Sub : Annual Report for the FY 2019-20 including Notice of the 7th Annual General Meeting Pursuant to Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir,

The 7th Annual General Meeting ("AGM") of Jindal Stainless (Hisar) Limited ("the Company") will be held on Friday, August 21, 2020 at 1.00 p.m. IST through Video Conferencing / Other Audio Visual Means.

Pursuant to Regulation 34(1) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we are submitting herewith the Annual Report of the Company along with the Notice of 7th AGM for the financial year 2019-20 which is being sent through electronic mode to the Members.

We request you to take the above information on record.

Thanking you.

Yours sincerely,
For **Jindal Stainless (Hisar) Limited**

VISION

Improving lives
through trustworthy
and innovative
stain-less solutions

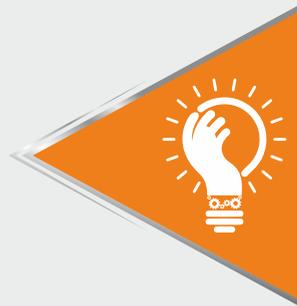

Improving Lives

We will strive to improve lives of all our stakeholders (customers, suppliers, employees, shareholders and communities) and environment

And Innovative

We will always work towards innovating for better, be it processes, practices, solutions, delivering value added and innovative solutions to the world in our areas of work

Stain-less Solutions

We will strive to provide total solutions to our customers with reliable pre and post sale services and advisory. We will educate communities on properties (strong, versatile, corrosion resistant) and use of stainless steel and encourage downstream industries

MISSION

To be a leading stainless steel company in the world

Forging reliable relationships with customers, suppliers, employees and all other stakeholders

Building strong capabilities, driving innovative practices, high quality and competitive solutions

Leading Stainless Steel Company in the World

We will strive to be amongst the top stainless steel players in the world by increasing our capacity and its utilization resulting in revenue and net profit growth

Reliable Relationships with Customers, Suppliers and all other Stakeholders

We will build long lasting relationships and uphold our commitment to the highest standards thereby becoming the preferred choice for our customers, suppliers and stakeholders

Strong Capabilities

We will build or buy appropriate technology, focus on research & development and enhance people capabilities

Innovative Practices

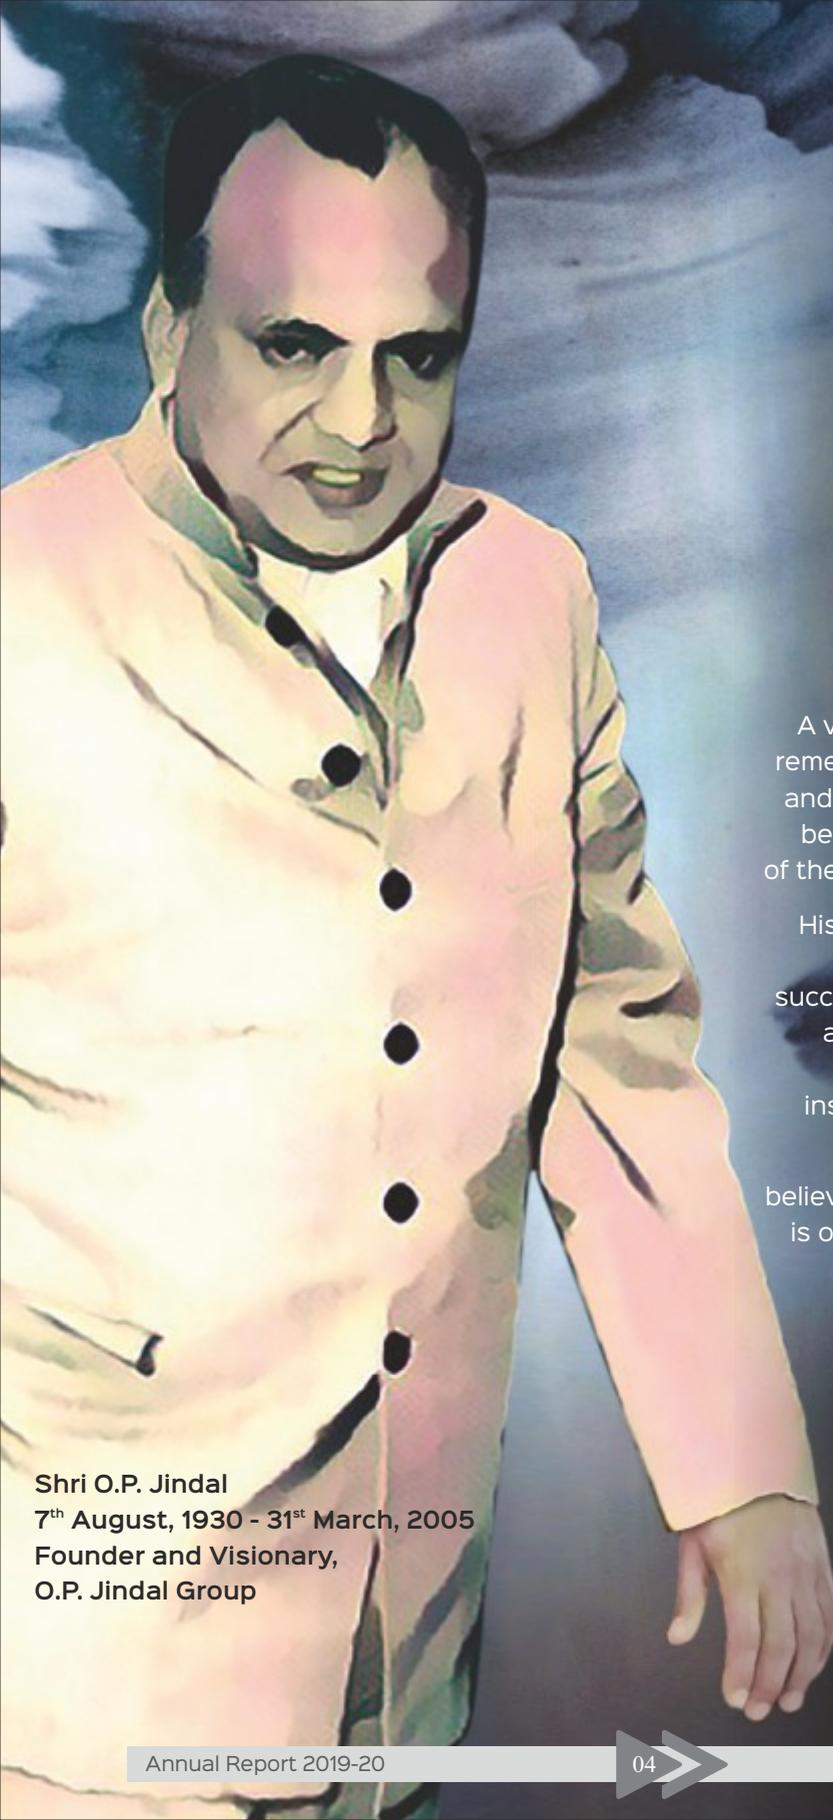

We will evolve best-in-class innovative practices (business, manufacturing and people) to help our customers, suppliers, employees, shareholders and communities

High Quality

We will strive to offer stainless steel products and services of the highest quality that is required

Competitive Solutions

We will strive to provide agile, cost competitive and efficient stainless steel solutions to our customers, giving us an edge over our competitors

FOUNDING PRINCIPLES

A True Son of the Soil, who laid the foundation of great economic and social institutions of new India.

A visionary leader who will always be remembered for his business excellence and social responsibility, Shri OP Jindal believed that without the upliftment of the society, a nation can never prosper.

His journey from his humble origin to becoming a respected and successful industrialist, a philanthropist, a politician and a social reformer, will remain a great source of inspiration for generations to come.

Shri Om Prakash Jindal always believed that “What is good for the nation is only what is good for the business”.

Shri O.P. Jindal

Founder and Visionary,
O.P. Jindal Group

It brings me immense pleasure to share with you an all-round view of the developments that took place in Jindal Stainless (Hisar) Limited (JSHL) in the last year. Our incessant commitment towards inclusive growth and development in a sustainable manner has been effective by conducting our operations through the prism of 'Going Beyond Business'. On this note, I express my deepest gratitude to each and every one of you for positing your faith in our institution.

Our approach has taken a much more ambitious and strategic view on CSR and sustainability, focusing on empowering communities to generate a positive impact financially, socially and environmentally. I am glad to share that this year the company responded promptly to the distress calls arising due to the cyclone Fani, that made landfall on the coast of Odisha. Our CSR department started relief work in the five most affected villages, wherein we undertook distribution of medicines, solar lights, and shelter material like bamboos sticks, thereby resonating with our overarching vision statement of "Improving lives through trustworthy and innovative stainless solutions".

Apart from this, our existing empowerment programs not only strengthened, but also paved way for us to expand opportunities into different sectors. The innovative projects around education and skill development have provided equal access to knowledge and learning for many marginalized sections of society. The CSR team's effective interventions in communities helped in strengthening existing structures, such as women self help groups which are currently engaged in micro-credit activities and are taking loans from large and small banks. The growth of Stainless

Skill Training Institute has given a voice to the rural women and showcases their prowess in entrepreneurial development. Such case studies and stories need to be shared and replicated across geographies. Working with the farming community at close quarters has been especially rewarding, as we have been able to witness their trajectory of growth and development. Our concern remains on how to increase the incomes of farmers by providing adequate linkages and opportunities for them to connect with markets across geographies and we are relentlessly working on the same.

Towards education and health-care, JSHL has opened non-formal education centers for children by running computer literacy programs. Towards health, JSHL has mobile clinics and programs addressing issues around relevant topics such as female feticide. We have also initiated Project Udaya in Hisar which will focus on different issues related to adolescent girls including

menstruation and sexual abuse. It aims to bring change to the parenting and the value system that our education system is expected to provide.

I am confident that with the aim of pursuing excellence and the overarching vision of 'Improving Lives', Jindal Stainless (Hisar) Limited will continue to grow from strength to strength and will exceed expectations in terms of being a Socially Responsible Corporate.

CHAIRMAN SPEAKS

Ratan Jindal
Chairman

Dear Shareholders,

I'm humbled to work alongside the dedicated team of Jindal Stainless (Hisar) Limited (JSHL) that ensured steady performance despite global challenges and adverse market conditions. The Company's FY 20 performance is reflective of its passionately progressive approach to business, and does justice to its five-decade long legacy of creating innovative stainless steel solutions for the country.

