging Corporates Banking group, setup by your bank in FY 2015-16, focuses on these corporates with turnover between ₹ 500 crores and ₹ 1,500 crores. It plays a crucial role by developing a thorough understanding of companies' banking needs and delivering customized solutions including trade, forex and advisory services, besides efficient cash management & digital banking products. The group continues its knowledge-banking approach to cater to requirements of growth sectors including Auto Components, Food and Agri-processing, Media & Entertainment, Pharmaceuticals, Gems & Jewellery.

Recognizing the growth and the need for increased local presence, the group has enhanced its footprint by rolling out 7 new locations and is now present in 15 locations across India. The emerging needs of this diverse segment present a significant opportunity for your Bank, and the group is well poised to capture the same through innovation and differentiation.

COMMERCIAL BUSINESS BANKING

With recent policy reforms and regulatory changes, India is witnessing a rapid economic transformation fuelled by various government initiatives and skilled manpower. Correspondingly, this has led to the growth of mid-sized corporates across various manufacturing and service industries. This has also reflected in the growth of your Bank's Commercial Business Banking

group, focussed on servicing corporate clients with a turnover in the range of ₹ 100-500 crores.

Considering the high-growth nature and continuous expansion of your Bank's clients, the Commercial Business Banking group adopted a 'Lifecycle Banking' philosophy to fulfil the banking needs of the clients across the growth cycle. The impetus continued to be on servicing the clients through a 'Money Doctor' approach, balancing the client expectations and the Bank's risk strategies.

Your Bank's unique positioning provides an opportunity to offer the entire product suite with customized solutions. Your Bank helped forge a number of success stories across industries, such as life sciences, healthcare, food & agribusiness, auto ancillaries and e-commerce. With regional presence in more than 30 locations across India, Commercial Business Banking division caters to the financing needs of the clients with quick and efficient service.

Further, the Commercial Business Banking group addresses the banking requirements for linked and ancillary businesses of the clients, ensuring continuous deepening and retention of client relationships. The division concentrated on granularity and achieving capital efficiency by focusing on referral-led business origination and cross-sell.

GOVERNMENT BANKING

At your bank, the Government Banking (GB) group addresses the financial and banking needs of Central and State Government undertakings and affiliates.

Over the years, your Bank has provided financial and advisory services to Ministries under the Union Government, State Governments, Central and State Public Sector Undertakings (PSUs), Boards and other affiliates. Your Bank remained committed to delivering innovative, structured and comprehensive solutions, accomplishing several landmark transactions with Maharatnas, Navratnas, Mini-Ratnas and other apex institutions and developed meaningful relationships with over 850 entities across India. The GB group

remained committed to the core values of client origination, innovation and superior service and has over 125 experienced and seasoned Bankers in 56 locations across the country.

Your bank displayed strong commitment towards catalyzing sustainable growth in the country by partnering with Central Government in their flagship initiatives during the year like Maritime India Summit 2016 and India Aviation 2016 amongst others. Your Bank was also part of the Make In India event which is the driving force for India's new manufacturing revolution.

Your Bank made concerted efforts to support educational, religious and sporting institutions across India through unique transaction banking offerings aimed at streamlining the working capital management of these apex and nationally important institutions. Your Bank made inroads into the welfare trusts management of leading Central and State Public Sector Undertakings through its differentiated and competitive SA offering, complementing your Bank's efforts to build a sustainable CASA book.

INDIAN FINANCIAL INSTITUTIONS BANKING

Your Bank's Indian Financial Institutions Banking (IFIB) group interfaces with domestic financial institutions. The team primarily engages in offering banking solutions to domestic banks, non-banking finance companies, housing finance companies, insurance brokers and companies, small finance banks, payment banks, mutual funds, financial institutions, cooperative banks, regional rural banks and capital market participants (stock exchanges, stock brokers, commodity brokers and exchanges, foreign portfolio investors), primary dealers, depositories, AD II licence holders and payment aggregators. Your Bank customizes specific solutions for domestic financial institutions that enhances transactional efficiencies leading to enduring relationships.

As a strategy to offer greater benefits to the customers through reduced cost of funds, your Bank actively engages with institutions like SIDBI, NABARD, EXIM

Bank and NHB to avail refinance, and with overseas branches of domestic banks to avail foreign currency long-term borrowings. The group also undertakes Primary Dealership sales function by distribution of Government Bonds across various institutional and retail segment investors.

Some of the standout deals that the group executed in FY 2016-17 were:

- Acted as a BRLM for 3 major public NCD issues during the year.
- Acted as a left lead for a ₹ 14 billions Masala bond issue.
- Your Bank was the sole investor in maiden AT1 issuances of State Bank of India and EXIM Bank.

In addition to the above, the group implemented various digital offerings using the bank's pioneering technological platform such as:

- Launch of "SIMsePAY", a mobile payment solution with 10 state and district cooperative bank which enables secure mobile payments without the internet and allows P2P, P2A, bill payments, DTH and mobile recharges through feature phones also. The Bank has signed up agreement with over 35 cooperative banks to offer mobile payment services to their customers.
- Interface with PFMS system of Department of Expenditure to transfer and settle Government subsidy and grants to customers of rural cooperative banks and primary agriculture society. Your Bank is the only bank under such an arrangement.
- Application Programming Interface (API) Banking to offer real time/instant banking facility to NBFCs, Brokers, Cooperative Banks and other Financial Institutions, which is emerging as a key product to integrate and streamline the transaction processing cycle.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

- Nodal Bank offering for payment aggregators, Escrow arrangement for e-wallet players, and AD-II related transactions for money changers and foreign-exchange related players.

Your Bank is counted among the preferred

partners by international institutions to meet their clients' banking requirements in India. International Banking, in coordination with MNC Corporate Banking, helped position your Bank as the preferred 'Host Country Bank' by leveraging its rich relationship capital.

YES-International Banking continues to raise large-ticket offshore borrowings for your Bank. Your bank raised USD 130 millions long tenor loan from Taiwanese banks in a marquee syndication deal. FMO - Dutch development financial institution - invested USD 50 millions (₹ 330 crores) in your Bank's Green Infrastructure Bonds in its first investment in a Bank in India. YES - International Banking's strong and well established relationships with DFIs are borne out by the fact that DEG - Germany's development financial institution - has made its third loan to your bank for supporting small business growth in India. YES - International Banking has leveraged its global banking partnerships to support your Bank's increasing FCY lending requirements through a diverse mix of borrowing avenues aggregating to over USD 1 Billion during the year.

YES - International Banking focused on emerging as a preferred host country banker and payments bank to global counterparts. As a result, more institutions utilized your Bank's network for their India-linked businesses. YES - International Banking has well established relationships with exchange houses across key geographies host to Indian diaspora viz. USA, UK, Europe, APAC and GCC and through these originates a significant portion of NRI remittances into India.

INTERNATIONAL FOOTPRINT

Your Bank established its international footprint by inaugurating its first international office in the form of a Representative Office at Abu Dhabi, UAE in April 2015. The Representative Office has provided great convenience to NRI customers by facilitating a host of Banking, Financial and Investment consultation services of your bank in UAE and has played an important role in promoting your Bank services to the larger NRI Diaspora in the country. Additionally, it has provided a significant Brand Value and visibility of your bank in UAE. Your Bank continues to explore expanding its

overseas presence with a view to promote your Bank services to the NRI Diaspora.

As reported last year, Your Bank was the First Bank in India to commence the operations at International Financial Services Centre (IFSC) at GIFT City, Gujarat. A banking unit at GIFT IFSC (IBU) is equivalent to a Foreign Branch and is a significant development in overall augmentation of Your Bank's business model whereby Bank, during the year, provided comprehensive solutions for its client's foreign currency banking requirements in the areas of Cross Border Trade offerings, External Commercial Borrowings, Foreign Currency Loans/Syndications, Arrangement/Underwriting of Masala Bonds issuance by Indian Corporates among others. During the year, your Bank raised Foreign Currency resources from Marquee Foreign Financial/Multi Lateral Institutions and Your Bank is pleased to report that business momentum at IBU has been building up well with its Balance Sheet already crossing USD 1 billion business transaction mark. Your Bank's IBU continue to be a Flag Bearer at GIFT IFSC and in terms of business volumes, it is leading the pack amongst 7 operational IBUs.

BRANCH BANKING

In FY 2016-17 YES BANK's geographical footprint expanded to 1000 branches spread across more than 700 locations with over 1,800+ ATMs and BNAs. Your Bank has institutionalized a strategic framework to increase penetration in all States Capitals, Top 200 Deposit Centers covering all state capitals, having substantial presence in the Delhi Mumbai Industrial Corridor, Special Economic Zones, Economic Promotion Zones, Food Parks, Agri-Parks, Ports etc. with a well-balanced parallel focus on financially-efficient inclusive Banking.

This financial year saw a host of internal and external developments in the Branch-Banking segment. Your Bank amped up considerable focus towards the branch presence in rural, agri and MSME geographies by putting in focused leadership, with the local knowhow, and products targeted at these specific segments. The Bank also launched the 1st in the industry 'Make Your Own' Current and Savings account, wherein a customer

can choose to select his/ her own customized service and price plan. In other words a customer can choose a base-pack and a 'top-up' with other services.

As you are aware, on November 08 2016, the GOI launched the 'Demonetization Drive' to curtail the shadow economy and crack down on the use of illicit and counterfeit currency. Your Bank saw a record amount of customer footfall across branches for a prolonged duration due to currency exchange and its employees were fully committed to satisfactorily service the customer requirements with a twin pronged focus on compassion as well as compliance. Further, your Bank continued to enrich and enhance its highly-targeted product portfolio, specialized relationship management architecture, and superior customer service framework.

ATMS / RECYCLERS

Your Bank has 1,282 ATMs and 503 Bunch Note Acceptors/ Recyclers (BNA) as of March 31, 2017. Bunch Note Acceptors have been appreciated by many Corporate Clients as they offer multiple advantages while fulfilling Corporate cash collection needs. CONTACT CENTRE

Your Bank has established dedicated 24/7 inbound contact centres for Liability & Asset customers which resolve queries, complaints and service requests. Additionally, to support the servicing requirements for the recently launched Credit Card offerings, a dedicated 24/7 customer service center has been established on May 18, 2016. To further augment our servicing capabilities for addressing a growing customer base & bringing in multi-lingual servicing, a 3rd contact centre has been established at Ambattur, Chennai on December 07, 2016 for complementing our existing capacity in Thane and Gurgaon. While the inbound contact center resolves customer queries, complaints and service requests, the outbound contact center initiates outbound calling for enabling "Service to Sales" to enrich customer relationships. It undertakes Relationship Management for Asset product, Remittance, Current Account, Saving Account (Domestic and Global Indian) customers.

STARTUP PROPOSITION

Your Bank has launched YES: Head-Startup, a comprehensive banking solution for tech and tech-enabled startups. It has a customized program consisting of registration assistance, incubation & accelerator services, investor interface and marketing assistance which Your Bank would offer to the members of the program. Program aims to build relationships with startups at an early stage and offering assistance to help them grow and mature into enterprise-ready companies.

NEW CUSTOMIZABLE SAVINGS ACCOUNT PROPOSITION

Your Bank has launched a Customizable Savings Account proposition that renders the POWER TO CHOOSE with the customer. Breaking the industry norm of offering off-the-shelf Banking products to every customer segment, Your Bank has become the first Indian Bank to introduce the customizable version of the traditional Savings Account. This unique offering enables the customer to create an account that suits his or her lifestyle and Banking preferences, while choosing from a range of products and offerings. Based on extensive market research and customer feedback, Your Bank has launched Savings Account Product Tiers, which offers three variants – Prime, Ascent and Crest. Customers can choose to start at any of the three tiers according to their requirements. The Bank will periodically review the customer's overall relationship and automatically upgrade to a higher tier if applicable.

ALL NEW DEBIT CARD VARIANTS

Your Bank has ramped up its existing portfolio of Debit Cards with the introduction of NFC (Near Field Communication) technology across card variants to enable Contactless Payments. Segmented across its flagship customer segments, YES Prosperity and YES FIRST, these Cards have been carefully customized and designed around the specific needs of debit card customers. New Debit Cards offer unique benefits such as Reward Points on all spends, NFC enabled contactless payments, and YES InControl-Card spend management features. The YES Prosperity Debit Card range comprises of YES Prosperity Titanium, Titanium Plus, Platinum and RuPay Platinum Debit Cards, whereas the YES FIRST range includes the YES FIRST WORLD Debit Card. RESPONSIBLE BANKING

Your Bank's Responsible Banking ethos remains the mainstay of its single-minded focus on inclusive and sustainable growth, by weaving sustainability principles into its core operations and expanding its alliances for India's development. As a core plank that runs across all functions of the Bank, it is firmly integrated with our business strategies, approaches and targets, enabling us to create shared stakeholder value both in the near and long terms.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

During the year, the Bank's global engagement on key sustainability topics expanded significantly and it was recognized as a Thought Leader on noteworthy national and international platforms. The Bank was invited to speak at the UN High-Level Thematic Debate at the UN in New York in April 2016 and was the Lead Discussant to the UN Private Sector Forum at the UN General Assembly in September 2016. It spoke at the World Bank Group's Dialogue for Climate Action in Vienna in May 2016 and at the Climate Week organized by the World Bank in New York in September 2016. In addition, your Bank was the only Indian bank invited to speak at the G20 ESG Workshop in Berne, Switzerland in May 2016. Significantly, your Bank's CSR project, 'Say YES to Sustainable MSMEs in India' was highlighted as a Role Model case study at the COP22 in Marrakech, Morocco, by the World Resources Institute, and showcased at the Conference's India Pavilion.

Your Bank continues to be a signatory to key protocols focused on climate action and sustainable development, including the UNEP FI, Carbon Pricing Leadership Coalition, UN Global Compact, CDP, Natural Capital Finance Alliance, and is member of key national and global alliances including the India GHG Program, TERI Council for Business Sustainability, and WBCSD. In the year, Responsible Banking produced four knowledge reports on pertinent topics:

- Financial Structures for Solar Energy
- Transplanting Growth Greening our Highways
- Climate Change as a Driver of Energy Efficiency in MSMEs
- Compendium of Global Success Stories in Solar Power.

Your Bank continues to be the only Indian Bank in the DJSI Emerging Markets Index for the second consecutive year in 2016, and in a significant achievement, YES BANK was assigned an ESG rating of AAA by MSCI ESG Research.

This year, your Bank became the first bank globally to migrate to the new ISO 14001:2015 certification, which now covers the Bank's 444 Metro-Urban branches and 3 corporate offices. Towards mainstreaming sustainability best practices across its value chain, the Bank formulated its Supplier Code of Conduct and organized a 'Sustainable Procurement' Workshop for its strategic suppliers.

YES COMMUNITY, the Bank's unique branch-led community engagement program, touched over 20 lakhs lives in 2016-17, through its pan-India branches. The Bank's 'Livelihood and Water Security' program provided access to safe and clean drinking water to more than 3.66 crore lives in Maharashtra, Delhi and Goa. The Bank's 'Say YES to Sustainable MSMEs in India' initiative impacted 2,229 MSME units and over 10,425 workers in 11 states.

During the year, Your Bank launched an innovative, blended finance project in pilot mode towards promoting environmentally sustainable livelihood security among 600 under-privileged women salt farmers in the Little Rann of Kutch region in Gujarat, and became the first private sector company to enter into a CSR commitment with the National Highways Authority of India under its 'Adopt a Green Highway' program.

'YES! i am the CHANGE', the social film making challenge launched by YES FOUNDATION, YES BANK's social development arm, has achieved unparalleled success, with participation of over 13 lakh individual participants comprising 3.24 lakh teams, submitting over 29,000 films, and the launch of a new initiative, the YES FOUNDATION Social Film Grant, in FY 2016-17.

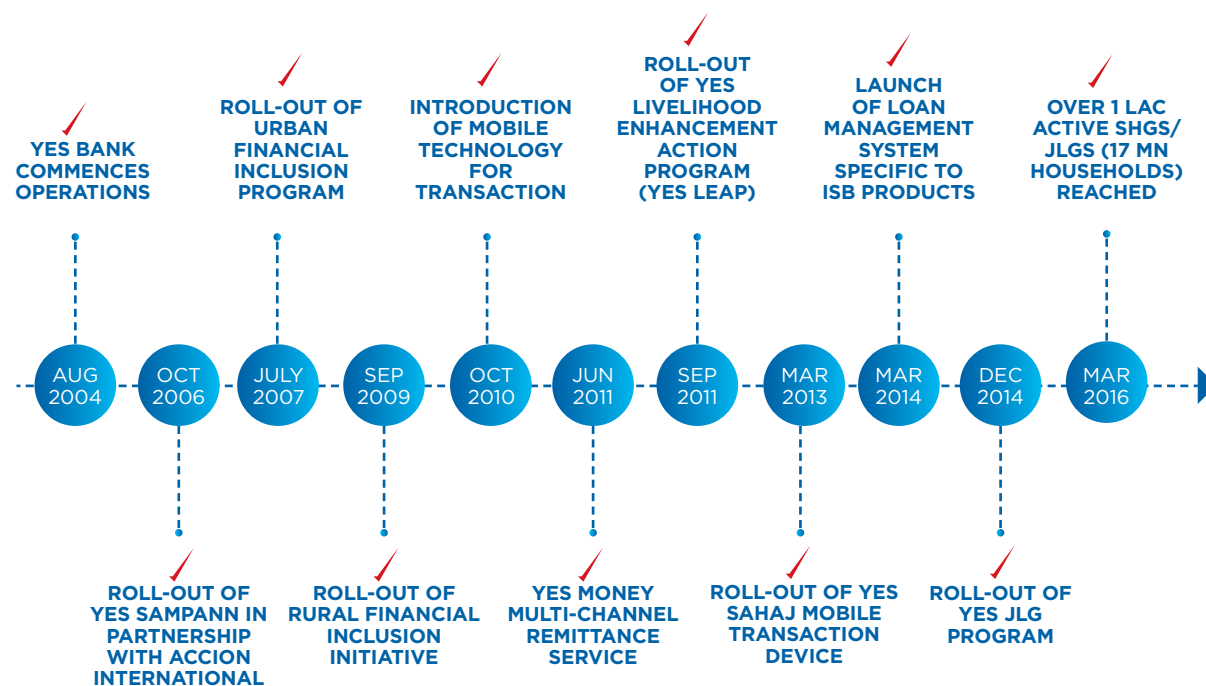

Your Bank was recognized in India and abroad for its sustainability performance, winning the Euromoney Award for 'Asia's Best Bank for CSR', the 'Innovative Bond Structure of the Year' by Environmental Finance Magazine, and the Award for 'Most Effective Domestic Community Investment' by Ethical Corporation, among others.

INCLUSIVE & SOCIAL BANKING

In line with the Responsible Banking vision to mainstream sustainability within its core business and address needs of the 'next billion' customers, Your Bank created a special division called Inclusive & Social Banking (ISB). ISB is responsible for the design and implementation of various financial inclusion initiatives. For Your Bank, financial inclusion is not just a social and regulatory obligation but a viable business opportunity. The mandate of ISB was to reach the un-banked and under-banked population (rural, semi-urban and urban areas) by leveraging your Bank's branch network, technology edge and relationship capital in the public, private and social sectors. Following the guiding principle of Frugal Innovations for Financial Inclusion (FI4FI), the ISB team developed innovative business

models and forged partnerships leading to their seamless implementation. It aimed to create viable business models while providing 'access to finance' to the bottom-of-the-pyramid customers.

ISB offered various financial services comprising microcredit, micro-saving, micro-insurance and remittance services across geographical and socioeconomic contexts and partners. With the flagship program, YES Livelihood Enhancement Action Program (YES LEAP), Your Bank provided comprehensive financial services (credit, saving and insurance) to Self-Help Groups/Joint Liability Groups through partner organizations acting as Business Correspondents and touched over 1.7 millions households across 18 states and 250 districts.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

While being committed to Financial Inclusion, ISB's recent focus has been on enhancing technology solutions to efficiently scale YES Bank's outreach to cater to more unbanked and under banked population of India. ISB introduced a dedicated first of its kind loan origination & management system for booking SHG loans. It offers the flexibility of microfinance institutions along with regulations and risk controls required for banks at the same time. All field transactions were recorded in YES Sahaj mobile transaction device and monitored centrally. Furthermore, for improved monitoring over field operations, increased efficiency and transparency, tablet solution is being launched. This will help bridge the inability of banks to have brick and mortar branches for serving the remote rural population. There will be seamless integration between field operations and loan booking with this initiative.

The ISB team is also mandated with the implementation of your Bank's Financial Inclusion Plan (FIP) as approved by the Board and the RBI. Your Bank performed well across almost all financial inclusion parameters. Your Bank's radical FI4FI approach received several national and international accolades.

MICROFINANCE INSTITUTIONS GROUP

Your Bank remains committed to creating equal financial opportunities for all. Your Bank promoted microfinance as a new asset class, widening access to capital through a two-pronged strategy involving the Microfinance Institutions Group (MFIG), and mainstreaming bottom-of-the-pyramid clients through the Inclusive and Social Banking team. Via product suite of MFIG that comprises of Term Loan Facilities, loan syndications, rated capital market loan products like pool securitization, bonds, commercial paper, pass through certificates (PTCs), Your Bank catalyzes growth of the Indian microfinance industry.

Your Bank aims to access more investors and reduce fund costs, thereby making it possible to deliver affordable, fairly-priced and customized financial solutions. The MFIG engaged in advocacy at various levels, emerging as the primary channel to engage

with stakeholders (MFIs, investors, rating agencies, policymakers, governmental agencies and regulatory bodies) and making it possible for the Group's activities to touch the lives of millions of people.

AGRIBUSINESS PRODUCT MANAGEMENT

The Food and Agribusiness sector is fueling the growth of an emerging India and is of strategic importance to the country. With the Government's impetus on the sector and a slew of policy measures initiated such as doubling of farmers' income by 2022, market reforms for e-mandi, etc., the F&A sector is all set for a quantum jump, thus creating innumerable opportunities for all the entities associated with it. F&A sector has always been one of the focus areas for your Bank, which has put us in a good stead to capitalize on these emerging opportunities. Agribusiness Product Management (ABPM) is a specialized team which facilitates building of banking opportunities in the agri value chains through structured financial products that are regulatory compliant while mitigating credit risk. The team is also responsible for ensuring that the bank meets the regulatory Priority Sector Lending norms. The team of around 110 bankers, comprising of experienced industry and banking professionals with relevant domain knowledge and skill sets, interacts with F&A clients to create structured lending propositions for agri value chain participants – farmers, MSMEs as well as corporates. As a part of agri value chain financing, your Bank has also created a robust portfolio against pledge of agri commodities while ensuring adequate risk mitigation. Within ABPM, there is a specialized team which closely monitors the commodity pledge financing portfolio and mitigates the inherent risks through daily monitoring of prices of the funded commodities & marking to market through a Commodity Desk and frequent audits of the funded stocks through an internal audit team on the ground. Another focus area of the Bank has been the emerging segment of Farmer Producer Companies (FPC) wherein your Bank is partnering with select FPCs with sustainable business models, thus creating a sizeable & profitable portfolio.

