Established in 2006 as a ready-to-use steel manufacturer, Kridhan Infra Limited has gradually transformed into a leading Engineering, Procurement and Construction player in Southeast Asia.

STRONG CORE SOLID GROWTH

We create critical solutions for powerful global economies, helping pen their development narrative, through our abilities in the domain of infrastructure. Our repertoire of skills span the entire value chain of foundation engineering, from soil investigation to piling – thus, enabling us to attract, retain and execute high-margin projects.

We have evolved into a robust organisation and diversified our revenue streams, through a series

of strategic acquisitions. Cross-country operations facilitate a high degree of capability-building within the organisation, elevating our core competencies on a global scale.

Growing on the strong foundation of a tenacious execution team, reliable completion record, healthy balance sheet and large captive equipment assets, we are poised to expand organically and consistently deliver a high quality of service.

Corporate Identity

Kridhan at a Glance

Kridhan Infra Limited (Kridhan) is a key player in the foundation engineering (FE) segment in Southeast Asia. Capitalising on our civil engineering strengths and decades of industry expertise in conjunction with state-of-the-art equipment, we have ably executed more than 400 projects in India, Singapore, Malaysia and Myanmar, among others. With industry-leading margins and leverage ratios, we are focused on delivering value for all stakeholders and sustaining balance sheet strength.

Our Engineering, Procurement and Construction (EPC) brands Vijay Nirman Company Pvt. Limited (VNC) and Swee Hong Limited (SHL) extensively resonate across the infrastructure space in India and Singapore. Under the aegis of KH Foges Pte. Limited (KHF), we catapulted from the ninth largest FE company in Singapore in 2012 to the second largest one at present. We are affiliated with iconic structures such as the Marina Bay Sands and the Singapore National Stadium in Singapore as well as the Yamuna Expressway in India. The most notable accolade of FY18 is the 'Foreign Entrepreneur of the Year' award, bestowed on our Managing Director, Mr. Anil Dhanpatlal Agrawal by the Singapore Indian Chamber of Commerce and Industry (SICCI).

Vision

To be a professionally managed organisation with focus on integrity, quality, customer satisfaction and financial responsibility towards our shareholders.

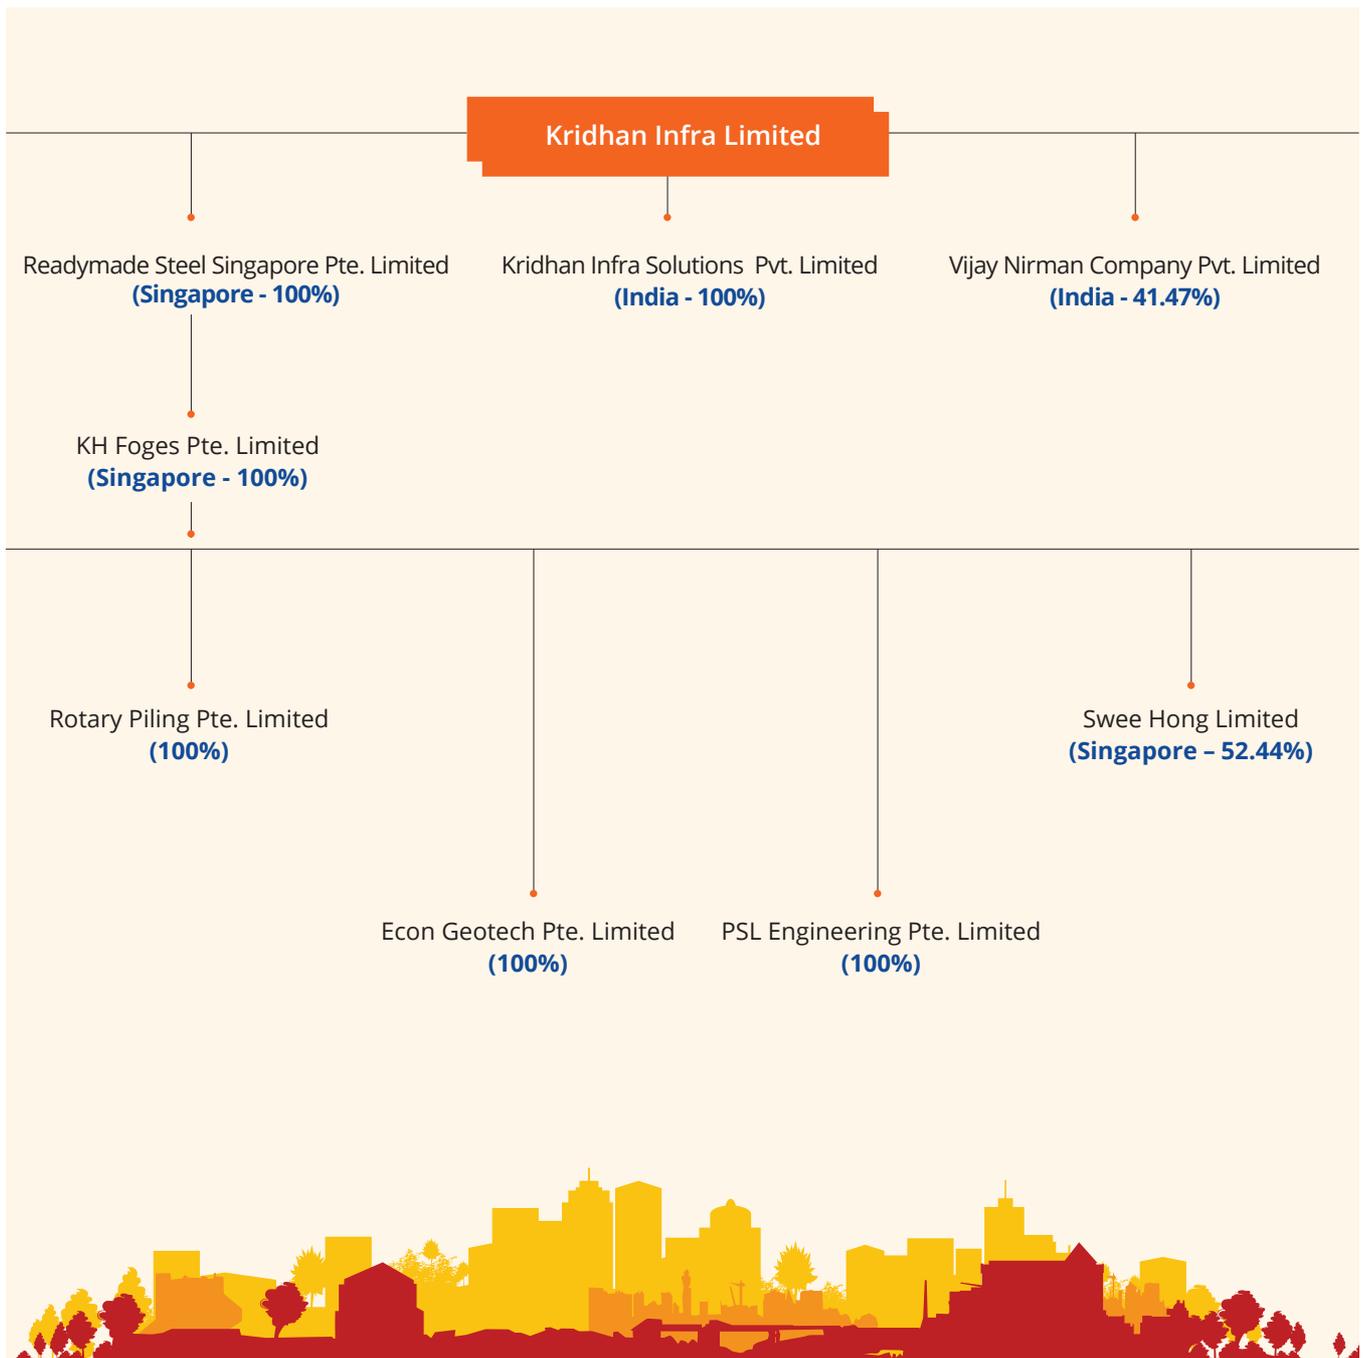

To cultivate a culture of continuous learning and trust by committing to sustainable growth and enhancing stakeholder value.

Mission

We strive to build a leading construction company using first grade technology and fostering an innovative and empowered team.

We aim to grow organically at a sustainable pace by leveraging the synergies derived from our acquired partners.

Operating Structure (Major Subsidiaries/Associates)

Managing Director's Insight

A Transformative Journey

Besides a complement to SHL in our portfolio, VNC was the partner we needed to build and expand our EPC business in India. Accordingly, we constituted a process to acquire a 50.5% stake in VNC.

We have come a long way in the last decade. Originally founded as the Readymade Steel Company (RMS) in 2006, Kridhan Infra Limited (Kridhan) has evolved into the foremost Engineering, Procurement and Construction (EPC) service provider that you know today. Over the years, we demonstrated agility and depth, harnessing growth opportunities and promptly turning them around to yield profitable outcomes for our Company. Today, we have unmatched capabilities in niche business segments and are well positioned to capitalise on the wealth of opportunities present in the infrastructure sector of India and Singapore.

FY18 Key Milestones

When I wrote to you last year, we had just completed the acquisition of Swee Hong Limited (SHL) in Singapore and were excited about beginning the next phase of our journey as a full-fledged EPC player. The scheme of arrangement with SHL was successfully closed by July 2017. This was a landmark transaction for two reasons: one, our opportunities expanded ten-fold in scope; and two, we welcomed a strong team of EPC experts to the Kridhan family.

Another significant strategic priority for us was scaling our commercial presence in India. While keenly exploring new growth avenues in our home ground, we came across a great opportunity in the form of Vijay Nirman Company (VNC). Driven by a dynamic leadership team with a robust technical skillset, this Visakhapatnam-based organisation is a reputed veteran of over 35 years of experience in civil engineering design and project management. It has more than 1,600 equipment units to complement its 1,600-1,700-strong workforce; and a diversified and growing order book with strong revenue visibility. Besides a complement to SHL in our portfolio, VNC was the partner we needed to build and expand our EPC business in India. Accordingly, we initiated a process to acquire a 50.5% stake in VNC. This was to

Dear Friends,

In my letter to you this year, I will discuss our Company's momentous transformation in FY18 and how we are currently positioned at an exciting juncture. Before I delve into the details, it is important that I acknowledge our journey so far.

On a consolidated level, we are on track for superior growth. We expect an overall topline in the range of ₹ 18-20 Billion with a strong 12-13% EBITDA margin.

be completed in two phases. As on 31st March, 2018, we gained almost 41% stake and the same is due to be increased to nearly 51% in the ongoing fiscal. As a subsidiary of Kridhan, VNC will benefit from a stronger balance sheet and the technical know-how of SHL.

Bearing these transformational changes in mind, we believe Kridhan is now at an inflection point. We are now poised to perform and geared to deliver organic growth. During FY18, our proforma revenue grew 2.8 times, EBITDA 1.8 times and PAT grew 1.2 times. Our proforma order book currently is valued at over ₹ 35 Billion.

Outlook

On a consolidated level, we are on track for superior growth. We expect an overall topline in the range of ₹ 18-20 Billion with a strong 12-13% EBITDA margin. PAT is also expected to be strong at ₹ 0.75-0.9 Billion.

In Singapore, our foundation engineering (FE) business continues to grow strongly and is expected to deliver revenues of ₹ 4-5 Billion. The Singapore EPC business is currently at L2 certification and can bid for projects up to US\$ 80 Million. We expect to earn revenues of ₹ 2-3 Billion from this segment.

A significant growth in FY19 is expected from our India business. VNC is growing rapidly and we are seeing a large quantity of short duration orders, resulting in a huge visibility in revenue growth. During FY19, we expect the India EPC business to generate a revenue of ₹ 12-13 Billion.

While attributes like cash position, access to low-cost capital, strong technical capabilities and specialised skillsets in niche areas (such as micro tunnelling, bored piling and bridge construction, among others) differentiate us from the competition, they also represent cornerstones of our growth story. At the same time, sustaining optimum safety, environment and health standards across the length and breadth

of our operations is paramount. We make sizeable investments to adopt best-in-class practices and mitigate any risk of hazards. Our teams are fully trained to uphold industry safety benchmarks.

In closing, I would like to thank our stakeholder fraternity – our people, our investors and shareholders, members of our Board and Leadership Team, our associates and partners, our communities and various governments – for their contribution, trust and commitment towards helping our Company create sustainable business value.

I look forward to your relentless support, as we enter and explore this exciting phase of what has been a transformative journey.

Warm regards,

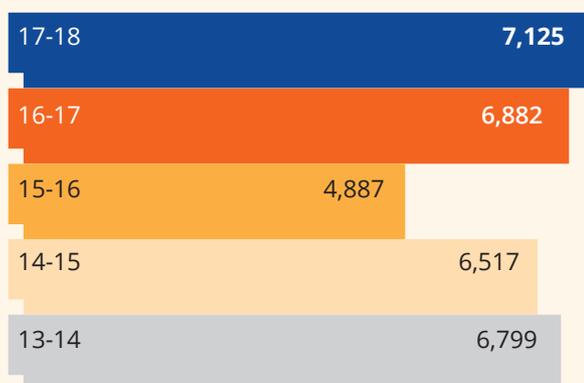

Anil Dhanpatlal Agrawal
Managing Director

Divisional Performance

Reviewing our Business

Kridhan has earned widespread recognition as one of the largest foundation specialists. Our Company excels in value engineering for foundation works in difficult terrains, along with large-scale foundation projects that require niche engineering, unconventional thinking and timely execution with assured quality. Across all verticals and geographies, the business is driven by four key pillars: ownership, pedigree, order book strength and bottom line focus.

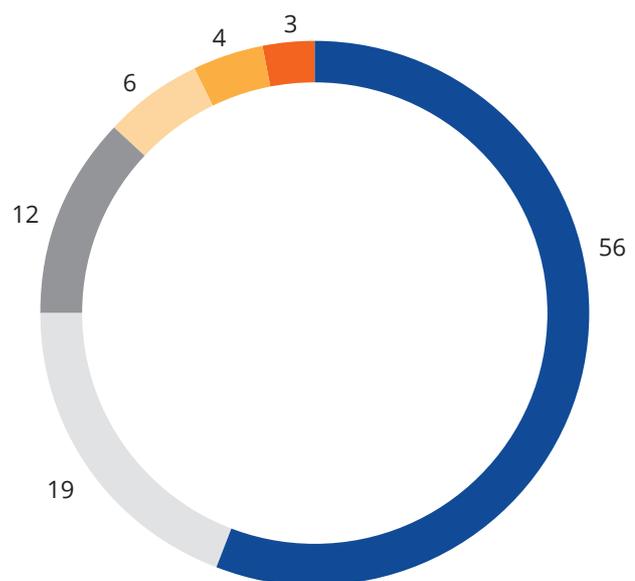

INDIA EPC

The key source of our transformation in the fiscal 2017-18 was the acquisition of VNC. One of India's leading EPC companies, VNC is popularly called the country's 'Number One Bridge-maker'. Affordable housing, roads and bridges contribute to more than half of its order book.