The global stainless steel industry witnessed a growth of 2.9% in metal production in the calendar year (CY) 2019 (YoY), less buoyant than the 5.5% growth achieved in CY 2018. Global trade flows declined on account of the continued effects of geo-political trade war and protectionist measures, fluctuating commodity prices, and undue exploitation of trade agreements in the ASEAN region. COVID-19 further suppressed demand across industries and sectors. Indian stainless steel production fared slightly better at 5% (YoY) growth in CY 2019, but couldn't completely escape the adverse impact of subdued global trade coupled with lower GDP growth.

Focussed approach from the organisation on improving its internal processes and

efficiencies helped us in tiding over challenging times. Although global and domestic factors impacted your Company's growth, I am happy to share that coin blank and blade steel production in the Specialty Products Division was ramped-up. We're proud to have initiated the supply of bimetallic blanks for our country's new INR 20 coins. These specialty products, which comprise your Company's unique offerings, are acclaimed in the domestic and international markets for their impeccable quality and cost competitiveness.

Reinforcing our thrust on such value-added products, we have initiated a bold plan of doubling our capacity in this division, and work has begun on this project. Your Company also launched 'Jindal Saathi', a co-branding initiative in the Pipe and Tubes segment, which is the first such initiative in the stainless steel industry in India to ensure that the best quality material reaches the end consumers.

Our sustained efforts and investments in R&D have helped us cater to growing segments like railway infrastructure, defence, nuclear, and holloware applications. Digitisation is another major thrust area, wherein the organisation is maintaining its leadership status in the Indian manufacturing industry. Adoption of C4C (Cloud for Customer) and the SAP Hybris e-commerce module is already showing promising results in terms of customer satisfaction and ease of doing business. Going forward, we will continue investing in systems that help us create superior value for our customers and enhance their experience through better transparency and efficiency.

If we treat challenges as tests of our mettle, we seize the opportunity to come out of them stronger. The current global crisis resulting from the pandemic of COVID-19 has posed unprecedented challenges for the industry and your Company. Our relentless efforts have kept us afloat during the toughest of times, but with the worst of the COVID-19 pandemic still looming large, there's no scope for laxity. The adverse effects of the COVID-19 pandemic started around last quarter of the previous fiscal year, and are expected to continue at least till the second quarter of the current fiscal. Constrained liquidity and uncertainty of re-lockdowns will add to this pressure.

The situation, however, is not without hope. Demand growth induced by COVID-19, in the area of healthcare infrastructure and two-wheelers segments, is also

expected to augment our top line in the current fiscal. This is over and above the demand from conventional application areas such as construction, transportation, and process industries. It's also not far-fetched to hope that several markets within and outside the country may be vacated by Chinese players and Chinese goods. Our Company, and in fact, the entire stainless steel sector of India, is more than prepared to fill this void as it emerges. Micro, Small, and Medium Enterprises (MSMEs), which constitute a majority of the total downstream manufacturing of stainless steel in India, will need support to quickly adapt to these new demand drivers. For JSHL, incubating, handholding, and growing MSMEs has been a business philosophy since inception. Throughout this crisis as well, we have been handholding our MSME partners in helping them avail of Government benefits and identify opportunities for growth.

Atmanirbhar Bharat Abhiyan, the government's economic recovery package, is expected to provide the required boost to the industry, which will thereby catalyse the realisation of the 'Vocal for Local' vision. This is especially essential since the domestic stainless steel industry continues to suffer due to the glut of imports from ASEAN countries which have Free Trade Agreements (FTAs) with India. The FTAs are further exploited by countries which use this route to circumvent duties and dump their goods in India. Economic recovery of the domestic industry will be possible only with strict measures from the Government to create a level playing field for the Indian industry.

Stainless steel is a natural choice for Government's projects like the National Infrastructure Pipeline. For development of inland waterways, coastal infrastructure, public utilities, and many more such projects, stainless steel fits the bill of **Life Cycle Costing** approach recommended by the National Steel Policy. The metal segues with the Government mandate of building sustainable infrastructure which is socially safe, economically optimum, and environment friendly.

Your Company is resolute in its commitment to uplift and support communities and stakeholders through CSR endeavours in the areas of agriculture, education, women empowerment, gender equality and health care. As we continue this journey to create long-term value for every stakeholder, I thank all shareholders, board of directors, customers, bankers, investors and employees, for reposing your trust in the Company. I look forward to your valuable support in strengthening the steely resolve for many more years to come.

FROM THE MANAGING DIRECTOR'S DESK

Dear Shareholders,

We are at a juncture that will become a defining point in most of our lives, since the definition of 'normal' will be completely different after the pandemic of COVID-19. The challenging circumstances arising due to the pandemic are a true test of how adaptive we are as human beings. Now more than ever, the focus needs to be on creating sustainable solutions for our collective future. Seeing the world unite in its fight against COVID-19, I'm hopeful of a global comeback story greater than any setback that we are currently facing.

Although the impact of the pandemic kicked in from the last quarter of FY20, exerting pressure on the already subdued market sentiment, a keen focus on operational excellence and automation helped Jindal Stainless (Hisar) Limited (JSHL) manage a sturdy performance. None of it would have been possible without the relentless efforts of the dedicated employees of JSHL. Your Company registered a growth of 22% in Profit After Tax (PAT) over the corresponding period last year, at Rs 320 crore. Consolidated Revenue and EBITDA during FY20 remained nearly flat at Rs 8,340 crore and Rs 862 crore, respectively. Total sales volume was adversely impacted on account of global slowdown and trade wars, standing at 6 lakh tonnes in the last fiscal, though our volumes for value-added products largely remained intact. The performance of JSHL, and in fact the entire Indian stainless steel industry, was impacted on account of surge in subsidised imports of stainless steel flat products. Countries with wanton excess capacity in stainless steel continued to misuse trade agreements entered into by the Government of India to dump their excess produce, either directly, or indirectly. As a consequence, the capacity utilisation across the domestic industry was to the tune of 60% on an average.

On the operational front, your Company continued its pursuit of excellence. From catering to global clients like Alstom with strict product requirements, to getting approval from Tata Motors for supplying material for BSVI compliant passenger and commercial vehicles, the year was full of milestones. I'm delighted to share that our quality labs in both the hot and cold rolling facilities are now accredited by NABL, which is testimony to our unwavering focus on quality and process efficacy. We also started employing new automatic ultrasonic testing for serving stringent orders. Commissioning and stabilising of a new induction furnace in FY20 added flexibility to our operational capabilities and will help reduce the risk of volatility in prices of consumables. We have also started the process for commissioning of new facilities in the Specialty Products Division. These

Abhyuday Jindal
Managing Director

facilities would not only assist in increasing sales volumes but also add substantially to organisation's profitability. With customer servicing as the key theme, Theory of Constraints (TOC) based Make-to-Anticipation (MTA) model has been implemented in yards spread across multiple locations in India, with sharp focus on various performance parameters, safety, logistics, and IT-based process improvement initiatives.

JSHL made further inroads into strategic segments like Nuclear and Defence, by supplying indigenous material for previously import-dependent applications. Our consistent efforts to increase our share in the railway segment are yielding promising results, and we are partnering with Indian Railways for infrastructure modernisation of foot-over and road-over bridges, starting with the Bhayander foot-over bridge in Mumbai. We also renewed our thrust on learning and development to enable our workforce to adapt with continuously evolving market conditions, and become future-ready.

Our efforts to increase awareness about the benefits of stainless steel continued in full swing. You will be pleased to know that the elective course on stainless steel and advanced carbon special steel that we initiated with IIT Roorkee last year received a good response. It has now been cascaded across other IITs and various other leading engineering and architecture colleges. Our stainless steel showcase vans, called Stainless Academy, are also traversing the length and breadth of the country, and have successfully trained over 9000 fabricators, along with educating end-consumers on the benefits of using stainless steel.

The subsidiaries of JSHL, JSL Lifestyle Limited (JSL) and Jindal Stainless Steelway Limited (JSSL) continued to offer specialised and customised services to end-users, along with retail product offerings. Internal restructuring and process optimisation efforts at JSSL ensured tactical focus on identified segments and improved efficiency in meeting customer requirements. These efforts will continue to go a long way in ensuring better service to our customers, thereby catalysing growth opportunities

for them. As the service centre arm for JSHL, JSSL kept its promise of offering value-added, convenient, customised, just-in-time services to the doorsteps of its customers.

Going forward, we will uphold our rigour towards efficiency improvement through automation, distribution optimisation and skill development of our team. We will continue to be unwavering on our commitment to service our domestic customers with world-class quality. We will continue with our MoU scheme to take our relationship with customers to the next level, and strengthen it further with mutually beneficial offerings. We plan to introduce an anti-bacterial range of products to align with the evolving demand in the healthcare and utensils segments.

I'm confident that with the government's clarion call for 'Atma Nirbhar Bharat', economic revival in the country is imminent. Although trade policies across the world continue to impact the profitability of the domestic stainless steel industry, I'm optimistic about our manufacturing sector's contribution in building a self-reliant nation. Your Company reaffirms its commitment to sustainable development of national infrastructure. I extend my thanks to all our stakeholders – customers, shareholders, bankers, and business associates. I look forward to your participation and steady support in the future too. I want to especially thank our employees whose hard work and allegiance to the vision of the Company have helped us tide through the challenges of the past, and prepare us for the goals of the future.

NEW PRODUCT DEVELOPMENTS

SS CHEQUERED PLATE FOR FOOD PROCESSING INDUSTRY

Making further inroads in the food processing industry comes naturally for a hygienic metal like stainless steel. Chequered flooring plate in 304 grade of stainless steel is now being used in a bread manufacturing unit in New Delhi. The movement of carts in storage area was causing

abrasion and was difficult to keep clean; thereby wearing out the existing flooring. Usage of stainless steel has added hygiene, and resistance to wear and tear, and made cleaning easier. It will double the life of the flooring.

STAINLESS STEEL IN WATER CONTAINERS OF HOUSEHOLD RO'S

Over a 1000 manufacturers make approximately 50 lakh RO units each year for household use. Replacing the plastic water tank in the RO with a stainless steel one will not only be more hygienic but also corrosion resistant, strong and more durable. We have developed a prototype RO tank in Stainless Steel, 304 grade, to support the ongoing initiative of manufacturers in both the organised and unorganised sectors who are working on this application. This sector holds the potential of usage of more than 10000 MT of stainless steel.

STAINLESS ACADEMY – DISPLAY AND TRAINING VEHICLE

Christened as the Stainless Academy, these vans have helped train over 9000 fabricators across 61 cities. Each van displays a few of the varied applications of stainless steel in a particular sector. This also enables the showcase of the stainless edge during conferences, industrial displays, road shows and events.