PROCESS, SERVICE & TECHNOLOGY OVERVIEW

SERVICE AND TECHNOLOGY CAPITAL

To enhance customer delight, your Bank has undertaken various technology enabled business initiatives to deliver improved customer experience, ease of banking and operational excellence. As the number of ways to connect with customers' increase and self-service channels become the primary way for banking, an omni channel approach provides competitive advantage to the Bank. Your Bank has leveraged state-of-the-art technology to enable customer accessibility of all products across all channels through seamless multi-channel integration. To achieve this, the Bank has been simultaneously focusing on adoption of innovative practices in digital banking and digitization of end-to-end processes.

Technology is a key enabler and facilitator to the critical goals of your Bank allowing it to make systems and processes even more efficient. Since inception, your Bank continued to invest heavily in technology to provide better products and superior customer experience. Your Bank continues to spread its electronically linked Branch Network with state-of-the-art IT enabled core banking platform to ensure customers have access to 24*7 banking services.

BUSINESS PROCESSES - CREATING A QUALITY ORGANIZATION

Your Bank continued to refine operational processes from the perspective of implementation of Best Practices, Risk Identification and Containment to bring about greater precision in the management of operations in both the Corporate and Retail side of the Bank's businesses.

In our pursuit to **Build** a Quality Organization, your Bank seamlessly extended its professional approach to business processes resulting in continuous improvement.

Some key initiatives comprised:

- Your bank has deployed an enterprise level Customer Relationship Management solution

which provides the Bank a single view of both Corporate and Retail customer segments. Lead management system has been built for the sales team to enhance their productivity.

- Centralized back office functions (NOC-National Operating Centres) of various businesses are working in full capacity in Mumbai and Gurgaon & recently at Chennai covering spread over 4 lakh sq. ft. to employ 9,000 employees at full capacity and expanded to 12,000 by 2020.

EMBEDDING A CONTINUOUS IMPROVEMENT APPROACH

Your Bank's Quality Assurance and Service Delivery Units provided a framework that facilitated continuous improvement. The Quality Policy at your Bank states, 'YES BANK' will strive to ensure a consistent superior service experience through operational excellence, innovation, cutting-edge technology and best-in-class systems, and processes in its mission to become 'The Finest Large Quality Bank of the World in India' by 2020.

THE SERVICE QUALITY STRATEGY

The Quality Assurance and Service Excellence teams take up focus initiatives under the framework of Lean and Six Sigma integrated methodology towards improvement of service and process standards. The team actively engages with customers across various channels to capture the feedback and the same is analyzed before

being taken up for improvements. The complaints management team conducts Root Cause Analysis on an ongoing basis to arrest the repeated issues.

The Service Quality framework of your bank is built on the world renowned PDCA (Plan - Do - Check - Act) model of Deming's improvement cycle. Under this, Bank Branches are visited by the especially skilled quality professional for a detailed review of the service delivery processes. This entails assessment, gap identification, root cause analysis, action plan and execution. The entire process is closed looped with actionable and closures.

Your Bank's three-pronged structure to bolster customer service comprised customer experience, innovation and quality assurance. The Customer Experience unit captured the Voice of the Customer (VOC), and assessed performance across key service drivers. These initiatives were managed through the Innovation Centre, which acted as a clearing house for ideas that helped your Bank implement 'next practices' across products, services and channels.

Specific quality goals were classified across the categories of Process Management and External and Internal Service Delivery in line with your Bank's Quality Policy and Objectives. Quality improvement drives, like workforce suggestion schemes, Lean Six Sigma, Five S, ISO 9001 and ISO 10002 were implemented across business units and branches.

Being a member Bank, Service Excellence team proactive engages with all the customer facing channels to ensure compliance with the BCSBI code. This has enabled your bank and its service delivery processes to be more robust and customer friendly.

At your Bank, external and internal service delivery (customer satisfaction) was measured using dashboards, Voice of the Customer (VOC), Branch Service Committee Meetings, Sigma Scorecards and External/Internal Customer Satisfaction Surveys. These initiatives not only helped build mutually-beneficial customer relationships, but also ensured stringent Service Level Agreements (SLAs) across the Bank.

The YES Service Program, an internal service proposition, disseminated through a defined and on-going service marketing program, and measured through mystery shopping, on-job monitoring and Branch Executive Leadership Team (BELT) programs, were held periodically across key branches.

Your Bank created a knowledge pool of Six Sigma/Lean change agents to reinforce a culture of improvement. Your Bank undertook several strategic and tactical improvement projects) during the fiscal year.

HUMAN CAPITAL MANAGEMENT

Your Bank pursued a strong employee value proposition of 'Creating & Sharing Value' driven by the ethos of Professional Entrepreneurship and a talent philosophy of Owner-Partner-Manager model with all YES BANKers engaging, directing, managing and accelerating development.

The Human Capital engagement practices at your Bank were targeted at developing the Bank's brand as a 'Preferred Employer of Choice'. Your Bank continued to attract and retain the best talent from within India and abroad. Besides, your Bank hired a number of experienced professionals from other private sector banks that strengthened our retail banking leadership. Your Bank made significant people investments in 2016-17, institutionalizing initiatives in the areas of executive engagement, improving workplace health and wellness, learning and development. The result of this investment in people was that, your Bank created a robust workforce of over 20,000 employees in just 13 years.

Some of the key highlights of your Bank's Human Capital practices are illustrated below:

EXECUTIVE ENGAGEMENT**MAKING YES BANK A 'GREAT PLACE TO WORK'**

Your Bank has been participating in the 'India's Best Companies to Work For' study since 2013. The study is conducted by Great Place to Work® Institute, a leading management research and consulting firm. During this study, confidential and anonymous feedback is sourced by the Institute from randomly-identified YES BANKers, to measure the Bank's 'Trust Index' across such parameters, as organizational credibility, respect, fairness, pride and camaraderie. Your Bank also participated in the 2017 study with 100% employees. The Trust index score has consistently gone up from 70 in 2013 to 72 in 2014, and subsequently to 74 in 2015 and 2016. The scores increased across all parameters.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

Your Bank was declared the 2nd Best Place to Work For in the Banking Sector in 2015.

While the detailed report is awaited, as per the preliminary report the Trust Index score has improved to 75 for 2017. Given the increase in headcount in the Bank over the last one year and the sample size this time was the entire employee base, the increase in the score is significant.

Hiring of 100+ management graduates from premier B-Schools in FY 2016-17 through the Y-PEP (YES Professional Entrepreneurship Program), the flagship program for campus recruitment is testimony to the success of the USRM program.

5 C'S EMPLOYEE ENGAGEMENT MODEL

To engage the growing workforce, your Bank follows the 5 C's Engagement Model viz. Culture, Communication, Career, Connect and Care. Your Bank ENGAGES and DEVELOPS Human Capital by disseminating/ re-connecting YES BANKers with YES BANK's core VALUES, by creating an intentional CULTURE,

encouraging open and honest COMMUNICATION, strengthening CONNECT with employees and community, supporting CAREER development and showing their CARE as an organization.

UNIVERSITY & SCHOOLS RELATIONSHIP MANAGEMENT (USRM)

The University & Schools Relationship Management (USRM) program is a structured, sustainable and scalable engagement process, which has created and maintained maximum mindshare for YES BANK, and plays a pivotal role in building YES BANK's brand as a 'Preferred Employer of Choice' among the Best Educational Institutions in India and abroad. Hiring of 100+ management graduates from premier B-Schools in FY 2016-17 through the Y-PEP (YES Professional Entrepreneurship Program), the flagship program for campus recruitment is testimony to the success of the USRM program.

The USRM Team launched the 5th edition of YES BANK Transformation Series, a case study competition themed on 'Innovation to Impact'. It saw participation from over 30,000 students from 700+ reputed Indian and international institutes.

YES SCHOOL OF BANKING (YSB)

YES SCHOOL OF BANKING

Your Bank has always strongly believed that '**Knowledge**' is a key differentiator, and continues to invest in developing its Human Capital for creating differentiated Capacity, Capability, and Culture & Confidence. In line with the same, YES School of Banking was institutionalized in 2007, with a vision to create a Centre of Excellence for learning solutions in Banking and related areas and drive alignment of

Business Goals at every stage of the Organization's growth. All learning & development initiatives at YES BANK are domiciled under the aegis of this dedicated knowledge function.

The key focus areas for YSB are:

1. Massively multiplying Leadership Capability and Capacity
2. Enabling Scale Up of Retail Franchise
3. Business Priorities
 - Design Thinking, Innovation, Creativity led Entrepreneurship (DICE)
 - Productivity

value. The Board of Directors of the Bank has overall responsibility for Risk Management. The Risk Management Architecture of your Bank is overseen by five Board level Committees viz. Risk Monitoring Committee (RMC), Audit Committee (AC), Fraud Monitoring Committee (FMC), Wilful Defaulters & Non-Cooperative Borrowers Committee and Board Credit Committee (BCC) which strives to put in place specific policies, frameworks and systems for effectively managing the various risks.

The day-to-day functioning is managed by the Risk Management Department (RMD). The RMD is headed by the Chief Risk Officer (CRO). The Chief Risk Officer (CRO) is responsible for an effective implementation of an enterprise wide risk management framework and risk culture through various risk policies, processes, thresholds and controls that would enable prompt risk identification, accurate risk measurement and effective risk mitigation. CRO is also responsible for risk compliance and monitoring as well as reviewing and presenting various risk reports, policies and dashboards to RMC and Board.

The Risk Management Department consists of various teams such as Credit Risk Unit, General Legal Counsel and Risk Control Units. Credit Risk Units under the supervision of their respective Credit Risk Heads are responsible for evaluating, rating and underwriting credit. Risk Control Units such as Market Risk, Operational Risk, Enterprise Risk, Information Security, Portfolio Analytics Unit, Credit Risk Control Unit, Credit Mid Office, Credit Intelligence & Analytics and Risk Containment Unit are responsible for independent review, monitoring and reporting of all risk control parameters and taking appropriate corrective actions where necessary. These units under the supervision of Chief Risk Control Officers (CRCOs) are also responsible for ensuring compliance to internal policies and regulatory guidelines.

ENTERPRISE RISK MANAGEMENT

Your Bank has an Enterprise Risk Management Unit (ERM) that is responsible for implementation of ERM framework, Risk Aggregation, Risk based pricing, Pillar II Risk assessment of – Reputational Risk, Compliance

Risk, Concentration risk etc., BASEL II / III compliance, Internal Capital Adequacy Assessment Process (ICAAP) review, migration to advanced approaches for capital charge computation and Bank wide Stress testing. Your Bank has further constituted two Committees - Enterprise Risk and Capital Management Committee (ERCC) and Reputation Risk Management Committee (RRMC). ERCC is responsible for overseeing Enterprise Risk Management, Capital Management, and ensuring that all material risks are identified, measured, monitored and controlled in accordance with Bank's Risk Appetite, as well as, within Regulatory guidelines. The RRMC oversees Reputation Risk Profile, designs proactive steps for enhancement of Reputation of the Bank and management of Reputation Risk events for the Bank.

Your Bank has successfully migrated to BASEL-II capital adequacy norms since March 31, 2009. Under this, it has adopted the 'Standardized Approach' for measurement of Credit Risk, 'Basic Indicator Approach' for Operational Risk and 'The Standardized Duration Approach' for Market Risk. Your Bank has also implemented the Basel-III norms, and has laid down a roadmap for migration to advanced approaches for capital charge computation, across Credit Risk, Market Risk and Operational Risk. Your Bank has also formulated an overarching ERM Policy, an extensive policy on ICAAP, commensurate with the Bank's size, level of complexity, risk profile and scope of operations. Your Bank has thus evolved a robust enterprise-wide risk management framework which is geared to support the business plans of the Bank.

CREDIT RISK

Your Bank's Credit Risk management is governed by a comprehensive and well-defined Board approved Credit Policy. It encompasses credit approval processes for all business segments, along with the guidelines for monitoring and mitigating the risks associated with them. All corporate credit proposals are approved either through a Committee approach or through Joint Delegation, depending on rating and exposure thresholds outlined in the Credit Policy. Your Bank currently has three committees for approving credits, viz. Board Credit Committee (BCC), Management

Credit Committee (MCC) and Executive Credit committee (ECC). Of these, the BCC is a Board level sub-committee, while MCC and ECC comprise Top and Senior management personnel. Joint Delegation involves two or three approvers jointly approving the proposal, which primarily addresses large volume of small ticket proposals. While exercising their sanctioning powers, these designated committees/functionaries exercise the highest level of due diligence, and ensure adherence to the Bank's Credit policy and other regulatory guidelines.

The appraisal process encompasses a detailed risk assessment and rating of obligors, using your Bank's rating models. These models have been developed in conjunction with a reputed external credit rating agency, and cover all corporate business segments of your Bank. The ratings of customers are assessed based on their financial performance, industry characteristics, business positioning, project risks, operating performance and other non-financial parameters, such as quality of management and conduct of account. Your Bank additionally has in place, scorecards for specific schematic programs, in case of Retail and SME borrowers.

This function works in close coordination with various business segments to periodically review the individual borrower relationships, identify early warning signals and assess the overall health of borrowers. Your Bank has taken proactive measures to ensure that delinquencies are maintained at a minimum level, through robust post-sanction monitoring processes. There is a dedicated team, which works towards ensuring compliance to the sanctioned terms and conditions, through an internal tracking system. There is also an independent 'Portfolio Analytics Unit', which is responsible for monitoring the entire credit portfolio across all segments, including monitoring of early warning signals, identifying portfolio trends, and generating portfolio level MIS, covering various credit quality indicators. Further, 'Credit Risk Control Unit' is responsible for independently reviewing your Bank's credit policies and programs, including rating models for corporates and scorecards for retail / program based lending. The unit is also responsible

for migration to Internal Ratings Based (IRB) approach and Ind AS for Credit Risk. Your Bank also has an active legal department that helps in assessing and managing material legal risks. The department has developed a comprehensive set of standard documents for various types of credit products and is responsible for ensuring legal compliance of applicable laws and ensuring that the documentation entered into by the Bank is legally valid and enforceable.

MARKET RISK

Your Bank's Market Risk management is governed by comprehensive Board approved policies such as Market Risk Policy, ALM Policy, Liquidity Policy, Investment Policy, Hedging Policy, Stress Testing Policy, Derivative Policy and a Derivative Appropriateness Policy to ensure that risks underwritten across business activities are within the stipulated risk appetite of the Bank, and also to ensure that similar risks are aggregated. These policies have been benchmarked with industry-best practices and RBI regulations.

Your Bank has an integrated, straight-through processing and state-of-the-art treasury system for enabling better risk management. Your Bank measures liquidity, currency, and interest rate risks through various metrics, viz. Liquidity Gap Analysis, Dynamic Cash Flow Analysis, Intraday Liquidity Monitoring, Liquidity Coverage Ratio, along with other Liquidity Ratios, Value at Risk (VaR), Earnings at Risk (EaR) and Market Value of Equity, Sensitivity Analysis, among others using robust internal risk models. Your Bank regularly conducts stress testing to monitor the Bank's vulnerability towards extreme, but plausible unfavourable shocks. Your Bank monitors and controls its risk, using various internal and regulatory risk limits for trading book and banking book, which are set according to a number of criteria, including economic scenario, business strategy, management experience, peer analysis and the Bank's risk appetite. The risk reporting mechanism in the Bank comprises disclosures, and reporting to the various management committees, viz. Investment Committee, Asset Liability Committee, among others.

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

OPERATIONAL RISK

Your Bank, in accordance with the regulatory guidelines, has implemented a comprehensive operational risk management policy and put in place a framework to identify, assess and monitor risks, strengthen controls, improve customer service, and minimize operating losses. Your Bank has constituted the Operational Risk Management Committee (ORMC), which is the primary driver for implementing the best industry practices in Operational Risk Management. Your Bank has further implemented a comprehensive Business Continuity Management (BCM) Policy, to safeguard the interests of the employees and customers, in the event of a disaster or significant disruption that may affect its operations and premises. The plan is designed to facilitate the safety and well being of employees, and continuity of the critical business processes in the event of various disaster scenarios.

Your Bank has also put in place a Product and Process Approval Committee (PPAC), which covers the approval and risk evaluation process, of all the new products/modifications to existing processes. Additionally, your Bank has also constituted Outsourcing Management Committee (OMC) to ensure effective due diligence and monitoring of your bank's outsourced activities on continuous basis.

CLIMATE RISK

Environmental events have the potential to affect the efficiency and effectiveness of markets, financial institutions and the economy at large. Today's risk environment is increasingly seeing impacts that were previously considered by financial institutions to be externalities becoming, more material. Thus, Your Bank has classified climate related risks as Transition Risks and Physical Risks.

Your Bank has identified transition risks as risks which arise from efforts to address environmental change, including but not limited to regulatory changes in policies, technological changes or shifts in investor sentiment and consumer behavior. Further, with rising awareness on Environment and Social (E&S) issues globally, countries have established robust E&S regulations that specify requirements for operating

licenses, occupational health and safety standards, and emission/discharge limits. Stricter environmental regulations may affect some projects funded by the Bank, which in turn may affect repayment capability of the client and could also pose a reputational risk. Non-compliance to these standards may directly impact the financial and operational viability of companies, which also translates into risks for Banks. Your Bank through its Environmental & Social Policy (ESP) integrates Environmental & Social (E&S) risks assessment into its overall credit approval framework. The Bank has a dedicated E&S Risk team, which undertakes preliminary environmental & social due-diligence of the projects funded by the Bank. This helps ensure that all activities are environmentally and socially viable and compliant to the regulatory environmental and social standards as applicable or likely to be in force in the future

Further, physical risks are risks which arise from the impact of climatic (i.e. extremes of weather) or geologic (i.e. seismic) events. Extreme weather or geologic events, due to climate change increases the risk to the Bank's physical assets and poses a risk of service disruption. Your Bank is ISO 22301 certified, an International Business Continuity Standard, to manage its business continuity and has a robust Business Continuity Plan to manage any potential service disruptions

For more information on the Bank's positive impact climate finance, please refer to pages 62-65.

INTERNAL AUDIT

Your Bank's Internal Audit department performs independent and objective assessment to monitor adequacy, effectiveness and adherence to the internal controls, processes and procedures instituted by the management and extant regulations.

This function supports your Bank's role in safeguarding its assets. The function has adopted a Risk-based approach of Internal Audit (RBIA). The primary focus of the audit is on key risk areas, which are of substantial importance to the Bank. The RBIA approach has been thoughtfully structured taking into account the RBI

guidelines and internationally established practices. The Internal Audit department reports to the Managing Director & CEO for day-to-day activities and to the Audit Committee for Audit Planning & Reporting. Additionally, your Bank also subjects its operations to Concurrent Audit by reputed audit firms to complement its Internal Audit function. The Concurrent Audit covers core activities such as the Credit Portfolio, Financial Markets, Operations, and Branches. All audit reports are circulated to the relevant management teams and the Audit and Compliance Committee of the Board.

Your Bank's Internal Audit department is ISO 9001:2008 certified (Quality Management System).

strategic goals of transparency and trust, among all its stakeholders. Your Bank has a dedicated Compliance Department for ensuring regulatory compliance, across all its businesses and operations. The key functions of this department includes, dissemination of key regulatory updates affecting the various businesses of your Bank, review of new products and processes from a regulatory compliance perspective, provide guidance on compliance-related matters, impart training to employees on compliance aspects, among others. Your Bank has also put in place a 'Know Your Customer' and 'Anti-Money Laundering Policy', approved by the Board of Directors, and transaction monitoring procedures, as per the RBI guidelines.

UPDATE ON IND AS IMPLEMENTATION:

The Institute of Chartered Accountants of India has issued Ind AS (a revised set of accounting standards) which largely converges the Indian accounting standards with International Financial Reporting Standards (IFRS). The Ministry of Corporate Affairs

(MCA) has notified these accounting standards (Ind AS) for adoption. For banking companies, the implementation of Ind AS will begin from April 1, 2018 onwards, with comparatives for the year beginning April 1, 2017. The Ind AS quarterly financials of FY 2017-18 will need to be published as YoY comparison from June 2018 onwards.

As per RBI directions, your Bank has taken following steps so far:

- Submitted Proforma Ind AS financial statements to the RBI for the half-year ended September 30, 2016, as required.
- Yes Bank has formed Steering Committee for Ind AS implementation. The Steering Committee comprises Chief Financial Officer (CFO) (Chairman), Chief Risk Officer (CRO), Chief Operating Officer (COO), Chief Information Officer (CIO) and members of the Senior Management from Financial Management, Risk Control and Treasury Operations. The Committee oversees the progress of Ind AS implementation in the

Bank, and provides guidance on critical aspects of the implementation such as Ind AS technical requirements, systems and processes, business impact, people and project management. The Committee closely reviews progress of the implementation.

Your Bank will continue to liaise with RBI and industry bodies on various aspects pertaining to Ind AS implementation.

SWOT ANALYSIS

STRENGTHS

Your Bank has displayed strong financial performance each year across the macroeconomic cycles while withstanding domestic and global adversities. This is given the Bank's focus on Knowledge Banking, superior Human Capital and its commitment to provide outstanding service and delivery experience to its customers.

Total Assets and Net Profit have increased with a healthy CAGR of 21.4% and 26.5% respectively showcasing strong growth and consistency. Going forward, your Bank is committed to replicate the success of the corporate business into Retail businesses as well.

In spite of such higher than market growth and macroeconomic challenges which the banking industry has been impacted by, your bank has been able to maintain a healthy Asset Quality consistently over the past many years. It is reflective of the bank's robust Risk Management approach and well defined controls, checks and processes that your bank has developed since inception, hereby protecting Shareholder's interest. Your Bank had delivered RoA (annualized) at or above 1.5% and RoE (annualized) around 20%, over last eight years.

Low Liquidity which was once a weakness for your Bank is now a key Strength as CASA Ratio has grown with CAGR of 42.2% to 36.3% as on March 31, 2017. This is a result of increase in national presence and investment in Technology resulting in development of new Digital Channels, well established brand, expanding franchise and technology innovations.

Your Bank has demonstrated time and again its ability to raise Capital. During the FY 2016-17 your bank successfully raised ₹ 30.0 Billion Additional Tier (AT) 1 capital and QIP issue of USD 750 millions, which was the largest Private Sector Issue in INR terms, demonstrating its ability to raise capital across various macroeconomic cycles.

Your Bank is also committed to provide outstanding service delivery and quality experience to its customers through our new age technology platforms and continuously evolving digital channels. These alternative digital channels increase efficiency, improve service, enhance customer experience as well as reducing operative costs in the long run. Your bank has been the First to create UPI compliant Mobile integrations for merchants and also to launch First wallet on BOT. Your Bank was the 1st to implement API Banking in 2015, and is now partnering with corporates and startups to offer 'Banking-as-a-Service' and allow the customers to build their own solutions using Your Bank's expertise. Your Bank's endeavor is to become one of the technology and digital pioneers of the industry.