- Ownership**
 We hold ~41.47% stake in VNC; awaiting regulatory approval for increasing stake to 50.5%.
- Pedigree**
 VNC has executed over 400 projects in a span of 30 years; operating in the lucrative project segment of ₹ 200-500 crore.
- Order Book Strength**
 VNC's order book is growing at a robust pace and is valued at ~₹ 28 Billion, as on 31st March, 2018.
- Bottomline Focus**
 Kridhan injected ~₹ 450 Million capital into the India EPC business, helping pay off a large portion of its long-term debt.

SINGAPORE FE

FE, being a highly specialised field, requires a huge execution team with strong skillsets and a large fleet of equipment. Acquiring KHF, a leading Singapore-based FE company was key to catapulting our Company to the next level of growth. KHF has been instrumental in deepening our foothold in Singapore. Our subsequent strategic moves in the region were all routed through KHF. KHF is noted for its key ventures in Singapore such as Marina Bay Sands, Marina Bay Financial Centre, Singapore National Stadium and NUS Business School.

KHF has also spread its footprint to Myanmar and India – executing Shangri-La Hotels and Residences piling project in the former and winning contracts for Gomti river beautification, western dedicated freight corridor construction and JSW Steel expansion in Dolvi, among others, in the latter.

- **Ownership**
Kridhan holds a 100% stake in KHF.
- **Pedigree**
KHF is the second largest FE concern in Singapore with diversified presence across Singapore, Malaysia, Myanmar and India, specialising in bored piling, driven piling, micro piling and soil improvement, soil investigation, micro tunnelling and excavation.
- **Order Book Strength**
KHF currently handles orders worth SGD 252 Million and tenders valued at SGD 142.5 Million.
- **Bottomline Focus**
We pursue short duration projects with high margins and revenue visibility.

Snapshot of the Singapore FE Business

Certification

Kridhan's compelling track record in Singapore has enabled it to earn the prestigious L6 certification from the Building and Construction Authority (BCA) of Singapore. It is the highest registration category. It

qualifies the Company's subsidiary KHF to participate in any public tenders in the region for specialist foundation works of unlimited value

SINGAPORE EPC

Entering into an agreement with SHL, elevated Kridhan to a different league of EPC players. SHL is associated with some of the marquee projects in Singapore such as Gardens By The Bay, Marina East Garden, Southern Sentosa Cove and Changi Ferry Terminal.

- **Ownership**

We hold 52.44% stake in SHL, through our wholly-owned subsidiary KHF.

- **Pedigree**

SHL is one of the oldest civil engineering experts in Singapore, specialising in micro tunnelling/ pipe jacking and tunnelling services; mechanical, civil and electrical engineering; soil improvement; landscaping; and infrastructure construction services for parks, roads, bridges, ports, airports, flyovers, canals, sewers and other public utility works.

- **Order Book Strength**

Besides a legacy order book of SGD 7 Million, we won new orders worth SGD 11 Million; we can also bid for orders up-to SGD 80 Million.

- **Bottomline Focus**

We undertook extensive internal restructuring to increase operating leverage and rationalise debt.

FY19 Strategy

Going forward, our three core focus areas will be to consolidate VNC as a majority-owned subsidiary; strengthen the India EPC business; and grow the Singapore EPC business.

Over the short to medium term, KHF will consolidate its position and explore opportunities for acquisitions, should suitably attractive and valued targets become available, specifically in India and Indonesia.

In the slightly longer term, expansion into the Middle East will most likely be through a local partnership.

As we bid for specialised niche EPC jobs in the Asia-Pacific (APAC) region, we anticipate our Company to exhibit above-trend performance. Our strategic acquisitions in the reporting period are yielding tangible results and we are confident of our unique position in the high growth markets of Singapore and India.

Purposeful Growth

BOLSTERING A ROBUST BUSINESS

Our core construction vertical is reinforced by timely acquisitions of several businesses across India and Singapore. With our strong fundamentals, diverse skill set, experienced personnel and extensive captive equipment asset strength, we are geared to expand our operations and deepen our foothold in these regions.

HARNESSING INORGANIC GROWTH OPPORTUNITIES

FY12

KH Foges Pte. Limited

Acquiring KHF in 2012, we forayed into FE. KHF is a Singapore-based foundation and geotechnical engineering specialist. Since its inception in 2004, KHF has completed projects in Singapore with a total value amounting to more than SGD 900 Million. As a subsidiary of Kridhan, KHF has expanded in manifold ways in the last six years, becoming the second largest FE concern in the region.

FY13

PSL Engineering Pte. Limited and Rotary Piling Pte. Limited

We acquired PSL Engineering and Rotary Piling – bored piling and micro piling specialists in Singapore, both with 40 years of experience – to fulfil our growing requirements of equipment and human resources while facilitating our entry into micro piling works.

FY14

Econ Geotech Pte. Limited

With the acquisition of Econ Geotech in 2014, we entered the soil investigation field, enabling us to focus and strategise bidding for piling projects in Singapore, six to twelve months before they are tendered out. Econ Geotech has since expanded its soil investigation operations in India as well.

FY16

Swee Hong Limited

We gained a majority stake in Singapore's leading civil construction company, SHL; thus, moving up the value chain to complete EPC Projects, helping our Company to screen larger value EPC projects and bid in the growing infrastructure space in the region. We successfully worked with SHL to advance the work in ongoing projects, initiating various debt settlement schemes with creditor and turning around the business.

FY18

Vijay Nirman Company Pvt. Limited

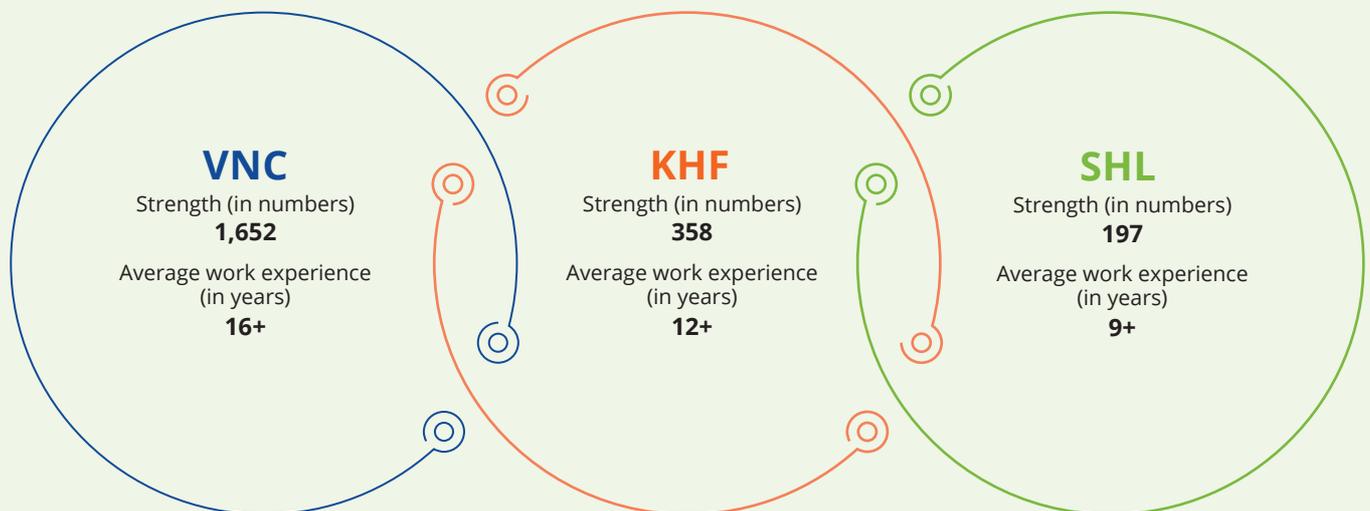

We acquired 41.47% stake in VNC, a private construction company operating in India for over 30 years – marking our foray into the Indian EPC segment. Together with SHL, VNC is poised to reinforce Kridhan's EPC portfolio.

Human Resources Initiatives

PEOPLE DRIVE THE LEVERS OF OUR PROGRESS

Our teams represent the most important cornerstone of our growth journey. We employ staff members across production, marketing, administration, logistics and many other functions.

Workforce Strength and Experience

We seek to build a diverse workforce, engaging and retaining the best human resources, regardless of physical ability, gender, ethnicity or religion. While we adopt people practices that best support our ambitious business goals, we strive to uphold every person's fundamental right to safe and conducive working conditions.

We have a dedicated policy in place, to provide a supportive work environment that promotes their productivity and develops their potential. We periodically review the same to ensure that the organisational development is aligned with their expectations and requirements.

Our initiatives during FY18 were directed towards guaranteeing cross-learning opportunities in our Company and engaging employees across India and Singapore. In this manner, we optimise the allocation of human capital, across all projects, to support cross-functional development of all employees.

To upskill existing and new employees for their roles, we continued to conduct robust technical training programmes through modules specific to geographies and functions.

VNC's Construction Academy

The subject of civil construction – be it housing, industry, roads or bridges – is very wide and best understood through practical learning. Offering an opportunity to gain first-hand technical knowledge is the most effective method of training the vast majority of construction industry newcomers. Thereafter, VNC established a construction academy in Visakhapatnam in 1999.

The primary aim in establishing the institute was to impart training to students for a six-month period in construction activities; and to absorb them as supervisors in our respective sites. The academy is equipped with qualified and experienced engineers along with state-of-the-art testing

apparatus. The teaching module covers all technical and practical information required to inform trainees of the systematic working procedure necessary for the successful construction of a structure. The course also provides trainees with an opportunity to develop their interpersonal communication skills. Additionally, students are also encouraged to practise yoga and learn first-aid interventions.

Corporate Social Responsibility

Giving Back to Communities

As responsible corporate citizens, Kridhan and its subsidiary companies conduct numerous philanthropic initiatives to empower communities across India and Singapore. Some of these programmes are listed here.

India

Kridhan was instrumental in the construction of Krishna Kindergarten School in Mumbai. The school's objective is to provide high-quality education and nurture the talents of each child. Its teachers use several unique teaching methods to make sure every young student grows to be a competent and confident learner. These methods include activity-based interactions, storytelling and audio-visual interactions, among others, and involve the use of teaching aids like models, flash cards and charts.

Mr. Anil Agrawal, our Managing Director, leads our community initiatives in the country from the front. He has been a key member of Round Table India, an organisation devoted to uplift the underprivileged sections of the society. Founded on the Rotary and Rotaract membership models, Round Table India has over 8,000 members in over 400 tables across 60 towns and cities.

As Chairman of the Bombay Round Table 19, Mr. Agrawal has spearheaded the cause of education for the disadvantaged. Under his able stewardship, the Table has built schools and classrooms for the less privileged at Panvel and Kandivali. He is also a prime mover in the organisation of SILO, the Silent Olympiad for the Hearing Impaired, organised in Mumbai. This inter-school athletics competition for the hearing impaired, sees over 1,000 students compete against each other. The children are hosted by the Table and all expenses incurred on their food and beverage, in addition to the event-organising costs, are

borne through contributions by the Table. Anil Agrawal's support and involvement helped the event multiply in scale, driving greater participation.

Kerala Flood Relief Aid

VNC contributed food, clothes and cleaning items (chemicals, gum boots, gloves and brooms) through three mini trucks from Bangalore, Tirunelveli and Coimbatore. Dr. Kumara led this initiative, routing relief efforts through Builders Association of India (BAI).

Singapore

At the 11th Make-A-Wish Golf Tournament (an event organised to help fulfil the wishes of children with life-threatening medical conditions), KHF participated in a paintings' auction to contribute towards medicine expenses of children with serious illnesses.

Our people at KHF spend time with the elderly of AWWA Home (a local non-profit organisation that provides community-based programme and services to people of all ages). This endeavour is intended to help bring joy, light-hearted celebration and companionship to the residents at the Home.

Management Discussion and Analysis

Macroeconomic overview

India

The Indian economy achieved 6.7% growth in FY18 – a landmark year, given the implementation of several broad structural reforms such as the Goods and Services Tax (GST); recapitalisation of banks; the Insolvency and Bankruptcy Code; and Real Estate (Regulation and Development). The Government's sharpened focus on driving economic output augurs well for the country's long-term development.

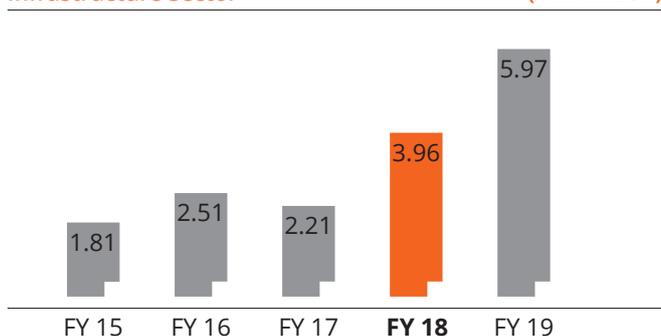

India's position rose up 30 places to enter the top-100 of the World Bank's Ease of Doing Business rankings. Credit rating agency Moody's revised India's investment outlook from stable to positive, upgrading the economy's sovereign bond rating for the first time in 14 years. The Confederation of Indian Industry (CII) expects the country to sustain its momentum in FY19, growing between 7.3 and 7.7%, on the back of these reforms, recovery in global markets and normal monsoon.

A direct consequence of a fast-growing economy is its faster-growing infrastructure industry. As the sector is largely responsible for propelling India's development, it enjoys intense policy focus, including new initiatives aimed at building world-class infrastructure facilities. In its Union Budget 2018-19 statement, the Government allocated ₹ 1.2 Trillion towards the roads sector. It also announced its flagship Bharatmala Project.

This project envisages seamless connectivity of India's interior and backward areas with border territories through the development 35,000 km corridors, in its first phase, at an estimated cost of ₹ 5.35 Trillion. The Government is likely to award contracts for building 20,000 km at a projected rate of 47 kms per day. Under the Engineering, Procurement and Construction (EPC) services mode, 133 projects spanning across 4,800 km and valued at nearly ₹ 892 Billion are expected to be awarded.