For spreading awareness about the health, hygiene, cost, ecological and other benefits of the stainless steel among a diverse audience, we have created 4 stainless steel showcase vans that travel the length and breadth of the country, highlighting the benefits of the metal. These vans are used for creating awareness amongst end consumers as well as for live demos and

trainings for fabricators. They are equipped with fabrication tools and supported by government bodies like the **Ministry of Steel under Ispati Irada** and **Skill India by National Skill Development Corporation (NSDC)**, a Government of India body. We developed a 3rd van in last financial year to showcase the countless **possibilities of using stainless steel for industrial applications**. This van showcases a wide range of products, including roofing sheets, shutters, chequered flooring, UV printed SS sheets, special finishes & textures, and miniature industry models and accessories (nuts, bolts, hinges etc.)

PRODUCT BASKET

Stainless steel (SS) is a generic term for a family of corrosion-resistant alloy steels containing 10.5% or more chromium. All stainless steels have a tremendous resistance to corrosion. This resistance is due to the naturally occurring chromium-rich oxide film formed on the surface of the steel. Although extremely thin, this invisible, inert film is tightly adherent to the metal and extremely protective in corrosive environment. The film is expeditiously self repairing in nature,

and the indentation due to abrasion, cutting or machining is hastily repairable in the presence of oxygen. In addition, stainless steel objects rarely become waste at the end of their useful life as this metal is 100% recyclable. Qualities like low lifecycle cost, high strength to weight ratio, aesthetic brilliance and easy-clean ability make SS the wonder metal for various applications.

Jindal Stainless (Hisar) Limited (JSHL) is India's first integrated stainless steel manufacturer with a capacity of 0.8 million tons per annum. JSHL is world's largest producer of stainless steel strips for razor blades and India's largest producer of coin blanks, serving mints worldwide. The Specialty Product Division caters to high-end precision and specialty stainless steel requirements across the globe. JSHL's product range includes Slabs & Blooms, Hot Rolled Coils, Strips, Plates, Coin Blanks, Precision Strips and Cold Rolled Coils.

Slab

CRAP Coil	1000	0.5	3.15
	1250	0.5	3.15

Precision Strips

The precision strips are rolled up to 0.05 mm in thickness. These strips are often the starting material for industries like Automotive, Electronics and Telecommunication, Health & Hygiene, Consumer Durables and Petrochemical Industry and exported as well. The customized chemical composition, extraordinary mechanical properties and precise dimensional and shape tolerance makes JSHL Precision Strips special.

Blade Steel (Razor Blade)

The razor blade cold rolled strips of up to 0.076 mm thickness are produced in Specialty Products Division (SPD) at JSHL and supplied to leading Indian and international razor blade manufacturers.

Coin Blanks

JSHL has been supplying stainless steel coin blanks to the Indian government mint and foreign mints for making coins. The company has the capability of producing high quality stainless steel and non-ferrous coin blanks. The present installed capacity for coin blanking is 10,000 metric tons per annum.

STAINLESS STEEL APPLICATIONS

Stainless Steel Usages

Architecture Building Construction

Decorative and colour-coated stainless steel | Street furniture | Escalators and Elevators | Claddings | Railings | Gates | Decorative panels | SS Roofing sheets | Railway station upgradation | Commercial complexes | Sculptures & designer items | Home furniture

Process & Engineering

Nuclear grade SS for fuel containment and waste handling | Super critical boilers in power plants | Water treatment and drinking water supply | Desalination applications | Chemicals, petro-chemical & fertilizer plants

Automobile Railway Transport

Bus bodies | Exhaust systems, auto chassis, trims, suspension parts, fuel tanks, catalytic converters | Railway wagons and coaches | Metro coaches

Consumer Durables

Washing machine | Microwave | Refrigerator | Components thereof

Stainless Steel in Plumbing

Stainless steel pipes are being increasingly used for plumbing because stainless steel offers wide range of benefits, with particular importance attached to its hygienic properties, its resistance to corrosion, long life and low maintenance. It does not require painting and blends smoothly with modern interior design. It is also fully recyclable.

Stainless steel often enjoys life cycle cost advantages compared to other materials. Even though the initial costs may be marginally higher for stainless steel plumbing materials, the gap in installed cost is reduced by a fast and more efficient method of jointing. Low maintenance, low system downtime and replacement costs and long life makes stainless steel the most attractive metal when compared to other materials.

Stainless Steel in Chemical Industry

Probably the most demanding industries that use stainless steels are the chemical, processing and oil and gas industries. They have created a large market for stainless tanks, pipes, pumps and valves. One of the first major success stories for 304/316 stainless steel was the storage of dilute nitric acid as it could be used in thinner sections and was more robust than other materials.

SS pipes and tubes exhibit superior corrosion resistance, heat resistance and low-temperature properties and have been used as raw materials that can withstand harsh environments as seen in petroleum, brewery, sugar, refining, oil and gas industries.

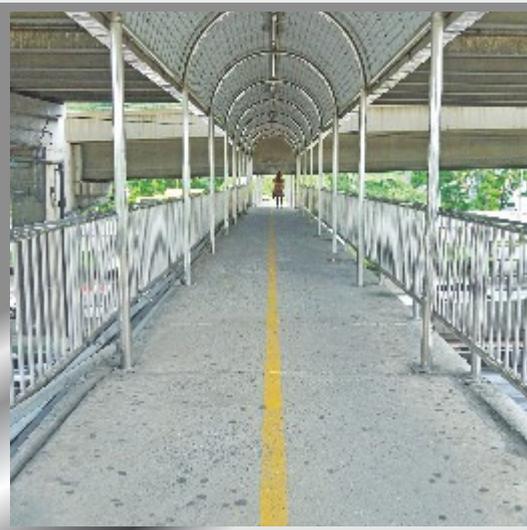

Stainless Steel in Beverage, Dairy and Food Preparation and Processing

Materials for beverage, dairy and food preparation, processing and storage are required to maintain the integrity of the structure (i.e. to be corrosion resistant and sufficiently robust to withstand their service environment) and to be inert (i.e. to impart neither colour nor flavour to food or beverages). Stainless steel is widely used in these applications because it is resistant to corrosion, inert, easily cleaned and sterilised without loss of properties, and can be readily fabricated by a variety of techniques.

Stainless Steels for Application in Automotive and Transport Sectors

Automotive and transport sectors are making increasing use of stainless steel to reduce weight, improve aesthetics, enhance safety and minimize life cycle cost. Characterized by superior fire and corrosion resistance, they ensure safety and reliability. Since stainless steel exhibits superior combination of high strength, ductility, formability and toughness compared to other metals and alloys, the intrinsic weight of vehicle decreases and its load carrying capacity and fuel efficiency increases. Maintenance cost is naturally lower and stainless steel components at the end of their long life are easily recycled.

Stainless Steel In Architecture, Building & Construction

Stainless steel has been used in architecture, building and construction since its invention. Stainless Steel provides tremendous design flexibility to high profile projects while its strength and resistance to corrosion, wear and fire make it a practical long-lasting choice for public and industrial buildings.

Worldwide stainless steels are being used for structural applications ranging from cutting-edge architecture to infrastructure. Exceptional examples of historical structures include the stainless steel concrete reinforcing bar in Yucatan, Mexico's Progreso Pier (1945); St. Louis, USA's Gateway Arch (1965); and the Louvre Pyramid in Paris, France (1989).

HARNESSING THE POWER OF IT

Members of JSHL IT Team

Jindal Stainless (Hisar) Limited (JSHL) has been a forerunner in leveraging the benefits of Information Technology (IT) revolution for long. IT has been instrumental in enabling smoother, faster, and transparent processes across multiple divisions of JSHL's major operations and activities.

Some major activities undertaken in the last financial year were implementation of paperless RFQ floating system, digitalisation of manual inventory operations, PO delivery tracking system, etc. Several initiatives were undertaken to streamline inbound logistics processes, like online driver gate pass entry, digitization of vehicle loading process, TAT calculation and freight bill processing, and many others. These not only saved hundreds of paper rims but also made the processes much smoother, faster and more transparent.

Data security has been a focal point for IT. To ensure that important data is not lost in case of device theft or crash, auto-backup on cloud is implemented for the top 100 critical users in the company. For the finance vertical, P&L statement in SAP, GST compliance auto-mail functionality, stock position and aging report were implemented.

With global technological advancements, JSHL embarked upon the journey of adopting industry-specific e-commerce best practices by onboarding Hybris Commerce. We started with the rolling out of the e-Auction platform. Our customers can now access a Customer 360° view, which gives them relevant information in the form of reports and dashboards covering every aspect of the customer's interaction with us. Moreover, vehicle tracking data is now one click away. The portal also equips customers to place an order with us online for our high-selling-SKUs, and also make online payments. With our presales product, C4C, tightly integrated with Hybris Commerce, we are now able to provide expeditious service. Aiming to provide seamless customer service, Assisted Service Module has been activated to aid the Customer Support Team in efficiently addressing the queries of the customers.

Today, technology is the prime differentiator between a market leader and a follower. By embracing these aforementioned technological advancements, the Company is cementing its position as a market leader. The most important element in this transformation is the Company's IT team, whose unflinching dedication and zest are the reason behind the success of our digitization endeavours.

UNLEASHING PEOPLE POWER

At Jindal Stainless (Hisar) Limited, the bedrock of our success is the relentless effort put in by our workforce. In turn, we continue to nurture an environment where our employees can continuously work on innovation in processes and products, and skill enhancement for themselves. During the year, the Human Resources (HR) team focused on Competence, Competitiveness, Commitment and Care. Our efforts were reinforced through best-in-class technology and digitisation by adopting Success Factors for all people processes.

Competence is critical for fostering our business, especially during these challenging times. We have been continuously reinforcing our talent pool from the premier institutions of the country, like IITs, NITs and Government Engineering colleges. To ensure smooth and seamless on-boarding of fresh talent, we introduced ARISE, a 9-months induction program to “Shape Stainless Engineers” of the future. During the year, over 16000 human-days of training were imparted to all employees, including off-roll employees. We completed the 12 month journey of **Masterful Management**, a flagship leadership development program for middle managers that focused on leadership capabilities for the changing business landscape. With the world changing dynamically and adapting digital platforms for almost everything, in this year, we explored different platforms for e-Learning, like Datacamp, Udemy, VSkills, Alison, Lynda. Encouraging experiential learning, we also encouraged the presence of our employees in various seminars, conferences and paper presentation seminars, across leading institutes and organisations like IITs, IIMs, CII and UNDP.