Last but not the least, your Bank's performance is attributable to the finest human capital and talented management cadre. Your Bank has always emphasized on 'Knowledge' as a key differentiator and over the years has developed finest human and intellectual capital by equipping executives with skills and knowledge through initiatives viz. Yes School of Banking. Your Bank has a total of 20,125 employees as on March 31, 2017 with an average age of 31 years. The average vintage for Top Management is 6 years, while for Senior Management is 7 years showcasing the longevity and commitment of its exceptional management cadre.

WEAKNESS

In spite of demonstrating consistent growth over the years, your bank is still a relatively small player in the Indian Banking industry with market share of 1.7% in Advances and 1.3% in Deposits. However, the market share as well as mind share is increasing rapidly on account of strategic investments made by your bank in Technology, Human Capital and Infrastructure. The

MANAGEMENT DISCUSSION AND ANALYSIS (CONTD.)

bank's success is attributable to its differentiated Knowledge Banking and customer first approach.

A high share of your bank's Advances book comes from Corporate clientele which represents the over dependence on the slowly growing corporate sector. However, the Retail & SME Advances book is gaining the share with manifold times on account of increase in national presence. With launch of exhaustive range of Credit Cards, your bank now offers a complete suite of retail products.

Your Bank has less number of branches when compared to its peers, it being a younger bank. However, the national footprint is increasing considerably with total number of branches at 1000 across key liability corridors as on Mar 31, 2017. Superior technology coupled with new digital platforms will also help your bank continue with its expansion strategy. Your bank's branch network also has a targeted focus on Rural and Inclusive Banking strategy.

Being a relatively new player, the Brand awareness of your bank is lower than its peers. However the same is increasing among retail customers at a considerable pace through appropriate media campaigns, expanding its branch network and ATM base, and thereby augmenting its customer base at a rapid pace. The increase in Brand awareness is demonstrated by the fact that your bank is highest followed bank on Twitter and Instagram and Second highest followed bank on Facebook.

Your bank has minimal International presence which has limited the Bank's ability to raise low- cost foreign currency funding, and pursue international trade finance opportunities. However, the International Banking Unit at GIFT city, Gujarat which commenced operations in October, 2015 has achieved Balance Sheet size of more than USD 1 billion and is the first Bank to achieve this key milestone. This has significantly enhanced your Bank's International Banking product offerings for corporate clientele hereby enabling long-term Foreign Currency Fund raising at competitive rates.

OPPORTUNITIES

The Indian economy has been steadily consolidating over the last few years. The combination of a healthy growth-inflation balance coupled with reducing twin deficits has provided a solid framework for executing structural reforms. Policy focus on micro, macro, institutional, administrative, and behavioral reforms is evolving towards an environment for enhancing ease of doing business. In the near to medium term, domestic demand is expected to improve with support from implementation of 7th Pay Commission and IMD's forecast of a normal monsoon outturn in 2017. External demand has also started to pickup with improvement in growth conditions across the world, especially in advanced economies. Meanwhile, investment activity, which has remained subdued so far, could now start witnessing revival with lagged impact of past monetary easing and budgetary support for public capex. Moreover, investments are also expected to start benefitting from the implementation of Insolvency and Bankruptcy Code and GST. The withdrawal of legal tender character of high denomination bank notes by the RBI in 2016 is expected to gradually start diverting informal economic activities to the formal net, thereby benefitting government revenue collection and financial savings. Less dependence on currency for economic transactions will also lower operational costs for the financial sector and boost economic efficiency in the longer run.

Further, India has leapfrogged into the era of innovation in banking by adopting the latest in technology. Demonetization has pushed India towards a cashless society, and hence innovation and disruptions are key to meet fast-changing demands from customers. As the mobile-first strategy was adopted widely, we are seeing digital technologies evolving at an unprecedented rate. To keep pace, this year will see evolution of services on a gamut of connected devices and wearables. Apps, while still widely used, are not the only channel for customer interaction. Today your bank has chat bots on mobile phones that can engage with customers in a more interactive manner. Digital is disrupting value chains and compelling to rethink everything. From automated robot advisers to a global digital ledger, the financial landscape is transforming

before our eyes. Disruptive technologies such as Big Data, Blockchain, Artificial Intelligence (AI), IoT are changing the face of business.

Given the improving macroeconomic situation locally as well as globally provides a great opportunity for our existing and well established corporate businesses to improve further at a rapid pace. Demonetization and the focus on digital has also created some good opportunities for our retail business franchise to flourish. Your bank has thrived during periods of disruptions since inception and its endeavor is to continue to do so.

THREATS

Private investment currently remains tepid amid excess capacities, stressed balance sheets and excessive leverage especially in infrastructure companies, thereby

resulting in stressed assets in the banking sector. Despite government's efforts at faster clearances of projects, non conducive market conditions and lack of promoter interest are holding back a sustained recovery in investment demand. With evidence of populism across some of the key developed economies, the threat of trade protectionism has risen considerably in the last few months. This could provide considerable uncertainty for both merchandise and services exports from India. Meanwhile, rupee has been one of the outperformers among emerging market currencies with 2017 YTD appreciation of 5.5% against the dollar - further strength could potentially result in some loss of competitiveness in global export market.

Your Bank continued its leadership in Green Infrastructure Bonds and raised ₹ 3,300 millions (approx. USD 50 millions equivalent) through an issue of a 7-year Green Infrastructure Bonds to **FMO, the Dutch Development Bank, on a private placement basis**. FMO invested in your Bank's bonds through FMO's own sustainable bonds. This was FMO's 1st investment in a Green Bonds in India. This was the third such green bond issuance by your Bank after the highly successful maiden issuance of ₹ 10,000 millions (USD 160 millions equivalent) in February 2015 followed by ₹ 3,150 millions (USD 50 millions equivalent) private placement to International Finance Corporation ('IFC'), Washington in August 2015.

Your Bank also successfully raised ₹ 21,350 millions of Senior Long-term Infrastructure Bonds. The issue was rated **ICRA AA+** by ICRA and **CARE AA+** by CARE.

Your Bank signed an MoU for a USD 50 millions loan from IFC, Washington, to be used exclusively to lend to women-owned businesses. This project is part of the Women Entrepreneurs Opportunity Facility ('WEOF'), the first-of-its-kind global facility dedicated to expanding access to capital for approximately 100,000 women entrepreneurs.

Your Bank was the first bank in India to commence the operations at International Financial Services Centre ('IFSC') at GIFT City, Gujarat ('IBU'). Setting up of an IFSC in India has been the vision of Hon'ble Prime Minister of India, as this would be a major game changer for the financial services sector in India. In FY 2016-17, your Bank's IFSC gained significant momentum as a

specialized knowledge sectors focussed IBU of YES BANK and has reached the milestone of USD 1 billion balance sheet size as on March 31, 2017. A banking unit at GIFT IFSC (IBU) is equivalent to a foreign branch and is a significant development in overall augmentation of your Bank's business model whereby your Bank will be in a position to provide comprehensive solutions for its client's foreign currency banking requirements. The opening of an IBU has boosted YES BANK's Cross Border Trade offerings, External Commercial Borrowings, Foreign Currency loans/syndications and offshore M&A funding business among others. With the

Govt. of India announcing various incentives, to propel the growth of IFSC, this will provide further impetus to your Bank's operations in GIFT City.

Further information on the Business overview and outlook and State of the affairs of your Bank is discussed in detail in the Management Discussion & Analysis section.

There is no change in the nature of business of your Bank for the year under review.

SUBSIDIARY COMPANY

As on March 31, 2017, your Bank has one Subsidiary, YES Securities (India) Limited ('YSIL').

PERFORMANCE AND FINANCIAL POSITION OF YSIL

YSIL successfully completed its fourth full financial year of operations in March 31, 2017.

During FY 2016-17, YSIL earned a total revenue of ₹ 637.90 millions against ₹ 244.51 millions in the previous year. YSIL earned a profit of ₹ 97.89 millions in FY 2016-17.

YSIL has two business segments namely Retail Broking and Investment Banking & Merchant Banking, which are explained as under:

RETAIL BROKING:

In keeping with the Bank's customer-centric approach to developing product and service solutions, YSIL's Retail Broking business offers the Bank's growing base of retail and wealth category customers a strong 3-in-1 account proposition, a comprehensive portfolio of investment products and a robust online, mobile and call-n-trade execution platform. YSIL customers benefit from the convenience of a streamlined banking and investment experience that links a Current/ Savings Account and a Demat account from your Bank, and a Trading account from YSIL.

During the FY 2016-17, YSIL's Retail Broking business further sharpened its long term strategy of building a formidable wealth-focused franchise in line with the broader wealth management strategy of the Bank. To

enhance client stickiness and deepen relationships, YSIL made enhancements to its product and service proposition such as launch of Equity SIP, online subscription to IPOs, deployment of a dedicated HNI dealing desk and introduction of value-linked brokerage plans. YSIL's average monthly retail trading volume grew by 130% to ₹ 4,440 millions in FY 2016-17. Retail Broking revenue increased to ₹ 45.65 millions translating to a year-on-year growth of 118%.

Additionally, YSIL proactively assisted its clients to invest in new products like Government of India's Sovereign Gold Bonds and the CPSE ETF. During the year, YSIL's Retail Research desk was acknowledged by Zee Business with India's Best Market Analyst Award in the Initial Public Offerings ('IPO') category.

INVESTMENT BANKING & MERCHANT BANKING

The Investment Banking team provides M&A and Capital Advisory services to large and mid-market corporate and financial sponsor clients through key products such as Mergers & Acquisition advisory and Private Equity fund-raising.

The Merchant Banking team provides Capital Market products such as Initial Public Offerings (IPO), Qualified Institutions Placements (QIP), Public Debt Offerings, Rights Issues and other structured offerings to leading Indian companies at each stage of the capital life-cycle.

YSIL's highly-experienced teams offer expertise across a variety of sectors including Food & Agri business, Media & Entertainment, Internet & E-Commerce, Consumer Markets, Infrastructure & EPC, BFSI, Industrials and Logistics to corporate clients. YSIL's Investment and Merchant Banking businesses closed 22 transactions in FY 2016-17. Some of the representative transactions consummated by the team during the year under review include:

PERFORMANCE EVALUATION OF THE BOARD

In terms of the provisions of the Companies Act, 2013 and Listing Regulations, your Bank has laid down criteria for performance evaluation of Directors, Chairperson, MD & CEO, Board Level Committees and Board as a whole and also the evaluation process for the same. The Bank has further aligned its Board Evaluation Framework in line with the Guidance Note on the Board Evaluation issued by SEBI vide circular dated January 05, 2017.

The performance of the members of the Board, the Board level committees and Board as a whole were evaluated at the meeting of the Committee of the Independent Directors, the Board of Directors and respective Committees held on April 18 & 19, 2017. Additional information on the performance evaluation of the Board forms part of the Report on Corporate Governance.

CORPORATE GOVERNANCE

Corporate governance is an ethically driven business process that is committed to values aimed at enhancing an organization's brand and reputation. This is ensured by taking ethical business decisions and conducting business with a firm commitment to values, while meeting stakeholders' expectations. Your Board functions as trustees of the shareholders and seeks to ensure that the long-term economic value for its shareholders is achieved while balancing the interest of all the stakeholders. Your Bank is committed to achieve the highest standards of Corporate Governance and also adheres to the Corporate Governance requirements set by the Regulators/applicable laws. Accordingly, your Bank has adopted a Code of Corporate Governance which will act as a guide to the Bank and the Board on the best practices in the Corporate Governance.

A separate section on Corporate Governance standards followed by your Bank and the relevant disclosures, as stipulated under Listing Regulations, Companies Act, 2013 and rules made thereunder forms part of the Annual Report.

A Certificate from M/s. BNP & Associates, Practicing Company Secretaries, conforming compliance to the conditions of Corporate Governance as stipulated under Listing Regulations, is annexed to the Report on Corporate Governance, which forms part of the Annual Report.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis Report for the year under review as stipulated in Listing Regulations is presented in a separate section forming part of the Annual Report.

VIGIL MECHANISM

In line with the provisions of Listing Regulations, the Companies Act, 2013 and the principles of good governance, the Bank has devised and implemented a vigil mechanism, in the form of "Whistle Blower Policy". The policy devised is also aligned to the recommendations of Protected Disclosure Scheme for Private Sector and Foreign Banks, instituted by Reserve Bank of India. Detailed information on the Vigil Mechanism of the Bank is provided in the Report on the Corporate Governance which forms part of the Annual Report.

RISK MANAGEMENT FRAMEWORK

☐ The Risk Architecture of the Bank is based on Three Lines of Defence principle as given below:

- ☐ **First Line of Defence** - Business Management: Each business segment of the Bank has risk ownership and is responsible for assessment and management of risks and has the overall responsibility of the management and mitigation of the Risk. The segments are required to implement appropriate procedures to fulfil their risk governance responsibilities.

- **Second Line of Defence** – Independent Control functions: The Bank's independent control functions, such as, Compliance, Risk Management, Fraud Containment Unit, Legal, etc. set standards for management and oversight of risks, including compliance with applicable laws, regulatory requirements and policies.
- Risk Management: Risk Management establishes policies and guidelines for risk assessment and risk management and contributes to controls and tools to manage, measure and mitigate risks faced by the Bank.
- Compliance: The Compliance vertical manages adherence to applicable laws and regulatory guidelines.
- Legal: The Legal Risk Management (LRM) division of the Bank undertakes various activities including advising business and operational management, acting as an independent control function while facilitating business, ensuring legal compliance, assisting the Board and Committees of the Board regarding analysis of laws and regulations, regulatory matters, disclosure matters, and potential risks and exposures on key litigation and transactional matters.
- Finance: The Finance vertical provides key data and consultation to facilitate sound decisions in support of the objectives of the Bank and the business verticals. Finance serves as an independent control function advising business management and establishing policies or processes to manage risk. It has overall responsibility for managing the Bank's balance sheet and the Bank's liquidity and interest rate risk.
- FCU: The Fraud Containment Unit is an integral part of the bank's Audit & Management Governance function and is primarily responsible for prevention of frauds in the areas of Retail Liabilities, Support functions and all other businesses. The unit is responsible for transaction monitoring, alert generation, forensic scrutiny of newly opened accounts, mystery shopping, creating employee awareness, instituting a formal reward and recognition platform for fraud identification, training, and conducting periodic Fraud Vulnerability Assessments of various products and processes. Fraud Risk Management for the assets business is carried out by a separate Risk Containment Unit under the Chief Risk Officer.
- **Third Line of Defence** – Internal Audit: The Bank's Internal Audit function independently reviews activities of the first two lines of defence based on a risk-based audit plan and methodology approved by the Audit Committee of the Board. Internal Audit provides independent assurance to the Board, the Audit Committee of the Board, senior management and regulators regarding the effectiveness of the Bank's governance and controls designed for risk mitigation and to enhance the Bank's compliance and control.
- The Board of Directors of the Bank has overall responsibility for Risk Management. The Board oversees the Bank's Risk and related control environment, reviews and approves the policies designed as part of overseeing the Risk Management practices. The Board ensures that comprehensive policies, systems and controls are in place to identify, monitor and manage material risks at a Bank-wide level, with clearly defined risk limits. The Board has laid down a Risk Appetite framework which articulates the quantum of risk the Bank is willing and able to

DIRECTORS' REPORT (CONTD.)

assume in its exposures and business activities in pursuit of its strategic objectives and desired returns. The Board has also established policies governing risk management, such as, Enterprise Risk Management Policy, Reputation Risk Policy, Credit Policy, ALM Policy, etc. In order to maintain oversight on risk management, the Board approves the annual Internal Capital Adequacy Assessment Process (ICAAP) and reviews the Bank's Stress Testing framework and the periodic stress testing results.

- The Board has put in place five Board level committees which inter alia pertain to Risk Management, viz. Risk Monitoring Committee (RMC), Audit Committee (AC), Fraud Monitoring Committee (FMC), Board Committee on willful Defaulters & Non-Cooperative Borrowers (BCWD & NCB) and Board Credit Committee (BCC) to deal with risk management practices, policies, procedures and to have adequate oversight on the risks faced by the Bank.
- The Board Committees have set up various management committees for oversight over specific risks.
 - Enterprise Risk Management & Capital Management Committee
 - Management Credit Committee
 - Executive Credit Committee
 - Asset & Liability Management Committee
 - Investment & Financial Market Management Committee
 - Operational Risk Management Committee
 - Outsourcing Management Committee
 - Security Council
 - Product Process Approval Committee
 - Fraud & Suspicious Transaction Monitoring Committee
 - Reputation Risk Management Committee
 - Standing Committee on Customer Service
 - IT Steering Committee
 - Steering Committee for IFRS (Ind AS)
 - Whistle Blower Committee
 - Model Assessment Committee
- Risk events, potential threats, performance of the Bank vis-à-vis Risk Limits and Risk Appetite, Risk Profile dashboard covering key risk indicators, etc. are presented to these Committees, with QoQ/YoY trends highlighted, with level and direction of risk. The Chief Risk Officer ('CRO') is responsible for the overall Risk Governance and Supervision, on a day to day basis. CRO ensures an effective implementation of an enterprise wide risk management framework and risk culture through various risk policies, processes, thresholds, controls and continuous training and awareness programmes that enable prompt risk identification, accurate risk measurement and effective risk mitigation. CRO also ensures risk compliance and monitoring as well as reviewing and presenting information to the RMC and the Board.
- The Risk Management Department under the CRO is delegated with responsibilities of managing the risk - including risk assessment, measurement, control and reporting - by the Risk Monitoring Committee of the Board. The Risk Management Department consists of various teams such as Credit Risk Unit, General Legal Counsel and Risk Control Units. Credit Risk Unit is responsible for evaluating, rating and underwriting credit under respective Credit Risk Heads. Risk Control Units such as Market Risk, Operational Risk, Enterprise Risk, Information Security, Portfolio Analytics Unit,

Credit Risk Control Unit, Credit Mid Office, Credit Intelligence & Analytics and Risk Containment Unit are responsible for independent review, monitoring and reporting of all risk control parameters and take appropriate corrective actions where necessary. These units under the supervision of Chief Risk Control Officer are also responsible for ensuring compliance to internal policies and regulatory guidelines.

LOANS, GUARANTEES OR INVESTMENTS IN SECURITIES

Pursuant to Section 186(11) of the Companies Act, 2013, loans made, guarantees given or securities provided or acquisition of securities by a Banking company in the ordinary course of its business are exempted from disclosure requirements under Section 134(3)(g) of the Companies Act, 2013.

CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

All related party transactions that were entered during the financial year were in the ordinary course of the business of the Bank and were on arm's length basis. There were no materially significant related party transactions entered by the Bank with Promoters, Directors, Key Managerial Personnel or other persons which may have a potential conflict with the interest of the Bank.

All Related Party Transactions are placed before the Audit Committee for approval. Prior omnibus approval for normal banking transactions is also obtained from the Audit Committee for the related party transactions which are of repetitive nature as well as for the normal banking transactions which cannot be foreseen and accordingly the required disclosures are made to the Committee on quarterly basis in terms of the approval of the Committee.

The policy on materiality of Related Party Transactions and also on dealing with Related Party Transactions as approved by the Audit Committee and the Board of Directors is uploaded on the website of the Bank and the link for the same is <https://www.yesbank.in/about-us/corporate-governance>.

Since all related party transactions entered into by the Bank were in the ordinary course of business and were on an arm's length basis, form AOC-2 is not applicable to the Bank.

CONSOLIDATED FINANCIAL STATEMENTS

Pursuant to sub-section (3) of Section 129 of the Companies Act, 2013, the Bank has prepared a consolidated financial statement of the Bank and also of its Subsidiary, YES Securities (India) Limited, in the same form and manner as that of the Bank which shall be laid before the ensuing 13th Annual General Meeting of the Bank along with the Bank's Financial Statement under sub-section (2) of Section 129 i.e. Standalone Financial Statement of the Bank.

Further, pursuant to the provisions of Accounting Standard ('AS') 21, Consolidated Financial Statements notified under Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 issued by the Ministry of Corporate Affairs, the Consolidated Financial Statements of the Bank along with its subsidiary for the year ended March 31, 2017 forms part of the Annual Report.

INTERNAL FINANCIAL CONTROLS SYSTEMS AND THEIR ADEQUACY

Your Bank has implemented adequate procedures and internal controls which provide reasonable assurance regarding reliability of financial reporting and preparation of financial statements. The Bank also ensures that internal controls are operating effectively.

AUDITORS (A) STATUTORY AUDITORS

The Members of the Bank at the 12th Annual General Meeting held on June 07, 2016, have approved the appointment of M/s. B S R & Co. LLP, Chartered Accountants as Statutory Auditors of the Bank for a period of 4 years, subject to the approval of the Reserve Bank of India, to hold office from the conclusion of the 12th AGM till the conclusion of 16th AGM of the Bank to be held in 2020, subject to ratification of the appointment by the Members at every AGM. Accordingly,

DIRECTORS' REPORT (CONTD.)

appointment of M/s. B S R & Co. LLP, Chartered Accountants, as a Statutory Auditors of the Bank is required to be ratified by the Members at 13th AGM, subject to the approval of the Reserve Bank of India. The Bank has received the consent from the Auditors and confirmation to the effect that they are not disqualified to be appointed as the Auditors of the Bank in terms of the provisions of the Companies Act, 2013 and rules made thereunder. Accordingly, the Board of Directors has recommended the ratification of appointment of M/s. B S R & Co. LLP, Chartered Accountants, as the Statutory Auditors of the Bank, to hold office from the conclusion of the ensuing AGM till the conclusion of the 14th AGM on remuneration to be decided by the Board or Committee thereof, to the Members for approval.

(B) SECRETARIAL AUDITORS AND SECRETARIAL AUDIT REPORT

Pursuant to Section 204 of the Companies Act, 2013, your Bank had appointed M/s. Mehta & Mehta, Practicing Company Secretaries, Mumbai as its Secretarial Auditors to conduct the secretarial audit of the Bank for the FY 2016-17. The Bank provided all assistance and facilities to the Secretarial Auditors for conducting their audit. The Report of Secretarial Auditors for the FY 2016-17 is annexed to this report as **Annexure 2**.

SECRETARIAL AUDITORS' OBSERVATIONS IN SECRETARIAL AUDIT REPORT AND DIRECTORS' EXPLANATION THERETO:

1. In respect of appointment of woman Director as required under Rule 3 of the Companies (Appointment and Qualification of Directors) Rule, 2014 and Regulation 17(1)(a) of Listing Regulations. (Similar observation has been made in the Certificate on Compliance with Conditions of Corporate Governance issued by M/s. BNP & Associates, Company Secretaries).