Union Budget: Allocation to Infrastructure Sector

(₹ in Trillion)

(Source: indiabudget.gov.in)

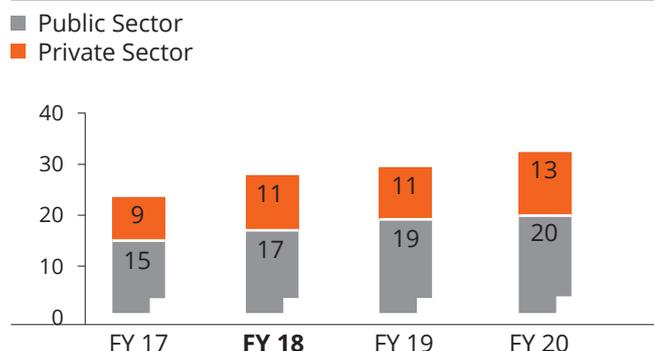

Singapore

At 3.6% rate of growth, Singapore outperformed expectations in CY17 by more than double, as most economic fundamentals surpassed growth forecasts. The economy gained pace in CY17 owing to a surge in global demand for electronic gadgets. Economists expect this trade-driven expansion to continue in the ensuing calendar year. As it happens, the Singaporean economy exceeded expectations in the January-March quarter of CY18 as well. In fact, this accelerated growth prompted the Ministry of Trade and Industry (MTI) for Singapore to upgrade its forecast for CY18 – at 2.5 to 3.5%, compared to the previous estimate of 1.5%.

On the back of improving global cues, the outlook for the rest of CY18 and CY19 remains positive.. Sustained policy support will provide an impetus to economic restructuring. On the infrastructure front, the Government's focus is on improving rail reliability and growing the Mass Rapid Transit (MTI) network. Major projects in the works include Changi Airport Terminal 5, the Tuas Megaport and the high-speed rail link to Kuala Lumpur.

Construction Demand

(SGD in Billion)

(Source: Building and Construction Authority of Singapore)

The Building and Construction Authority (BCA) of Singapore forecasts that the total construction demand – that is, the value of construction contracts to be awarded – in CY18 will be US\$ 26-31 Billion, up from US\$ 24.5 Billion in CY17. The projected higher demand is due to an anticipated increase in public sector construction demand that is expected to grow from US\$ 15.5 Billion in CY17 to US\$ 16-19 Billion in CY18, contributing to about 60% of CY18's projected total demand. Construction demand in the private sector is similarly expected to improve from US\$ 9 Billion in CY17 to US\$ 10-12 Billion in CY18, supported by a positive economic outlook and the upturn in property market sentiment. In the medium-term, BCA anticipates a steady improvement in construction demand. It is projected to reach US\$ 26-33

Billion annually for CY19 and CY20 and US\$ 28-35 Billion annually for CY21 and CY22.

Company overview

We have come a very long way in the past eight years. Started as a ready-made steel company, Kridhan Infra Ltd. (Kridhan) has successfully moved up the construction value chain via a series of 'bolt-on' acquisitions. Today, we are one of the leading EPC companies in the Asia-Pacific (APAC) region. Our subsidiary companies in Singapore, Swee Hong Ltd. (SHL) and KH Foges Pte. Ltd. (KHF), are on a path towards attractive growth, both in the EPC segment and the piling business. At the same time, our latest acquisition in India – Vijay Nirman Company Pvt. Ltd. (VNC) – is undergoing a turnaround and expects an upswing in the order intake.

FY18 was transformational for Kridhan and we believe that we are at an inflection point for the next phase of value-added growth. With an able leadership team at the helm, best-in-class technical capabilities and niche engineering skill set, and a strong execution team, we are geared to capture the immense infrastructure opportunities present in India and Singapore.

Operational performance

FY18 was the first full year of consolidation for Kridhan's EPC segment, bolstering our consolidated order book significantly.

We completed the Scheme of Arrangement with SHL in the middle of FY18 and successfully turned around the Company's operations and financials. SHL, under the strategic guidance of Kridhan, started bidding for new projects in the year and bagged a maiden order of US\$ 11 Million. Besides, SHL has a legacy order book of SGD 7 Million, providing strong revenue visibility. SHL is currently at the L2 certification, allowing it to bid for projects up to SGD 80 Million.

The foundation engineering (FE) segment, under KHF, continued its outperformance within the industry. Kridhan's guidance has helped KHF become the second largest FE company in Singapore, as compared to the ninth position it held at the time of Kridhan's acquisition in 2012. KHF won orders worth ₹ 5,469 Million in FY18. These short duration projects provide high revenue visibility for FY19.

The key source of our transformation in FY18 was the acquisition of VNC, based in Visakhapatnam and one of India's leading EPC companies. Affordable housing, roads and bridges contribute to over 50% of its order book. Kridhan currently has 41.47% stake in VNC and is awaiting

The bank's No Objection Certificate (NOC) to increase the stake to 50.5%. As on 31st March, 2018, we owned ~41% stake in VNC and the same will be increased to ~51% by mid-FY19. VNC will operate as an associate and subsidiary of Kridhan and together with SHL, will complement our strong EPC portfolio.

Financial performance

During FY18, Kridhan posted a topline of ₹ 7,125 Million, up from ₹ 6,882 Million in FY17. We grew our EBITDA margin to 15.4% in FY18, recording an EBITDA of ₹ 1,095 Million in FY18 vis-à-vis ₹ 1,046 Million in FY17. On an adjusted basis, PAT reached ₹ 531 Million in FY18, compared to ₹ 473 Million in FY17. Our consolidated net worth surged to ₹ 5,599 Million in FY18 from ₹ 1,266 Million in FY14, led largely by our successful acquisitions.

Proforma financials

In order to communicate the real impact of the milestone acquisitions – VNC and SHL – on our financial performance, we calculated proforma financials for Kridhan during FY18, assuming 50.5% stake in VNC and full consolidation of both companies into the financial statements. Thereafter, proforma consolidated revenue for Kridhan Infra reflected a 2.3x growth over FY17 actual numbers and stood at ₹ 15.9 Billion, a 1.8x EBITDA growth and an over 1.2x PAT growth in proforma numbers. Proforma order book for FY18 stood at over ₹ 35 Billion, with VNC driving almost 80% of the same.

Outlook

With all these key transactions reaching fruition in FY18, we believe that FY19 will be a year of tangible results and strong growth for Kridhan. We are uniquely positioned in the high growth markets of Singapore and India. Our EPC companies, SHL and VNC, are expected to grow at a steady 15-18% rate, while KHF will continue to outperform its peers. As a result, we have managed to expand our opportunity landscape ten-fold.

Our Singapore FE business continues to grow strongly and is expected to bring in revenues of ₹ 4-5 Billion. We expect revenues to the tune of ₹ 2-3 Billion from the Singapore EPC segment. In India, we are receiving a large quantum of short duration orders that give huge visibility for revenue growth. We expect this EPC business to generate revenues of ₹ 12-13 Billion in FY19.

We are on track for superior growth and we expect a consolidated topline between ₹ 18 and ₹ 20 Billion with a strong EBITDA margin of 12-13% in FY18. PAT is also expected to be steady at ₹ 0.75-0.9 Billion.

Risks and concerns

- **Competition risk:** The EPC segments in our countries of operation have a large number of infrastructure players vying for the same opportunities. However, many of these competitors are highly debt-laden and lack the precise skill set for timely execution. We, at Kridhan, continue to constantly adapt our processes and policies to ensure a sustainable business model. We are confident of mitigating the risk from competition by promising timely execution within the budgeted cost.
- **Capital risk:** Due to the capital-intensive nature of the infrastructure industry, availability of funds continues to be critical. However, with the past pedigree of Kridhan and its associates, project funding is a relatively simple process. A stable leverage strategy helps us mitigate the constant capital risk plaguing peer firms in the sector.
- **Raw material risk:** Availability of the right quality and quantity of raw materials for construction purposes is paramount for timely execution of projects. Volatility in prices or supply of these raw materials can significantly impact a project's financing and ultimately affect our Company's margins. To mitigate this risk, we draw upon our enduring supplier relationships and our strong technical team.

- **People risk:** Team members at every project location form the most valuable asset for any construction company. Any extraordinary attrition can lead to loss in operations. We believe in building a highly motivated and professional team who can execute ambitious targets with unwavering precision. We aim to ensure a healthy, safe and secure environment for all our people.

Human resources

We possess an expansive network of motivated and dynamic employees. Talent management has always been recognised as an important business function, responsible for turning ambitious business plans into successful and efficient operations. Accordingly, we have established various welfare schemes and monetary benefit programmes to ensure low attrition and a happy and healthy workforce. In fact, during all of our acquisitions, most employees in the acquired companies retained their previous positions, strengthening Kridhan's workforce.

Internal controls

With various complexities involved in the infrastructure business, we see the requirement for a comprehensive internal controls and risk-mitigation mechanism system. An inclusive audit of all systems and processes is conducted at various intervals to ensure transparent and seamless business operations. In addition, an independent Audit Committee actively reviews the adequacy and effectiveness of these systems.

Directors' Report

To,
The Members of
Kridhan Infra Limited

Your Directors present their 12th Annual Report together with the Audited Financial Statements of the Company for the year ended 31st March, 2018.

Place: Mumbai

Annexure III

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
For financial year ended on 31/03/2018
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
 Kridhan Infra Limited.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Kridhan Infra Limited** (hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period ended on 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Kridhan Infra Limited ("The Company"), for the year ended on 31st March, 2018 to the extent applicable to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under to the extent applicable;
- II. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act") to the extent applicable to the Company: -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - e. The Company has complied with the requirements under the Equity Listing Agreement entered into with BSE Limited and National Stock Exchange of India.
- VI. The Management has identified and confirmed the following laws as specifically applicable to the Company being in infra sector as given in **Annexure-1**:

We have also examined compliances with the applicable clauses of the following:

- i) Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India along with revised Secretarial Standards 1 and 2 as issued by the Institute of Company Secretaries of India with effect from 1st October, 2017.
- ii) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, guidelines and standards as mentioned above, subject to the following,

- The Company has delayed submission of Form IEPF-2 with ROC.
- There was delay in filing Form ADR for Advance Reporting of funds as per the FEMA regulations for funds received in foreign currency for allotment of convertible warrants, subsequently Form FC-GPR was also filed with delay.
- There was delay in filing Form FC-GPR and Form FC-TRS for completion of procedure of allotment of shares for consideration other than cash i.e share swap and transfer of shares from foreign shareholders.

- The Company has consolidated financials of all the 16 Subsidiary Companies and an Associate Company. However, the Company has made disclosure of major subsidiaries in the Director's Report and on the website of the Company.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the year under review, were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

We further report that there are adequate systems and processes in the company, commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the Audit Period under review;

Corporate Governance Report

1. Company's Philosophy

The Company strongly believes that establishing good corporate governance practices in each and every function of the organization leads to increased operational efficiencies and sustains long term value for all the stakeholders. The Company always endeavors to carry its business operations in a fair, transparent and ethical manner and also holds itself accountable and responsible to the society it belongs. The Company considers it absolutely ethical to abide by the laws and regulations of the land in letter and spirit and is committed to the highest standards of corporate governance to be considered as a good corporate citizen of the Country.

2. Board of Directors

The composition of the Board is in conformity with Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company has an Executive Chairman and over one half of the total number of Directors comprises Independent Directors. The Management of the Company is headed by the Managing Director who operates under the supervision and control of the Board. The Board reviews and approves strategy and oversees the actions and results of management to ensure that the long-term objective of enhancing stakeholder's value is met.

As on 31st March, 2018, the Board of Directors of the Company comprise of an optimal proportion of Executive and Non-Executive Directors. The Board of Directors of your Company is comprised of 6 (Six) Directors out of which 1 (One) is Promoter and

Managing Director, and 1 (One) Non-Executive Woman Director and 4 (Four) are Independent Non-Executive Directors.

There are no nominees or Institutional Directors in the Company.

No Director of the Company is either member in more than ten committees and/or Chairman of more than five committees across all Companies in which he is Director.

The Senior Management has made disclosures to the Board confirming that there is no material, financial and/or commercial transactions between them and the Company, which could have potential conflict of interest with the Company at large.

The Board of Directors meets at least once in every quarter and also as and when required. During the financial year ended 31st March, 2018, eight Board Meetings were held, i.e., on 27th April, 2017, 29th May, 2017, 31st August, 2017, 21st October, 2017, 30th October, 2017, 6th December, 2017, 27th December, 2017, 14th February, 2018.

The maximum gap between any two board meetings did not exceed 120 days.

The Composition and category of each Director on the Board and attendance at the Board Meetings and at the last Annual General Meeting (AGM) together with details of other Directorships and Committee Memberships are given below:

Name of Director	Category	Number of Board Meetings		Whether attended Last AGM Held on 29th September, 2017	*No of Directorship in public companies as on 31/03/2018	Committee Memberships as on 31/03/2018	Committee Chairmanships as on 31/03/2018

Practicing Company Secretary Certificate on Corporate Governance

To
The Members of
Kridhan Infra Limited,
Mumbai.

We have examined the compliance of the conditions of Corporate Governance by Kridhan Infra Limited (“the Company”) for the year ended on 31st March, 2018 as stipulated in Regulation 27(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the said Company with the BSE LTD and NSE India Limited.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI (LODR) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

Report on the Standalone IndAS Financial Statements

1. We have audited the accompanying Ind AS Standalone financial statements of Kridhan Infra Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Ind AS Standalone Financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS standalone financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in Annexure - "A" a statement on the matters specified in paragraphs 3 and 4 of the order.

8. As required by Section 143 (3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a Director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such controls, we give our separate report in "Annexure - B".;
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would have a material impact its financial position.
 - ii) Based upon the assessment made by the company, there are no material foreseeable losses on its long term contracts that may require any provisioning.
 - iii) In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause is not applicable.