The key to business success has been **competitiveness**, which can be achieved by bringing out the best in every employee. In order to align individual's and company's objectives, your Company introduced Continuous Performance Management System (CPMs), wherein all managerial employees are encouraged to align their goals with business priorities on a quarterly basis. The system also encourages regular feedback and review, ensuring the highest level of performance. Your Company has augmented its Reward & Recognition policy to reinforce a culture of appreciation and last year, over 1500 employees were recognized for special contributions.

Building employee **commitment** is an intensive and critical process for business sustenance. We believe in connecting with our employees and family members through our multiple communication platforms, like **Sampark** and **Coffee with MD** for a direct connect with MD, town hall meetings with the leadership team, and celebration of festivals with family members. Jindal Premier Cricket League, Pro-Kabaddi

League and Zonal Level Sports Meets were enjoyed by one and all. Further, our engagement with employees continued to strengthen through the **Climate Survey**, which was launched to solicit their opinions, perceptions and feelings regarding the organisation's environment. An online module on **POSH** was launched across all management levels to reiterate our commitment towards being a '**zero tolerance organization**' against sexual harassment of women at workplace.

Employee **care** is one of the core values for your Company. We address the basic needs of employees in terms of medical care, housing and education. We have ensured quality education to all employees' wards by subsidising school fees. All employees and family members are covered under the medical care scheme. Your company also provides well maintained accommodation to its employees. The HR team continues to be dedicated towards building competent, committed and agile workforce for this world-class organisation.

SUSTAINABLE INITIATIVES

Philosophy of Sustainable Development

CSR Vision

'Corporate Social Responsibility (CSR) is the direct connect between the head and the heart. It becomes impactful only when one speaks the language of the heart.'

Aligning with the vision of Improving Lives Through Trustworthy and Innovative Stain-less Solutions, Jindal Stainless has continuously engaged itself in improving the lives of people in and around the manufacturing facilities. CSR is the strategic approach toward sustainable community development and the key to inclusive growth. This includes the 'Beyond Business' activities that are focused on the communities that cross the path of Jindal Stainless. These programmes are focused around the needs of the local communities at the bottom of the pyramid, aimed at empowering them with employable skills and giving them a voice to deal with domestic violence and engage in other social issues. At Jindal Stainless, employees are encouraged to volunteer in community work and engage in eradicating social evils of society. Jindal Stainless has undertaken a number of CSR initiatives like skill training and education, integrated preventive health, rural development, livelihood generation, women empowerment and entrepreneurship, human rights and business and advocacy.

Jindal Stainless Foundation

JSL Foundation is a registered society under the Registrar of Societies, established to work for the greater good of society. Our aim is to focus 'Beyond Business Responsibilities', stressing on the importance of seeing a change in lives of communities around our Plant locations as well as other geographies. Our key focus areas are Women Empowerment, Education and Skill Development, Integrated Health Care, Environment Sustainability, Community Development, and Integrated Farming.

Under the able guidance of our Chairperson, Mrs Deepika Jindal, our team of seasoned CSR professionals implements the entire gamut of initiatives through national and international civil societies and non-government organizations. Under the aegis of JSL Foundation, it is our earnest endeavor to uplift our surrounding communities and transform the lives of people who cross our path.

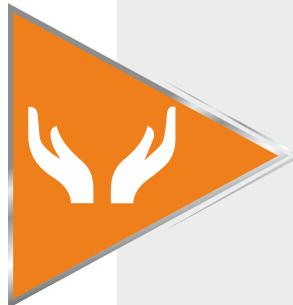

Aim

Mainstreaming communities at the bottom of the pyramid

Philosophy

To address key social developmental issues and encourage all stakeholders to get engaged through focused sustainable interventions with the aim of achieving the overall vision of JSL of improving lives through trustworthy and innovative stain-less solutions

Objectives

- To work towards social advancement of all stakeholders including communities and their families
- To work with farming communities towards doubling their incomes through technology based solutions and promoting climate adaptation practices
- Empower Rural Youth and Women through skill enhancement and promote entrepreneurship
- Provide basic amenities to rural communities living around our areas of operations i.e. primary health, basic education etc.
- To work towards environmental protection
- To provide an enabling environment and promote best practices
- To ensure a proper reporting structure

CSR ACTIVITIES

Going beyond business is in the ethos of our organisation and hence, it is befitting that our CSR projects cater to relevant issues such as Community Development, Education, Integrated Health Care, Skill Development, Women Empowerment, Environment and Business & Human Rights.

While a wide array of projects are undertaken each year and continued from previous years, let's have a look at some major initiatives in FY20.

Agriculture Development Project

In partnership with the Gram Unnati Foundation, our project for 'Improving the Incomes of Farmers through Production Practices and Market Linkages' is being implemented at Hisar, Pataudi and Nuh (Districts Gurugram and Mewat); and with NABARD (National Bank for Agriculture and Rural Development) in rest of India. Around 2452 farmers are directly associated with the project and are given technical advisory assistance on agricultural practices, right from sowing till the harvesting for both Rabi and Kharif crops. Farmers also get an opportunity to participate in various other events and trainings such as, Kisan Mela, exposure visits etc., conducted at various institutes. The project is exploring tie-ups with other institutional buyers in Delhi NCR to present farmers the opportunity to access a larger market. The farmer-centric project has also joined hands with NABARD to strengthen the Farmers Production Organisations (FPOs) in 6 districts of Haryana, 3 districts of Rajasthan and 2 districts of Uttar Pradesh.

Maintenance and Restoration of O P Jindal Memorial Park

The restoration and maintenance of the O P Jindal Memorial Park is being implemented in partnership with Prabhaav Foundation. The park covers 24.5 acres of land, and regular activities related to its beautification are carried out, such as plantation of the seasonal flower plants/trees, grass mowing, irrigation, cleaning, mural painting etc. Additionally, Stainless Steel toilets, benches, dustbins, RO unit for safe drinking water, topiary and giraffe structure etc were installed in FY20. A series of community sensitisation drives and a mega cultural, entertaining and informative event were organized for the local communities.

Deaf School Empowerment Project, 'Nai Disha'

A program for developing the knowledge and skills of the deaf students enrolled at Welfare Centre for Persons with Speech and Hearing Impairment (WCPSHI), Hisar and Sonipat is being executed in partnership with Noida Deaf Society. Around 229 students are benefitting by learning the Indian Sign language, Basic English Communication, Value education and Computing. Sports activities such as skipping ropes, cricket, badminton, football are also organised periodically. Assessments show improvements in the academic performances of the students, along with increased communication with teachers, parents and friends, thus inculcating a positive attitude towards leading a satisfying life.

Adolescent Health and Menstrual Hygiene Project, 'Udaya'

Project Udaya aims to disseminate appropriate knowledge and create awareness among adolescents on menstrual health, child sexual abuse and domestic violence in 5 schools in partnership with Sachhi Saheli. A mass sensitization workshop was organized with the students and the teachers. Identified teachers were intensively trained as Master Trainers to further sensitise students in their respective schools. The students are gradually learning to manage emotions and relationships that is important for leading healthy lifestyles.

Skill Development

Skill up gradation courses are offered to the communities of the rural and urban areas of Hisar. The skill development centers are operational in the rural, slum and urban areas. The students are trained in the basic and advanced courses of Stitching and Tailoring, Dress Designing and Fashion Technology and Beauty Culture. Around 351 students benefitted from the trainings that helped a majority of them develop vocational skills and secure a livelihood.

Initiatives around Delhi NCR

We have been maintaining the Environment Park at the AIIMS crossing in Delhi for many years. In sports, we have been promoting Football and Tennis, wherein talented children from underprivileged backgrounds are sent to up-skill their talents and get an opportunity for Football at Sudeva Sports Academy, Delhi, and play Tennis at different clubs and sports schools. We have also partnered with the Delhi Golf Club for maintaining the greens and providing opportunities to the local caddies and others for up-skilling through sustained training. Road safety is another focus area for our interventions in Delhi, wherein first aid training, bicycle conspicuity drives and awareness creation efforts are undertaken.

In compliance with the provisions of the Companies Act, 2013 ("the Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), MCA Circulars and circular dated 12th May 2020 issued by the Securities and Exchange Board of India ("SEBI Circular"), the 7th AGM of the Company is being held through VC / OAVM Facility. The detailed procedure for participating in the meeting through VC/OAVM Facility is mentioned hereunder in this notice. The deemed venue for the 7th AGM shall be the Registered Office of the Company.

In terms of the MCA Circulars and SEBI Circular, the Notice of the 7th AGM will be available on the website of the Company at www.jshlstainless.com, on the website of BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at <https://www.nseindia.com> and also on the website of Link Intime India Private Limited, at <https://instavote.linkintime.co.in>

2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circular through VC / OAVM Facility, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 7th AGM of the Company and therefore the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Attendance of the Members of the Company, participating in the 7th AGM through VC / OAVM Facility will be counted for the purpose of reckoning the quorum under section 103 of the Act.
4. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 7th AGM and facility for those Members participating in the 7th AGM to cast vote through e-Voting system during the 7th AGM. Link Intime India Private Limited ("Link Intime"/"RTA") will be providing facility for voting through remote e-Voting, for participation in the 7th AGM through VC/OAVM Facility and e-Voting during the 7th AGM.
5. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 relating to ordinary business for re-appointment of joint statutory auditors & branch auditor and special business to be transacted at the AGM is annexed hereto.
6. The relevant details as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings ("SS-2") of the person seeking re-appointment as Director under Item No. 2 of the Notice, are also attached. The Company has received relevant disclosures / consent from the Director seeking re-appointment.
7. Pursuant to Section 91 of the Act and Regulation 42 of the SEBI Listing Regulations, the Register of Members and the Share Transfer books of the Company will remain closed from Monday, August 17, 2020 to Tuesday, August 18, 2020 (both days inclusive) for the purpose of 7th AGM of the Company.
8. The Securities and Exchange Board of India ("SEBI") has mandated submission of Permanent Account Number ('PAN') by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the Registrar.
9. **SEBI had also mandated that requests for effecting transfer of securities (except transmission or transposition of securities) shall not be processed after March 31, 2019, unless the securities are held in dematerialized form. Hence, the Members holding shares in physical form are requested to convert their holdings to dematerialized form at the earliest.**
10. Pursuant to the MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in despatch of physical copies of the Notice of the 7th AGM and the Annual Report for the year 2019-20 including therein the Audited Financial Statements for financial year ended 31st March, 2020, are being sent only by email to the Members. Members who have not registered their email addresses with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 7th AGM and the Annual Report for the year 2019-20 and all other communication sent by the Company, from time to time, can now register the same by submitting a duly filled-in request form mentioning their folio number, complete address, email address to be registered along with scanned self attested copy of the PAN Card and any document (such as Driving Licence, Passport, Bank Statement, Aadhar Card) supporting the registered address of the Member, by email to the Registrar. Members holding shares in demat form are requested to register their email addresses with their Depository Participant(s) only.
11. The voting rights of Members shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date i.e. 14th August, 2020 and as per the Register of Members of the Company. A person who is not a Member as on the cut-off date should treat this Notice for information purpose only.
12. In case of joint holders attending the Meeting, only the Member whose name appears first will be entitled to vote.
13. Since 7th AGM of the Company will be held through VC / OAVM Facility, therefore Route Map is not annexed to this Notice.