Ms. Radha Singh, who was on the Board of the Bank for last 8 years, retired from the Board of the Bank at the close of business on October 29, 2016. In fact, she

had been the Chairperson of the Bank from October 30, 2014 till October 29, 2016. The Bank has always recognized the importance of appointing directors with diverse educational background, functional expertise, experiences and skill set, to ensure optimum Board Diversity, including gender diversity, in fullest conformity with the stipulated regulations. The Bank is in the process of identifying a suitable woman candidate in her place. Being a banking company, the proposed director is required to satisfy the prescriptions contained in the Banking Regulation Act, 1949; the "fit and proper" criteria prescribed by Reserve Bank of India and the internal policies of Bank on 'Board Diversity, Fit & Proper Criteria and Succession Planning'. In view of the above, the process has taken slightly more time than expected. Nevertheless, the Board and the Nomination and Remuneration Committee of the Board is in the process of appointing a woman director at the earliest.

2. In respect of compliance with the requirements of Regulation 29(1) (d) of Listing Regulations in respect of the Board Meeting held on April 27, 2016.

The Board approval for capital raising upto USD 1 billion, *inter alia*, by way of QIP was first obtained at the Board meeting held on April 22, 2015 in line with the extant Regulations (subject to final approval of the Shareholders), subsequently approved by the shareholders' at the AGM held on June 06, 2015 which was in the public domain, when the Board of the Bank met on April 27, 2016. Hence, there was no intention on the part of the Bank to deviate from the Listing Regulations since the resolution passed by the Board of Directors at their meeting held on April 27, 2016 was essentially a continuation/reiteration of the existing Board and Shareholders' approvals obtained in 2015 for raising of capital for the Bank, *inter alia*, by way of QIP. However, the Bank has made required intimation to Stock Exchanges in October 2016 before the Board considered the proposal for reiteration and re-endorsement of the resolution passed by the Board of Directors at its meeting held on April 27, 2016 and as approved by the Shareholders at the 12th Annual

General Meeting held on June 07, 2016 for capital raising by way of QIP and other permitted mode.

BUSINESS RESPONSIBILITY REPORT

As stipulated in Listing Regulations, the Business Responsibility Report describing the initiatives taken by the Bank from environmental, social and governance perspective is attached as part of the Annual Report.

MATERIAL CHANGES AND COMMITMENT AFFECTING FINANCIAL POSITION OF THE BANK

There are no material changes and commitments, affecting the financial position of the Bank which has occurred between the end of the financial year of the Bank i.e. March 31, 2017 and the date of the Directors' report i.e. April 19, 2017.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY REGULATORS

During the year under review, no significant and material orders were passed by the regulators or courts or tribunals impacting the going concern status and Bank's operation in future.

REMUNERATION POLICY

The Board of Directors of the Bank had formulated and adopted policies for Remuneration of Employees of the Bank, Remuneration of Directors including the Chairperson of the Bank. The details of the same have been included in the Report on Corporate Governance, which is forming part of the Annual Report.

EMPLOYEE REMUNERATION:

- (a) The statement containing particulars of employees as required under Section 197(12) of the Companies

Act, 2013 read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 forms part of this report. In terms of Section 136 of the Companies Act, 2013, the same is open for inspection during working hours at the Registered Office of your Bank. A copy of this statement may be obtained by the members by writing to the Company Secretary of your Bank.

- (b) The ratio of the remuneration of each Director to the median remuneration of the employees of the Bank and other details in terms of Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, are forming part of this report as **Annexure 3**.

EXTRACTS OF ANNUAL RETURN

Pursuant to sub-section 3(a) of Section 134 and sub-section (3) of Section 92 of the Companies Act, 2013 read with Rule 12 of the Companies (Management and Administration) Rules, 2014, the extracts of the Annual Return as at March 31, 2017, forms part of this report as **Annexure 4**.

DISCLOSURES UNDER GREEN INFRA BONDS

Green infrastructure bonds have emerged as a mainstream financing mechanism for providing structured finances to vital clean energy, and are playing a pivotal role in realization of India's renewable energy potential and achieving the globally committed target of 175 GW of additional capacity installation by 2022. Green bond issuances in India have steadily increased over the past two years since the first issuance by your Bank in February 2015, making India among the top ten largest green bond markets globally, with extensive participation from many corporate and financial institutions.

Post the successful first Green Bond of YES Bank which raised ₹ 10,000 millions (equivalent to USD 160 millions) in February 2015 and witnessed a strong demand from leading investors, your Bank further strengthened the green bond

DIRECTORS' REPORT (CONTD.)

market by subsequently raising two other green bonds. In August 2015, the Bank raised ₹ 3,150 millions (equivalent to USD 49.4 millions) through the issue of Green Bonds to International Finance Corporation ('IFC') on a private placement basis, the first investment by IFC in an Emerging Markets Green Bond issue in the world through the first offshore rupee dominated bond or "Green Masala Bond."

Moving ahead with its conviction towards Climate Finance, **YES Bank has raised ₹ 3,300 millions (equivalent to USD 50 millions) in September 2016, through an issue of a 7-year Green Infrastructure Bonds to FMO, the Dutch Development Bank, on a private placement basis. This is FMO's 1st Investment in a Green Bond issued by a bank in India. The issuance is unique owing to its innovative financing structure. FMO, the Dutch Development Bank has used the proceeds of sustainability bonds raised by them to invest in this third green bond issued by your Bank.**

The amount raised through all of these issues, are used to finance Green Infrastructure Projects as per 'Eligible Projects' outlined in the Bank's internal guidelines for adherence to Green Bond Principles. KPMG, India has provided assurance on the use of proceeds for the first two green bonds for FY 2015-16. A third-party assurance provider would be providing the Assurance Services this year, on the use of proceeds in accordance with the Green Bond principles.

GREEN BOND PRINCIPLES

The Green Bond Principles ('GBP') are voluntary process guidelines intended for broad use by the market that recommend transparency and disclosure, and promote integrity in the development of the Green Bond market. The Principles provide issuers guidance on the key components involved in launching a credible Green Bond; they aid investors by promoting availability of information necessary to evaluate the environmental impact of their Green Bond investments; and they assist underwriters by moving the market towards standard disclosures which will facilitate transactions. The GBP emphasize transparency and accuracy which

may be increasingly used for strategic decision making by investors. The GBP has the following four key components that YES BANK has adopted:

- Use of proceeds;
- Process to identify, evaluate and select eligible projects;
- Management of proceeds; and
- Reporting.

USE OF PROCEEDS

The proceeds raised through the issue of these bonds/debentures are used in eligible project categories to enhance the long-term resources for funding infrastructure projects and include all projects funded in whole, or in part, in the fields of renewable and clean energy projects including generation from sources such as Wind, Solar, Biomass, Hydropower and other such projects. Wind, Solar, Hydro and Biomass projects sanctioned post the closure of debenture subscription only (February 24, 2015 for ₹ 10,000 millions issue, August 05, 2015 for ₹ 3,150 millions issue, and September 26, 2016 for ₹ 3,300 millions issue) are considered for the allocation of the proceeds from Green Bonds.

PROCESS FOR EVALUATION AND SELECTION OF ELIGIBLE PROJECTS

Along with the Bank's credit policy that provides guidance for the identification, formulation and appraisal of projects, the Bank has formally adopted an Environment and Social Policy which governs its lending decisions. The Project evaluation process follows from the interactions with potential borrower to understand the overall aspects of the project and a comparison against the eligibility criteria. Post preliminary consideration, based on the merits of the project, the evaluation moves to the risk team which assesses it and conveys opinion on detailed due-diligence, if required. The eligibility of the project is thus confirmed and further documentation is sought as per the Bank's policies and Green Bond Principles.

MANAGEMENT OF PROCEEDS

The process for management of proceeds has been updated this year, to an MIS based asset tagging which tracks green bonds investments on a quarterly basis. The unallocated proceeds, if any, are placed in temporary instruments on a quarterly basis.

- Brief description of these projects including installed capacity and annual generation of renewable energy (wherever applicable);
- Summary of environmental and social impacts associated with these projects, if any;
- Types of temporary investment instruments for the balance of unallocated proceeds.

REPORTING

Communication to investors through an annual update would include information on allocation of proceeds:

- List of projects to which Green Bond proceeds have been allocated;

The proceeds from Green Bonds have been allocated to the following eligible projects:

DIRECTORS' REPORT (CONTD.)

STATUTORY DISCLOSURES

The disclosures required to be made under sub-section (3)(m) of Section 134 of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 by your Bank are given as under:

(A) CONSERVATION OF ENERGY

- **Environmental stewardship in the financial sector**
- ISO 14001:2015 Environmental Management System certification for the Bank embarked on the 4th year

Benchmarking continual improvement and exponential growth in the Indian Banking space, your Bank has achieved significantly in internal natural resource consumption efficiencies and minimizing its carbon footprint. In the FY 2016-17 YES BANK became the FIRST BANK GLOBALLY to migrate to the latest ISO 14001:2015 Environment Management System ('EMS') standard within one year of its release.

The re-certification to the new standard is based on the Bank's new Environmental Management Policy released in 2016 which entails achieving internal natural resource consumption efficiencies and firmly outlines the Bank's commitment to achieve a minimum of 10% reduction in its carbon emissions intensity through broad-level actions. Your Bank has enhanced the scope of its EMS to 444 metro urban branch locations and included Retail Asset operation into the certification program. The Bank's Environment Management Policy highlights greater commitments to environment protection and commitment to source renewable energy for the greening the Bank's operation.

Your Bank aims to enhance the scope of certification to the subsidiary unit YES Securities (India) Limited as per the revised ISO 14001:2015 compliance in the coming financial year. Environmental Mitigation Initiatives such as aggressive awareness creation around electricity, paper, water, diesel conservation in

day-to-day activities through wide circulation of resource conservation mailers, signage and posters, Periodical trainings on Environmental Management System through comprehensive e-learning module, workshops, involvement of employees in ideas generation and their implementation.

(I) THE STEPS TAKEN OR IMPACT ON CONSERVATION OF ENERGY;

Your Bank's energy management initiatives over a period of 2 years will aim at reducing 18 - 20% energy consumption from sustainable facility management

- Installations of IoT based energy monitoring system which helps in dynamic monitoring of consumption across facilities and result in 5 to 7% savings. The pilot study conducted over 10 branches was successful. We would target metro urban branches for implementation in FY 2017-18. In a second level pilot, we have achieved between 8-12% drop in energy consumption in FY 2016-17.
- Similarly Power factors at branches are being monitored above 0.9 with the help of capacitor bank and power factor monitoring panels are installed to reduce financial risk of penalty levied by DISCOMs.
- The air conditioning replacement model has been developed with a criteria for replacing old models with an energy consumption of 1.6 -1.8 times of peak load and temperature control with dedicated AHU units for centralised AC systems are being carried out.
- Retrofit solutions for HVAC systems which has a potential saving of 10 to 15%. we will be incorporating some of the solutions in a phased manner over

a period of 2 years. Maintaining AC temperature above 25° Celsius all the time has helped the bank to achieve 3% saving of hourly kWh consumptions.

- Incorporation of LED lighting in some of our facilities, has a huge potential and will be taken up for implementation in all of our facilities in phased manner. So far 3128 nos. of LED lights in 136 new branches have been installed with a potential saving of 2,26,780 kWh of energy consumption and approx ₹ 2.26 millions of saving.
- 92% of YES Bank branches are issued Petro cards for procurement of diesel, which has resulted into enhanced transparency, reduce wastages and cost saving of 15-20% over last financial year.

(II) THE STEPS TAKEN BY THE BANK FOR UTILIZING ALTERNATE SOURCES OF ENERGY:

Your Bank has explored the potential of using alternate sources of energy through open access and your Bank would continue to explore alternative sources of energy in future.

(III) THE CAPITAL INVESTMENT ON ENERGY CONSERVATION EQUIPMENTS:

₹ 5.02 millions upto present Financial Year (IoT based Energy monitoring pilot project, LED Tube lights project at IFC, Mumbai).

(B) TECHNOLOGY ABSORPTION

(I) THE EFFORTS MADE TOWARDS TECHNOLOGY ABSORPTION:

Technology is a key enabler and core facilitator to the key goals of your Bank and is identified as one of the strategic pillars of the Bank. Since inception your Bank has been at the forefront of leveraging technology to provide better products and services to its customers. Your Bank is a truly differentiated Financial Institution with world-class, state-of-the-art technology. All departments

within the Bank use Information Technology (IT) to deliver superior products and services to the customers.

Your Bank has adopted innovative modern technology and best in class international banking practices in respect of governance frameworks to ensure that it renders the highest standards of service quality and operational excellence to its customers. As a new generation Bank, your Bank has deployed “Technology” as a Strategic Business enabler to build a distinct competitive advantage and to achieve Superior standards of Customer Service. The technology architecture and the innovative IT Outsourcing structure has enabled your Bank to achieve high standards of Customer Service at comparatively lower cost structures.

Your Bank has moved towards service oriented architecture by implementing Enterprise Service Bus (‘ESB’). An ESB is a Web-services-capable infrastructure that supports intelligently directed communication and mediated relationships among loosely coupled and decoupled business components. The service oriented architecture assists your Bank’s large customers and e-commerce firms, who are technology-driven or require time sensitive processing to consume your Bank’s ESB services for their payment and receivables.

With a view to support new initiatives, innovations and ensure customer delight, your Bank has successfully executed a major upgrade of the Core Banking System perhaps the only Bank in India, that has executed a Core Banking Upgrade project of this size and complexity including both Retail and Corporate parts of the business, with a Big Bang Cutover approach. Your Bank has also upgraded various systems and platforms as also implemented new systems

DIRECTORS' REPORT (CONTD.)

and platforms. Your Bank has implemented virtualization in its data centers, to ensure its IT Infrastructure is highly resilient and usage is optimized. As a result, your Bank has reduced its carbon footprint.

The Bank has embarked upon implementing Virtual Desktop Infrastructure ('VDI'). VDI refers to the process of running a user desktop inside a virtual machine that resides on a server in the data centre. It's a powerful form of desktop virtualization because it enables fully personalized desktops for each user with all the security and simplicity of centralized management. VDI will help us in streamlining management and costs by consolidating and centralizing the desktops while delivering end-users mobility. This will enable access to virtual desktops anytime, from anywhere, on any device. This means a more centralized, efficient client environment that is easier to maintain and able to respond more quickly to the changing needs of the user and business.

Your Bank is at the forefront on the next-generation payments system like Unified Payments Interface ('UPI'), a simplified and robust payments system being operated by National Payments Corporation of India (NPCI). Leveraging capabilities of the UPI platform like Phone-linked payments, any-bank account debit and 1-click 2 factor authentication – to deliver a superior user experience to customers. We aim to have the widest range of offerings in the digital payments space by covering multiple use cases either directly via our own branded offering or via strategic partnerships with industry leaders, start-up forums, start-ups etc., to emerge as a thought and business leader in the Indian payments space leveraging the capabilities provided by UPI and move toward the era of a 'less-cash' India.

Your Bank has launched the SIMsePAY, a

unique innovation that allows any account holder to do money transfers, pay utility bills and other mobile banking services, without the need for smart phones or internet. SIMsePAY is a wafer-thin sticker which can be stuck on any type of SIM card of any Telco service provider – Standard, Micro and Nano. This sticker installs a SIM Tool Kit (STK) based app which can be accessed by the consumer on ANY mobile phone without the need for internet connectivity. The SIMsePAY is linked to a Prepaid Wallet which can be loaded by the consumer to perform various types of transactions. The transactions are performed using a patented encrypted SMS technology to communicate with the servers of the Bank.

Your Bank has also upgraded its Mobile Banking App for seamless customer experience. YES Mobile comes packed with a host of exciting features that enable you to truly bank On-The-Go. From simplified login through your fingerprint to transfer funds to pay all your bills in one go or experience the all new augmented reality to locate a YES Branch nearby. YES Mobile Banking App comes with over 85 services offering to YES Bank customers Anytime, Anywhere Banking.

Your Bank has launched Corporate mobile banking App which will provide an OMNI Channel online banking experience to our corporate clients. It will enable them to view and authorize transaction requests initiated on 'Corporate Net Banking' on their mobile devices even when they are travelling or are out of office. The App would allow decisions to be made on the move, eliminating process bottlenecks due to unavailability of the decision makers and facilitating faster turnaround times.

Your Bank has implemented a multi-nodal Blockchain transaction to fully digitize vendor financing for Bajaj Electricals. Your

Bank will leverage IBM Watson Conversation, a cloud-based cognitive service, to enhance the digital experience of partners, corporate clients and developers collaborating with them on the integrated Blockchain – API Banking platform. Capitalizing on the efficiency and security features of Blockchain, your Bank has used the Hyper ledger Fabric supported by IBM to design a vendor financing solution which allows Bajaj Electricals (anchor client) to digitize the process for discounting and disbursement of funds to its vendors by integrating seamlessly with YES BANK's systems. The solution will also facilitate an automated debit from Bajaj Electricals' account by YES BANK. The business logic and rules are captured in a smart contract (Chain Code) developed by Cateina Technologies. The key business advantages and highlights of this blockchain implementation for vendor financing include:

- The entire process cycle for bill discounting reduces from four days (owing to manual intervention and transit) to almost real-time;
- Transparency to all parties through blockchain's shared public ledger;
- End-to-end digital process eliminating paper trail & manual intervention;
- The entire transaction history of a particular vendor is recorded and is immutable through blockchain;
- The transaction status along with details are seamlessly transmitted to Bajaj Electricals' Enterprise Resource Planning;
- Seamless integration with existing API Banking implementation by YES BANK using IBM's Enterprise Service Bus (IIB), API management and Datapower

solution. This integration offers automated processing of transactions with almost zero manual intervention. YES BANK was the 1st Bank in India to launch API Banking services, which was also in collaboration with IBM in 2015;

- Use of a permissioned blockchain with flexibility to add other participants later;
- Use of superior Cryptokey to offer state-of-the-art security for both documents and transactions on the blockchain.

(II) THE BENEFITS DERIVED LIKE PRODUCT IMPROVEMENT, COST REDUCTION, PRODUCT DEVELOPMENT OR IMPORT SUBSTITUTION:

Technology has responded by being true strategic partner with business. Many first mover implementations have provided business, long lasting advantages, as also won many accolades and awards for the Bank. One of the finest direct banking platforms, first bank in India to offer two factor authentication, single PIN access to all electronic channels, Wi-Fi branches are some of the examples.

Innovations like API Banking, 'Bank in a BOX' , Money Monitor (aggregation of customer accounts of all types across 11,000 institutions globally), Mobile Money Services, dual factor authentication, one view of customer relationship and most advanced voice enabled IVR helps the products and sales teams to offer superior products and services.

Your Bank has evaluated and implemented cutting edge technologies like virtualization, cloud computing and social media to invest in the best in class IT systems and practices, and in order to ensure that its technology platform becomes a strategic business tool for building a competitive advantage.

DIRECTORS' REPORT (CONTD.)

Apart from product development, product improvement & effective cost management, technology has also played a major role in customer acquisition & ensuring high level of service delivery & customer excellence. Your Bank has also been able to cater to Financial Inclusion needs through its award winning and globally recognized technology solution platform which offers doorstep banking services.

(III) IN CASE OF IMPORTED TECHNOLOGY (IMPORTED DURING THE LAST THREE YEARS RECKONED FROM THE BEGINNING OF THE FINANCIAL YEAR):

DIRECTORS' REPORT (CONTD.)

Your Bank has accelerated its commitments and actions in line with India's sustainable development growth trajectory, to create maximum positive social and environmental impact. The Bank's strategic focus on the Sustainable Development Goals (SDGs) has percolated in its core strategy, addressing the need of communities through unique CSR programs. In FY 2016-17, your Bank scaled up its initiative of providing access to safe and clean drinking water, in partnership with the Indian Railways by touching more than 1 lakh lives every day across 192 railway stations. Since the start of the project in FY 2015-16, this initiative has provided access to safe and clean drinking water, to nearly 5 crore lives. Through intensive interventions, your Bank addressed the needs of the critical MSME sector. 2,229 MSMEs were educated on energy efficiency and occupational health and safety of their workers, thereby helping feed into India's larger goals of creating a low carbon economy. The Bank's unique flagship community engagement initiative, delivered exponential impact by working on socio-environmental issues of national importance like financial literacy, Swachh Bharat, road safety, energy conservation and creation of a carbon sink through tree plantation, touching 20 lakh lives through the year.

As a public trust institution, your Bank exercises prudence in undertaking and investing in projects that are unique, scalable and sustainable. Implementation partners for fulfilling its CSR objectives are selected basis strong governance, due-diligence and a monitoring framework. Your Bank has adopted an approach of effective resource allocation, thus generating maximum social value and mindshare. The strategy for FY 2016-17 was formulated in order to achieve "increased impact per rupee" spent on social and environmental initiatives. In FY 2016-17, the Bank spent 1.39% (₹ 41.66 crores) towards CSR activities; an increase of 41% over last year's spend of 1.24% (₹ 29.52 crores). Since the banking sector is central to an economy, your Bank has been mindfully focussing on climate action through lending, investing and raising capital towards mitigation, adaptation and resilience. It continued to serve the larger community through livelihood enhancement programs, financial inclusion

with migrants and large scale projects on sustainable energy, which are beyond the ambit of the definition of CSR under the Companies Act, 2013.

To meet the daunting task of India's SDG implementation goals, your Bank has committed ₹ 250 crores till FY 2020 towards two key focus areas of livelihood and water security, and environment sustainability, through focused and intensified CSR and Sustainability actions.

The CSR Committee confirms that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Bank.

ANNEXURE 3

The ratio of the remuneration of each director to the median employee's remuneration and other details in terms of sub-section 12 of Section 197 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014:

Sr. No.	Requirements	Disclosure
I	The ratio of the remuneration of each director to the median remuneration of the employees for the financial year	MD & CEO 102.56x Radha Singh * 2.07x Ashok Chawla ** 1.89x
II	The percentage increase in remuneration of each director, CFO, CEO, CS in the financial year	MD & CEO 21.20% CFO 7.20% CS 6.20%
III	The percentage increase in the median remuneration of employees in the financial year	The median remuneration of the employees in the financial year was increased by 13.8% . The calculation of % Increase in Median Remuneration is done based on comparable employees. For this we have excluded employees who were not eligible for any increment.
IV	The number of permanent employees on the rolls of the Bank	There were 20,125 employees as on March 31, 2017
VIII	Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration	Not Applicable to the Bank, as all the employees are considered under Managerial role.
XII	Affirmation that the remuneration is as per the remuneration policy of the company	Yes, it is confirmed

GENERAL NOTES

- 'x' denotes the median remuneration of the employees in the financial year.
- Remuneration in case of MD & CEO is regulated by Reserve Bank of India Guidelines and as approved by the Reserve Bank of India.
- In case of the CFO, he is also responsible for Digital Banking; Financial Management (FINMGT); Financial Markets (FM); SA Liabilities Product Management (LPM); Business and Digital Technology Solutions Group (BDTS); Transaction Banking Group (TBG) and Company Secretarial (CS). He is part of the Bank since inception and has contributed significantly in the Bank's overall growth. His overall remuneration is arrived after considering the wide scope of his responsibilities, his contribution to Bank and market benchmarking.
- The Remuneration for the purpose of this table is defined as "Total Cost to the Company (TCC)" for all the employees except for KMPs. KMPs remuneration is as per the Form 16 (on an annualized basis) excluding stock option exercised since it does not form part of TCC.