Annexure – A to the Independent Auditor’s Report

Referred to in para 7 of our report of even date, to the members of Kridhan Infra Limited for the year ended March 31, 2018

- i) (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of its fixed assets.
- (b) The fixed assets of the company have been physically verified by the management in a phased manner and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) The title of the immovable assets of the company are in its name.
- ii) (a) In our opinion and according to the information and explanations provided to us, we are of the view that the company has a system of physical verification of its inventory, the frequency of which is reasonable.
- (b) In our opinion and according to the information and explanations provided to us, no material discrepancies were noticed on physical verification of the same.
- iii) The company has granted unsecured loans to companies covered in the register maintained under section 189 of the Companies Act 2013 and with respect to the same:
- a) In our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest,
- b) The schedule of repayment of principal and payment of interest has been generally stipulated and the repayment/receipts of the principal amount and the interest are regular.
- c) There is no overdue amount in respect of loans granted to such companies.
- iv) In our opinion and according to the information and explanations given to us, in respect of loans, investments and guarantees, the company has complied with the provisions of Section 185 and 186 of the Act.
- v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits during the period under audit. Consequently, the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 of the Act and the rules framed thereunder are not applicable.
- vi) As per the information and explanations provided to us, we are of the opinion that the maintenance of cost records has been not been specified by the Central Government under sub-section (1) of section 148 of the Act for the company.
- vii) (a) According to the information and explanations given to us and based on the records of the company examined by us, the company is generally regular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues, as applicable, with the appropriate authorities in India.
- According to the information and explanations given to us, there are no undisputed amounts in respect of the aforesaid statutory dues which are in arrears as at March 31, 2018 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are certain cases of applicable statutory dues which have not been deposited on account of any dispute, which are detailed hereunder:

Name of Statute and Nature of Dues	Forum where dispute is pending	FY to which the amount relates	Amount involved (₹ in Lakhs)
Income Tax under Income Tax Act, 1961	Commissioner of Income Tax (Appeals)	2010-11	33.98
	Commissioner of Income Tax (Appeals)	2012-13	17.68
	Commissioner of Income Tax (Appeals)	2009-10	1.51

- viii) Based upon the audit procedures carried out by us and on the basis of information and explanations provided by the management we are of the opinion that the company has not defaulted in repayment of dues to banks / Financial Institutions. The company does not have any borrowings from government and the company has not issued any debentures as at the balance sheet date.
- ix) In our opinion and according to the information and explanations given to us, the term loans taken by the company have been ultimately utilised for the purpose for which they were taken. Further, the

company has not raised any funds by way of initial / further public offer.

- x) Based on the audit procedures performed by us for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the management, we report that we have neither come across any instance of fraud by the company or on the company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- xi) According to the information and explanations given to us and based on our examination of records of the company, the company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V of the Act.
- xii) The company is not a Nidhi Company and hence the reporting requirements under clause (xii) of paragraph 3 of the order are not applicable.
- xiii) According to the information and explanations given to us, all transactions entered into by the company with related parties are in compliance with section 177 and 178 of the Act where applicable and the details thereof have been disclosed in the financial statements as required by the applicable accounting standards.

xiv) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit.

xv) As per the information and explanations provided to us, the company has not entered into any non-cash transactions with directors or persons connected with them.

xvi) In our opinion and according to the information and explanations given to us, the company is not required to be registered under Section 45 - IA of the Reserve Bank of India, 1934.

Annexure – B to the Independent Auditor’s Report

Referred to in para 8 of our report of even date, to the members of Kridhan Infra Limited for the year ended March 31, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Kridhan Infra Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over

financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements

for the year ended 31st March, 2018

1 Corporate Information

Kridhan Infra Limited ('Kridhan' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at 203, Joshi Chambers, Ahmedabad Street, Carnac Bunder, Masjid. Mumbai- 400 009. The Company's shares are listed and traded on Stock Exchanges in India. The Company is engaged in the business of trading in iron and steel and allied materials.

2. Application of new Indian Accounting Standards

2.1 All the Indian Accounting Standards issued under section 133 of the Companies Act, 2013 and notified by the Ministry of Corporate Affairs (MCA) under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparation of these Financial Statements.

2.2 Standards issued but not yet effective

The MCA has notified the Companies (Indian Accounting Standards/ Ind AS) Amendment Rules, 2018 on 28 March, 2018, whereby Ind AS-115 relating to "Revenue from Contracts with Customers" and Appendix B to Ind AS 21 relating to "Foreign Currency Transactions and advance considerations" has been made applicable from financial year 2018-19 (i.e. 1 April, 2018 onwards).

Ind AS-115 relating to Revenue from Contracts with Customers

The Standard replaces the existing Ind AS 18 "Revenue" and Ind AS 11 "Construction Contracts". Ind AS 115 establishes the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Ind AS 21 – Appendix B - Foreign currency transactions and advance consideration

This Appendix applies to a foreign currency transaction (or part of it) when an entity recognises a non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration before the entity recognises the related asset, expense or income (or part of it).

The Company has evaluated the requirements and based on its assessment it is of the view that there is no material impact on account of the same.

3. Significant accounting policies

3.1 Statement of compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017.

The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These are the Company's first Ind AS Standalone Financial Statements. The date of transition to Ind AS is April 1, 2016.

Previous period figures in the Financial Statements have been restated in compliance to Ind AS.

Up to the year ended March 31, 2017, the Company had prepared the Standalone Financial Statements under the historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles applicable in India and the applicable Accounting Standards as prescribed under the provisions of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 ('Previous GAAP').

In accordance with Ind AS 101-"First Time adoption of Indian Accounting Standards" (Ind AS 101), the Company has presented a reconciliation of Shareholders' equity under Previous GAAP and Ind AS as at March 31, 2017, and April 1, 2016 and of the Profit after tax as per Previous GAAP and Total Comprehensive Income under Ind AS for the year ended March 31, 2017.

3.2 Basis of preparation

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain assets that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and

Notes to the Financial Statements

for the year ended 31st March, 2018

other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal Lakhs except otherwise stated.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

3.3 Investments in subsidiaries and associates

The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.

3.4 Property, Plant and Equipment

The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its Land which has been measured at Fair Value as on the transition date.

Freehold land is not depreciated

Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognised impairment loss. The cost of an asset comprises

its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

Depreciation of PPE commences when the assets are ready for their intended use.

Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.

The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/ deletions.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Notes to the Financial Statements

for the year ended 31st March, 2018

Intangible assets is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

3.6 Impairment of tangible and intangible assets

The Company reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

3.7 Inventories comprising of saleable stock are valued at cost or Net Realisable Value, whichever is lower.

Consumable stock are valued at Cost

3.8 Revenue recognition

Revenue is recognised when the property in the goods is transferred in favor of the customer, which normally coincides with the date of physical delivery. In case of transit sales where goods are transferred by transfer of the documents of title, revenue is recognised on the transfer of the document of title.

Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits

associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, service tax and sales tax etc. Any retrospective revision in prices is accounted for in the year of such revision.

Interest on Fixed Deposits is recognised on accrual basis.

Income from sale of Scrap is accounted on cash basis.

Dividend income from investments is recognised when the shareholder's right to receive payment is established.

3.9 Foreign Exchange Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

3.10 Borrowing Cost

Interest/Finance Cost on loans specifically borrowed for and expansion of projects, upto the point when the project is ready for start of commercial production is charged to the capital cost of the projects concerned.

All other borrowing costs are charged to revenue.

3.11 Employee Benefits

Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.

Notes to the Financial Statements

for the year ended 31st March, 2018

All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.

Defined contribution plans

Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.

Defined benefit plans

Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

3.12 Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available

against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

3.14 Financial instruments

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Notes to the Financial Statements

for the year ended 31st March, 2018

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

3.15 Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received.

3.16 Financial assets

(i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

(iv) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(v) Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(vi) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

3.17 Financial liabilities

a) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

b) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference

Notes to the Financial Statements

for the year ended 31st March, 2018

between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

3.18 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.20 Segment reporting

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems.

3.21 First-time adoption - mandatory exceptions and optional exemptions

(i) Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 ('the transition date') by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying certain items from Previous GAAP to Ind AS as required under the Ind AS, and applying Ind AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below.

(ii) Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial

assets and financial liabilities prospectively for transactions occurring on or after April 1, 2016 (the transition date).

(iii) Deemed cost for Property, Plant and Equipment, Oil and Gas assets and intangible assets

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment, and intangible assets recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its land which has been measured at fair value as on transition date.

(iv) Investments in subsidiaries and associates

The Company has elected to carry its investments in subsidiaries and associates at deemed cost being carrying amount under Previous GAAP on the transition date.

4. Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty

Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.

4.1 Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Note 4.2), that

Notes to the Financial Statements

for the year ended 31st March, 2018

the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

(a) Determination of functional currency

Currency of the primary economic environment in which the Company operates ("the functional currency") is Indian Rupee (₹) in which the Company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

(b) Classification of investment

Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Company may obtain control, joint control or significant influence over the entity or arrangement. Transactions which give the Company control of a business are business combinations. If the Company obtains joint control of an

arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Company has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.

4.2 Assumptions and key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

Impairment of assets

Determination as to whether, and by how much, asset is impaired involves Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.

Note 32 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained term loans and working capital facilities from banks.

As of March 31, 2018, the Company had working capital (Total current assets - Total current liabilities) of ₹ 14,615.31 Lakhs including cash and cash equivalents of ₹ 87.59 Lakhs. As of March 31, 2017, the Company had working capital (Total current assets - Total current liabilities) of ₹ 4,025 Lakhs including cash and cash equivalents of ₹ 38.89 Lakhs

Exposure to liquidity risk

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non derivative financial liabilities

March 31, 2018	Contractual cash flows

Note 33 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operation.

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Borrowings (Note 17 & Note 21)	774	1,800	1,474

Gearing ratio (%)	42.97	77.05	64.08

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Note 34 Details of dues to micro and small enterprises as per MSMED Act, 2006

There are no Micro and Small Enterprises as defined in the Micro and Small Enterprises Development Act, 2006 to whom the company owes dues on account of principal amount together with interest and accordingly no additional disclosures have been made. The above information regarding Micro and Small Enterprises has been determined to the extent such parties have been identified on the basis of information available with the company.

Note 35 Fair Values

The carrying values of financial instruments of the Company are reasonable and approximations of fair values.

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Note 36 Financial instruments – Fair values and risk management

Risk management framework

The Company's activities expose it to a variety of financial risks, including revenue risk, market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of revenue risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The company's primary business is dealing in Iron and Steel products which is on credit to parties and are subjected to assessment of creditworthiness. The creditworthiness is periodically reviewed for any high credit risk receivable. Based on such assessment the management is of the view that there is a moderate credit risk in respect of its trade receivables.

Trade and other receivables

The company's primary business is trading and providing services. There are certain receivables arising from the same for which required assessment of credit worthiness is being carried out by the company on a recurring basis based on which the company is of the view that there are no significant expected losses on account of its trade receivables. The age-wise breakup of the receivables is as under:

Summary of the Company's exposure to credit risk by age of the outstanding from its customers is as follows:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Neither past due nor impaired	-	-	-
Past due but not impaired			
Past due 1-90 days	2,013.57	1,833.91	1,418.51
Past due 91-180 days	96.17	252.66	119.97
Past due 181-270 days	84.93	53.22	0.56
Past due 271-365 days	121.95	1,030.05	0.28
Past due more than 365 days	1,030.41	1,525.30	1,622.32
	3,347.03	4,695.14	3,161.64

Expected credit loss assessment for customers as at 1st April, 2016, 31st March, 2017 and 31st March, 2018

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, the company has not recognized any provision for expected credit loss till date.

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Cash and cash equivalents: Out of total Cash and Cash equivalent of ₹ 87.59 Lakhs; 38.89 Lakhs and ₹ 40.07 Lakhs as at March 31, 2018, March 31, 2017 and April 1, 2016 respectively, the Company held cash and cash equivalents with credit worthy banks and financial institutions of ₹ 78.81 Lakhs, ₹ 23.17 Lakhs and ₹ 17.55 Lakhs 31st March 2018, 31st March 2017 and April 1, 2016 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Guarantees

The Company has provided the following financial guarantees:

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Corporate guarantees and Bank guarantees	17,053	14,725	13,189

Corporate guarantees have been given to assist subsidiaries in availing banking facilities.
Bank guarantees are performance bank guarantees given to customers.

Security deposits given to lessors

The Company has not taken any premises on lease basis hence, the said disclosure is not applicable.

Loans, investments in group companies

The Company has given unsecured loans to its subsidiary / associates companies and their Directors / KMP (including step down subsidiaries) of ₹ 9434.17 Lakhs; ₹ 1284.83 Lakhs and ₹ 92.89 Lakhs as at 31 March 2018, 31 March 2017 and April 1, 2016 respectively. The Company does not perceive any credit risk pertaining to loans provided to its subsidiaries / associate companies.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

Note 37 Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Currency risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

Notes to the Financial Statements

for the year ended 31st March, 2018

Carrying amount of Financial Assets and Liabilities: Financial assets (carried at amortised cost) :

(Amount in ₹ Lakhs)

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Loans	11,709	2,194	1,707
Trade receivable	3,347	4,695	3,162
Cash and cash equivalents	88	39	40
Others	65	58	71
At end of the period	15,209	6,987	4,979
Financial liabilities carried at amortised cost			
Borrowings (secured)	4	1,800	1,474
Borrowings (unsecured)	770	-	-
Trade payables	111	968	852
Other financial liabilities	630	2,247	357
At end of the period	1,516	5,015	2,684

The sensitivity analyses in the following sections relate to the position as at March 31, 2018, March 31, 2017 and April 01, 2016.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2018.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2018, March 31, 2017 and as at April 01, 2016.

Credit risk on Financial Assets

The company is engaged in the business of trading in Iron and Steel. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 60 to 90 days.

Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Less than 90 days	2,013.57	1,833.91	1,418.51
Over 120 days	1,291.02	2,668.03	1,691.06
	3,304.59	4,501.94	3,109.57

The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities.

The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of Directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the Balance Sheet at March 31, 2018, March 31, 2017 and as at April 01, 2016 is the carrying amounts as illustrated in Note 12 & 14. The Group's maximum exposure relating to financial guarantees and financial derivative instruments is noted in notes and the liquidity table below.

Interest Rate

The company does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the company is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the company is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rates are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

(Amount in ₹ Lakhs)

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Financial assets			
Interest bearing			
- fixed interest rate			
Other bank balances	-	-	-
Others	6,790.55	-	-
Loans	-	-	-
- floating interest rate	-	-	-
Non interest bearing			
Loans	4,918.89	2,194.30	1,706.65
Others	-	46.06	57.41
Trade receivable	3,347.03	4,695.14	3,161.64
Cash and cash equivalent	87.59	38.89	40.07
Financial Liabilities			
Interest bearing			
- floating interest rate			
Borrowings	4.34	1,800.17	1,473.89
Non interest bearing			
Borrowings	770.00	-	-
Trade and other payables	111.06	968.18	852.24
Other financial liabilities	612.18	2,234.49	346.04

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after excluding the credit exposure for which interest rate swap has been taken and hence the interest rate is fixed. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Notes to the Financial Statements

for the year ended 31st March, 2018

Particulars	March 31, 2018	March 31, 2017	April 01, 2016

- INR in Lakhs	(0.02)	(9.00)	(7.37)
Decrease in basis points			
- Basis points	50	50	50
Effect on profit before tax			
- INR in Lakhs	0.02	9.00	7.37

Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2018, March 31, 2017 and as at April 01, 2016 is the carrying amounts as illustrated in Note 18. The Company's maximum exposure relating to financial guarantees are noted in the liquidity table below.