Except Mr. Ratan Jindal, Chairman and Managing Director of Jindal Stainless Limited and Mr. Abhyuday Jindal, Managing Director of Jindal Stainless Limited (referred as 'related parties') and their relatives, to the extent of their shareholding interest in the Company, none of the other Directors, Key Managerial Personnel(s) and their relatives, are in any way, concerned or interested, financially or otherwise in the said resolution.

ITEM NO. 6

The members of the Company are hereby informed that Jindal Stainless Limited (“JSL”), an associate company, approached the Company to provide Corporate Guarantee to inter-alia secure JSL's fresh long term borrowing of ₹ 800 Crore.

JSL has successfully exited the Corporate Debt Restructuring (“CDR”) framework effective from March 31, 2019. JSL had earlier issued 142,830,637 nos. of 0.01% Optionally Convertible Redeemable Preference Shares having face value of ₹ 2/- each (OCRPS) to CDR lenders vide Conversion cum Subscription Agreement dated 18th May, 2017 (“the Agreement”). As per the terms of the Agreement, OCRPS were redeemable, inter-alia, at the option of JSL, anytime upto 31st October 2020. Exercising its right, JSL redeemed the aforesaid OCRPS at the issue price i.e. ₹ 39.10 (including premium of ₹ 37.10 per OCRPS aggregating to ₹ 529.90 Crore) alongwith the recompense on OCRPS calculated in accordance with the CDR Guidelines and as approved by CDR lenders.

The lenders of JSL considered its proposal for exit from CDR and allowed JSL to raise long term debt in the form of Non-Convertible Debentures and term loan to the extent of ₹ 800 Crore. Subsequently, JSL raised debt of ₹ 400 Crore from Kotak Special Situations Fund (“KSSF”) in the form of Non-Convertible Debentures which assisted in redemption of OCRPS. JSL also raised term loan of ₹ 400 Crore from IndusInd Bank Limited (“IBL”) to shore up its long term working capital. The security terms stipulated by KSSF and IBL include a corporate guarantee of JSHL.

The Board of Directors, in its meeting held on 10th June, 2020, on the basis of recommendation of the Audit Committee, subject to the approval of the members of the Company, approved to issue corporate guarantee in favour of KSSF and IBL to secure the following:

- term loan of ₹ 400 Crore sanctioned by IBL to JSL;
- Non Convertible Debentures amounting to ₹ 400 Crore issued by JSL to KSSF on private placement basis

Providing aforesaid guarantee for JSL will be within the overall limits of ₹ 20,000 crore as approved by the members through passing a special resolution under the provisions of Section 186 of the Companies Act, 2013 by way of Postal Ballot on 9th March, 2016. Since JSL is a related party of the Company, amount of corporate guarantee given / to be given alongwith the other transactions proposed to be executed with JSL during the current financial year would exceed the threshold of materiality as provided under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Accordingly, the proposal of providing such corporate guarantee is being placed before members of the Company for approval.

Your Directors recommend passing of the resolution as set out at item no. 6 of this Notice as an Ordinary Resolution for your approval.

Except Mr. Ratan Jindal, Chairman and Managing Director of Jindal Stainless Limited and Mr. Abhyuday Jindal, Managing Director of Jindal Stainless Limited (referred as 'related parties') and their relatives, to the extent of their shareholding interest in the Company, none of the other Directors, Key Managerial Personnel(s) and their relatives, are in any way, concerned or interested, financially or otherwise in the said resolution.

NOTICE

ITEM NO. 7

The Members of the Company at the 2nd Annual General Meeting held on 30th December, 2015 had approved appointment of Mr. Ratan Jindal as a Director in the capacity of Non Executive Chairman of the Company. The Members had also accorded their approval for payment of commission upto 4% of the net profits of the Company, as calculated in terms of provisions of Section 198 of the Companies Act, 2013, every year for a period of five years commencing from 1st April, 2015 till 31st March, 2020.

Since the term of payment of commission to Mr. Ratan Jindal was upto the financial year ended 31st March, 2020, the Board of Directors, at its meeting held on 10th June, 2020, keeping in view his rich industrial experience of more than three decades and valuable contribution made by Mr. Ratan Jindal during his tenure as Chairman of the Company and on recommendation of the Audit Committee and Nomination and Remuneration Committee, considered seeking approval of the Members of the Company for payment of commission to him upto 4% of the net profits of the Company, as calculated in terms of provisions of Section 198 of the Companies Act, 2013, every year for a further period of three years commencing from 1st April, 2020 till 31st March, 2023.

Payment of commission for every year would be determined by the Board of Directors and/or Nomination and Remuneration Committee based on the overall performance of the Company and would be upto 4% of the net profits of the Company, as calculated in terms of provisions of Section 198 of the Companies Act, 2013.

The Members may further note that Regulation 17(6)(ca) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") provides that the approval of shareholders by way of special resolution shall be obtained every year, in the event if the annual remuneration payable to a single non-executive director exceeds fifty per cent of the total annual remuneration payable to all non-executive directors and giving details of the remuneration thereof.

The Board of Directors at its meeting held on 10th June, 2020, approved seeking consent of Members by way of special resolution in terms of provisions of SEBI LODR Regulations also.

The members may please note that a commerce graduate and alumnus of the Wharton School of Management, Mr. Ratan Jindal is Chairman of the Company. He is also the Chairman and Managing Director of Jindal Stainless Limited.

Known for his technical proficiency and intimate knowledge of customers and markets, Mr. Ratan Jindal is synonymous with stainless steel in India. As a vanguard of innovation in stainless steel industry, his focus has not only been on producing world class stainless steel products but also on promoting the usage of stainless steel in myriad applications. His vision for the Company is to improve the lives of people by producing and promoting a metal that is corrosion resistant, durable, infinitely recyclable and inherently stainless.

Social commitments remain as central to Mr. Ratan Jindal's businesses as they were to the founder of the Jindal Group, Shri O.P. Jindal. Established by the group, the 600-bedded multispecialty charitable hospital, the famed VDJS School (VDJS) and the O.P. Jindal Modern School in Hisar (Haryana, India) stand testimony to this commitment. The Company undertakes several initiatives at the plant level to empower local communities through self-reliance. The interventions include technical & vocational training, micro- financing & livelihood generation, tailoring, farming & poultry training, and environment conservation drives. True to his sportsman spirit, Mr. Ratan Jindal is a keen golfer, and takes avid interest in tennis and cricket.

Your Directors recommend passing of the resolution as set out at item no. 7 of this Notice as Special Resolution for your approval.

Mr. Ratan Jindal, Chairman of the Company, is interested in the resolution as set out at item no. 7 of this Notice. Mrs. Deepika Jindal, Director and Mr. Abhyuday Jindal, Managing Director of the Company, being relatives of Mr. Ratan Jindal, may deemed to be interested in the said resolution. The other relatives of Mr. Ratan Jindal may be deemed to be interested to the said resolution to the extent of their shareholding interest, if any, in the Company. Save and except the above, none of the other Directors / key managerial personnel of the Company/ their relatives are, in any way, concerned or interested, financially or otherwise, in the above referred resolution.

Having managed to overcome challenging times, your Company today is on a very strong footing to embark on a new Cycle of Success & Growth.

Vizag Division:

Vizag Division produces High Carbon Ferro Chrome ("HCFC") with an annual capacity of 40000 MT. Vizag Division uses Chrome Ore purchased from Odisha Mining Corporation Ltd. Tata Steel Limited & others and transfers output to Hisar plant and exports also. The Unit could produce 22589 MT of HCFC during F.Y. 2019-20 as compared to 27547 MT during the previous F.Y. 2018-19. The production is less in current F.Y. 2019-20 due to the reasons as below:

- The 5.5 mva was switched off for 47 days for refractory relining work of Furnace during April & May.
- The 12.5 mva was switched off for 58 days for Shed Structural Strengthening work during December to February.
- Both Furnaces were operated at low load for 40 days during whole year due to shortage of chrome ore & poor market of Ferro Chrome.

Also the Unit could recover a quantity 3338 ton HCFC by processing of 205393 ton of Ferro Chrome slag through 50TPH Crushing unit & 40TPH Tenova Deltor Jig Machine during F.Y. 2019-20 with recovery of 1.62%, whereas the Unit could recover a qty. of 2833 MT of HCFC by processing of 180355 MT of Ferro Chrome Slag during previous F.Y. 2018-19 with recovery of 1.56%.

The Vizag Division could dispatch/sell total qty. of 27894 ton of HC Ferro Chrome (25994 ton to Hisar plant, 486 ton in domestic & export 1414 ton) during current year 2019-20 as compared to 28258 ton during previous year 2018-19.

The Vizag Division is producing HC Ferro Chrome from the beginning, but keeping in view of poor market of Ferro Chrome the Vizag Division has planned to produce other Ferro Alloys Products i.e. HC Ferro Manganese & MC Silicon Manganese in addition to HC Ferro Chrome in the coming period as the market of both the products is good.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO PROVISIONS OF SECTION 134 OF THE COMPANIES ACT, 2013 READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014.

(A) CONSERVATION OF ENERGY

As a part of continued efforts towards energy conservation, some of the important energy conservation initiatives taken during the year 2019-20 in different areas are as under:

(a) The steps taken or impact on conservation of energy

- Adopted the ISO 50001:2018 to improve the energy management system and energy performance by improving the "Convenience", "Adequacy", and "Efficiency"
- Variable frequency enabled rotary screw type air compressor to avoid poor capacity utilization, thus improved specific power consumption.
- Energy efficient centrifugal compressors leading to a reduction in specific power consumption (kW/CFM) resulting in savings in energy consumption.
- Reduction in the utilisation of compressed air by which achieved substantial conservation of energy, arrested leakages in the distribution network, replaced faulty pneumatic instrumentation and removed dead network, resulting in conservation of natural resources.
- Installed separate descaling water pumping system units in stake and strip mills and automated with the process parameters avoid continuous full load working of descaling system
- Replacement of metallic blades in the process cooling tower fans with Fiber Reinforced Plastic (FRP) blades to reduce the power consumption
- To reduce energy consumption in plant and other facility illumination, replacement of conventional fluorescent lighting with LED lighting were undertaken during the year.
- Process cooling water pumps of the capacity of 185 kW replaced by 139 kW Pumps in SPD division, resulting in the conservation of natural resources.
- Improvements in fuel efficiency of the furnaces by modification in bullnose design.
- The above schemes are expected to result in total energy savings of 1,350 tonnes of oil equivalent per annum of fuel oil.