Notes:

*Radha Singh's remuneration considered from April 1, 2016 to October 29, 2016.

**Ashok Chawla's remuneration considered from October 30, 2016 to March 31, 2017.

ANNEXURE 4**EXTRACT OF ANNUAL RETURN AS ON THE FINANCIAL YEAR ENDED ON MARCH 31, 2017**

(Pursuant to Section 92(3) of the Companies Act, 2013 and rule 12(1) of the Companies (Management and Administration) Rules, 2014)

REPORT ON CORPORATE GOVERNANCE

(The Report on Corporate Governance forms part of the Directors' Report for the year ended March 31, 2017)

I **BANK'S PHILOSOPHY ON CODE OF GOVERNANCE**

YES BANK is committed to set the highest standards of Corporate Governance right from its inception benchmarked with the best in class practices across the globe. Effective Corporate Governance is the manifestation of professional beliefs and values, which configures the organizational values, credo and actions of its employees. Transparency and accountability are the fundamental principles to sound Corporate Governance, which ensures that the organization is managed and monitored in a responsible manner for 'creating and sharing value'.

YES BANK believes that there is a need to view Corporate Governance as more than just regulatory requirements as there exists a fundamental link with the organization of business, corporate responsibility and shareholder's wealth maximization. Therefore, your Bank is articulating a multi-stakeholder model (including shareholder value) of accountability that will manage the symbolic relationship between the various stakeholders. This approach will be central to the day-to-day functioning of your Bank and in implementation of its business strategy.

As part of the Bank's objective and commitment to implement best practices in Corporate Governance, it is felt necessary to codify these Governance Practices of the Bank by framing the 'Code for Corporate Governance' as another milestone towards its endeavor for achieving higher governance standards. Accordingly, the Board has adopted the 'Code for Corporate Governance'.

We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance. It is well-recognized that an effective Board is a pre-requisite for a strong and effective Corporate Governance. At YES BANK, the Board of Directors

(the '**Board**') is at the core of our Corporate Governance practices and oversees how the Management serves and protects the long-term interests of our stakeholders.

Our Corporate Governance framework ensures that we make timely disclosures and share accurate information regarding our financials and performance, as well as the leadership and governance of the Bank.

ENVIRONMENTAL, SOCIAL & GOVERNANCE RATING

Corporate Governance has become an important agenda for policy makers around the world. Over the last few decades corporate governance is getting an ever increasingly importance across the globe. Your Bank is pleased to report that MSCI Environmental, Social & Governance ('**ESG**') Research has assigned 'AAA' Rating to YES Bank. It highlights the Bank's key strengths in Financial Product Safety, Corporate Governance and Financial System Instability. The 'AAA' rating reaffirms the Bank's 360 degree risk framework which includes ESG parameters and underscores the Bank's ability to proactively mitigate emerging risks and create new opportunities in India's sunrise sectors. The said rating indicates Bank's capability with respect to ESG performance and its commitment towards value creation for all its stakeholders. The Bank endeavors to benchmark itself with the best of companies in India and globally, to maintain the highest ratings for its ESG practices. In 2016, your Bank also continued to be the only Indian Bank included as an index component in Dow Jones Sustainability Indices ('**DJSI**') Emerging Markets for the second consecutive year.

Your Bank has closely aligned its corporate governance practices with shareholders' interests, undertaking in-depth reporting and disclosures on all key aspects of the business. Your Bank is a benchmark institution for Triple Bottom Line accounting and reporting in India and in FY16, became the first Indian bank to release a Sustainability report based on the Integrated

Reporting guidelines of the International Integrated Reporting Council, while continuing to adhere with Global Reporting Initiative (GRI) G4 guidelines. Your Bank has also received ISO 27001 certification for its information security management system and data privacy policies.

II BOARD OF DIRECTORS

The composition of Board of Directors of the Bank is governed by the relevant provisions of the Banking Regulation Act, 1949, the Companies Act, 2013 and rules made thereunder, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the Articles of Association of the Bank and in accordance with the best practices in Corporate Governance.

The Corporate Governance philosophy of your Bank establishes that the Board's independence is essential to bring objectivity and transparency in the Management and in the dealings of the Bank.

The Board presently comprises of 7 Directors, 5 of them being Independent Directors, representing diverse combination of professionalism, qualification, knowledge, skill sets, track record, integrity, expertise and experience as required in the Banking Business. The Board reviews its strength and combination from time to time to ensure that it remains aligned with the statutory as well as business requirements.

The Board functions as a full Board and through various Committees constituted to oversee specific areas. Overall direction and strategy, Policy formulation, Succession Planning, setting up of goals, evaluation of performance and control functions vest with the Board. The Committees have oversight of operational issues assigned to them by the Board. The dates of the meetings of the Board and Committees are decided in advance and the Agenda documents are sent to the Board and the Committee members in compliance with the provisions of the Companies Act, 2013, Secretarial Standards and the Listing Regulations. This enables the Board members to manage their schedule effectively and prepare for the meetings in advance.

During the year under review, Mr. Ashok Chawla has been appointed as Non-Executive (Independent) Part-Time Chairman with effect from October 30, 2016. Mr. Ajay Vohra, Independent Director ceased to be the Director of the bank with effect from April 28, 2016, Mr. Diwan Arun Nanda, Independent Director and Mr. M. R. Directors or MD & CEO cannot hold office continuously for a period exceeding eight years.

- The Nomination & Remuneration Committee of the Board undertakes the process of due diligence and evaluates every year whether the members of the Board adhere to the 'fit and proper' criteria as prescribed by the Reserve Bank of India. The adherence to the 'fit and proper' criteria by the members of the Nomination & Remuneration Committee is evaluated by the Board of Directors every year.

GOVERNANCE STRUCTURE

A) BOARD LEVEL PERFORMANCE EVALUATION

The Bank has in place a Board Evaluation Framework setting out the process and the criteria for the performance evaluation which had been recommended by the Nomination & Remuneration Committee of the Board ('N&RC') and approved by the Board. The said process is also in line with the provisions of the Companies Act, 2013 and Regulations 17 & 19 of the Listing Regulations which provides for carrying out the performance evaluation of the Individual Directors including Independent Directors and Non- Independent Directors, Managing Director & CEO, Chairperson, Committees of the Board and the Board as a whole.

Further, The Securities and Exchange Board of India ('SEBI') vide circular no. SEBI/HQ/CFD/CMD/CIR/P/2017/004 dated January 05, 2017 had come up with a "Guidance Note on Board Evaluation". The Board Evaluation framework of the Bank has been appropriately amended to align with this Guidance Note.

The Performance evaluation is carried out on the basis of criteria provided in the Performance Evaluation Forms as under:

- a) Form A - for Non-Executive Directors including Independent Directors ('IDs')
- b) Form B - for Managing Director & CEO
- c) Form C - for Chairman
- d) Form D - for the Board as a whole
- e) Form E - for the Board Level Committees.

The following process is being followed by the Bank for performance evaluation of the Individual Directors including IDs and Non-IDs, Managing Director & CEO, Chairperson, Committees of the Board and the Board as a whole:

- The Committee of Independent Directors ('CoIDs') evaluates the performance of Non-Independent Directors including Managing Director & CEO, and Chairperson of the Bank taking into account the views of Executive Director and Non-Executive Directors and submit its report to the N&RC. The CoID also evaluates the performance of the Board as a whole and submits the report to the Board.
- The Board evaluates the performance of the Independent Directors, excluding the director being evaluated, and submits its report to the N&RC.
- Self Assessment of Performance Evaluation of the Board level committees are done by the respective committees and reported to the Board.
- N&RC reviews the reports of the Committee of Independent Directors and Board and accordingly, recommends the appointment/re-appointment/ continuation of Directors to the Board.
- Based on the recommendation of N&RC, Board may take the appropriate action.
- The Board shall also consider the performance evaluation of Board as a whole as per the report of the CoID and shall also review the self assessment of the performance submitted by each of the Board level Committees and take appropriate steps, if deemed necessary.

CRITERIA OF PERFORMANCE EVALUATION: NON-EXECUTIVE DIRECTORS, MD & CEO AND CHAIRPERSON

Qualification and Experience; Attendance at the meetings; Participation and contribution; Responsibility towards stakeholders; Contribution in Strategic Planning; Compliance and Governance; Participation; Performance Evaluation; and Updation of Knowledge.

REPORT ON CORPORATE GOVERNANCE (CONTD.)

In addition to the above criteria, following are the parameters for the performance evaluation of MD & CEO and Chairperson:

- Managing Director & CEO

BOARD LEVEL COMMITTEES

Composition and Balance of skill sets; Frequency and duration; Overall contribution; Relationships; Communication; Understanding of regulatory environment and developments; Interaction with the board; Independence of the Committee from the Board; Justice to the role of committee; and Procedure.

OUTCOME OF PERFORMANCE EVALUATION:

An annual performance evaluation of the Board, Committees of the Board and the individual members of the Board was conducted in April 2017 as per the aforesaid process and the report on the evaluation were presented at the meeting of the N&RC and the Board of Directors.

Some of the decisions taken by the Board, post performance evaluation are:

1. Reconfirm that the Board of the Bank is well balanced in terms of diversity of experience and skill sets to meet the requirements of the Bank.
2. The Board and its committees were effective in achieving their respective charters and the members acted with diligence and care.
3. Directors qualified to continue on the Board having understood and discharged their responsibilities and also continue to qualify under the "Policy on Board Diversity and Fit & Proper criteria and Succession Planning" of the Bank.

B) POLICY ON APPOINTMENT OF DIRECTORS

Your Bank has a Board approved 'Policy on Board Diversity and Fit & Proper Criteria and Succession Planning' ('Fit & Proper Policy') which laid down the process for appointment of Directors including the required skill sets, experience, etc. The Policy covers all the aspects of board composition, skill sets, diversification of board of directors as required under the Companies Act, 2013, Listing Regulations, the Banking Regulation Act, 1949 and other regulatory requirements. As per the Fit & Proper Policy of the Bank, your Bank ensures that not less than 51% of the total number of members of the Board of Directors have special knowledge or practical experience in (i) accountancy, (ii) agriculture and rural economy, (iii) banking, (iv) co-operation, (v) economics, (vi) finance, (vii) law, (viii) small-scale industry, (ix) Information Technology, (x) Payment & Settlement Systems, (xi) Human Resources, (xii) Risk Management, (xiii) Business Management, (xiv) any other skill/special knowledge/practical experience as may be specified by RBI from time to time. In terms of the Fit and Proper Policy, N&RC identifies and scrutinizes the prospective candidates for the position of Director keeping in view the requisite qualifications, expertise, skill sets, track record, etc relevant to the Banking

Business and as per the Statutory requirements and as prescribed under the Fit & Proper Policy. The N&RC, post assessing the fulfillment of 'fit and proper' criteria by the candidate on the basis of various declarations and disclosures received from the Candidate, makes the recommendation for the appointment of proposed Director to the Board for its approval. The Board thereafter having considered the recommendation of the N&RC, makes its own assessment on the proposal for appointment of Director, basis the business as well as statutory requirements. The Board also recommends the appointment/re-appointment of Directors to the Shareholders for approval, after taking into consideration the results of performance evaluation, and other statutory requirements. The Board also recommends the appointment of Managing Director & CEO and the Part-time Chairman for the approval of Reserve Bank of India.

The N&RC while considering the proposal for appointment of Independent Directors also considers the criteria of independence prescribed under the Companies Act, 2013 and Listing Regulations. Criterion for the Independence is as under:

An Independent Director is a Director other than a Managing Director or a Whole time Director or a Nominee Director, who:-

- (I) is a person of integrity and possesses relevant expertise and experience, in the opinion of the Board of Directors;
- (II) is or was not a Promoter of the Company or its holding, subsidiary or associate Company;
- (III) is not related to Promoters or Directors in the Company, its holding, subsidiary or associate Company;
- (IV) apart from receiving Director's remuneration, have or had no material pecuniary relationship with the Company, its holding,

subsidiary or associate Company, or their Promoters or Directors, during the two immediately preceding financial years or during the current financial year;

- (V) none of whose relative, has or had pecuniary relationship or transaction with the Company, its holding, subsidiary or associate Company, or their Promoters, or Directors, amounting to two per cent or more of its gross turnover or total income or fifty lakh rupees or such higher amount as may be prescribed from time to time, whichever is lower, during the two immediately preceding financial years or during the current financial year.

- (VI) neither himself nor any of his relatives —

- i. holds or has held the position of a Key Managerial Personnel or is or has been employee of the Company or its holding, subsidiary or associate Company in any of the three financial years immediately preceding the Financial Year in which he is proposed to be appointed.

- ii. is or has been an employee or proprietor or a partner, in any of the three financial years immediately preceding the Financial Year in which he is proposed to be appointed, of

- A. a firm of Auditors or Company Secretaries in practice or Cost Auditors of the Company or its holding, subsidiary or associate Company; or

C) REMUNERATION POLICY

REMUNERATION POLICY FOR EMPLOYEES OF THE BANK

The objective of the Compensation and Benefits Policy of the Bank is to provide a fair and transparent structure that helps in retaining and acquiring the talent pool critical to build competitive advantage and an Employer brand under adequate supervision and control. The Policy of the Bank is aligned to the organizational values aimed at encouraging Professional Entrepreneurship and reinforcing a strong culture promoting meritocracy, performance, potential and prudent risk taking. The Bank's compensation framework is aligned with the performance management system and differentiates pay appropriately amongst its executives based on

degree of contribution, skill and availability of talent owing to competitive market forces by taking into account factors such as role, skills, competencies, experience and grade/seniority. Your Bank would also strive to achieve the long term association with its employees by providing long term wealth creation opportunities through stock option schemes.

REMUNERATION POLICY FOR DIRECTORS

In terms of the provisions of the Companies Act, 2013, Listing Regulations and Banking Regulation Act, 1949, the Bank has a Board approved Remuneration Policy for Directors including Chairperson. The Board annually reviews the policy and last reviewed on April 19, 2017. The details of the said policy are as follows:

REMUNERATION OF EXECUTIVE DIRECTORS

The Bank has a Board approved 'Compensation & Benefits Policy' ('**C&B Policy**') which deals with the Compensation & Benefits of the Managing Director & CEO and the Whole-time Directors. The remuneration of all the Executive Directors shall be governed by the C&B Policy.

The remuneration of the Executive Directors is recommended by the N&RC to the Board for approval after considering the factors prescribed under the C&B Policy.

The Board considers the recommendations of N&RC and approves the remuneration, with or without modifications, subject to shareholders' and regulatory approvals.

The remuneration payable to Executive Directors is subject to prior approval of the RBI. Therefore, the remuneration or any revision in remuneration to Executive Directors is payable only after receipt of the approval from RBI.

REMUNERATION OF CHAIRPERSON

The N&RC recommends the remuneration of the Non-Executive Chairperson to the Board which

is considered and approved by the Board subject to Shareholders' and regulatory approvals. The N&RC, while recommending the remuneration of the Non-Executive Part-time Chairperson considers the following factors:

- (a) Function, Role and Responsibilities of the Chairperson,
- (b) Comparison with the peer banks,
- (c) Industry benchmarking,
- (d) Regulatory guidelines as applicable, etc.

The remuneration payable to the Chairperson is subject to prior approval of the RBI. Therefore, the remuneration or any revision in remuneration of the Chairperson is payable only after receipt of the approval from RBI.

REMUNERATION OF NON-EXECUTIVE DIRECTORS (NEDs)

The NEDs are paid sitting fees for attending each meeting of the Board of Directors or any committee thereof as approved by the Board, within the permissible limit prescribed under the Companies Act, 2013, Listing Regulations and other regulatory/statutory guidelines, as amended from time to time. Any change in sitting fees shall be recommended by the N&RC and approved by the Board of Directors of the Bank. The N&RC considers the following factors while recommending the change in the sitting fees to the Board:

- (a) Contribution expected from Directors considering size and complexity of organisation,
- (b) Comparison with the peer Banks/Industry benchmarking,
- (c) Regulatory guidelines, as applicable, etc.

The NEDs are entitled to reimbursement of expenses for participation in the meeting of the Board and Committee thereof.

The Board while approving the revision in the sitting fees payable to Directors for attending the meeting of the Board and Committee thereof, considers the recommendation of the N&RC.

The RBI vide Circular No. DBR. No.BC.97/29.67.001/2014-15 dated June 01, 2015 issued Guidelines on Compensation of Non-Executive Directors of Private Sector Banks emphasizing that in order to enable banks to attract and retain professional directors, it is essential that such directors are appropriately compensated. Accordingly, RBI vide above circular allowed payment of remuneration by way of profit based commission to NEDs except part-time chairperson upto a maximum limit of ₹ 10 lakhs per annum per Director. Also, Section 197 of the Companies Act, 2013 provides for the payment of profit based commission to the Directors who are neither Managing Directors nor Whole-time Directors not exceeding One per cent (1%) of the net profits of the company, if there is a Managing /Whole-time Director/Manager or three per cent (3%) of the net profits in any other case. In line with the above provisions, the Non-Executive Directors of the Bank other than Part-time Chairperson may be paid compensation in the form of profit related Commission in addition to the sitting fees.

The N&RC shall recommend the compensation in form of profit based commission for each of the Non-Executive Director other than Non-Executive Part-time Chairperson to the Board, basis the Limits and criteria for payment of Profit based Commission as set out above. The Board, thereafter considering the recommendations of N&RC, may approve the same subject to Shareholders' approval.

REPORT ON CORPORATE GOVERNANCE (CONTD.)

The payment of profit based commission to Non-Executive Directors other than Non-Executive Chairperson shall be recommended by the Board basis the following criteria:

- Outcome of the annual performance evaluation;
- Attendance and participation of such Non-Executive Director at the Board/Board Committee Meetings;
- Comparison with the peer banks;
- Industry benchmarking;
- Regulatory guidelines, as applicable, etc

The compensation in the form of profit based commission can be paid only after the approval of the Shareholders of the Bank.

The payment of profit based commission to Non-Executive Directors excluding Part-time Chairperson has been approved by the Shareholders of the Bank at its meeting held on June 07, 2016 upto a maximum of Rupees Ten Lakhs per Director which is the maximum permitted by the Reserve Bank of India and within the overall cap of one per cent (1%) of the net profits of the Bank, as computed in the manner laid down in section 198 of the Companies Act, 2013.

The Bank does not grant any Stock Options to any Non-Executive Directors.

The Bank has formulated a policy for determining 'material' subsidiaries pursuant to the provisions of the Listing Regulations and the same is displayed on the website of the Bank (<https://www.yesbank.in/investor-relations/corporate-governance.html>).

YES Securities (India) Limited ('YSIL') is the only subsidiary of the Bank and the Audited

Annual Financial Statements of the YSIL has been provided to the Audit Committee and Board. Mr. Vasant V. Gujarathi, Independent Director of the Bank is a Director on the Board of the YSIL. Minutes of the meetings of the Board of Directors of the YSIL are placed before the Board of the Bank.

B) RELATED PARTY TRANSACTIONS

All transactions entered into with Related Parties as defined under the Companies Act, 2013 and Regulation 23 of the Listing Regulations during the financial year were in the ordinary course of business and on arms'

length pricing basis and do not attract the provisions of Section 188 of the Companies Act, 2013. There were no materially significant transactions with related parties during the financial year which were in conflict with the interest of the Bank. Suitable disclosure as required by the Accounting Standards (AS18) has been made in the notes to the Financial Statements. The details of the transactions with related parties, if any, are placed before the Audit Committee from time to time.

The Board of Directors has formulated a policy on materiality of Related Party Transactions and also on dealing with Related Party Transactions pursuant to the provisions of the Companies Act, 2013 and Listing Regulations. The same is displayed on the website of the Bank at (<https://www.yesbank.in/investor-relations/corporate-governance.html>).

C) MD & CEO / CFO CERTIFICATION

The MD & CEO and the CFO have issued certificate pursuant to the provisions of Regulation 17 of the Listing Regulations certifying that the financial statements do not contain any materially untrue statement and these statements represent a true and fair view of the Company's affairs. They also certify that, to the best of their knowledge and belief, no transactions entered into during the year were fraudulent, illegal or violative of the code of conduct of the Bank, they are responsible for establishment and maintenance of the Internal Financial Controls for financial reporting and they have indicated to the auditors and the Audit Committee about any significant changes in internal control over financial reporting, significant changes in the accounting policies and instances of significant frauds, if any, which they were aware. The said certificate is annexed and forms part of the Annual Report.

D) CODE OF CONDUCT AND ETHICS

The confirmation from the Managing Director & CEO regarding compliance with the Code of Conduct and Ethics by all the Directors and Senior Management forms part of the Report. The Code of Conduct and Ethics is displayed on the website of the Bank (www.yesbank.in).

E) CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING

The Bank has adopted a Code of Conduct for Prevention of Insider Trading in accordance with the requirements of the SEBI (Prohibition of Insider Trading) Regulations, 2015 and Companies Act, 2013 with a view to regulate trading in securities of the Bank by the Directors, KMPs and designated employees of the Bank. This code is applicable to all Directors, KMPs, and Employees of the Bank and its Subsidiaries and they are required to abide by the Code of Conduct for Prevention of Insider Trading of the Bank, SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, and provisions under Section 195 the Companies Act, 2013 as amended. The Board has delegated powers to MD & CEO for carrying out amendments, if any, in the Code to align it with the amendments in the regulatory requirements, from time to time.

The Code requires pre-clearance for dealing in the Bank's securities beyond threshold limits. Further, it prohibits the purchase or sale of Bank's securities by the Directors, KMPs, Auditors and the employees while in possession of unpublished price sensitive information in relation to the Bank and categorically prohibits the purchase or sale of Bank's securities by the Directors, KMPs, Auditors and the designated employees during the period when the Trading Window is closed. REPORT ON CORPORATE GOVERNANCE (CONTD.)

excess of ₹ 10 lakhs. The Bank has procured a system which periodically monitors and facilitates the compliance by the employees with the SEBI (Prohibition of Insider Trading) Regulations, 2015.

The Bank has also put in place a code of conduct for Managing Director & CEO, KMPs, employees of the respective departments and their immediate relatives for trading in securities of other listed entities. The said code requires pre-clearance for dealing in securities of other listed entities, as the respective departments may have unpublished price sensitive information of other entities due to Business Relationship, Exposures, etc. This ensures that any employee who has unpublished price sensitive information of other entities does not deal in the securities of such other entities.

F) WHISTLE BLOWER POLICY

In line with the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Companies Act, 2013 and the principles of good governance, the Bank has devised and implemented a vigil mechanism, in the form of "Whistle Blower Policy". The policy devised is also aligned to the recommendations of Protected Disclosure Scheme for Private Sector and Foreign Banks, instituted by Reserve Bank of India.

This policy enables a Whistle Blower to raise concerns relating to reportable matters (as elucidated in the said policy) such as breach of Bank's Code of Conduct, fraud, bribery, corruption, employee misconduct, illegality, health & safety, environmental issues and wastage/misappropriation of bank funds/assets, etc., without fear of reprisals and to provide for independent investigation. The framework of the policy endeavors to simplify and smoothen the process for Whistle Blower

and foster responsible reporting, a Whistle Blower cannot resort to the Whistle Blower Policy to report his/her personal grievances.