The company operates in only one segment. Hence, there are no other reportable segment as per AS - 17 issued by ICAI.

Note 48 First-time adoption of Ind AS

These financial statements, for the year ended March 31, 2018 and March 31, 2017 are prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for the year ending on March 31, 2018, together with the comparative period data as at and for the year ending on March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2018 and year ended March 31, 2017.

Notes to the Financial Statements

for the year ended 31st March, 2018

Since, there is no change in the functional currency, the company has elected to continue with the carrying value for all of its Property, Plant and Equipment (PPE) as recognised in its previous GAAP financial as deemed cost at the transition date except in respect of land which has been carried at fair value as on the transition date.

Note 49 Events after reporting period

No subsequent events that would have a material impact on the financials were observed after the reporting period.

Note 50 Gratuity as Defined contribution benefits Scheme

Defined Benefit Plan

Under the said Act, employee who has completed 5 years of service is entitled to specific benefit. The level of benefits provided depends upon the strength of service of the employees and the salary at the retirement age.

Following table summarises the components of net benefit expenses recognised in the statement of Profit and Loss and amounts recognised in the balance sheet for the gratuity plan:

Statement of profit and loss

	31-Mar-18	01-Apr-16
Net Employee benefit expenses recognised in the employee cost		
Current Service Cost	2.36	0.00
Interest Cost on Obligation	-	-
Expected return on plan assets	-	-
Net Actuarial (gain)/loss recognised in the year ended March 31, 2018	6.45	-
Past Service Cost	3.36	0.00
	12.17	0.00
Recognised in earlier year(s)	0.00	3.47
Recognised in current year	0.00	5.18
	0.00	8.64

Changes in Present value of defined benefit obligation

	31-Mar-18	01-Apr-16
Opening Defined benefit obligation	0.00	3.47
Current Service Cost	2.36	5.18
Interest Cost	-	-
Net Actuarial (gain)/loss recognised in the year ended March 31, 2018 less considered in earlier year	1.17	-
Benefits Paid		
Closing Balance of Defined benefit obligation (Non Current)	3.53	8.64

Principle Assumptions

Rate of Interest	7.75% Per Annum
Salary Growth	5% Per Annum
Withdrawal Rate	1% at all ages
Mortality Rates	Indian Assured Lives (2006-08) Ult. Mortality Rates
Retirement Age	58 Years

The company has carried out an Actuarial Valuation for the first time during the year to evaluate the likely liability on account of terminal benefits of its employees. Till the previous year ended March 31, 2017, the company has estimated the amount of liability and hence the previous period figures are not strictly comparable.

Notes to the Financial Statements

for the year ended 31st March, 2018

Note 51

The Financial statements were authorised for issue in accordance with a resolution of the Directors dated May 29, 2018.

Note 52

Previous years' figures have been regrouped / reclassified wherever necessary to confirm to current classification.

Independent Auditor's Report

Report on the Ind AS Financial Statements

1. The accompanying are the consolidated Ind AS financial statements of Kridhan Infra Limited ('the Company' or 'holding company') and its subsidiaries (the Company and its subsidiaries constitute 'the Group'), which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information have been audited by the auditors of the respective entities under the local laws, these financial statements have been considered by us. We have audited the stand alone financial statements of the holding company.

Management's Responsibility for the Consolidated Financial Statements

2. The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Consolidated Financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit; its cash flows and changes in equity for the year ended on that date.

Other Matter

7. We did not audit the financial statements / financial information of the subsidiaries and associates of the company, whose financial statements / financial information reflect total assets of ₹ 80,536 Lakhs as at 31st March, 2018, total revenues of ₹ 62,800 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 36 Lakhs for the period ended 31st March, 2018, as considered in the consolidated financial statements, in respect of its associate, whose

financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements / financial information.

Report on Other Legal and Regulatory Requirements

8. As required by Section 143(3) of the Act, we report that in respect of entities to whom the provisions of the section apply:
- a. We / the other auditors have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law relating to preparation of the consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d. In our opinion, the consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the Directors of the Company as on March 31, 2018, taken on record by the Board of Directors of the Company and the reports of the auditors of its subsidiary companies incorporated in India, none of the Directors of the Company and its subsidiaries, incorporated in India is disqualified as on March 31, 2018 from being appointed as a Director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such controls, we give our separate report in "Annexure - A". The Internal Financial Controls are applicable only for the companies incorporated in India and the report accordingly is in respect of only these entities.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors') Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Group has disclosed the impact of pending litigations on the consolidated financial position of the Group in its consolidated financial statements as of March 31, 2018;
 - ii) The Group has made provisions in its consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses on long term contracts;
 - iii) In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause is not applicable.

M No. 065025

Place : Mumbai
Date : 29th May, 2018

**Annexure – A to the Independent Auditors Report on Consolidated Financial Statements
Referred to in para 8 of our report of even date, to the members of Kridhan Infra Limited for the year ended
March 31, 2018**

**Report on the Internal Financial Controls under
Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Kridhan Infra Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date. We have audited the internal financial controls over financial reporting of Kridhan Infra Limited (hereinafter referred to as the “Holding Company”) and its subsidiary which are incorporated in India, as of that date.

**Management’s Responsibility for Internal
Financial Controls**

The respective Board of Directors of the Holding Company, its subsidiary companies, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over
Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial
Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting

to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal financial control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, in so far as it relates to the subsidiary companies, which are incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

Notes to the Financial Statements

for the year ended 31st March, 2018

1 Corporate Information

Kridhan Infra Limited ('Kridhan' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at 203, Joshi Chambers, Ahmedabad Street, Carnac Bunder, Masjid. Mumbai- 400 009. The Consolidated Financial Statements comprise of financial statements of Kridhan Infra Limited ('the Company' or 'the Holding Company') and its subsidiaries and associates (collectively, "the Group") for the year ended March 31, 2018.

Its shares are listed on two recognised stock exchanges in India viz. BSE and NSE.

2. Application of new Indian Accounting Standards

2.1 All the Indian Accounting Standards issued under section 133 of the Companies Act, 2013 and notified by the Ministry of Corporate Affairs (MCA) under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparation of these Financial Statements.

2.2 Standards issued but not yet effective

The MCA has notified the Companies (Indian Accounting Standards/ Ind AS) Amendment Rules, 2018 on 28th March, 2018, whereby Ind AS-115 relating to "Revenue from Contracts with Customers" and Appendix B to Ind AS 21 relating to "Foreign Currency Transactions and advance considerations" has been made applicable from financial year 2018-19 (i.e. 1 April, 2018 onwards).

Ind AS-115 relating to Revenue from Contracts with Customers

The Standard replaces the existing Ind AS 18 "Revenue" and Ind AS 11 "Construction Contracts". Ind AS 115 establishes the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Ind AS 21 – Appendix B - Foreign currency transactions and advance consideration

This Appendix applies to a foreign currency transaction (or part of it) when an entity recognises a non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration before the entity recognises the related asset, expense or income (or part of it).

The Company has evaluated the requirements and based on its assessment it is of the view that there is no material impact on account of the same.

2.3 Basis of Preparation

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended thereafter.

For all periods up to and including the year ended March 31, 2017, the Group has prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP'). These financial statements for the year ended 31 March, 2018 are the first, the Group has prepared in accordance with Ind AS.

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) which have been measured at fair value. The consolidated financial statements are presented in Indian Rupee ('INR') which is also the Group's functional currency and all values are rounded to the nearest Lakhs, except when otherwise indicated.

3. Significant accounting policies

3.1 Statement of compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017.

The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These are the Company's first Ind AS Standalone Financial Statements. The date of transition to Ind AS is April 1, 2016.

Previous period figures in the Financial Statements have been restated in compliance to Ind AS.

Up to the year ended March 31, 2017, the Company had prepared the Consolidated Financial Statements under the historical cost

Notes to the Financial Statements

for the year ended 31st March, 2018

convention on accrual basis in accordance with the Generally Accepted Accounting Principles applicable in India and the applicable Accounting Standards as prescribed under the provisions of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 ('Previous GAAP').

In accordance with Ind AS 101-"First Time adoption of Indian Accounting Standards" (Ind AS 101), the Company has presented a reconciliation of Shareholders' equity under Previous GAAP and Ind AS as at March 31, 2017, and April 1, 2016 and of the Profit after tax as per Previous GAAP and Total Comprehensive Income under Ind AS for the year ended March 31, 2017.

3.2 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries and associates as at 31 March, 2018. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Subsidiaries are entities controlled by the Group. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The financial statements of each of the subsidiaries used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31 March except in respect of one of its subsidiaries where the financials are for the year ended June 30, 2018 where unaudited figures till March 31, 2018 have been considered.

3.2.1 Process for consolidation

Consolidation procedure:

- i. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the

amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.

- ii. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- iii. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full.
- iv. Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.
- v. Non-controlling interest's in the net assets of consolidated subsidiaries consists of :
 - a) The amount of equity attributed to non-controlling interests at the date on which investment in a subsidiary relationship came into existence;
 - b) The non-controlling interest's share of movement in equity since the date parent subsidiary relationship came into existence;
 - c) Non-controlling interest's share of net profit/ (loss) of consolidated subsidiaries for the year is identified and adjusted against the profit after tax of the Group.
- vi) the following subsidiaries are consolidated in the financial statements of the group:

Notes to the Financial Statements

for the year ended 31st March, 2018

- a) Readymade Steel Singapore Pte Ltd.
- b) Kridhan Infr solutions Pvt. Ltd.

Step down subsidiaries of the above have also been duly considered.

3.2.2 Business combinations and goodwill

In accordance with Ind AS 101 provisions related to first time adoption, the Group has exercised exemption and elected not to apply Ind AS accounting for business combinations retrospectively.

The excess of cost to the group of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the Consolidated Financial Statements. This Goodwill is tested for impairment at the close of each financial year. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications

to observable related market data or Company's assumptions about pricing by market participants.

3.3 Investments in subsidiaries and associates

The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.

3.4 Property, Plant and Equipment

The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its Land which has been measured at Fair Value as on the transition date.

Freehold land is not depreciated.

Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognised impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

Depreciation of PPE commences when the assets are ready for their intended use.

Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.

The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata

Notes to the Financial Statements

for the year ended 31st March, 2018

basis with reference to the date of additions/deletions.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.

Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

3.6 Impairment of tangible and intangible assets

The Company reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined,

net of depreciation, had no impairment loss been recognized for the asset in prior years.

After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.

- 3.7** Inventories comprising of saleable stock are valued at cost or Net Realisable Value, whichever is lower.

Consumable stock are valued at Cost.

3.8 Revenue recognition

Revenue is recognised when the property in the goods is transferred in favour of the customer, which normally coincides with the date of physical delivery. In case of transit sales where goods are transferred by transfer of the documents of title, revenue is recognised on the transfer of the document of title.

Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, service tax and sales tax etc. Any retrospective revision in prices is accounted for in the year of such revision.

Interest on Fixed Deposits is recognised on accrual basis.

Income from sale of Scrap is accounted on cash basis.

Dividend income from investments is recognised when the shareholder's right to receive payment is established.

3.9 Foreign Exchange Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting

Notes to the Financial Statements

for the year ended 31st March, 2018

period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

3.10 Borrowing Cost

Interest/Finance Cost on loans specifically borrowed for and expansion of projects, upto the point when the project is ready for start of commercial production is charged to the capital cost of the projects concerned.

All other borrowing costs are charged to revenue.

3.11 Employee Benefits

Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.

All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.

Defined contribution plans

Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.

Defined benefit plans

Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

3.12 Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the

Notes to the Financial Statements

for the year ended 31st March, 2018

reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

3.14 Financial instruments

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

3.15 Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received.

3.16 Financial assets

(i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within

a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.

(iv) Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(v) Impairment of financial assets

The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

(vi) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of

Notes to the Financial Statements

for the year ended 31st March, 2018

the consideration received and receivable is recognised in the Statement of Profit and Loss.

3.17 Financial liabilities

a) Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

b) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

3.18 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

3.20 Segment reporting

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems.

3.21 First-time adoption – mandatory exceptions and optional exemptions

(i) Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 ('the transition date') by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted

by Ind AS, by reclassifying certain items from Previous GAAP to Ind AS as required under the Ind AS, and applying Ind AS in the measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below.

(ii) Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2016 (the transition date).

(iii) Deemed cost for Property, Plant and Equipment, Oil and Gas assets and intangible assets

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment, and intangible assets recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its land which has been measured at fair value as on transition date.

(iv) Investments in subsidiaries and associates

The Company has elected to carry its investments in subsidiaries and associates at deemed cost being carrying amount under Previous GAAP on the transition date.

3.22 Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Notes to the Financial Statements

for the year ended 31st March, 2018

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

4. Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty

Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.

4.1 Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Note 4.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

(a) Determination of functional currency

Currency of the primary economic environment in which the Company operates ("the functional currency") is Indian Rupee (₹) in which the Company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

(b) Classification of investment

Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Company may obtain control, joint control or significant influence over the entity or arrangement. Transactions which give the Company control of a business are business combinations. If the Company obtains joint control of an arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Company has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.

4.2 Assumptions and key sources of estimation uncertainty

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

Impairment of assets

Determination as to whether, and by how much, asset is impaired involves Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.

Note 32 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained term loans and working capital facilities from banks.

As of March 31, 2018, the Company had working capital (Total current assets - Total current liabilities) of ₹ 21,175.85 Lakhs including cash and cash equivalents of ₹ 4,173.98 Lakhs. As of March 31, 2017, the Company had working capital (Total current assets - Total current liabilities) of ₹ 264.06 Lakhs including cash and cash equivalents of ₹ 2,967.78 Lakhs.

Exposure to liquidity risk

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non derivative financial liabilities

March 31, 2018	Contractual cash flows					
	Carrying amount	Total	Less than 12 months	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Borrowings						
Loans - From Banks	24,154.01	24,154.01	18,242.37	5,673.34	238.30

Note 33 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Borrowings (Note 17 & Note 21)	24,916.78	23,696.06	16,310.59
Trade payables (Note 22)	13,879.51	18,978.03	8,364.75

Equity	1,895.58	1,481.84	1,481.84
Total sponsor capital	1,895.58	1,481.84	1,481.84
Capital and net debt	49,272.09	51,749.68	31,607.13
Gearing ratio (%)	96.15	97.14	95.31

Note 34 Details of dues to micro and small enterprises as per MSMED Act, 2006

There are no Micro and Small Enterprises as defined in the Micro and Small Enterprises Development Act, 2006 to whom the company owes dues on account of principal amount together with interest and accordingly no additional disclosures have been made. The above information regarding Micro and Small Enterprises has been determined to the extent such parties has been identified on the basis of information available with the company.