(b) The steps taken by the Company for utilising alternate sources of energy

In continuation of the steps taken last year, we expanded the use of natural resources of solar power in plant and support facilities. Also, the increased use of green fuels in place of conventional fossil fuels in the reheating furnaces. An alternative source of water resources was tapped by optimisation of rainwater harvesting.

- Installation of a rooftop solar PV system of the capacity of 200 kWp to increase the renewable energy capacity.
- Increase the share of environment-friendly green biofuel by 3% in total thermal energy consumption.
- The adoption of alternate sources of energy initiative will mitigate 3,850 Tons of CO₂.

(c) The capital investment on energy conservation equipments

Keeping our plans for a long term energy conservation goal, this year we invested in many areas of energy conservation and environmental preservation;

- Total investment towards energy efficiency and technology upgradations including inverter type air compressors, centrifugal air compressors, descaling pumping system, etc. was ₹ 575 lakh.
- Investment incurred to retrofitting of energy conservation measures and adoption of best-operating practices is about ₹ 425 lakh.
- Beyond the above, the company has invested a total of ₹ 95 lakh towards harnessing energy from renewable energy sources.

(d) Awards

The efforts of the company towards energy and environment conservation aspect has been recognised and awarded by various societies and organisations

- Awarded 'Best Energy Efficient Unit' Award in 20th National Award for Excellence in Energy Management organized by Confederation of Indian Industry (CII) Hyderabad.
- Won Platinum Award in "Iron & Steel Sector" in SEEM National Energy Management Award 2019.
- Won Innovation category award in 3rd CII energy circle completion 2019 Delhi.
- Won 7 excellence & 1 par excellence at NCQC-2019.

(e) Impact Created

- Impact on cost of production: The implemented energy conservation measures and adoption of alternate energy resources have resulted in reduced consumption of electrical and thermal energy at various load centers and helped in containing the energy costs despite the hike in fuel price and electricity tariff. The cumulative monetary benefits are estimated to be ₹ 2,560 lakh during the financial year.
- Total energy consumption and specific energy consumption: The reduction in the specific power consumption (energy per tonne of product) during the PAT cycle – 2 was 6.3%, even though our operations are energy-intensive in nature.

Annexure - I to Directors Report

(B) TECHNOLOGY ABSORPTION

- (i) **The efforts made towards technology absorption; and the benefits derived like product improvement, cost reduction, product development or import substitution.**

Development of new products to diversify product mix:

- Development of EN 1.4547 (Super austenitic) grade in 0.5 mm thickness.
- Development of anti microbial grade 430-Cu for utensil application.
- Development of new electrode quality grades EQ316L & EQ309LMo for weld overlay application.
- Development of high sulfur (S >0.15%) grade 316F for food and pharmaceutical processing equipment.
- Development of grade 430J1L for BS6 auto exhausts application.
- Development of grade 304J1 for water purifier tank application.

Development of customized & value added products:

- Development of customized variant of 441 grade for automotive tube application.
- Development of roll bonded clad plate using Ni based super-alloys for FGD application.
- Surface quality improvement for 15CDV6 grade in cold rolled product (< 6 mm).
- Established welding process parameters of ultra high strength martensite steel using different welding electrodes.

Benefits derived from process improvement:

- Minimization of hydrogen content in martensitic steel through modification of steel making practice.
- Optimization of properties of grade 201 (4% Ni) for precision strip application.
- Quality improvement of JT grade through modification of annealing parameters.
- Yield improvement of EQ24.13LNb by modification of hot rolling process parameters.
- Established hot rolling process parameters for manufacturing of UNS S32205 Grade in 4 mm thickness, leading to improve productivity in thinner gauge.
- Quality improvement of EN 1.4116 grade for knife application

Future plan of action:

- Manufacturing of Ni based super-alloy.
- Development of High Aluminium (>4%) Ferritic Stainless Steels for automotive catalytic converter.
- Maximize cost reduction through optimization of raw material.

Major technological projects completed in financial year 2019-20

- Induction furnace, 03 nos, Capacity 45 MT each- Market competitiveness and process cost saving project
- Homogenization furnace, 1200 MT/month - capacity enhancement and quality improvement project for JBS grades
- Tandem mill modification - Convert to Hydraulic semi Auto gauge control for minimize gauge variation & improve flatness
- Wider BA line modification in CRD-2 - capacity enhance and quality improvement project to achieve BA finish.

- (ii) **in case of imported technology (imported during the last three years reckoned from the beginning of the financial year):**

- Schuler MRV 150 Ringmaster press for Capacity enhancement of Bimetallic Blanks
- Automatic Inspection Machine (By Proditex France) for Improvement in product inspection by use of a combination of matrix camera and laser.

- (iii) **Expenditure incurred on Research and Development (R&D)**

- We have also examined compliance with the applicable clauses of the Secretarial Standards for Board Meetings (SS-1) and for General Meetings (SS-2) issued by the Institute of Company Secretaries of India.

During the audit period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. as mentioned above.

Management and Auditor Responsibility:

1. Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit;
2. We have followed the audit practices and the processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion;
3. Wherever our Audit has required our examination of books and records maintained by the Company, we have also relied upon electronic versions of such books and records, as provided to us through online communication. Wherever for the purposes of our Audit, there was a need for physical access to any of the places of business of the Company, the same has not been uniformly possible in view of the prevailing lockdown.
4. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company as well as correctness of the values and figures reported in various disclosures and returns as required to be submitted by the Company under the specified laws, though we have relied to a certain extent on the information furnished in such returns;
5. Wherever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc;
6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis;
7. Due to the inherent limitations of an audit including internal, financial, and operating controls, there is an unavoidable risk that some misstatements or material non compliances may not be detected, even though the audit is properly planned and performed in accordance with audit practice;

Annexure - III (a) to Directors Report

8. The contents of this Report has to be read in conjunction with and not in isolation of the observations, if any, in the report(s) furnished/to be furnished by any other auditor(s)/agencies/authorities with respect to the Company;
9. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Recommendations as a matter of best practice:

In the course of our audit, we have made certain recommendations for good corporate practices to the compliance team, for its necessary consideration and implementation by the Company.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision was carried through, while there were no minuted instances of dissent in Board or Committee meetings.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the Audit Period, the Company has not undertaken any specific event/action that can have a major bearing on the company's compliance responsibility in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., except as follows:

1. Alteration of object clause of Memorandum of Association (MoA) of the Company:

During the Audit, the shareholders approved alteration of MoA of the Company on January 12, 2020 by substituting Clause III (A)(4) of the Memorandum of Association of the Company to insert new clause enabling the Company to carry on the business concerning arms and ammunition, auto parts and rail coach/ wagon/ locomotives.

MANAGEMENT DISCUSSION AND ANALYSIS

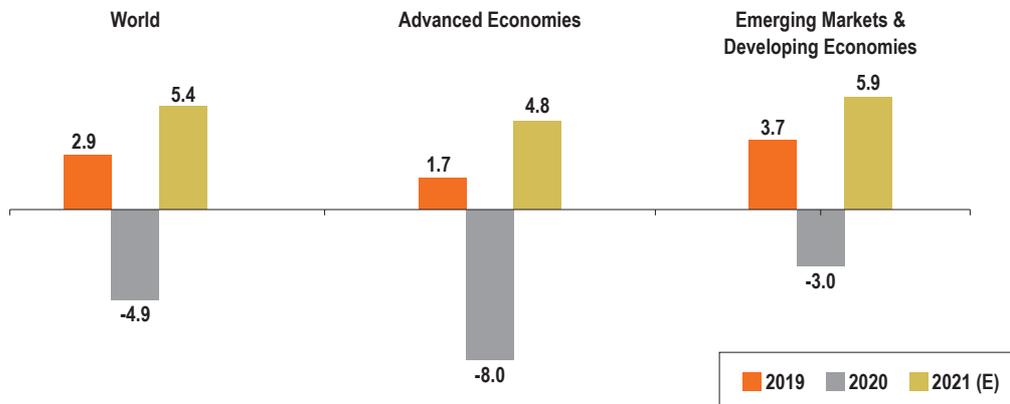

Economic overview & outlook

Global economy

The global economy grew at an estimated 2.9% in 2019, following a slowdown across most advanced and developing nations. Trade policy uncertainty, geopolitical tensions, and stress in key emerging market economies continued to weigh on global economic activity especially manufacturing and trade in the second half of 2019.

Global growth is projected at -4.9% in 2020 owing to the unprecedented Covid-19 pandemic. The pandemic has had a significant impact on all global economies in the first half of 2020, and the recovery is projected to be gradual. In 2021 global growth is projected at 5.4%.

Indian economy

During FY20, the Indian economy witnessed series of challenges given the decline in overall investments, private consumption and regulatory uncertainty. Additionally, NBFC liquidity issues and rural stress further impacted the economy. To counter these challenges, the Central Government announced a series of structural reforms. Amongst these reforms, the announcement to substantial reduction of the corporate tax rate had been one of the most notable initiatives undertaken by the Government to boost sustainable economic growth.

Q4FY20 witnessed lower economic activity due to the restrictions and lockdowns in the month of March, owing to Covid-19 pandemic, which typically tends to be a month with increased output as businesses normally try to meet targets before the end of the financial year. Overall, the pace of growth across key sectors, private consumption and investment saw a sharp decline during the quarter and was a drag on growth for the full year.

The GDP growth of the Indian economy during the CY2019 stood at 4.2%, according to International Monetary Fund(IMF). This is the lowest growth that India has recorded in the past 11 years.

The International Monetary Fund (IMF) has projected that Indian economy would contract by 4.5% in CY20. Post this period of contraction, IMF has projected a 6% growth for India in CY21.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Stainless Steel Scenario

The global stainless steel consumption has been on an upward trajectory in the past few years, primarily driven by a strong spurt in demand from the Asia-Pacific region, specifically China and India. According to International Stainless Steel Forum (ISSF), the total Stainless steel melt shop production increased from 38.5 MT million tonnes in CY2013 to 52.2 MT in CY2019, registering a healthy CAGR of 5.2% over the period. In the past two decades, stainless steel consumption has seen the strongest CAGR as against other major metals such as zinc, aluminium and carbon steel.