The policy has been implemented through a web-based 'Corporate Whistle Blower Initiative' (CWI) portal, which is an independent online reporting service aimed at facilitating secure and anonymous communication between the Bank and Whistle Blower.

The policy has provisions to safeguard Whistle Blower against victimization. As a responsible and vigilant organization, the Bank encourages responsible and fearless reporting of genuine concerns or grievances and also provides for direct access to the Chairman of the Audit Committee of the Board, in exceptional cases.

The functioning of the Vigil Mechanism is reviewed by the Audit Committee of the Board regularly. None of the Whistle Blowers have been denied access to the Audit Committee of the Board. The details of the Whistle Blower Policy is available on the website of the Bank [https://www.yesbank.in/pdf/whistleblowerpolicy for stakeholders' perusal](https://www.yesbank.in/pdf/whistleblowerpolicy%20for%20stakeholders%20perusal).

Annexure to the Report on Corporate Governance for the year ended March 31, 2017

CERTIFICATE OF COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To
The Members of
YES BANK LIMITED

We have examined the compliance of conditions of corporate governance by YES BANK Limited (the 'Bank') for the year ended March 31, 2017, as prescribed in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paras C, D and E of Schedule V of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR').

We state that the compliance of conditions of Corporate Governance is the responsibility of the management, and our examination was limited to procedures and implementation thereof adopted by the Bank for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Bank.

In our opinion, and to the best of our information and according to the explanations given to us, we certify that the Bank has complied with the conditions of Corporate Governance as stipulated in the aforesaid provisions of LODR *except clause (a) of sub-regulation (1) read with Regulation 17 of LODR with respect to appointment of a woman director on the Board of the Bank since 30th October, 2016.*

We further state that such compliance is neither an assurance as to the future viability of the Bank nor the efficiency or effectiveness with which the management has conducted the affairs of the Bank. This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT

To,
The Members of Yes Bank Limited

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of YES BANK LIMITED ('the Bank'), which comprise the Balance Sheet as at March 31, 2017, the Profit and Loss Account, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Bank's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, provisions of Section 29 of the Banking Regulation Act, 1949 and the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act, and the Rules, made thereunder.

We conducted our audit in accordance with the Standards on Auditing ('the Standards') specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Bank's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 as well

as the relevant requirements of the Companies Act, 2013, in the manner so required for banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Bank as at 31 March 2017, its profit and its cash flows for the year then ended on that date.

OTHER MATTERS

The standalone financial statements of the Bank for the year ended March 31, 2016 were audited by another auditor who expressed an unmodified opinion on those statements on 27 April 2016.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

The Balance Sheet and Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act, 2013 read with the Rule 7 of the Companies (Accounts) Rules, 2014.

As required by sub section (3) of Section 30 of the Banking Regulation Act, 1949, we report that:

- (a) we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
- (b) the transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- (c) since the key operations of the Bank are automated with the key applications integrated to the core banking systems, the audit is carried out centrally as all the necessary records and data required for the purposes of our audit are available therein. During the course of our audit we have visited 22 branches.

The disclosure required on holdings as well as dealings in Specified Bank Notes during the period from November 08, 2016 to December 30, 2016 as envisaged in notification GSR 308(E) dated March 30, 2017 issued by the Ministry of Corporate Affairs, is not applicable to the Bank. Refer note 18.7.17 to the financial statements.

Further, as required by Section 143 (3) of the Companies Act, 2013, we further report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) in our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;
- (c) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) on the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Bank has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 18.7.15 to the financial statements;

(ii) The Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including

derivative contracts - Refer Note 18.7.16 to the financial statements; and

(iii) there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank.

ANNEXURE A

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF YES BANK LIMITED

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of YES Bank Limited ('the Bank') as at March 31, 2017 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Bank's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively

for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

ANNEXURE A

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF YES BANK LIMITED

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Bank's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

INHERENT LIMITATION OF INTERNAL FINANCIAL CONTROL OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Bank has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

18. SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2017

18.1 BACKGROUND

YES BANK Limited (the 'Bank' or 'YES BANK') is a private sector bank promoted by the late Mr. Ashok Kapur and Mr. Rana Kapoor. YES BANK is a publicly held bank engaged in providing a wide range of banking and financial services. YES BANK is a banking company governed by the Banking Regulation Act, 1949. The Bank was incorporated as a limited company under the Companies Act, 1956 on November 21, 2003. The Bank received the licence to commence banking operations from the Reserve Bank of India ('RBI') on May 24, 2004. Further, YES BANK was included to the Second Schedule of the Reserve Bank of India Act, 1934 with effect from August 21, 2004.

18.2 BASIS OF PREPARATION

The financial statements have been prepared in accordance with requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by the Reserve Bank of India (RBI) from time to time, the accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and practices generally prevalent in the banking industry in India. The Bank follows the accrual method of accounting and the historical cost convention, except in the case of interest income on non-performing assets (NPAs), loans under strategic debt restructuring (SDR) and Sustainable Structuring of Stressed Assets (S4A) scheme of RBI where it is recognized upon realization.

18.3 USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions that are considered while reporting amounts of assets and

liabilities (including contingent liabilities) as of the date of the financial statements and income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

18.4 SIGNIFICANT ACCOUNTING POLICIES

18.4.1 SIGNIFICANT CHANGES IN ACCOUNTING POLICY

PROPOSED DIVIDEND:

In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated March 30, 2016, Bank has not accounted for proposed dividend as a liability as at March 31, 2017. Proposed Dividend was however accounted for as a liability as at March 31, 2016 in line with the existing accounting standard applicable at that time.

The Board of Directors of the Bank has recommended a dividend of ₹ 12 per equity share for approval by shareholders at the 13th Annual General Meeting. If approved the total liability arising to the Bank would be ₹ 6,593.11 millions, including dividend tax (previous year ₹ 5,061.52 millions). The actual dividend payout may however change due to equity shares exercised by employees between the end of the financial year and the dividend declaration date.

ACCOUNTING FOR CASH FLOW HEDGE RESERVE:

The Bank has applied the Guidance Note on Accounting for Derivative Contracts ('Guidance Note') issued by the Institute of Chartered Accountants of India effective from April 01, 2016 in respect of derivative contracts which are not covered by existing accounting standards or RBI guidelines. For the Bank, this impacts the accounting for cross currency interest rate swaps which are used by the Bank to hedge its foreign currency borrowings and have been designated as cash flow hedges under the Guidance

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

Note. The adoption of the Guidance Note resulted in the recognition of derivative assets of ₹ 52.83 millions, derivative liabilities of ₹ 212.96 millions and a cash flow hedge reserve of (₹ 160.14) millions as at March 31, 2017. The application of the Guidance Note has no impact on the net profit for the year ended March 31, 2017 as compared to the previous accounting policy followed by the Bank.

18.4.2 REVENUE RECOGNITION

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured.

- Interest income is recognized in the profit and loss account on accrual basis, except in the case of non-performing assets and accounts under SDR / S4A. Interest on non-performing assets and accounts under SDR / S4A is recognized upon realization as per the prudential norms of the RBI.
- Loan processing fee is recognized when it becomes due and realizable.
- Dividend income is recognized when the right to receive payment is established.
- Commission on guarantees issued by the Bank is recognized as income over the period of the guarantee
- Commission on Letters of Credit ('LC') issued by the Bank is recognized as income at the time of issue of the LC.
- Income on non-coupon bearing discounted instruments is recognized over the tenure of the instrument on a straight line basis. In case of coupon bearing discounted instruments, discount income is recognized over the tenor of the instrument on yield basis.
- In case of Bonds and Pass Through Certificates, premium on redemption, if any, is amortized over the tenure of the instrument on a yield basis.

- Revenue from financial advisory services is recognized in line with milestones achieved as per terms of agreement with clients which is reflective of services rendered.
- Other fees and commission income are recognized on accrual basis.

18.4.3 INVESTMENTS

Classification and valuation of the Bank's investments are carried out in accordance with RBI Circular DBR. No.BP.BC.6/21.04.141/2015-16 dated July 01, 2015 and Fixed Income Money Market and Derivative Association (FIMMDA) guidelines FIMCIR/2017-18/001/April 03, 2017.

ACCOUNTING AND CLASSIFICATION

Investments are recognized using the value date basis of accounting. In compliance with RBI guidelines, all investments, are categorized as "Held for trading" ('HFT'), "Available for sale" ('AFS') or "Held to maturity" ('HTM') at the time of its purchase. For the purpose of disclosure in the balance sheet, investments are classified as disclosed in Schedule 8 ('Investments') under six groups (a) government securities (b) other approved securities (c) shares (d) bonds and debentures (e) subsidiaries and joint ventures and (f) others.

A) COST OF ACQUISITION

Costs such as brokerage pertaining to investments, paid at the time of acquisition are charged to the profit and loss account as per the RBI guidelines.

B) BASIS OF CLASSIFICATION

Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT category. Investments that the Bank intends to hold till maturity are classified under the HTM category, or as per RBI guidelines. Securities which are not classified in the above categories are classified under the AFS category.

C) TRANSFER BETWEEN CATEGORIES

Reclassification of investments from one category to the other, if done, is in accordance with RBI

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

guidelines. Transfer of scripts from AFS / HFT category to HTM category is made at the lower of book value or market value. In the case of transfer of securities from HTM to AFS / HFT category, the investments held under HTM at a discount are transferred to AFS / HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS/ HFT at the amortized cost.

Transfer of investments from AFS to HFT or vice-a-versa is done at the book value. Depreciation carried, if any, on such investments is also transferred from one category to another.

D) VALUATION

Investments categorized under AFS and HFT categories are marked to market (MTM) on a periodical basis as per relevant RBI guidelines. Net depreciation, if any, in the category under the classification mentioned in Schedule 8 ('Investments') is recognized in the profit and loss account. The net appreciation, if any, in the category under each classification is ignored, except to the extent of depreciation previously provided. The book value of individual securities is not changed consequent to periodic valuation of investments.

Investments received in lieu of restructured advances/under Strategic Debt Restructuring (SDR) scheme are valued in accordance with RBI guidelines. Any diminution in value on these investments is provided for and is not used to set off against appreciation in respect of other performing securities in that category. Depreciation on equity shares acquired and held by the Bank under SDR scheme is provided as per RBI guidelines.

Investments classified under the HTM category are carried at their acquisition cost and any premium over the face value, paid on acquisition, is amortized on a straight line basis over the remaining period to maturity. Amortization expense of premia on investments in the HTM

category is deducted from interest income in accordance with RBI Circular DBR.No.BP. BC.6/21.04.141/2015-16 dated July 01, 2015. Where in the opinion of management, a diminution, other than temporary in the value of investments classified under HTM has taken place, suitable provisions are made.

Treasury Bills, Commercial Paper and Certificates of deposit being discounted instruments, are valued at carrying cost.

Pass Through Certificates purchase for priority sector lending requirements are valued at Book Value in accordance with FIMMDA guidelines FIMCIR/2017-18/001/April 03, 2017.

The market/ fair value applied for the purpose of periodical valuation of quoted investments included in the AFS and HFT categories is the market price of the scrip as available from the trades/ quotes on the stock exchanges and for Subsidiary General Ledger ('SGL') account transactions, the prices as periodically declared by Primary Dealers Association of India jointly with FIMMDA.

The market/fair value of unquoted government securities included in the AFS and HFT category is determined as per the prices published by FIMMDA. Further, in the case of unquoted bonds, debentures, pass through certificates (other than priority sector) and preference shares, valuation is carried out by applying an appropriate mark-up (reflecting associated credit risk) over the Yield to Maturity ('YTM') rates of government securities. Such mark up and YTM rates applied are as per the relevant rates published by FIMMDA.

The Bank undertakes short sale transactions in Central Government dated securities in accordance with RBI guidelines. The short position is reflected as the amount received on sale and is netted in the Investment schedule. The short position is marked to market and loss, if any, is charged to the Profit and Loss account while gain,

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

if any, is ignored. Profit / Loss on settlement of the short position is recognized in the Profit and Loss account.

Units of Venture Capital Funds (VCF) held under AFS category are valued using the Net Asset Value (NAV) shown by VCF as per the financial statement. The VCFs are valued based on the audited results once in a year. In case the audited financials are not available for a period beyond 18 months, the investments are valued at ₹ 1 per VCF.

Quoted equity shares are valued at their closing price on a recognized stock exchange. Unquoted equity shares are valued at the break-up value if the latest balance sheet is available, else, at ₹ 1 per company, as per relevant RBI guidelines.

At the end of each reporting period, security receipts issued by the asset reconstruction company are valued in accordance with the guidelines applicable to such instruments, prescribed by RBI from time to time. Accordingly, in cases where the cash flows from security receipts issued by the asset reconstruction company are limited to the actual realization of the financial assets assigned to the instruments in the concerned scheme, the Bank reckons the net asset value obtained from the asset reconstruction company from time to time, for valuation of such investments at each reporting date.

Investments in quoted Mutual Fund (MF) Units are valued at the latest repurchase price/net asset value declared by the mutual fund. Investments in un-quoted MF Units are valued on the basis of the latest re-purchase price declared by the MF in respect of each particular Scheme.

Sovereign foreign currency Bonds are valued using either Composite Bloomberg Bond Trader (CBBT) price, Bloomberg Valuation Service (BVAL) price or on Treasury curve in the chronological order based on availability.

Masala bonds are valued using either Composite Bloomberg Bond Trader (CBBT) price, Bloomberg Valuation Service (BVAL) price or as per FIMMDA guided valuation methodology for unquoted bonds in the chronological order based on availability.

Special bonds such as oil bonds, fertilizer bonds, UDAY bonds etc. which are directly issued by Government of India ('GOI') is valued based on FIMMDA valuation.

Non-performing investments are identified and depreciation / provision are made thereon based on the RBI guidelines. Based on management assessment of impairment, the Bank may additionally create provision over and above the RBI guidelines. The depreciation / provision on such non-performing investments are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognized in the Profit and Loss account until received.

E) PROFIT/LOSS ON SALE OF INVESTMENTS

Profit/Loss on sale of Investments in the HTM category is recognized in the profit and loss account and profit thereafter is appropriated (net of applicable taxes and statutory reserve requirements) to Capital Reserve. Profit/Loss on sale of investments in HFT and AFS categories is recognized in the Profit and Loss account.

F) ACCOUNTING FOR REPOS / REVERSE REPOS

Securities sold under agreements to repurchase (Repos) and securities purchased under agreements to resell (Reverse Repos) including liquidity adjustment facility (LAF) with RBI are treated as collateralized borrowing and lending transactions respectively in accordance with RBI master circular No. DBR.No.BP. BC.6/21.04.141/2015-16 dated 1 July 2015. The first leg of the repo transaction is contracted at the prevailing market rates. The difference between consideration amounts of first and

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

second (reversal of first) leg reflects interest and is recognized as interest income/expense over the period of transaction.

Bank also undertakes Repo and Reverse repo transactions from IFSC Banking Unit in GIFT City in Foreign currency Sovereign Securities and accounting is similar to the domestic repo transactions.

18.4.4 ADVANCES

ACCOUNTING AND CLASSIFICATION

Advances are classified as performing and non-performing based on the relevant RBI guidelines. Advances are stated net of specific provisions, interest in suspense, inter-bank participation certificates issued and bills rediscounted.

PROVISIONING

Provisions in respect of non-performing advances are made based on management's assessment of the degree of impairment of the advances, subject to the minimum provisioning level prescribed in relevant RBI guidelines.

The specific provision levels for retail non-performing assets are also based on the nature of product and delinquency levels. Specific provisions in respect of non-performing advances are charged to the Profit and Loss account and included under Provisions and Contingencies.

As per the RBI guidelines a general provision is made on all standard advances, including provision for borrowers having unhedged foreign currency exposure and for credit exposures computed as per the current marked to market values of interest rate and foreign exchange derivative contracts. The Bank also maintains additional general provisions on standard exposure based on the internal credit rating matrix as approved by the Board of the Bank. These provisions are included in Schedule 5 - 'Other liabilities & provisions - Others'.

Further to the provisions required to be held according to the asset classification status, provisions are held for individual country exposures (other than for home

country exposure). Countries are categorized into risk categories as per Export Credit Guarantee Corporation of India Ltd. ('ECGC') guidelines and provisioning is done in respect of that country where the net funded exposure is one percent or more of the Bank's total assets.

In respect of restructured standard and non-performing advances, provision is made for the present value of principal and interest component sacrificed at the time of restructuring the assets, based on the RBI guidelines.

Accounts are written-off in accordance with the Bank's policies. Recoveries from bad debts written-off are recognized in the Profit and Loss account and included under other income.

In case of loans sold to asset reconstruction company and consideration is more than net book value, the Bank records the security receipts at Net Book Value as per RBI guidelines.

18.4.5 TRANSACTIONS INVOLVING FOREIGN EXCHANGE

Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of the transaction. Income and expenditure items of integral foreign operations (representative offices) are translated at the daily average closing rates and of non-integral foreign operations (foreign branches) at the monthly average closing rates.

Premia/discounts on foreign exchange swaps, that are used to hedge risks arising from foreign currency assets and liabilities, are amortized over the life of the swap.

Monetary foreign currency assets and liabilities are translated at the balance sheet date at rates notified by the Foreign Exchange Dealers' Association of India ('FEDAI'). Foreign exchange contracts are stated at net present value using LIBOR/SWAP curves of the respective currencies. The resulting profits or losses are recognized in the profit and loss account.

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

In accordance with AS 11 'The Effects of changes in Foreign Exchange Rates', contingent liabilities in respect of outstanding foreign exchange forward contracts, derivatives, guarantees, endorsements and other obligations are stated at the exchange rates notified by FEDAI corresponding to the balance sheet date.

Both monetary and non-monetary foreign currency assets and liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date and the resulting profit / loss arising from exchange differences are accumulated in the Foreign Currency Translation Account until remittance or the disposal of the net investment in the non-integral foreign operations in accordance with AS - 11.

18.4.6 EARNINGS PER SHARE

The Bank reports basic and diluted earnings per equity share in accordance with Accounting Standard (AS) 20, "Earnings per Share" notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. Basic earnings per equity share have been computed by dividing net profit after tax for the year by the weighted average number of equity shares outstanding for the period.

Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period except where the results are anti dilutive.

18.4.7 ACCOUNTING FOR DERIVATIVE TRANSACTIONS

Derivative transactions comprises forward rate agreements, swaps and option contracts. The Bank undertakes derivative transactions for market making/trading and hedging on-balance sheet assets and liabilities. All market making/trading transactions are marked to market on a monthly and the resultant unrealized gains/losses are recognized in the profit and loss account.

Derivative transactions that are undertaken for hedging are accounted for on accrual basis except for the

transaction designated with an asset or liability that is carried at market value or lower of cost or market value in the financial statements, which are accounted similar to the underlying asset or liability.

The Bank follows the option premium accounting framework prescribed by FEDAI SPL- circular dated December 14, 2007. Premium on option transaction is recognized as income/expense on expiry or early termination of the transaction. Mark to market (MTM) gain/loss (adjusted for premium received/paid on option contracts) is recorded under 'Other Income'.

The amounts received/paid on cancellation of option contracts are recognized as realized gains/losses on options. Charges receivable/payable on cancellation/ termination of foreign exchange forward contracts and swaps are recognized as income/ expense on the date of cancellation/ termination under 'Other Income'.

The requirement for collateral and credit risk mitigation on derivative contracts is assessed based on internal credit policy. Overdues if any, on account of derivative transactions are accounted in accordance with extant RBI guidelines.

As per the RBI guidelines on 'Prudential Norms for Off-balance Sheet Exposures of Banks' a general provision is made on the current gross MTM gain of the contract for all outstanding interest rate and foreign exchange derivative transactions.

Cross currency interest rate swaps which are used by the Bank to hedge its foreign currency borrowings have been designated as cash flow hedges and are measured at fair value. The corresponding gain or loss is recognized as cash flow hedge reserve. Further to match profit/ loss on account of revaluation of foreign currency borrowing, the corresponding amount is recycled from cash flow hedge reserve to Profit and Loss account.

18.4.8 FIXED ASSETS

Fixed assets are stated at cost less accumulated depreciation, amortization and accumulated impairment losses. Cost comprises the purchase price

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

and any cost attributable for bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future benefit /functioning capability from / of such assets.

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. If such assets are considered to be impaired, the impairment is recognized by debiting the profit and loss account and is measured as the amount by which the carrying amount of the assets exceeds the fair value of the assets.

18.4.9 DEPRECIATION

Depreciation on fixed assets is provided on straight-line method, overestimated useful lives, as determined by the management, at the rates mentioned below-

Class of asset	Useful life of Assets as per Companies Act, 2013	Useful life of Assets as per Bank's Accounting Policy
Owned Premises	60 years	60 years
Office equipment	5 years	5 years
Computer hardware ¹	6 years	3 years
Computer software *	6 years	4 years
Vehicles ¹	8 years	5 years
Furniture and Fixtures	10 years	10 years
Automated Teller Machines ('ATMs') ¹	15 years	10 years
Leasehold improvements to premises	Over the lease period or 9 years whichever is less.	

*As per RBI Guidelines.

¹ Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

- Assets costing up to ₹ 5,000 are fully depreciated in the year of purchase.
- For assets purchased/sold during the year, depreciation is being provided on pro rata basis by the Bank.
- Improvements to leasehold assets are depreciated over the remaining period of lease
- Reimbursement, if any, is recognized on receipt and is adjusted to the book value of asset and depreciated over the balance life of the asset
- Whenever there is a revision in the estimated useful life of the asset, the unamortized depreciable amount is charged over the revised remaining useful life of the said asset
- The useful life of assets is based on historical experience of the Bank, which is different from the useful life as prescribed in Schedule II to the Companies Act, 2013.

18.4.10 IMPAIRMENT OF ASSETS

The Bank assesses at each balance sheet date whether there is any indication that an asset may be impaired. Impairment loss, if any, is provided in the Profit and Loss account to the extent the carrying amount of assets exceeds their estimated recoverable amount.

18.4.11 EMPLOYEE BENEFITS

EMPLOYEE STOCK OPTION SCHEME ('ESOS')

The Employee Stock Option Scheme ('the Scheme') provides for the grant of options to acquire equity shares of the Bank to its employees. The options granted to employees vest in a graded manner and these may be exercised by the employees within a specified period.

Measurement of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments issued by Institute of Chartered Accountants of India (ICAI) and SEBI (Share Based Employee Benefits) Regulations, 2014. The Bank measures compensation

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

cost relating to employee stock options using the intrinsic value method. Compensation cost is measured by the excess, if any, of the fair market price of the underlying stock (i.e. the last closing price on the stock exchange on the day preceding the date of grant of stock options) over the exercise price. The exercise price of the Bank's stock option is the last closing price on the stock exchange on the day preceding the date of grant of stock options and accordingly there is no compensation cost under the intrinsic value method.