Note 35 Fair Values

The carrying values of financial instruments of the Company are reasonable and approximations of fair values.

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Note 36 Financial instruments – Fair values and risk management

Risk management framework

The Company's activities expose it to a variety of financial risks, including revenue risk, market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of revenue risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The company's primary business is related to construction activities and dealing in Iron and Steel products which is on credit to parties and are subjected to assessment of creditworthiness. The creditworthiness is periodically reviewed for any high credit risk receivable. Based on such assessment the management is of the view that there is a moderate credit risk in respect of its trade receivables.

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Trade and other receivables

The company's primary business is trading and providing services. There are certain receivables arising from the same for which required assessment of credit worthiness is being carried out by the company on a recurring basis based on which the company is of the view that there are no significant expected losses on account of its trade receivables. The age-wise breakup of the receivables is as under:

Summary of the Company's exposure to credit risk by age of the outstanding from its customers is as follows:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Neither past due nor impaired	-	-	-
Past due but not impaired			
Past due 1-90 days	11,598.99	12,580.07	4,294.20
Past due 91-180 days	6,453.50	5,453.75	749.31
Past due 181-270 days	5,550.83	442.04	776.86
Past due 271-365 days	3,905.95	1,484.01	48.81
Past due more than 365 days	1,864.88	1,819.26	1,833.57
	29,374.15	21,779.13	7,702.75

Expected credit loss assessment for customers as at 1 April 2016, 31 March 2017 and 31 March 2018

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. Hence, the company has not recognized any provision for expected credit loss till date.

Cash and cash equivalents: Out of total Cash and Cash equivalent of ₹ 4,173.98 Lakhs; 2,967.78 Lakhs and ₹ 2,426.87 Lakhs as at March 31, 2018, March 31, 2017 and April 1, 2016 respectively, the Company held cash and cash equivalents with credit worthy banks and financial institutions of ₹ 4,084.42 Lakhs, ₹ 2,850.15 Lakhs and ₹ 2,364.47 Lakhs as at 31st March 2018, 31st March 2017 and April 1, 2016 respectively. The creditworthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Guarantees

The Company has provided the following financial guarantees:

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Bank / Corporate Guarantees	47,369.75	19,545.10	13,189.00

Corporate guarantees have been given to assist subsidiaries in availing banking facilities.

Bank guarantees are performance bank guarantees given to customers.

Security deposits given to lessors

The Company has not taken any premises on lease basis against security deposits, hence the said disclosure is not applicable.

Loans to associate company

The Company has given unsecured loans to its associate company and their Directors / KMP of ₹ 1,528.96 Lakhs as at 31 March 2018. The Company does not perceive any credit risk pertaining to loans provided to its associate company.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Note 37 Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Currency risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

Carrying amount of Financial Assets and Liabilities: Financial assets (carried at amortised cost) :

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Loans	9,009.43	4,400.35	3,129.66
Trade receivables	29,374.15	21,779.13	7,702.75
Cash and cash equivalents	4,173.98	3,015.68	2,438.11
Others	4,456.14	4,407.84	5,352.62
At end of the period	47,013.70	33,603.00	18,623.14
Financial liabilities carried at amortised cost			
Borrowings (secured)	24,146.78	23,696.06	16,310.59
Borrowings (unsecured)	770.00	-	-
Trade payables	13,879.51	18,978.03	8,364.75
Other financial liabilities	12,754.20	10,561.53	7,876.83
At end of the period	51,550.48	53,235.62	32,552.17

The sensitivity analyses in the following sections relate to the position as at March 31, 2018, March 31, 2017 and April 01, 2016.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2018.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2018, March 31, 2017 and as at April 01, 2016.

Credit risk on Financial Assets

The company's primary business is related to construction activities and dealing in Iron and Steel products. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 30 to 90 days.

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Ageing analysis of the age of trade receivable amounts that are past due as at the end of reporting year but not impaired:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Less than 90 days	11,598.99	12,580.07	4,294.20
Over 120 days	20,719.49	12,774.21	8,371.16
	32,318.48	25,354.28	12,665.36

The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities.

The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2018, March 31, 2017 and as at April 01, 2016 is the carrying amounts as illustrated in Note 12 & 14. The Group's maximum exposure relating to financial guarantees and financial derivative instruments is noted in notes and the liquidity table below.

Interest Rate

The company does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the company is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the company is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rates are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Financial assets			
Interest bearing			
- fixed interest rate			
Other bank balances	-	47.89	11.24
Others	-	-	-
Loans	2,088.90	447.23	741.00
- floating interest rate	-	-	-
Non interest bearing			
Loans	6,920.53	3,953.12	2,388.66
Others	521.14	44.13	54.12
Trade receivable	29,374.15	21,779.13	7,702.75
Cash and cash equivalent	4,173.98	2,967.78	2,426.87
Financial Liabilities			
Interest bearing			
- floating interest rate			
Borrowings	24,154.01	23,698.94	19,072.11
Non interest bearing			
Borrowings	770.00		
Trade and other payables	13,879.51	18,978.03	8,364.75
Other financial liabilities	8,386.81	6,348.16	6,167.63

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after excluding the credit exposure for which interest rate swap has been taken and hence the interest rate is fixed. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	March 31, 2018	March 31, 2017	April 01, 2016
Increase in basis points			
- Basis points	50	50	50
Effect on profit before tax			
- INR in Lakhs	(121)	(118)	(95)
Decrease in basis points			
- Basis points	50	50	50
Effect on profit before tax			
- INR in Lakhs	121	118	95

Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2018, March 31, 2017 and as at April 01, 2016 is the carrying amounts as illustrated in Note 18. The Company's maximum exposure relating to financial guarantees are noted in the liquidity table below.

Bank / Corporate Guarantees issued to parties	47,674
Income tax and VAT liabilities in respect of pending / ongoing assessments	Not Ascertainable
The company has received notices of demand from Office of Income Tax for ₹ 68.76 Lakhs and from Office of Sales Tax for ₹ 1,447.39 Lakhs for payment of tax and other dues for which it has filed / represented at appropriate forums and are pending at these forums. Based on the progress made and as per the best estimates made by the company, based on legal opinion obtained, the company will not be required to pay any material amount in respect of the same.	

Note 42

Fixed Assets, Stocks and Cash balance were physically verified by the management. The Certification of the same given by the management has been relied upon by the auditors.

Note 43

The current assets, loans and advances have the values at least equal to the amount at which they are stated in the Balance sheet on their realisation in ordinary course of business. Provisions for all known liabilities are adequate and not in excess of the amount reasonably necessary.

Note 44

Balances of Current Assets and Current Liabilities are subject to confirmation and consequential adjustment, if any. During the year, the management has done assignment of some of its receivables / payables as per mutual discussions with the respective parties. The necessary documentation in respect of the same are under execution.

Note 45

In absence of the parties registered as micro and small as defined under the Micro Small & Medium Enterprise Development (MSMED) Act 2002, the relevant information has been considered as NIL. Hence, the required disclosures under the MSMED Act are not given.

Notes to the Financial Statements

*Profit before exceptional items, interest, tax, minority interest and other income

Note 47 First-time adoption of Ind AS

These financial statements, for the year ended March 31, 2018 and March 31, 2017 are prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for the year ending on March 31, 2018, together with the comparative period data as at and for the year ending on March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2018 and year ended March 31, 2017.

Since, there is no change in the functional currency, the company has elected to continue with the carrying value for all of its Property, Plant and Equipment (PPE) as recognised in its previous GAAP financial as deemed cost at the transition date except in respect of land which has been carried at fair value as on the transition date.

Note 48

During the year the company has received the amounts for allotment of share warrants to be converted into shares of the company on 05-Jun-2019. The company has received the 25% value of such warrants aggregating to ₹ 506.25 Lakhs.

Note 49 Events after reporting period

No subsequent events that would have a material impact on the financials were observed after the reporting period.

Note 50 Gratuity as Defined contribution benefits Scheme

Defined Benefit Plan

The company has an unfunded defined benefit gratuity plan. The gratuity plan is governed by the Payment of Gratuity Act, 1972.

Under the said Act, employee who has completed 5 years of service is entitled to specific benefit. The level of benefits provided depends upon the strength of service of the employees and the salary at the retirement age.

Following table summarises the components of net benefit expenses recognised in the statement of Profit and Loss and amounts recognised in the balance sheet for the gratuity plan:

Statement of profit and loss

	31-Mar-18	31-Mar-17
Net Employee benefit expenses recognised in the employee cost		
Current Service Cost	2,35,601.00	5,17,816.00
Interest Cost on Obligation	-	-
Expected return on plan assets	-	-
Net Actuarial (gain)/loss recognised in the year ended March 31, 2018	6,45,224.00	-
Past Service Cost	3,36,461.00	3,46,527.00
	12,17,286.00	8,64,343.00
Recognised in earlier year(s)	8,64,343.00	3,46,527.00
Recognised in current year	3,52,943.00	5,17,816.00
	12,17,286.00	8,64,343.00

Changes in Present value of defined benefit obligation

	31-Mar-18	01-Apr-16
Opening Defined benefit obligation	8,64,343.00	3,46,527.00
Current Service Cost	2,35,601.00	5,17,816.00
Interest Cost		
Net Actuarial (gain)/loss recognised in the year ended March 31, 2018 less considered in earlier year	1,17,342.00	
Benefits Paid		
Closing Balance of Defined benefit obligation (Non Current)	12,17,286.00	8,64,343.00

Notes to the Financial Statements

for the year ended 31st March, 2018

(Amount in ₹ Lakhs)

Principle Assumptions

Rate of Interest	7.75% Per Annum
Salary Growth	5% Per Annum
Withdrawal Rate	1% at all ages
Mortality Rates	Indian Assured Lives (2006-08) Ult. Mortality Rates
Retirement Age	58 Years

The company has carried out an Actuarial Valuation for the first time during the year to evaluate the likely liability on account of terminal benefits of its employees. Till the previous year ended March 31, 2017, the company has estimated the amount of liability and hence the previous period figures are not strictly comparable.

The above details are with respect to holding company based on its standalone employee strength. The employees of its overseas subsidiary are being paid employee benefits as per the prevailing laws at the respective countries where they are domiciled.

Note 51

The Financial statements were authorised for issue in accordance with a resolution of the Directors dated May 29, 2018.

Note 52

Previous years' figures have been regrouped / reclassified wherever necessary to confirm to current classification.

Notice of Annual General Meeting

NOTICE is hereby given that the 12th Annual General Meeting of Kridhan Infra Limited will be held on Friday, 28th September, 2018 at 3:00 p.m. at the Country Club, A/723, Opp. Kia Park, Veera Desai Road, Prathmesh Complex, Andheri (West), Mumbai 400053 to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt:
 - a. the Audited Standalone Financial Statements of the Company for the financial year ended 31st March, 2018, together with the Reports of the Board of Directors and Auditors thereon; and
 - b. the Audited Consolidated Financial Statements of the Company for the financial year ended 31st March, 2018, together with the Report of Auditors thereon.
2. To declare a Final Dividend on Equity Shares for the financial year ended 31st March, 2018.
3. To appoint a Director in place of Mrs. Nikki Agarwal (DIN: 00182633), Director of the Company who retires by rotation and being eligible offers herself for re-appointment.

SPECIAL BUSINESS:

4. To consider and if, thought fit to pass with or without modifications, the following resolutions as an Ordinary Resolution:

"RESOLVED THAT Mr. Shekhar Bhuwania (DIN: 03604299), who was appointed by the Board of Directors as an Additional Director of the Company with effect from 6th December, 2017 and who holds office up to the date of this Annual General Meeting of the Company in terms of Section 161(1) of the Companies Act, 2013 ("Act") and the Article 136 of the Articles of Association of the Company but who is eligible for appointment and in respect of whom the Company has received a notice in writing from a Member under Section 160(1) of the Act proposing his candidature for the office of Director of the Company, be and is hereby appointed as Director of the Company."

"RESOLVED FURTHER THAT pursuant to the provisions of Sections 149, 152 and other applicable provisions, if any, of the Act and the Companies (Appointment and Qualifications of Directors) Rules, 2014, as amended from time to time, the appointment of Mr. Shekhar Bhuwania, who meets the criteria for independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and who has submitted a declaration to that effect, and who is eligible for appointment as an Independent Director of the Company, not liable to retire by rotation, for a term of five years commencing 6th December, 2017 to 5th December, 2022, be and is hereby approved."

"RESOLVED FURTHER THAT the Board of Directors be and is hereby authorized to do all such acts, deeds, matters and things as may be necessary, proper or expedient to give effect to this resolution."

5. To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Sections 196, 197, 203 and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") read with Schedule V thereto and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or reenactment(s) thereof, for the time being in force), and the Articles of Association of the Company and subject to the requisite approval of the Central Government and such other approvals as may be necessary, the consent of the members of the Company be and is hereby accorded to the re-appointment and remuneration of Mr. Anil Agrawal (DIN: 00360114) as the Managing Director of the Company, who shall not be liable to retire by rotation, and designated as 'Managing Director' for a period of 5 (five) years commencing from August 14, 2018 on the terms and conditions, as set out in the Explanatory Statement annexed to this Notice, with liberty to the Board of Directors (hereinafter referred to as "the Board" which term shall include the Nomination and Remuneration Committee) of the Company to alter and vary the terms and conditions of the said appointment and/ or remuneration as it may deem fit, subject to applicable provisions of the Act."

"RESOLVED FURTHER THAT in the event of absence or inadequacy of profit in any financial year, during the tenure of Mr. Anil Agrawal as the Managing Director, the Company shall make payment of the remuneration payable to him, as decided by the Board, subject to the approval of the Central Government, if required, and subject to such conditions and modifications as maybe prescribed or imposed by the Central Government while granting such approval, as applicable. In case the remuneration is paid in excess of the limits permitted under the Act without the sanction of the Central Government, Mr. Anil Agrawal shall refund such amount and pending such refund shall hold such amount in trust for the Company."

"RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board or a Committee thereof or any of the empowered officials, be and are hereby authorized to do all such acts, deeds, matters and things as it may in its absolute discretion deem necessary or desirable."