Domestic Stainless Steel Scenario

In India, the consumption of stainless steel has undergone a major transformation. Strong demand from end-user segments has led to higher consumption of stainless steel. In the late '90s, Stainless steel was primarily used for kitchenware with some exception for industrial goods. Over the years, there has been increased usage in various industries including automobile, railways, process and nuclear industries, and building and construction.

According to International Stainless Steel Forum (ISSF), India registered a total stainless-steel melt shop production of 3.92 MT in CY2019, witnessing an increase of 5% year-on-year. Total stainless steel flat products consumption grew by 7% in CY2019 in India. Due to the growing pace of stainless-steel adoption across different sectors, India was able to maintain its position as the second largest producer of stainless steel in the world in CY2019. Industry experts believe that India has a very promising stainless steel market; and given the multiple trends from Railways, Auto, Industrial, and Infrastructure usage, the consumption of Stainless steel in the country is expected to rise further.

MANAGEMENT DISCUSSION AND ANALYSIS

Leadership in Specialty Products

Over the years, JSHL has built significant expertise in providing stainless steel for various applications like Precision Strips, Blades, Coin blanks, etc. Apart from being world's largest producer of stainless-steel strips for razor blades, the Company is also India's largest producer of coin blanks. As of today, the Company is supplying to major mints of various countries including Finland, Netherlands and Brazil. In India, the Company is currently catering to the requirements of ₹ 5, ₹ 10 and ₹ 20 coins. Going forward, the Company aspires to further expand its presence in the Coin Blanking segment. JSHL is also the first Company in India to commercially manufacture high nitrogen steel (HNS) for application in the defence sector.

JSHL is also present in the B2C segment through its subsidiary, JSL Lifestyle Limited with well-known brands like 'Artdinox', and 'ARC'. These brands help the Company to cater to the last mile service requests by consumers. JSL Lifestyle Ltd. works as a catalyst amongst designers, architects, fabricators and other professionals to provide a range of technical support services and produces a wide range of stainless steel products available worldwide. JSHL's other subsidiary, Jindal Stainless Steelway Limited offers customized just-in-time services like slitting, cut-to-length, polishing, etc.

JSHL which holds a significant portion of the Specialty products market in India, aspires to further increase its specialty and value-added products revenue share, going ahead. The Company which has remained at the forefront of new-age application development continues to undertake initiatives to further widen its specialty products portfolio.

Strong emphasis on R&D

Over the years, JSHL has demonstrated a keenness to integrate technological innovations into its operations. From investing into cutting-edge equipment and adopting new procedures, JSHL has been the frontrunner in raising the benchmark across the domestic stainless steel landscape. The dedicated R&D division of JSHL helps it to continuously innovate and develop high-value specialty products. The team closely interacts with reputed national and international laboratories/scientific institutions/Universities to avail expert services & knowledge for critical investigations. The strong R&D expertise of the Company has also enabled it to consistently create value addition in its existing products and processes. It has also enabled the Company to build a strong presence in the manufacturing category of specialty steel for Defence segment. JSHL remains confident that its technological competencies will help it to consolidate its strong leadership position in the stainless steel industry.

Strengthened foray into Defense and Aerospace

The Company's manufacturing process has been optimized for industry scale production to cater to stringent and niche requirements of Indian Defence and Paramilitary forces. Today, JSHL has a strong presence in the manufacturing category of specialty steel for Defence segment.

The Company has been continuously strengthening its foray into Defence and Aerospace segment and working to develop and supply special alloys for various strategic applications viz. Submarine Rocket Launchers, Armored Vehicles, Mine Trawls etc. Going ahead, JSHL intends to undertake necessary initiatives to further increase its offerings into the Defence and Aerospace space.

Opportunities

MANAGEMENT DISCUSSION AND ANALYSIS

Healthy demand outlook

Over the past few years, increasing awareness on the various benefits of stainless steel has been leading to a substantial increase of its usage in various applications in railways, automobile, process industries, building and construction. Additionally, the various initiatives undertaken by the Indian Government have been giving significant impetus to the domestic stainless steel industry.

Indian Railways has been one of the early adopters of stainless steel and is expected to remain one of the biggest consumers of stainless steel over the next decade. Strong push from the Government on safety and enhanced Life Cycle costing along with increasing passenger trains has been leading to a strong shift towards stainless steel wagons and coaches, instead of the traditionally used carbon steel. Metro rail projects, which extensively use stainless steel for the construction of its light weight coaches and interiors, are coming-up in multiple cities across India. Railways are also taking initiatives to modernize the railway infrastructure, particularly with use of stainless steel in foot-over, rail-over bridges and station infrastructure. These initiatives are only expected to further increase the country's demand for stainless steel. Additionally, an increasing usage of stainless steel in various sectors including automobiles for BSVI exhaust compliance, process industry, white goods construction and infrastructure are expected to further enhance the country's demand for stainless steel going forward. Considering the renewed emphasis on healthcare infrastructure in the country, stainless steel emerges as a natural choice in material selection, owing to its inherently hygienic properties. Hospital beds, isolation chambers, modular toilets and several other applications of stainless steel are expected to get impetus in the coming years.

Diversified range of product applications

In the past couple of decades, the Indian stainless steel consumption has seen a paradigm shift from its use only in household/durables to use in new value-added categories of ABC, ART and process industries. JSHL enjoys a dominant position in the market in the value-added segment. Specialty Product Division of the Company has a diversified product portfolio of precision strips, razor blade and coin blanks. JSHL is the world's largest producer of stainless steel strips for razor blade and is India's largest producer of coin blanks, also serving the need of international mints.

Over the years, JSHL has widened its product offerings to have a diversified product portfolio and insulated itself from any slowdown in a particular product or category to de-risk itself.

Today, JSHL has a broad product portfolio with a wide range of stainless steel products across all product applications. It has cutting-edge technology that enables it to produce various grades of stainless steel with different specifications relating to width, thickness, finish and weight, based on customer's precise specifications. JSHL has a superior product-portfolio which enables itself to leverage its presence across verticals to deliver above industry average growth rates.

Extensive Reach and Scale

JSHL, being a dominant pan-India player in the domestic market, has a wide network with multiple touch points that enable its customers to avail the best of its services. The Company has a well-equipped manufacturing facility at Hisar, Haryana and at Visakhapatnam, Andhra Pradesh. Alongside these, the Company has 10 sales offices spread across the country.

Globally, the Company has extensive reach with 14 International sales/representative offices spread across US, EU, United Arab Emirates, Russia, and Vietnam. JSHL's distribution network of sales offices and service centres drives efficient functioning of its inventory, providing better services to domestic and International customers and in obtaining necessary customer feedback to provide more personalized products.

Trusted and Preferred Customer-centric Brand Portfolio

The "Jindal Stainless" brand has emerged as a trusted and preferred brand in the stainless steel sector in India and in International regions. The Company has been able to garner several tangible and intangible benefits due to its overall positive brand image.

Through its customer centric brand portfolio, JSHL has been able to set new benchmarks in the Indian Stainless Steel Industry. The two well-known brands 'Artd'inox' and 'ARC' are helping to enhance the overall customer engagement and presence of the Company across product categories. Today, these brands are providing a sustainable competitive advantage by offering wide range of specialty products.

Strong Marketing and Branding initiatives

Over the years, the Company has consistently undertaken a number of notable marketing initiatives, which have enabled to substantially improve JSHL's brand salience and its overall market share. The Corporate Marketing Department of the Company has been consistently making persistent efforts in strengthening the demand ecosystem for stainless steel. Some of the recent notable marketing initiatives undertaken by the Company are mentioned below:

- During financial year 2019-20, the Corporate marketing team executed a co-branding scheme with more than 60 customers in the stainless steel pipe and tube segment. The initiative entails the right to use the 'Jindal Stainless' logo along with the pipe and tube manufacturer logo in order to staunch the counterfeit market and increase the Company and its customer share of wallet. The Company is confident that this initiative will help it to limit the counterfeit market, expand its presence, counter forgery and bring genuine stainless steel products to the consumers.

MANAGEMENT DISCUSSION AND ANALYSIS

- As a new business development initiative towards sustainable transportation, the Company is in discussion with manufacturers to facilitate roll out of Stainless steel electric rickshaws. According to the transport sector estimates nearly 6 lakhs e-rickshaws are sold in India annually and this sale is expected to grow to the tune of 16% CAGR in the next 5 years. The Company is keen to tap this huge opportunity and is working with manufacturers to design and produce stainless steel models.
- During the year gone by, JSHL continued with its initiative of increasing the on-ground advocacy of Stainless steel. The Company has created four special Stainless steel showcase vans which have been travelling the length and breadth of the country, highlighting the benefits of stainless steel. Christened as the Stainless Academy, these vans have helped train fabricators. Each van displays a few of the varied applications of stainless steel in a particular sector. This also enables the showcase of stainless steel applications during conferences, industrial displays, road shows and event.
- The Company has trained over 9,000 fabricators across 61 cities in collaboration with the 'Skill India' campaign to up-skill this industry's technical manpower. The Company is also working very closely with National Skill Development Council on this part.
- Additionally, the Company also commenced courses in IIT- Kharagpur in 2019-20 and other premier institutes to train engineers and architects in varied applications of Stainless steel.
- The Company also actively participated in various exhibitions and seminars to pro-actively engage prospective customers and industry veterans.

The consistent and innovative marketing efforts of the Company have been successful in attracting substantial interest and demand for JSHL's offerings. Going ahead, JSHL will continue to various marketing development activities to build brand fondness, loyalty and purchase of JSHL's stainless-steel offerings through potential business and existing consumers alike.

Government Initiatives are supporting demand growth for Stainless steel

The demand of stainless steel is witnessing an increase with the support of Government initiatives like 'Make in India', domestically manufactured iron and steel products policy (DMISP) and is likely to be benefitted from soon to be announced scrap policy. National infrastructure plan of ₹ 102 lakh crore is expected to further aid stainless steel demand across sectors. The Government has also undertaken a number of initiatives to protect the domestic industry from the unwarranted increase in imports and thereby improving performance. The recent decision to opt out of the Regional Comprehensive Economic Partnership (RCEP) agreement is a step taken in the right direction to help maintain a level playing field for the Indian industry. Trade remedial measures are also being considered by the government in view of surge in imports and this is expected to curb unfair trade practices.

In order to monitor imports, the Government has also instituted the Steel Import Monitoring System (SIMS), which is applicable to all steel products. SIMS is a noteworthy step, as the Government will suo moto monitor and act with policy interventions in case any significant patterns in the import quantum of steel products are observed. Lastly, the decision taken by the Indian Government to reduce the corporate tax is expected to go a long way in giving the necessary boost to the domestic stainless steel industry.