LEAVE SALARY

The employees of the Bank are entitled to carry forward a part of their unavailed/unutilized leave subject to a maximum limit. The employees cannot encash unavailed/unutilized leave. The Bank provides for leave encashment / compensated absences based on an independent actuarial valuation at the Balance Sheet date, which includes assumptions about demographics, early retirement, salary increases, interest rates and leave utilization.

GRATUITY

The Bank provides for gratuity, a defined benefit retirement plan, covering eligible employees. The plan provides for lump sum payments to vested employees at retirement or upon death while in employment or on termination of employment for an amount equivalent to 15 days' eligible salary payable for each completed year of service if the service is more than 5 years. The Bank accounts for the liability for future gratuity benefits using the projected unit cost method based on annual actuarial valuation.

The defined gratuity benefit plans are valued by an independent actuary as at the Balance Sheet date using the projected unit credit method as per the requirement of AS-15, Employee Benefits, to determine the present value of the defined benefit obligation and the related service costs. Under this method, the determination is based on actuarial calculations, which include assumptions about demographics, early retirement, salary increases and interest rates. Actuarial gain or loss is recognized in the Profit and Loss account.

PROVIDENT FUND

In accordance with law, all employees of the Bank are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Bank contribute monthly at a pre-determined rate. Contribution to provident fund are recognized as expense as and when the services are rendered. The Bank has no liability for future provident fund benefits other than its annual contribution.

NEW PENSION SCHEME

The National Pension System (NPS) is a defined contribution retirement plan. The primary objective is enabling systematic savings and to provide retirees with an option to achieve financial stability. Pension contributions are invested in the pension fund schemes. The Bank has no liability for future fund benefits other than its annual contribution for the employees who agree to contribute to the scheme.

18.4.12 LEASES

Leases where the lessor effectively retains substantially all risks and benefits of ownership are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term in accordance with Accounting Standard -19, Leases.

18.4.13 INCOME TAXES

Tax expense comprises current and deferred tax. Current tax comprises of the amount of tax for the period determined in accordance with the Income Tax Act, 1961 and the rules framed there under. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences between the carrying values of assets and liabilities and their respective tax bases, and operating loss carry forwards. Deferred tax assets and liabilities are measured using the enacted or substantively enacted tax rates at the balance sheet date.

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. In case of unabsorbed depreciation or carried forward loss under taxation laws, all deferred tax assets are recognized only if there is virtual certainty of realization of such assets supported by convincing evidence. Deferred tax assets are reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably/virtually certain to be realized.

18.4.14 PROVISIONS AND CONTINGENT ASSETS/LIABILITIES

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Bank does not recognize a contingent liability but discloses its existence in the financial statements

In accordance with AS 29, Provisions, Contingent Liabilities and Contingent Assets, the Bank creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

18.4.15 CASH AND CASH EQUIVALENT

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

18.4.16 CORPORATE SOCIAL RESPONSIBILITY

Expenditure towards corporate social responsibility, in accordance with Companies Act, 2013, are recognized in the Profit and Loss account.

18.4.17 DEBIT AND CREDIT CARDS REWARD POINTS

The Bank estimates the probable redemption of debit and credit card reward points and cost per point using actuarial valuation method by employing an independent actuary, which includes assumptions such as mortality, redemption and spends.

Provisions for liabilities on said reward points are made based on the actuarial valuation report as furnished by the said independent actuary and included in other liabilities.

18.4.18 BULLION

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on a price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee is classified in other income. The Bank also deals in bullion on a borrowing and lending basis and the interest paid / received thereon is classified as interest expense / income respectively.

18.4.19 SHARE ISSUE EXPENSES

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

18.4.20 SEGMENT INFORMATION

The disclosure relating to segment information is in accordance with AS-17, Segment Reporting and as per guidelines issued by RBI.

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

18.4.21 PRIORITY SECTOR LENDING CERTIFICATES (PSLC)

The Bank vide RBI circular FIDD.CO.Plan.BC.23/ 04.09.01/2015-16 dated April 7, 2016 trades in priority sector portfolio by selling or buying PSLC. There is no transfer of risks or loan assets in these transactions. The fee paid for purchase of the PSLC is treated as an 'Expense' and the fee received from the sale of PSLCs is treated as 'Other Income'.

18.5.1 CAPITAL

18.5.1.1 EQUITY ISSUE

During the financial year ended March 31, 2017, the Bank has issued 32,711,000 equity shares of ₹ 10 each for cash pursuant to a Qualified Institutions Placement (QIP) at ₹ 1,500 per share aggregating to ₹ 49,066.50 millions. The Bank accreted ₹ 48,239.39 millions (net of share issue expenses of ₹ 500 millions) as premium, on account of QIP. Provision on share issue expenses created by debiting to share premium account is on estimated basis. 18.5.5.5 DISCLOSURES ON RISK EXPOSURE IN DERIVATIVES

As per RBI Master circular DBR.BP.BC.No.23/21.04.018/2015-16 dated July 1, 2015, the following disclosures are being made with respect to risk exposure in derivatives of the Bank:

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

- a) Purpose: The Bank uses Derivatives including Forwards & swaps for various purposes viz. hedging its currency and interest rate risk in its balance sheet, customer offerings and proprietary trading. The management of these products and businesses is governed by the Market Risk Policy, Investment Policy, Derivatives Policy, Derivatives Appropriateness Policy, Hedging Policy and ALM policy.
- b) Structure: The Board of Directors of the Bank have constituted a Board level sub-committee, the Risk Monitoring Committee ('RMC') and delegated to it all functions and responsibilities relating to the risk management policy of the Bank and its supervision thereof.
- c) As part of prudent business and risk management practice, the Bank has also instituted a comprehensive limit and control structure encompassing Value-at-Risk (VAR), Sensitivity, Greeks, Stop loss & credit limits for derivative transactions including a robust suitability and appropriateness framework. The Bank has an elaborate internal reporting mechanism providing regular reports to the RMC as well as Top management of the Bank. Such a structure helps the Bank to monitor and mitigate market risk across FX, interest rates as well as credit risk, operational risk, reputational risk and legal risk.
- d) The Bank has an independent Middle Office and Market Risk, which are responsible for monitoring, measurement, and analysis of derivative related risks, among others. The Bank has a Credit Risk Management unit which is responsible for setting up counterparty limits and also a treasury operation unit which is responsible for managing operational aspects of derivatives control function and settlement of transactions. The Bank is subject to a concurrent audit for all treasury transactions, including derivatives, a monthly report of which is periodically submitted to the Audit & Compliance Committee of the Bank.
- e) In addition to the above, the Bank independently evaluates the potential credit exposure on account of all derivative transactions, wherein risk limits are specified separately for each product, in terms of both credit exposure and tenor. As mandated by the Credit Policy of the Bank, the Bank has instituted an approval structure for all treasury/derivative related credit exposures. Wherever necessary, appropriate credit covenants are stipulated as trigger events to call for collaterals or terminate a transaction and contain the risk.
- f) The Bank reports all trading positions to the management on a daily basis. The Bank revalues its trading position on a daily basis for Management and Information System ('MIS') and control purposes and records the same in the books of accounts on a monthly basis.
- g) For derivative contracts in the banking book designated as hedge, the Bank documents at the inception of the relationship between the hedging instrument and the underlying exposure, the risk management objective for undertaking the hedge and ALCO monitors all outstanding hedges on a periodical basis. Further the Bank's 'Hedging Policy' has stipulated conditions to ensure that the Hedges entered into are effective.

b. *Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy-*

The Bank has framed Compensation and benefit policy based on the guidelines contained in the RBI circular DBOD No. BC.72/29.67.001/2011-

12 dated January 13, 2012 which is approved by the Nomination and Remuneration Committee on January 7, 2013. The remuneration of MD & CEO/Wholtime Directors will be in accordance with the above mentioned circular and shall be reviewed basis RBI guidelines issued from time to time and approved by N&RC before obtaining Regulatory approvals.

The compensation philosophy of the Bank is aligned to the organizational values aimed at encouraging Professional Entrepreneurship and reinforcing a strong culture promoting meritocracy, performance, potential and prudent risk taking.

The Bank's Remuneration policy is to position its pay structure competitively in relation to the market to be able to attract and retain critical talent. The compensation strategy clearly endeavors to differentiate performance significantly and link the same with quality and quantum of rewards. The Bank also strives to create long term wealth creation opportunities through stock option schemes.

Human Capital Management shall review the policy annually or as required, based on changes in statutory, regulatory requirements and industry practices pertaining to Compensation and Benefits.

c. *Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks*

The broad factors taken into account for the Annual Review /revision of Fixed Compensation (TCC) & Performance Bonus are:

- Individual performance based on the Annual Performance Review (APR) process of the Bank.

SCHEDULES

FORMING PART OF FINANCIAL STATEMENTS

2. Business Unit performance in terms of financial outcomes, productivity, etc.
3. Consideration of all types of risk factors and shall be symmetrical with risk outcomes as well as sensitive to the time horizon of risk.
4. Profitability of the Bank.
5. Industry Benchmarking and consideration towards cost of living adjustment/inflation

The Bank subscribes to a 'Sum-of-Parts' compensation methodology, which is reflective of the Bank's commitment and philosophy of creating and sharing value with its employee partners.

The sum-of-parts compensation comprises:

FIXED COMPENSATION

Variable Compensation in the form of Performance Bonus

EMPLOYEE STOCK OPTION PLANS (ESOP)

The Board of Directors of the Bank through its Nomination and Remuneration Committee (N&RC) shall exercise oversight & effective governance over the framing and implementing of the Compensation policy. - d. *Description of the ways in which the Bank seeks to link performance during a performance measurement period with levels of remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.*

The Bank ensures that the compensation remains adjusted for all types of risk, symmetrical with risk outcomes as well as sensitive to the time horizon

of risk. Further, the compensation in all forms will be consistent with the risk alignment.

One of the key factors to be considered for the Annual Review /revision of Fixed Compensation (TCC) & Performance Bonus includes individual performance based on the Annual Performance Review (APR) process of the Bank. The evaluation on risk management parameters is an integral part of the Annual Performance Review process, forming part of Key Result Areas of the executives with suitable weightage. The inputs for assessment on these parameters will be independently provided by the Risk Management function of the Bank.

For the services pertaining to financial year 2015-16 where variable pay is 50% or more, 40-60% shall be deferred over minimum period of 3 years. In the event of a negative contribution, deferred compensation shall be subject to appropriate malus/claw back arrangements as decided by the N&RC. Guaranteed bonus shall not be a part of the compensation plan.

The compensation for executives in Risk Control and Compliance functions shall be independent of the business areas they oversee.

The Bank shall not provide any facility or funds or permit employees to insure or hedge their compensation structure to offset the risk alignment effects embedded in their compensation arrangement.

- e. *Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the Bank utilizes and the rationale for using these different forms.*

The Bank subscribes to a 'Sum-of-Parts' compensation methodology, which is reflective of the commitment and philosophy of creating and sharing value with the employee partners. The sum-of-parts compensation for executives comprises:

FORMING PART OF FINANCIAL STATEMENTS

LIQUIDITY COVERAGE RATIO (LCR):

The Bank measures and monitors the LCR in line with the Reserve Bank of India's circular dated June 09, 2014 and November 28, 2014 on "Basel III Framework on Liquidity Standards - Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards" as amended for "Prudential Guidelines on Capital Adequacy and Liquidity Standards" dated March 31, 2015. The LCR guidelines aims to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario. At a minimum, the stock of liquid assets should enable the bank to survive until day 30 of the stress scenario, by which time it is assumed that appropriate corrective actions can be taken. Banks are required to maintain High Quality Liquid Assets of a minimum of 100% of its Net Cash Outflows by January 01, 2019. However, with a view to provide transition time, the guidelines mandate a minimum requirement of 60% w.e.f. January 01, 2015 and a step up of 10% every year to reach the minimum requirement of 100% by January 01, 2019. Currently, the LCR applicable is 80%. The adequacy in the LCR maintenance is an outcome of a conscious strategy of the Bank towards complying with LCR mandate ahead of the stipulated timelines. The maintenance of LCR, both on end of period and on a average basis, has been on account of multiple factors viz. increase in excess SLR, existing eligibility in Corporate Bond Investments, increase in Retail deposits and increase in non callable deposits.

Board of Directors of the Bank has empowered ALCO (Top Management Executive Committee) to monitor and strategize the Balance Sheet profile of the Bank. In line with the business strategy, ALCO forms an Interest Rate/Liquidity view for the bank with the help of the economic analysis provided by the in-house economic research team of the bank. ALCO of the Bank channelizes various business segments of the Bank to target good quality asset and liability profile to meet the Bank's profitability as well as Liquidity requirements with the help of robust MIS and Risk Limit architecture of the Bank.

Funding strategies are formulated by the ALCO of the Bank. The objective of the funding strategy is to achieve an optimal funding mix which is consistent with prudent liquidity, diversity of sources and servicing costs. Accordingly, BSMG (Balance Sheet Management Group) of the Bank estimates daily liquidity requirement of the various business segments and manages the same on consolidated basis under ALCO guidance. With the help of Structural and Liquidity Statement prepared by the Bank, BSMG evaluates liquidity requirement and takes necessary action. Periodical reports are also placed before the ALCO for perusal and review.

The Bank's HQLA comprises of Excess CRR, Excess SLR, eligible foreign sovereign investments, Marginal Standing Facility (MSF) and Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR) as permitted under prudential guidance and eligible Level 2 investments. The Bank has a very limited exposure to liquidity risk on account of its Derivatives portfolio. Further, the Bank believes that all inflows and outflows which might have a material impact under the liquidity stress scenario have been considered for the purpose of LCR. Further, SLR investments as well as Corporate Bond portfolio of the Bank considered for HQLA is also well diversified across various instruments and Liquid Asset Type Mix and should provide the Bank with adequate and timely liquidity.

The daily average LCR for quarter ending March 31, 2017 is 88.1% which is comfortably above RBI prescribed minimum requirement of 80%.

Further for the financial year ending 2016 and 2017, the Bank has considered nil operational deposit pending approval from RBI.

18.7.8 UNHEDGED FOREIGN CURRENCY EXPOSURE OF BANK'S CUSTOMER

The Bank has in place a policy on managing credit risk arising out of unhedged foreign currency exposures of its borrowers. The objective of this policy is to maximize the hedging on foreign currency exposures of borrowers by reviewing their foreign currency product portfolio and encouraging them to hedge the unhedged portion. In line with the policy, assessment of unhedged foreign currency exposure is a part of assessment of borrowers and is undertaken while proposing limits or at the review stage. Additionally, at the time of sanctioning limits for all clients, the Bank stipulates a limit on the unhedged foreign currency exposure of the client (as a % of total foreign currency exposure sanctioned by the

Bank) after considering factors such as internal rating of the borrower, size, possibility of natural hedging, sophistication of borrower and maturity of borrower's financial systems, relative size of unhedged foreign currency exposure with respect to total borrowings of the client, etc. Further, the Bank reviews the unhedged foreign currency exposure across its portfolio on a periodic basis. The Bank also maintains incremental provision and capital towards the unhedged foreign currency exposures of its borrowers in line with the extant RBI guidelines.

The Bank has maintained provision of ₹ 558.08 millions (previous year of ₹ 586.87 millions) and additional capital of ₹ 2,413.54 millions (previous year of ₹ 2,485.69 millions) on account of Unhedged Foreign Currency Exposure of its borrowers as at March 31, 2017.

18.7.15 DESCRIPTION OF CONTINGENT LIABILITIES

Sr. No.	Contingent Liabilities	Brief
1.	Claims against the Bank not acknowledged as debts	The Bank is a party to various legal and tax proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows.
2.	Liability on account of forward exchange and derivative contracts.	The Bank enters into foreign exchange contracts, currency options, forward rate agreements, currency swaps and interest rate swaps with interbank participants and customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts of financial instruments of such foreign exchange contracts and derivatives provide a basis for comparison with instruments recognized on the balance sheet but do not necessarily indicate the amounts of future cash flows involved or the current fair value of the instruments and, therefore, do not indicate the Bank's exposure to credit or price risks. The derivative instruments become favorable (assets) or unfavorable (liabilities) as a result of fluctuations in market rates or prices relative to their terms. The aggregate contractual or notional amount of derivative financial instruments on hand, the extent to which instruments are favorable or unfavorable and, thus the aggregate fair values of derivative financial assets and liabilities can fluctuate significantly.
3.	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities the Bank issues documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfill its financial or performance obligations.
4.	Other items for which the Bank is contingently liable	<ul style="list-style-type: none"> - Value dated purchase of securities - Capital commitments - Amount deposited with RBI under Depositor Education Awareness Fund - Foreign Exchange Contracts (Tom & Spot)

INDEPENDENT AUDITORS' REPORT

To,
The Members of YES Bank Limited

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of YES Bank Limited (hereinafter referred to as 'the Holding Company') and its subsidiary (the Holding Company and the subsidiary together referred to as 'the Group'), comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Profit and Loss Account, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014, provisions of Section 29 of the Banking Regulation Act, 1949 and the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI') from time to time.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and

the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2017, their consolidated profit and their consolidated cash flows for the year ended on that date.

OTHER MATTERS

The consolidated financial statements of the Group for the year ended March 31, 2016 were audited by another auditor who expressed an unmodified opinion on those statements on April 27, 2016.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

The disclosure required on holdings as well as dealings in Specified Bank Notes (SBNs) during the period from November 08, 2016 to December 30, 2016 as envisaged in notification GSR 308(E) dated March 30, 2017 issued by the Ministry of Corporate Affairs, is not applicable to the Bank. The subsidiary of the Bank has NIL reporting for this disclosure. Refer Note 18.21 to the financial statements.

Further, as required by Section 143(3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

- (b) in our opinion, proper books of account as required by law relating to the presentation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
- (c) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) on the basis of the written representations received from the directors of the Holding Company and of the Subsidiary as on March 31, 2017 taken on record by the Board of Directors of the respective companies, none of the directors of the Group is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the

Group – Refer Note 18.18 to the consolidated financial statements;

- (ii) provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note 18.20 to the consolidated financial statements;

- (iii) There has been no delay in transferring amounts, required to be transferred, to the

Investor Education and Protection Fund by the Holding Company and its subsidiary.

ANNEXURE A

TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF YES BANK LIMITED

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our report of the consolidated financial statements of YES Bank Limited and its subsidiary (collectively referred to as 'the Group') as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of YES Bank Limited (hereinafter referred to as the 'Holding Company') and its subsidiary.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal

financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

ANNEXURE A

TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF YES BANK LIMITED

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

18 SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2017

18.1 BACKGROUND

YES BANK Limited ('the Bank') is a private sector Bank promoted by the late Mr. Ashok Kapur and Mr. Rana Kapoor. YES BANK Limited together with its subsidiary is a publicly held bank engaged in providing a wide range of banking and financial services. YES BANK Limited is a banking company governed by the Banking Regulation Act, 1949. The Bank was incorporated as a limited company under the Companies Act, 1956 on November 21, 2003. The Bank received the license to commence banking operations from the Reserve Bank of India ('RBI') on May 24, 2004. Further, YES BANK was included to the Second Schedule of the Reserve Bank of India Act, 1934 with effect from August 21, 2004.

YES Securities (India) Limited (the Company) was incorporated on March 14, 2013 as a wholly owned subsidiary of YES BANK Limited (YBL/Holding Company). The Company is a securities broker registered with Securities and Exchange Board of India since July 08, 2013. The Company also got SEBI registration as Category I Merchant Banker w.e.f. September 03, 2015. The Company offers, inter alia, trading/investment in equity, merchant banking and other financial products along with various value added services. The Company is member of National Stock Exchange (NSE) since May 02, 2013 and the Bombay Stock Exchange (BSE) since June 11, 2013

18.2 PRINCIPLES OF CONSOLIDATION

The consolidated financial statements comprise the financial statements of YES Bank Limited, and its subsidiary, Yes Securities (India) Limited, which together constitute the 'Group'.

The Bank consolidates its subsidiaries in accordance with Accounting Standard ('AS') 21, Consolidated Financial Statements notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 issued by the

Ministry of Corporate Affairs to the extent applicable on a line-by-line basis by adding together the like items of assets, liabilities, income and expenditure.

18.3 BASIS OF PREPARATION

The consolidated financial statements have been prepared in accordance with requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Group used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by the Reserve Bank of India (RBI) from time to time, the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 to the extent applicable and practices generally prevalent in the banking industry in India. The Group follows the accrual method of accounting and the historical cost convention, except in the case of interest income on non-performing assets (NPAs), loans under strategic debt restructuring (SDR) and Sustainable Structuring of Stressed Assets (S4A) scheme of RBI where it is recognized upon realization.

18.4 USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions that are considered while reporting amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

18.5 SIGNIFICANT ACCOUNTING POLICIES

18.5.1 SIGNIFICANT CHANGES IN ACCOUNTING POLICY

PROPOSED DIVIDEND:

In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March, 2016, Group has not accounted for proposed dividend as a liability as at March 31, 2017. Proposed Dividend was however accounted for as a liability as at March 31, 2016 in line with the existing accounting standard applicable at that time.

The Board of Directors of the Group has recommended a dividend of ₹ 12 per equity share for approval by shareholders at the 13th Annual General Meeting. If approved the total liability arising to the Group would be ₹ 6,593.11 million (including dividend tax) in Fiscal year 2018 (previous year ₹ 5,061.52 million). The actual dividend payout may however change due to equity shares exercised by employees between the end of the financial year and the dividend declaration date.

ACCOUNTING FOR CASH FLOW HEDGE RESERVE:

The Group has applied the Guidance Note on Accounting for Derivative Contracts ('Guidance Note') issued by the Institute of Chartered Accountants of India effective from April 01, 2016 in respect of derivative contracts which are not covered by existing accounting standards or RBI guidelines. For the Group, this impacts the accounting for cross currency interest rate swaps which are used by the Group to hedge its foreign currency borrowings and have been designated as cash flow hedges under the Guidance Note. The adoption of the Guidance Note resulted in the recognition of derivative assets of ₹ 52.83 million, derivative liabilities of ₹ 212.96 million and a cash flow hedge reserve of (₹ 160.14) million as at March 31, 2017. The application of the Guidance Note has no impact on the net profit for the year ended March 31, 2017 as compared to the previous accounting policy followed by the Group.

18.5.2 REVENUE RECOGNITION

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

- Interest income is recognized in the profit and loss account on accrual basis, except in the case of non-performing assets and accounts under SDR

18.5.3 INVESTMENTS

Classification and valuation of the Group's investments are carried out in accordance with RBI Circular DBR. No. BP.BC.6/21.04.141/2015-16 dated July 01, 2015 and Fixed Income Money Market and Derivative Association (FIMMDA) guidelines FIMCIR/2017-18/001/ April 03, 2017.