6. To consider and if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to the provisions of Section 185 of the Companies Act, 2013, as amended by the Companies (Amendment) Act, 2017 (“said Section”), approval of shareholders of the Company be and is hereby accorded for making of loan(s) to Vijay Nirman Company Private Limited, associate company being an entity under the category of ‘a person in whom any of the director of the company is interested’ as specified in the explanation to Sub-section 2(b) of the said Section, of an aggregate outstanding amount not exceeding ₹ 50 Crores (Rupees Fifty Crores only) and giving of guarantee(s), and/ or providing of security(ies) in connection with any loan taken/ to be taken by VNC of an aggregate outstanding amount not exceeding ₹ 1,000 Crores (Rupees One Thousand Crores only)”

“RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board of Directors of the Company (hereinafter referred to as “the Board”, which term shall be deemed to include any committee thereof) be and is hereby authorized to negotiate, finalise and agree the terms and conditions of the aforesaid loan/ guarantee/security, and to take all necessary steps, to execute all such documents, instruments and writings and to do all necessary acts, deed and things in order to comply with all the legal and procedural formalities and to do all such acts, deeds or things incidental or expedient thereto and as the Board may think fit and suitable.”

7. To consider and, if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT in suppression of power earlier given by members and pursuant to Section 186 and other applicable provisions of the Companies Act, 2013 (“the Act”), the Companies (Meetings of Board and its Powers) Rules, 2014 (including any statutory modification(s) thereof for the time being in force and as may be enacted from time to time), Articles of Association of the Company and subject to necessary approvals, if required, consent of the members be and is hereby accorded to the Board of Directors:

- i) giving loans to any person or other body corporate;
- ii) giving of guarantee or providing security in connection with a loan to any other body corporate or person; and/ or

- iii) for acquiring whether by way of subscription, purchase or otherwise, the securities including shares, debentures etc., of any other body corporate up to an amount, the aggregate outstanding of which should not, at any time, exceed ₹ 1200 Crore (Rupees One Thousand Two Hundred Crore only) notwithstanding that such investments, outstanding loans given or to be given and guarantees and securities provided are in excess of the limit prescribed under Section 186 of the Companies Act, 2013.”

“RESOLVED FURTHER THAT the Board of Directors (including any committee thereof) as formed by the Board be and is hereby authorized, to invest, make loan or provide guarantees/security to any person or body corporate, within aforesaid limits, as may be applicable from time to time and on such terms and conditions as may be deemed fit and expedient.”

“RESOLVED FURTHER THAT the Board of Directors (including any committee thereof) as formed by the Board be and is hereby authorized to negotiate the terms and conditions of the above said investments, loan(s), security (ies) or guarantee(s) as they deem fit and in the best interest of the Company and take all such steps as may be necessary to complete the same.”

“RESOLVED FURTHER THAT any one Director of the Company, be and is hereby authorized to do all such acts, deeds, matters and things as it may, in its absolute discretion, deem necessary and with power to settle questions, difficulties or doubts that may arise in this regard without requiring the Board to secure any further approval of the members of the Company.”

- 12. With a view of using natural resources responsibly, we request shareholders to update their email address, with their Depository Participants to enable the Company to send communications electronically.**
- In compliance with Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, substituted by the Companies (Management and Administration) Amendment, Rules 2015, and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has provided a facility to the members to exercise their votes electronically through the electronic voting service facility arranged by Central Depository Securities Limited. The facility for voting, through ballot paper, will also be made available at the AGM and the members attending the AGM who have not already cast their votes by remote e-voting shall be able to exercise their right at the AGM through ballot paper. Members who have cast their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their votes again. The instructions for e-voting are annexed to the Notice.
- The Notice of the 12th AGM and instructions for e-voting, along with the Attendance Slip and Proxy Form, is being sent by electronic mode to all members whose email addresses are registered with the Company/ Depository Participant(s), unless a member has requested for a hard copy of the same. For members who have not registered their email addresses, physical copies of the documents are being sent by the permitted mode.
- Members may also note that the Notice of the 12th AGM and Annual Report 2017-18 will be available on the Company's website www.kridhan.com. The physical copies of the documents will also be available at the Company's corporate office for inspection during normal business hours on working days. Members who require communication in physical form in addition to e-communication, or have any other queries, may write to us at: investor@kridhan.com.

16. Additional information, pursuant to Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, in respect of the person seeking re-appointment at the AGM as Director under Item No. 3 of the Notice, is furnished as annexure to the Notice.
17. The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant(s). Members holding shares in physical form are required to submit their PAN details to the Company.
18. All documents referred to in the Notice will be available for inspection at the Company's corporate office during normal business hours on working days up to the date of the AGM.
19. Attendance Registration: Shareholders are requested to tender their attendance slips at the registration counters at the venue of the AGM and seek registration before entering the meeting hall.

THE SHAREHOLDER NEEDS TO FURNISH THE 'ATTENDANCE SLIP' ALONG WITH A VALID IDENTITY PROOF SUCH AS THE PAN CARD, PASSPORT, AADHAR CARD OR DRIVING LICENSE, TO ENTER THE AGM HALL.

PROCEDURE/ INSTRUCTIONS FOR E-VOTING ARE AS UNDER:

The Voting period begins on Tuesday, 25th September, 2018 at 09:00 a.m. (IST) and ends on Thursday, 27th September, 2018 at 05:00 p.m. (IST). During this period shareholders of the Company holding shares either in physical form or in dematerialized form, as on cut-off date (record date) of Friday, 21st September, 2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

The "cut-off date" means a date not earlier than 7 (seven) days before the date of General Meeting for determining the eligibility to vote by electronic means or in the General Meeting.

I. In case of members receiving e-mail:

- a) Open e-mail
- b) Open your web browser during the voting period and log on to the e-voting website www.evotingindia.com
- c) Now click on "Shareholders" tab
- d) Now, select the "COMPANY NAME" from the drop down menu and click on "SUBMIT"
- e) Now Enter your User ID
 - i. For CDSL: 16 digits beneficiary ID
 - ii. For NSDL: 8 Character DP ID followed by 8 Digits Client ID
 - iii. Members holding shares in Physical Form should enter Folio Number registered with the Company

Next enter the Image Verification as displayed and Click on Login. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier

voting of any company, then your existing password is to be used.

- f) If you are a first time user follow the steps given below:

For Members holding shares in Demat and Physical form

PAN	<ul style="list-style-type: none"> • Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the last 8 digits of the demat Account/folio number in the PAN Field. • In case the folio number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with folio number 100 then enter RA00000100 in the PAN Field.
DOB	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format.
Dividend Bank Details	Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio.

Please enter the DOB or Dividend Bank Details in order to login. If the details are not recorded with the depository or company, please enter the number of shares held by you as on the cut-off date in the Dividend Bank details field.

- g) After entering these details appropriately, click on "SUBMIT" tab.
- h) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be used also by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- i) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- j) Click on the EVSN i.e. 180823017 for "Kridhan Infra Limited" for the relevant <Company Name> on which you choose to vote.
- k) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

- l) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- m) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- n) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- o) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- p) If Demat account holder has forgotten the changed password, then enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.
- Non-Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.,) are required to log on to www.evotingindia.com and register themselves as Corporate.
 - They should submit a scanned copy of the Registration Form bearing the stamp and sign of the entity to helpdesk www.evotingindia.com.
 - After receiving the login details they have to create a user who would be able to link the account(s) which they wish to vote on.
 - The list of accounts should be mailed to helpdesk. evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.
 - In case you have any queries regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk [www.evotingindia.com](mailto:helpdesk@cdslindia.com).
- II. In case of members receiving the physical copy:**
Please follow all steps from Sr. No. b) to Sr. No. p) above to cast vote.
- III. Other Instructions**
- a) The voting period begins on Tuesday, 25th September, 2018 at 09.00 a.m. (IST) and ends on Thursday, 27th September, 2018 at 05.00 p.m. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Friday, 21st September, 2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. The "cut-off date" means a date not earlier than 7 (seven) days before the date of general meeting for determining to vote by electronic means or in the general meeting proceeding.
- b) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk [www.evotingindia.com](mailto:helpdesk@cdslindia.com).
- c) If you are already registered with CDSL for e-voting then you can use your existing user ID and password/PIN for casting your vote.
- d) You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- e) The e-voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date (record date) Friday, 21st September, 2018.
- f) Mr. Hemant Shetye, Partner of HS Associates, Practicing Company Secretaries (Membership No. FCS 2827) has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent Manner.
- g) The results of the e-voting along with the scrutinizers report shall be placed in the Company's website www.kridhan.com and on the website of CDSL within two working days of passing of the resolution at the AGM of the Company. The results will also be communicated to the stock exchanges where the shares of the Company are listed.
- h) Members who do not have access to e-voting facility may send duly completed Ballot Form (enclosed with the Annual Report) so as to reach the Scrutinizer appointed by the Board of Directors of the Company, Mr. Hemant Shetye, Partner of HS Associates, Practicing Company Secretaries, at the corporate office of the Company not later than Thursday, 27th September, 2018 (05.00 p.m. IST).
- i) Ballot Form received after this date will be treated invalid.
- j) A member can opt only for one mode of voting i.e. either through e-voting or by Ballot. If a Member casts vote by both modes, then voting done through e-voting shall prevail and Ballot shall be treated as invalid.
- k) All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the corporate Office of the Company during normal business hours (9.00 am to 6.00 pm) on all working days, up to and including the date of the Annual General Meeting of the Company.
- l) The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in Corporate Governance" (Circular No. 17/2011 dated 21st April, 2011 and Circular No. 18/2011 dated 29th April, 2011) allowing companies to dispatch documents to the shareholders through electronic mode. Considering the above theme, your company had decided to send Annual Report through electronic mode. However, if required the copy of the Annual Report shall be provided to the shareholder at the Annual General Meeting.

- m) The Members are requested to:
Intimate to the registrars/ Company, changes if any, in their registered address at an early date along with the pin code number;

Quote Registered Folio/ Client ID & DP ID in all their correspondence;

Dematerialize the shares held in physical form at the earliest as trading in the Equity Shares of the Company shall be only in Dematerialized form for all the investors.

For and on behalf of the Board of Directors,
Kridhan Infra Limited

Mumbai, 14th August, 2018

Jyoti Gade
Company Secretary

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 4:

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, appointed Mr. Shekhar Bhuwania (DIN: 03604299), as an Additional (Independent) Director of the Company, not liable to retire by rotation, for a term of 5 years with effect from 6th December, 2017 to 5th December, 2022, subject to approval of the Members.

Pursuant to the provisions of Section 161(1) of the Act and Article 135 of the Articles of Association of the Company, Mr. Shekhar Bhuwania shall hold office up to the date of this Annual General Meeting (AGM) and is eligible to be appointed as a Director. The Company has, in terms of Section 160(1) of the Act, received in writing a notice from a member, proposing his candidature for the office of Director.

Mr. Shekhar Bhuwania is a Qualified Chartered Accountant (CA), Company Secretary (CS) and Law Graduate from Mumbai University. He is having a rich experience of more than a decade in the field of Finance, Investment banking, Taxation, Legal, secretarial and compliance activities. He has served in Private Sector Bank, one of the major law firms and in one of four major audit firms erstwhile.

The Company has received a declaration from Mr. Shekhar Bhuwania to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

In the opinion of the Board, Mr. Shekhar Bhuwania fulfills the conditions specified in the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 for appointment as Independent Director and is independent of the management of the Company and possesses appropriate skills, experience and knowledge.

The terms and conditions of her appointment shall be open for inspection by the Members at the corporate Office of the Company.

In compliance with the provisions of the Act, the appointment of Mr. Shekhar Bhuwania as an Independent Director is now being placed before the Members for their approval. The Board recommends the Resolution at Item No. 4 of this Notice for approval of the Members.

Accordingly, the Board recommends passing of the Ordinary Resolution as set out in the Item No. 4 of the Notice for appointment of Mr. Shekhar Bhuwania as an Independent Director, not liable to retire by rotation.

Except Mr. Shekhar Bhuwania, being an appointee none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise in the resolution set out in Item No. 4.

Item No. 5:

Mr. Anil Agrawal [DIN: 00360114], the Managing Director of the Company whose term expires on to August 24, 2018 is to be re-appointed as Managing Director w.e.f August 14, 2018 for a period of 5 [Five] years.

The Board at its meeting held on Tuesday, August 14, 2018 based on the recommendation of Nomination and Remuneration Committee approved the re-appointment of Mr. Anil Agrawal as a Managing Director of the Company. The Company has, in terms of Section 160(1) of the Act, received in writing a notice from a member, proposing his candidature for the office of Director. He was also appointed as the Managing Director of the Company, designated as 'Managing Director' of the Company, subject to approval of the Members of the Company and such other approvals as may be necessary, for a period of 5 (five) years w.e.f. August 14, 2018 on terms and conditions as recommended by the Nomination and Remuneration Committee and approved by the Board of Directors of the Company.

Mr. Anil Agrawal, a management graduate with more than a decade of experience in the steel & infrastructure industry. He is the founder of Kridhan Infra Limited and heads the organization today. Product innovation and steel industry expertise being his forte, Mr. Agrawal pioneered the concept of 'ready to use' steel in India. Mr. Agrawal has successfully led the company through many challenges and hurdles to emerge out stronger and better. His broad global perspective and sharp leadership skill has empowered Kridhan Infra Limited to expand its horizons beyond the domestic frontiers positioning it to become a true international player.

Broad particulars of the terms of appointment and of remuneration payable to Mr. Anil Agrawal are as under:

- i. Period: 5 Years w.e.f. August 14, 2018 with a liberty to either party to terminate the appointment by serving 3 months advance written notice to each other.
- ii. Mr. Anil Agrawal is appointed with a remuneration of upto ₹ 50 Lakhs p.a. (Rupees Fifty Lakhs Only).
- iii. General :
 - a. Mr. Anil Agrawal shall perform such duties as shall from time to time be entrusted to him, subject to overall supervision, guidance and control of the Board of Directors of the Company;
 - b. Reimbursement of expenses actually and properly incurred by him for and in connection with the business of the Company.
 - c. Mr. Anil Agrawal act in accordance with the Articles of Association of the Company and shall abide by the provisions contained in Section 166 of the Act with regard to duties of directors; and

- d. Mr. Anil Agrawal shall adhere to the Company's Code of Conduct and policies framed by the Company, from time to time.

This explanatory statement may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Act. The Board recommends the passing of these resolutions as a Special Resolution at Item Nos. 5 of this Notice for approval of Members.

Except Mr. Anil Agrawal and Mrs. Nikki Agarwal (wife of Mr. Anil Agrawal) none of the other Directors and Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, in the Resolution set out at Item Nos. 5 of this Notice.

Item No. 6:

Vijay Nirman Company Private Limited (VNC), is an associate company wherein your Company holds appx. 41.47% equity share capital and the balance equity share capital is held by other Directors and Individual Shareholders and Mr. Anil Agrawal, Managing Director of your Company is also a Nominee Director on behalf of the Company.

VNC is a pedigreed private construction company with over 35 years of operations. The company has strong technical skill set with a superior leadership team. It has more than 1,600 equipment units to complement its 1,600-1,700 strong staff team. The company has completed over 400 projects and has an exceptional reputation in civil engineering, design and project management skills. The company has a strong order book of over INR 3,200 crores.

The funding requirements of VNC are currently met through Bank Loans.

It is proposed that going forward the funding requirements of VNC shall be met through funds infused by inter corporate loans. Additionally, the Company in honouring its obligations, may be required to give guarantee(s) and/or provide security(ies) in connection with any loan taken/ to be taken by VNC. VNC proposes to use the said loan(s)/guarantee(s)/security(ies) for its business activities and the matters connected and incidental thereto ("Principal Business Activities").

VNC is an entity under the category of 'a person in whom any of the director of the company is interested' as specified in the explanation to Sub-section 2(b) of the Section 185 of Companies Act, 2013 and hence consent of the members is being sought by way of a special resolution pursuant to Section 185 of the Companies Act, 2013 (as amended by the Companies (Amendment) Act, 2017) for making of loan(s) of an aggregate outstanding amount not exceeding ₹ 50 Crores (Rupees Fifty Crores only), and/or giving of guarantee(s), and/or providing of security(ies) in connection with any loan taken/ to be taken by VNC of an aggregate outstanding amount not exceeding ₹ 1,000 Crores (Rupees One Thousand Crores only) on the terms mentioned in the resolution set out at Item no. 6 and necessary delegation of authority to the Board for this purpose.

Your Directors recommend the resolution set out at Item no. 6 to be passed as a special resolution by the members.

Except Mr. Anil Agrawal (being the Nominee Director in VNC), Mrs. Nikki Agarwal, (being spouse of Mr. Anil Agrawal), none of the Promoter, Directors, Key Managerial Personnel of the Company and their relatives are deemed to be concerned or interested financially or otherwise in the said resolution.

Item No. 7:

Pursuant to the provisions of Section 186 of the Companies Act, 2013, a company can give any loan, guarantee, provide security or make investment in shares, debentures etc. upto an amount of 60% of its paid-up capital, free reserves and securities premium account or 100% of free reserves and securities premium account, whichever is higher.

The Company may give loan, guarantee, provide security or make investment in shares, debentures etc. exceeding the above limits with the prior approval of shareholders by means of a special resolution.

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required.

In terms of Rule 11 of the Companies (Meetings of Board and its Powers) Rules, 2014, the above limits are not applicable in case a company gives loan or guarantee or provides security to its wholly owned subsidiary companies or joint venture companies or makes investment in securities of its wholly owned subsidiary companies.

Since, the investments to be made, the guarantees to be given and securities to be provided, are likely to exceed the present overall limits as per Section 186 of the Companies Act, 2013, the Company proposes to obtain the prior approval of shareholders by means of a special resolution.

Accordingly, the Board of Directors of the Company proposes to seek approval of shareholders by way of special resolution to authorize the Board to exercise powers for an amount not exceeding ₹ 1,200 crore (Rupees One Thousand Two Hundred Crore Only) outstanding at any time notwithstanding that such investments, outstanding loans given or to be given and guarantees and security provided are in excess of the limits prescribed under Section 186 of the Companies Act, 2013.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested, whether directly or indirectly, in the resolution mentioned at item No. 7 of the Notice except to the extent of their shareholding.

For and on behalf of the Board of Directors,
Kridhan Infra Limited

Mumbai, 14th August, 2018

Authorised Representative

Notes:

- If you opt to cast your vote by e-voting, there is no need to fill up and sign this form.
- Last date for receipt of Assent/ Dissent Form: Thursday 27th September, 2018 (5:00 p.m. IST).
- Please read the instructions printed overleaf carefully before exercising your vote.

General Instructions

1. Shareholders have option to vote either through e-voting i.e. electronic means or to convey assent/dissent. If a shareholder has opted for physical Assent/Dissent Form, then he/she should not vote by e-voting and vice versa. However, in case Shareholders cast their vote through physical assent/dissent form and e-voting, then vote cast through e-voting shall be treated as valid.
2. The notice of Annual General Meeting is dispatched/ e-mailed to the members whose names appear in the Register of Members as on 3rd August, 2018.
3. Voting through physical assent/ dissent form cannot be exercised by a proxy. However, corporate and institutional shareholders shall be entitled to vote through their authorized representative/s with proof of their authorization, as stated below.

Instructions for voting physically on Assent/ Dissent Form

1. A member desiring to exercise vote by Assent/ Dissent should complete this form (no other form or photocopy thereof is permitted) and send it to the Scrutinizer, at their cost to reach the Scrutinizer at the corporate office of the Company on or before the close of working hours i.e. Thursday 27th September, 2018 (5:00 p.m. IST). All Forms received after this date will be strictly treated as if the reply from such Member has not been received.
2. This Form should be completed and signed by the Shareholder (as per the specimen signature registered with the Company/ Depository Participants). In case of joint holding, this Form should be completed and signed by the first named Shareholder and in his absence, by the next named Shareholder.
3. In respect of shares held by corporate and institutional shareholders (companies, trusts, societies etc.) the completed Assent/ Dissent Form should be accompanied by a certified copy of the relevant Board Resolution/ appropriate authorization, with the specimen signature(s) of the authorized signatory(ies) duly attested.
4. The consent must be accorded by recording the assent in the column "FOR" or dissent in the column "AGAINST" by placing a tick mark (✓) in the appropriate column in the Form. The assent or dissent received in any other form shall not be considered valid.
5. Members are requested to fill the Form in indelible ink and avoid filling it by using erasable writing medium(s) like pencil.
6. There will be one Assent/ Dissent Form for every folio / Client id irrespective of the number of joint holders.
7. A member may request for a duplicate Assent/ Dissent Form, if so required and the same duly completed should reach the Scrutinizer not later than the specified under instruction No.1 above.
8. Members are requested not to send any other paper along with the Assent / Dissent Form. They are also requested not to write anything in the Assent/ Dissent form except giving their assent or dissent and putting their signature. If any such other paper is sent the same will be destroyed by the Scrutinizer.
9. The Scrutinizers decision on the validity of the Assent/ Dissent Form will be final and binding.
10. Incomplete, unsigned or incorrectly ticked Assent/ Dissent Forms will be rejected.

14th August, 2018

Dear Shareholder(s),

Sub.: Conversion of shares into dematerialized form.

The Securities and Exchange Board of India ('SEBI') vide its notification dated 8th June, 2018 amended SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which mandates that transfer of securities with effect from 5th December, 2018 would be in dematerialized form only.

As per the records maintained with the Company's Registrar & Share Transfer Agents, Big Share Services Pvt. Ltd. ('Big Share'), we note that there are certain shareholders holding shares in the Company in physical form. Accordingly, we urge you to take necessary steps with your Depository Participant(s) to dematerialize your shares held in the Company. Please note that as per the above SEBI Notification, with effect from 5th December, 2018, the Company/ Big Share will be obliged to reject any request for transfer of your shares. However, requests for transmission or transposition and dematerialization shall continue to be considered.

The FAQs on dematerialization of shares, including the process for dematerialization, is given along with this letter for your information.

In case of any queries in this regard, you may also contact our Registrar & Share Transfer Agents at:

Big Share Services Pvt. Ltd.

Company Secretary

Frequently asked questions on Dematerialisation / Rematerialisation

A. What are the benefits of Dematerialisation of shares?

Shares held in DEMAT form have several advantages and helps eliminate many problems that investors have to face while dealing with securities. They minimise paperwork that is involved with the ownership, trading, and transfer of securities. It facilitates faster transactions and makes trade of securities extremely convenient. There are a wide range of advantages associated with a DEMAT account such as:

- a. The risks pertaining to physical certificates like loss, theft, forgery and damage are eliminated completely with a DEMAT account.
- b. The lack of paperwork enables quicker transactions and higher efficiency in trading including immediate transfer of shares and faster settlement cycle.
- c. Ease in portfolio monitoring
- d. The shares that are created through mergers and consolidation of companies are credited automatically in the DEMAT account.
- e. There is no need to pay stamp duty on transfer of securities thereby bringing down the cost of transaction significantly.

B. How do I open an account with a Depository and will I be periodically informed about the movement in my electronic account?

You may open an account with a depository participant ("DP") of your choice. As an investor you will interact with National Securities Depository Limited (NSDL) or Central Depository Services Limited (CDSL) through your Depository Participant. Your DP will allot you an account number which will serve as a reference for all your future dealings with them.

Your DP will update your account after each transaction, and would periodically furnish you with a statement of holding. You may verify this with them at the time of opening your electronic account.

C. How do I convert my paper/physical certificates into an electronic holding? [Dematerialisation]

To dematerialize your holding, you should first have an account with a DP of your choice. You may then hand over to your DP, the certificates along with the 'Dematerialisation Request Form' (DRF). Only the securities registered in your name can be submitted for dematerialization. Your DP will then send the DRF and the certificates to the Registrar and Share Transfer Agents of the Company, Big Share Services Pvt. Ltd. ('Big Share') and an electronic request will also be sent through the NSDL/CDSL network reconfirming the same. Big Share will verify the documents and if found in order, the dematerialization request will be confirmed to NSDL/CDSL who will in turn inform your DP. In the books of the Company, your folio with TSRDL will be debited and the account of NSDL/CDSL will be credited in respect of such dematerialized securities. NSDL/CDSL in their electronic records will credit the account of your DP who will then credit your account with the number of securities that have been dematerialized and the securities will thereafter be held in electronic form. This process would take approximately 15-20 days.

D. Will I continue to receive corporate benefits?

All the corporate benefits such as dividend, interest, bonus shares, rights shares will be issued by TSRDL to the beneficial owners i.e. the account holders who hold the securities in electronic form. The dividend/interest amounts as and when declared/issued will be sent to you/your bankers directly. The entitlement of rights and bonus shares/debentures wherever applicable, will be credited to the beneficiaries accounts as per the investors' option and the terms of the issue.

E. How do I trade (buy/sell) in electronic form?

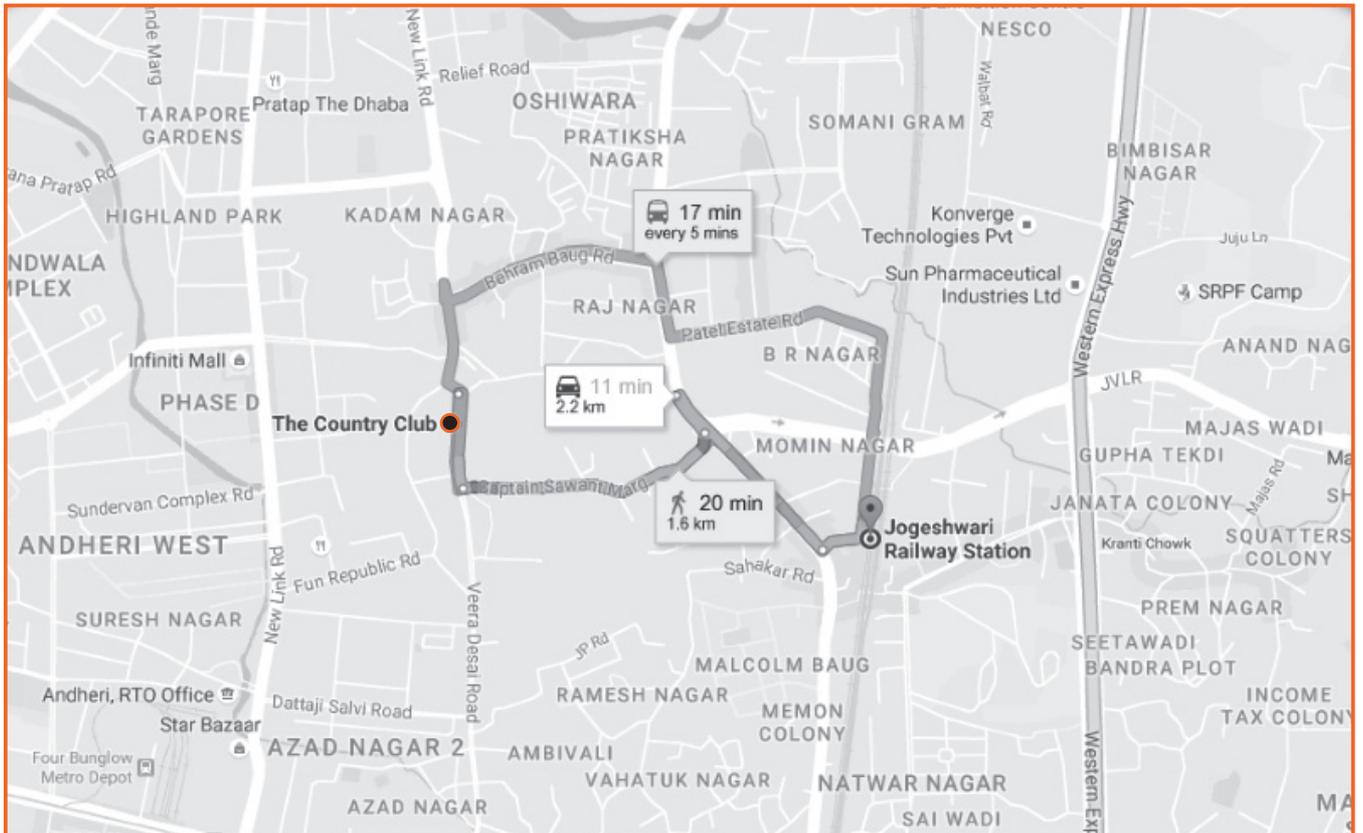

You may buy and sell securities in electronic form through the depository by co-ordinating with your broker and your DP. Such transactions would be simpler and faster. Payments for such transactions would be made in the same way as is done for physical certificates. Securities purchased in electronic form are credited to your account on the very next day of payout with no formalities of filling transfer deeds or applying to the Company for registration.

Such transactions are not routed through the Company and the debit/credit takes place directly in the Depository System. However, corporate benefits would be paid to the person holding such securities on the Record date/Book closure date as applicable.

F. How can I reconvert my electronic holding into paper/physical form? [Rematerialisation]

As per the existing guidelines, an investor can choose to reconvert his electronic holding into physical form at any time through his DP. On receipt of the rematerialisation request along with the 'Remat Request Form' (RRF) the Company will issue fresh certificates.