ACCOUNTING AND CLASSIFICATION

Investments are recognized using the value date basis of accounting. In compliance with RBI guidelines, all investments, are categorized as "Held for trading" ('HFT'), "Available for sale" ('AFS') or "Held to maturity" ('HTM') at the time of its purchase. For the purpose of disclosure in the balance sheet, investments are classified as disclosed in Schedule 8 ('Investments') under six groups (a) government securities (b) other approved securities (c) shares (d) bonds and debentures (e) subsidiaries and joint ventures and (f) others.

- a) Cost of acquisition
Costs such as brokerage pertaining to investments, paid at the time of acquisition are charged to the profit and loss account as per the RBI guidelines.
- b) Basis of classification
Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT category. Investments that the Group intends to hold till maturity are classified under the HTM category, or as per RBI guidelines. Securities which are not classified in the above categories are classified under the AFS category.
- c) Transfer between categories
Reclassification of investments from one category to the other, if done, is in accordance with RBI

guidelines. Transfer of scrips from AFS / HFT category to HTM category is made at the lower of book value or market value. In the case of transfer of securities from HTM to AFS / HFT category, the investments held under HTM at a discount are transferred to AFS / HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS / HFT at the amortized cost.

Transfer of investments from AFS to HFT or vice-a-versa is done at the book value. Depreciation carried, if any, on such investments is also transferred from one category to another.

- d) Valuation
Investments categorized under AFS and HFT categories are marked to market (MTM) on a periodical basis as per relevant RBI guidelines. Net depreciation, if any, in the category under the classification mentioned in Schedule 8 ('Investments') is recognized in the profit and loss account. The net appreciation, if any, in the category under each classification is ignored, except to the extent of depreciation previously provided. The book value of individual securities is not changed consequent to periodic valuation of investments.

Investments received in lieu of restructured advances/under Strategic Debt Restructuring (SDR) scheme are valued in accordance with RBI guidelines. Any diminution in value on these investments is provided for and is not used to set off against appreciation in respect of other performing securities in that category. Depreciation on equity shares acquired and held by the Group under SDR scheme is provided as per RBI guidelines.

Investments classified under the HTM category are carried at their acquisition cost and any premium over the face value, paid on acquisition, is amortized on a straight line basis over the remaining period to maturity. Amortization expense of premia on investments in the HTM

category is deducted from interest income in accordance with RBI Circular DBR. No.BP. BC.6/21.04.141/2015-16 dated July 01, 2015. Where in the opinion of management, a diminution, other than temporary in the value of investments classified under HTM has taken place, suitable provisions are made.

Treasury Bills, Commercial Paper and Certificates of deposit being discounted instruments, are valued at carrying cost.

Pass Through Certificates purchase for priority sector lending requirements are valued at Book Value in accordance with FIMMDA guidelines FIMCIR/2017-18/001/April 03, 2017.

The market/fair value applied for the purpose of periodical valuation of quoted investments included in the AFS and HFT categories is the market price of the scrip as available from the trades/quotes on the stock exchanges and for Subsidiary General Ledger ('SGL') account transactions, the prices as periodically declared by Primary Dealers Association of India jointly with FIMMDA.

The market/fair value of unquoted government securities included in the AFS and HFT category is determined as per the prices published by FIMMDA. Further, in the case of unquoted bonds, debentures, pass through certificates (other than priority sector) and preference shares, valuation is carried out by applying an appropriate mark-up (reflecting associated credit risk) over the Yield to Maturity ('YTM') rates of government securities. Such mark up and YTM rates applied are as per the relevant rates published by FIMMDA.

The Group undertakes short sale transactions in Central Government dated securities in accordance with RBI guidelines. The short position is reflected as the amount received on sale and is netted in the Investment schedule. The short position is marked to market and loss, if any, is charged to the Profit and Loss account while gain,

if any, is ignored. Profit / Loss on settlement of the short position is recognized in the Profit and Loss account.

Units of Venture Capital Funds (VCF) held under AFS category are valued using the Net Asset Value (NAV) shown by VCF as per the financial statement. The VCFs are valued based on the audited results once in a year. In case the audited financials are not available for a period beyond 18 months, the investments are valued at ₹ 1 per VCF.

Quoted equity shares are valued at their closing price on a recognized stock exchange. Unquoted equity shares are valued at the break-up value if the latest balance sheet is available, else, at ₹ 1 per company, as per relevant RBI guidelines.

At the end of each reporting period, security receipts issued by the asset reconstruction company are valued in accordance with the guidelines applicable to such instruments, prescribed by RBI from time to time. Accordingly, in cases where the cash flows from security receipts issued by the asset reconstruction company are limited to the actual realization of the financial assets assigned to the instruments in the concerned scheme, the Group reckons the net asset value obtained from the asset reconstruction company from time to time, for valuation of such investments at each reporting date.

Investments in quoted Mutual Fund (MF) Units are valued at the latest repurchase price/net asset value declared by the mutual fund. Investments in un-quoted MF Units are valued on the basis of the latest re-purchase price declared by the MF in respect of each particular Scheme.

Sovereign foreign currency Bonds are valued using either Composite Bloomberg Bond Trader (CBBT) price, Bloomberg Valuation Service (BVAL) price or on Treasury curve in the chronological order based on availability.

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

Masala bonds are valued using either Composite Bloomberg Bond Trader (CBBT) price, Bloomberg Valuation Service (BVAL) price or as per FIMMDA guided valuation methodology for unquoted bonds in the chronological order based on availability.

Special bonds such as oil bonds, fertilizer bonds, UDAY bonds etc. which are directly issued by Government of India ('GOI') is valued based on FIMMDA valuation.

Non-performing investments are identified and depreciation/provision are made thereon based on the RBI guidelines. Based on management assessment of impairment, the Group may additionally create provision over and above the RBI guidelines. The depreciation/provision on such non-performing investments are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognized in the Profit and Loss account until received.

- e) Accounting for repos / reverse repos
Securities sold under agreements to repurchase (Repos) and securities purchased under agreements to resell (Reverse Repos) including liquidity adjustment facility (LAF) with RBI are treated as collateralized borrowing and lending transactions respectively in accordance with RBI master circular No. DBR. No. BP.BC. 6/21.04.141/2015-16 dated July 01, 2015. The first leg of the repo transaction is contracted at the prevailing market rates. The difference between consideration amounts of first and second (reversal of first) leg reflects interest and is recognized as interest income/expense over the period of transaction.

Group also undertakes Repo and Reverse repo transactions from IFSC Banking Unit in GIFT City in Foreign currency Sovereign Securities and accounting is similar to the domestic repo transactions.

- f) Profit/Loss on sale of Investments
Profit/Loss on sale of Investments in the HTM category is recognized in the profit and loss account and profit thereafter is appropriated (net of applicable taxes and statutory reserve requirements) to Capital Reserve. Profit/Loss on sale of investments in HFT and AFS categories is recognized in the Profit and Loss account.

18.5.4 ADVANCES

ACCOUNTING AND CLASSIFICATION

Advances are classified as performing and non-performing based on the relevant RBI guidelines. Advances are stated net of specific provisions, interest in suspense, inter-bank participation certificates issued and bills rediscounted.

PROVISIONING

Provisions in respect of non-performing advances are made based on management's assessment of the degree of impairment of the advances, subject to the minimum provisioning level prescribed in relevant RBI guidelines.

The specific provision levels for retail non-performing assets are also based on the nature of product and delinquency levels. Specific provisions in respect of non-performing advances are charged to the Profit and Loss account and included under Provisions and Contingencies.

As per the RBI guidelines a general provision is made on all standard advances, including provision for borrowers having unhedged foreign currency exposure and for credit exposures computed as per the current marked to market values of interest rate and foreign exchange derivative contracts. The Group also maintains additional general provisions on standard exposure based on the internal credit rating matrix as approved by the Board of the Group. These provisions are included in Schedule 5 - 'Other liabilities & provisions - Others'.

Further to the provisions required to be held according to the asset classification status, provisions are held for individual country exposures (other than for home

country exposure). Countries are categorised into risk categories as per Export Credit Guarantee Corporation of India Ltd. ('ECGC') guidelines and provisioning is done in respect of that country where the net funded exposure is one percent or more of the Group's total assets.

In respect of restructured standard and non performing advances, provision is made for the present value of principal and interest component sacrificed at the time of restructuring the assets, based on the RBI guidelines.

Accounts are written-off in accordance with the Group's policies. Recoveries from bad debts written-off are recognized in the Profit and Loss account and included under other income.

In case of loans sold to asset reconstruction company and consideration is more than net book value, the Group records the security receipts at Net Book Value as per RBI guidelines.

18.5.5 TRANSACTIONS INVOLVING FOREIGN EXCHANGE

Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of the transaction. Income and expenditure items of integral foreign operations (representative offices) are translated at the daily average closing rates and of non-integral foreign operations (foreign branches) at the monthly average closing rates.

Premia/discounts on foreign exchange swaps, that are used to hedge risks arising from foreign currency assets and liabilities, are amortized over the life of the swap.

Monetary foreign currency assets and liabilities are translated at the balance sheet date at rates notified by the Foreign Exchange Dealers' Association of India ('FEDAI'). Foreign exchange contracts are stated at net present value using LIBOR/SWAP curves of the respective currencies. The resulting profits or losses are recognized in the profit and loss account.

In accordance with AS 11 'The Effects of changes in Foreign Exchange Rates', contingent liabilities in respect of outstanding foreign exchange forward contracts, derivatives, guarantees, endorsements and other obligations are stated at the exchange rates notified by FEDAI corresponding to the balance sheet date.

Both monetary and non-monetary foreign currency assets and liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date and the resulting profit/loss arising from exchange differences are accumulated in the Foreign Currency Translation Account until remittance or the disposal of the net investment in the non-integral foreign operations in accordance with AS - 11.

18.5.6 EARNINGS PER SHARE

The Group reports basic and diluted earnings per equity share in accordance with Accounting Standard (AS) 20, "Earnings per Share" notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. Basic earnings per equity share have been computed by dividing net profit after tax for the year by the weighted average number of equity shares outstanding for the period.

Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period except where the results are anti dilutive.

18.5.7 ACCOUNTING FOR DERIVATIVE TRANSACTIONS

Derivative transactions comprises forward rate agreements, swaps and option contracts. The Group undertakes derivative transactions for market making/trading and hedging on-balance sheet assets and liabilities. All market making/trading transactions are marked to market on a monthly basis and the resultant unrealized gains/losses are recognized in the profit and loss account.

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

Derivative transactions that are undertaken for hedging are accounted for on accrual basis except for the transaction designated with an asset or liability that is carried at market value or lower of cost or market value in the financial statements, which are accounted similar to the underlying asset or liability.

The Group follows the option premium accounting framework prescribed by FEDAI SPL- circular dated December 14, 2007. Premium on option transaction is recognized as income/expense on expiry or early termination of the transaction. Mark to market (MTM) gain/loss (adjusted for premium received/paid on option contracts) is recorded under 'Other Income'.

The amounts received/paid on cancellation of option contracts are recognized as realized gains/losses on options. Charges receivable/payable on cancellation/termination of foreign exchange forward contracts and swaps are recognized as income/expense on the date of cancellation/termination under 'Other Income'.

The requirement for collateral and credit risk mitigation on derivative contracts is assessed based on internal credit policy. Overdues if any, on account of derivative transactions are accounted in accordance with extant RBI guidelines.

As per the RBI guidelines on 'Prudential Norms for Off-balance Sheet Exposures of Group's a general provision is made on the current gross MTM gain of the contract for all outstanding interest rate and foreign exchange derivative transactions.

Cross currency interest rate swaps which are used by the Bank to hedge its foreign currency borrowings have been designated as cash flow hedges and are measured at fair value. The corresponding gain or loss is recognized as cash flow hedge reserve. Further to match profit/ loss on account of revaluation of foreign currency borrowing, the corresponding amount is recycled from cash flow hedge reserve to Profit and Loss account.

18.5.8 FIXED ASSETS

Fixed assets are stated at cost less accumulated depreciation, amortization and accumulated impairment losses. Cost comprises the purchase price and any cost attributable for bringing the asset to its working condition for its intended use. Subsequent expenditure incurred on assets put to use is capitalized only when it increases the future benefit/ functioning capability from/ of such assets.

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. If such assets are considered to be impaired, the impairment is recognized by debiting the profit and loss account and is measured as the amount by which the carrying amount of the assets exceeds the fair value of the assets.

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

18.5.9 DEPRECIATION

Depreciation on fixed assets is provided on straight-line method, over estimated useful lives, as determined by the management, at the rates mentioned below-

Class of asset	Useful life of Assets as per Companies Act, 2013	Useful life of Assets as per Group's Accounting Policy
Owned Premises	60 years	60 years
Office equipment	5 years	5 years
Computer hardware ¹	6 years	3 years
Computer software *	6 years	4 years
Vehicles ¹	8 years	5 years
Furniture and Fixtures	10 years	10 years
Automated Teller Machines ('ATMs') ¹	15 years	10 years
Leasehold improvements to premises		Over the lease period or 9 years whichever is less.

*As per RBI Guidelines.

¹ Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

- Assets costing up to ₹ 5,000 are fully depreciated in the year of purchase.
- For assets purchased/sold during the year, depreciation is being provided on pro rata basis by the Group.
- Improvements to leasehold assets are depreciated over the remaining period of lease
- Reimbursement, if any, is recognized on receipt and is adjusted to the book value of asset and depreciated over the balance life of the asset
- Whenever there is a revision in the estimated useful life of the asset, the unamortised depreciable amount is charged over the revised remaining useful life of the said asset
- The useful life of assets is based on historical experience of the Group, which is different from the useful life as prescribed in Schedule II to the Companies Act, 2013.

18.5.10 EMPLOYEE BENEFITS

EMPLOYEE STOCK OPTION SCHEME ('ESOS')

The Employee Stock Option Scheme ('the Scheme') provides for the grant of options to acquire equity shares of the Group to its employees. The options granted to employees vest in a graded manner and these may be exercised by the employees within a specified period.

Measurement of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments issued by Institute of Chartered Accountants of India (ICAI) and SEBI (Share Based Employee Benefits) Regulations, 2014. The Group measures compensation cost relating to employee stock options using the intrinsic value method. Compensation cost is measured by the excess, if any, of the fair market price of the underlying stock (i.e. the last closing price on the stock exchange on the day preceding the date of grant of stock options) over the exercise price. The exercise price of the Group's stock option is the last closing price on the stock exchange on the day preceding the date of grant of stock options and accordingly there is no compensation cost under the intrinsic value method.

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

LEAVE SALARY

The employees of the Group are entitled to carry forward a part of their unavailed/unutilized leave subject to a maximum limit. The employees cannot encash unavailed/unutilized leave. The Group provides for leave encashment/compensated absences based on an independent actuarial valuation at the Balance Sheet date, which includes assumptions about demographics, early retirement, salary increases, interest rates and leave utilization.

GRATUITY

The Group provides for gratuity, a defined benefit retirement plan, covering eligible employees. The plan provides for lump sum payments to vested employees at retirement or upon death while in employment or on termination of employment for an amount equivalent to 15 days' eligible salary payable for each completed year of service if the service is more than 5 years. The Group accounts for the liability for future gratuity benefits using the projected unit cost method based on annual actuarial valuation.

The defined gratuity benefit plans are valued by an independent actuary as at the Balance Sheet date using the projected unit credit method as per the requirement of AS-15, Employee Benefits, to determine the present value of the defined benefit obligation and the related service costs. Under this method, the determination is based on actuarial calculations, which include assumptions about demographics, early retirement, salary increases and interest rates. Actuarial gain or loss is recognized in the Profit and Loss account.

PROVIDENT FUND

In accordance with law, all employees of the Group are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Group contribute monthly at a pre determined rate. Contribution to provident fund are recognized as expense as and when the services are rendered. The Group has no liability for future provident fund benefits other than its annual contribution.

NEW PENSION SCHEME

The National Pension System (NPS) is a defined contribution retirement plan. The primary objective is enabling systematic savings and to provide retirees with an option to achieve financial stability. Pension contributions are invested in the pension fund schemes. The Group has no liability for future fund benefits other than its annual contribution for the employees who agree to contribute to the scheme.

18.5.11 LEASES

Leases where the lessor effectively retains substantially all risks and benefits of ownership are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term in accordance with Accounting Standard -19, Leases.

18.5.12 INCOME TAXES

Tax expense comprises current and deferred tax. Current tax comprises of the amount of tax for the period determined in accordance with the Income Tax Act, 1961 and the rules framed there under. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences between the carrying values of assets and liabilities and their respective tax bases, and operating loss carry forwards. Deferred tax assets and liabilities are measured using the enacted or substantively enacted tax rates at the balance sheet date. The Group recognizes MAT credit available as an asset only to the extent that the Group, based on reasonable evidence, will be able to recoup/set off MAT credit against income tax liability during the specified period i.e. the period for which MAT credit set off is allowed.

The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have reasonable evidence that it will be able to recoup set off of MAT credit against the income tax liability during the specified period.

SCHEDULES

FORMING A PART OF CONSOLIDATED FINANCIAL STATEMENTS

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. In case of unabsorbed depreciation or carried forward loss under taxation laws, all deferred tax assets are recognized only if there is virtual certainty of realization of such assets supported by convincing evidence. Deferred tax assets are reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably/virtually certain to be realized.

18.5.13 PROVISIONS AND CONTINGENT ASSETS/LIABILITIES

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

In accordance with AS 29, Provisions, Contingent Liabilities and Contingent Assets, the Group creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

18.5.14 CASH AND CASH EQUIVALENT

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

18.5.15 CORPORATE SOCIAL RESPONSIBILITY

Expenditure towards corporate social responsibility, in accordance with Companies Act, 2013, are recognized in the Profit and Loss account.

18.5.16 SHARE ISSUE EXPENSES

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

18.5.17 SEGMENT INFORMATION

The disclosure relating to segment information is in accordance with AS-17, Segment Reporting and as per guidelines issued by RBI.

18.6 EQUITY ISSUE

18.13 ESOP DISCLOSURES

Statutory Disclosures Regarding Joining Stock Option Scheme:

The Group has Five Employee Stock Option Schemes viz.

- Joining Stock Option Plan I (JSOP I),
- Joining Employee Stock Option Plan II (JESOP II),
- Joining Employee Stock Option Plan III (JESOP III),
- YBL ESOP (consisting of two sub schemes JESOP IV/PESOP I)
- YBL JESOP V/PESOP II (Consisting of three sub schemes JESOP V/ PESOP II/PESOP II -2010).

The schemes include provisions for grant of options to eligible employees of the Group and its subsidiaries/ affiliates. All the aforesaid schemes have been approved by the Nomination & Remuneration Committee (N&RC) and the Board of Directors and were also approved by the members of the Group. All these schemes are administered by the N&RC.

Options under all the aforesaid plans are granted for a term of 10 years (inclusive of the vesting period) and are settled with equity shares being allotted to the beneficiary upon exercise.

JESOP II and JESOP III were in force for employees joining the Group up to March 31, 2006 and March 31, 2007 respectively.

YBL JESOP V is in force for employees joining the Group from time to time. Under JESOP V, 50% options vest takes place at the end of three years and remaining 50% at the end of five years from the date of Grant.

PESOP I, PESOP II and PESOP II - 2010 are Performance Stock Option Plans. Under PESOP I, 25% of the options granted would vest at the end of each year from the date of grant. Under PESOP II, 30% of the granted options

vest at the end of first year, 30% vest at the end of second year and balance 40% vest at the end of third year. Under YBL PESOP II - 2010, 30% of the granted options vest at the end of the third year, 30% vest at the end of the fourth year and balance 40% vest at the end of the fifth year.

Further, grants under PESOP II had been discontinued with effect from January 20, 2010.

A summary of the status of the Group's stock option plans as on March 31, 2017 and March 31, 2016 is set out below:

	As at March 31, 2017		As at March 31, 2016	
	PESOP	JESOP	PESOP	JESOP
Options outstanding at the beginning of the year	14,737,020	4,589,000	14,449,500	4,530,288
Granted during the year	872,050	821,500	2,378,350	1,427,250
Exercised during the year	2,226,137	1,017,035	1,812,580	982,963
Forfeited/lapsed during the year	422,500	270,475	278,250	385,575
Options outstanding at the end of the year	12,960,433	4,122,990	14,737,020	4,589,000
Options exercisable	4,527,933	824,490	3,990,320	990,825

Weighted average remaining contractual life of outstanding option (yrs)	1.86	2.12	2.10	2.07

The Group has charged Nil, being the intrinsic value of the stock options granted for the year ended March 31, 2017 and March 31, 2016. Had the Group adopted the Fair Value method (based on Black- Scholes pricing model), for pricing and accounting of options, net profit after tax would have been lower by ₹ 464.49 millions (Previous year: ₹ 414.23 millions), the basic earnings per share would have been ₹ 78.02 (Previous year: ₹ 59.40) per share instead of ₹ 79.12 (Previous year: ₹ 60.39) per share; and diluted earnings per share would have been ₹ 75.93 (Previous year: ₹ 58.11) per share instead of ₹ 77.00 (Previous year: ₹ 59.08) per share.

The following assumptions have been made for computation of the fair value of ESOP granted for the year ended March 31, 2017 and March 31, 2016.

	For the year March 31, 2017	For the year March 31, 2016
Risk free interest rate	6.29%-9.23%	7.38%-9.23%
Expected life	1.5 yrs - 7.5 yrs	1.5 yrs - 7.5 yrs
Expected volatility	25.01%-50.67%	25.01%-57.52%
Expected dividends	1.50%	1.50%

In computing the above information, certain estimates and assumptions have been made by the Management.

18.14 DEFERRED TAXATION

The net deferred tax asset of ₹ 6,036.41 millions as at March 31, 2017 and ₹ 4,776.73 millions as at March 31, 2016 is included under other assets and the corresponding credits have been taken to the profit and loss account.

18.18 DESCRIPTION OF CONTINGENT LIABILITIES

Sr. No.	Contingent Liabilities	Brief
1.	Claims against the Group not acknowledged as debts	The Group is a party to various legal and tax proceedings in the normal course of business. The Group does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows.
2.	Liability on account of forward exchange and derivative contracts.	The Group enters into foreign exchange contracts, currency options, forward rate agreements, currency swaps and interest rate swaps with interbank participants and customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts of financial instruments of such foreign exchange contracts and derivatives provide a basis for comparison with instruments recognized on the balance sheet but do not necessarily indicate the amounts of future cash flows involved or the current fair value of the instruments and, therefore, do not indicate the Group's exposure to credit or price risks. The derivative instruments become favorable (assets) or unfavorable (liabilities) as a result of fluctuations in market rates or prices relative to their terms. The aggregate contractual or notional amount of derivative financial instruments on hand, the extent to which instruments are favorable or unfavorable and, thus the aggregate fair values of derivative financial assets and liabilities can fluctuate significantly.
3.	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities the Group issues documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Group will make payments in the event of the customer failing to fulfill its financial or performance obligations.
4.	Other items for which the Group is contingently liable	<ul style="list-style-type: none"> - Value dated purchase of securities - Capital commitments - Amount deposited with RBI under Depositor Education Awareness Fund - Foreign Exchange Contracts (Tom & Spot)
<i>Refer Schedule 12 for amounts relating to contingent liability</i>