Threats

JSHL is committed to recognizing and managing the risks it is exposed to, and has put in place mechanisms to handle the same. The Company's management systems, organizational structures, processes, standards, and code of conduct together form its internal control systems, which govern how it conducts its business and manage all associated risks.

The business of the Company is susceptible to certain risks and uncertainties arising out of the following macroeconomic factors:

Political, legal and regulatory risks

There exists a possibility of a change in the overall duty structure on key raw-materials/finished goods by the Government. Further, the Company has been exporting its products to many countries across the globe which has varying degrees of political and commercial stability. Any instability in such countries could impact the Company and pose challenge to its overall performance.

Disruption Risks

The Company operates in a global environment and can be affected by the general unprecedented crises like the recent outbreak of Covid-19 pandemic. This crisis has severely impacted economic activity across the globe. The manufacturing industry globally has been under stress as the supply chain was disrupted with restrictions on movement of goods and growing market uncertainty. Unprecedented situations like lockdown may also impact business. The pandemic also resulted in sharp volatility in raw material prices and disrupted the domestic and international demand Stainless steel.

Rising Stainless steel imports from FTA countries

Change in the demand-supply scenario can cause disruptions in the global market which could have an adverse effect on the Company's overall performance. Higher production in ASEAN countries including China could pose a threat to the outlook of the domestic industry. The Indian Stainless steel manufacturers are exposed to a threat of increased dumping of irrationally priced imports. This scenario of rising imports under FTAs into the country could force the Indian manufacturers including JSHL to under-utilize its capacities.

Despite having anti-dumping duties in place on certain products from China other countries, goods are getting circumvented through other FTA countries. This scenario could lead to a steep increase in channel inventories which would severely impact the overall pricing in the Indian market and have an adverse impact on the Company's performance.

MANAGEMENT DISCUSSION AND ANALYSIS

Volatility in key raw-materials

The Company is exposed to price changes to some of its key raw-materials. This aspect could lead to a scenario of demand deterioration when prices fluctuate. The volatility in these materials could lead to an increase in inventories leading to some impact on the Company's performance.

Financial Risks

The Company's debt servicing capabilities could get affected due to any volatility in financial markets. The Company could face incremental challenges in a changing interest rate scenario. Further, the Company is also exposed to currency risks arising due to a considerable amount of import and export of goods it undertakes.

Risk Mitigation

Currently, the Company has been taking swift affirmative actions to mitigate the negative impact caused due to the Covid-19 pandemic. JSHL has also been closely monitoring the external environment and optimizing operations to align with the market conditions.

JSHL continues to undertake continuous modernization programs to maintain efficient operations of its products and engineering activities. The Company ensures that a majority of the products are contracted with pass through clauses thereby minimising adverse impact from raw material fluctuation.

Healthy cash flow generation by the Company has gone a long way in reducing the overall debt. JSHL aspires to further deleverage and maintain a healthier balance sheet. Additionally, the management actively benchmarks relevant operational parameters and ensures adequate level of liquidity is maintained for smooth operations.

Lastly, the Company is working closely with the Indian Government and other regulatory authorities on the issue of unabated dumping which has been happening into the country. JSHL is confident that the Indian Government will proactively review all the existing FTAs provision to strengthen and ensure the level-playing field for the domestic industry.

INTEGRATED MANAGEMENT SYSTEMS

Quality & Quality Management Systems

Quality Management System (ISO 9001:2015)

In this highly competitive business environment, where the customer settles for nothing less than excellence, Jindal Stainless (Hisar) Limited is driven to deliver quality - from the way they operate, to the customer service standards they establish and the products they deliver. To achieve this, JSHL has adopted the Internationally recognized quality management system (ISO 9001) that not only ensures that the customer's requirements are fulfilled across each stage of processing but also aids the organizations to compete globally both in product and process quality. As a part of its approach towards manufacturing excellence under the ISO 9001 regime, JSHL has also upgraded its QMS to comply with the requirements of ISO 9001:2015. The results range from improved consistency in operations to improved customer satisfaction to international recognition.

Environmental Management System (ISO 14001:2015)

JSHL's commitment towards a sustainable and green environment has been demonstrated by ISO 14001 certification. Through ISO 14001:2015 implementation, JSHL demonstrates its intent of being a better corporate citizen, have reduced wastes, have proper utilization of resources and have improved upon their carbon footprint as well.

Occupation Health and Safety Management System (OHSAS 18001)

JSHL, by being an OHSAS 18001 certified organization, demonstrates its commitment to instigate proper and effective management of health & safety in the workplace, thus minimizing the risks to its workforce and visitors or external contractors on their premises. Cost savings and a reduction in accidents are just two of the many benefits accrued.

PED, AD 2000 W0, CPR, Norsok & Nabl

Besides being an Integrated Management System (ISO 9001, ISO 14001 & OHSAS 18001) organization, the products of Jindal Stainless (Hisar) Limited are also certified for Pressure Equipment Directive (PED-2014/68/EU), AD 2000 W0, Construction Product Regulation (0045-CPD-0896, also known as CE marking and the most recently acquired Norsok M-650 certification for Duplex Stainless Steel. These certifications demonstrate the capability of our product to meet the stringent requirements of the European Union for Pressurized Vessel applications like boilers, pressure vessels, valves etc. and for being used in Architecture, Building and Construction (ABC) Sector and oil & gas sector. Recently, the product portfolio for the PED and AD certifications has been upgraded to include Long Products as well.

Another feather in JSHL's crown is the NABL accreditation for the Chemical and Mechanical labs. NABL accreditation demonstrates JSHL's technical competence in the field of chemical testing, raises customer confidence in the test results issued by the laboratory with universal acceptability in the open market which provides greater access for their products, in both domestic and international markets

JSHL is committed towards sustainable clean and green environment with compliance to all statutory obligations.

Human Resource

At Jindal Stainless (Hisar) Limited, the bedrock of our success is the relentless effort put in by our workforce. In turn, we continue to nurture an environment where our employees can continuously work on innovation in processes and products, and skill enhancement for themselves. During the year, the Human Resources (HR) team focused on Competence, Competitiveness, Commitment and Care. Our efforts were reinforced through best-in-class technology and digitisation by adopting Success Factors for all people processes.

As on March 31,2020, the Company comprised total employee strength of 5,694 (including contractual staff). Competence is critical for fostering our business, especially during these challenging times. We have been continuously reinforcing our talent pool from the premier institutions of the country, like IITs, NITs and Government Engineering colleges. To ensure smooth and seamless on-boarding of fresh talent, we introduced ARISE, a 9-months induction program to "Shape Stainless Engineers" of the future. During the year, over 16,000 human-days of training were imparted to all employees, including off-roll employees. We completed the 12 month journey of Masterful Management, a flagship leadership development program for middle managers that focused on leadership capabilities for the changing business landscape. With the world changing dynamically and adapting digital platforms for almost everything, in this year, we explored different platforms for e-Learning, like Datacamp, Udemy, VSkills, Alison, Lynda. Encouraging experiential learning, we also encouraged the presence of our employees in various seminars, conferences and paper presentation seminars, across leading institutes and organisations like IITs, IIMs, CII and UNDP.

The key to business success has been competitiveness, which can be achieved by bringing out the best in every employee. In order to align individual's and company's objectives, your company introduced Continuous Performance Management System (CPMs), wherein all managerial employees are encouraged to align their goals with business priorities on a quarterly basis. The system also encourages regular feedback and review, ensuring the highest level of performance. Your company has augmented its Reward & Recognition policy to reinforce a culture of appreciation and last year, over 1500 employees were recognized for special contributions.

MANAGEMENT DISCUSSION AND ANALYSIS

Building employee commitment is an intensive and critical process for business sustenance. We believe in connecting with our employees and family members through our multiple communication platforms, like Sampark and Coffee with MD for a direct connect with MD, town hall meetings with the leadership team, and celebration of festivals with family members. Jindal Premier Cricket League, Pro-Kabaddi league and Zonal Level Sports meets were enjoyed by one and all. Further, our engagement with employees continued to strengthen through the Climate Survey, which was launched to solicit their opinions, perceptions and feelings regarding the organisation's environment. An online module on POSH was launched across all management levels to reiterate our commitment towards being a 'zero tolerance organization' against sexual harassment of women at workplace.

Employee care is one of the core values for your company. We address the basic needs of employees in terms of medical care, housing and education. We have ensured quality education to all employees' wards by subsidising school fees. All employees and family members are covered under the medical care scheme. Your company also provides well maintained accommodation to its employees. The HR team continues to be dedicated towards building competent, committed and agile workforce for this world-class organisation.

Way Forward

Several internal and external factors augur well for the Company's future. Today, JSHL enjoys a deep repository of experience of several years, a comprehensive pan-India and global distribution network, a large team of experienced and professionally-run human resource and a well-diversified product portfolio of stainless steel products.

JSHL has undertaken significant steps to shift its production mix towards value-added segments which has been significantly assisting the Company to drive its performance. The philosophy of strongly focussing on value-added segments and expanding the overall customer base in new geographies is expected to provide the necessary resilience to successfully overcome challenges through different parts of the business cycle. On a longer-term basis, the Company remains confident that its strategic initiatives will provide levers for high quality and sustainable growth and profitability.

FORWARD-LOOKING STATEMENT

This Annual Report includes forward-looking statements regarding guidance, industry prospects, or future results of operations or financial position. We use words such as anticipates, believes, expects, future, intends, and similar expressions to identify forward looking statements. Forward looking statements reflect management's current expectations and are inherently uncertain. Actual results could differ materially for a variety of reasons, including, among others, fluctuations in foreign exchange rates, changes in global economic conditions and customer spending, world events and the rate of growth among others. The Company assumes no responsibility to amend, modify or revise any such statements. The Company disclaims any obligation to update these forward-looking statements except as may be required by law.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JINDAL STAINLESS (HISAR) LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of JINDAL STAINLESS (HISAR) LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information in which are included the Return for the year ended on the date audited by the branch auditors of the Company's branch located at Kothavalasa in Vizianagaram district, Andhra Pradesh. (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit (including Other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:-

Description of Key Audit Matter	How our audit addressed the Key Audit Matter

INDEPENDENT AUDITOR'S REPORT

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position/state of affairs, financial performance (profit and loss including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Other Matter

- (a) We did not audit the financial statements/ information of one branch included in the standalone financial statements of the company whose financial statements/financial information reflect total assets of ₹ 4.58 crore as at March 31, 2020 and the total revenue of ₹ 184.37 crore for the year ended on that date, as considered in the standalone financial statements/information of the branch has been audited by the branch auditor whose report have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of the branch, is based solely on the report of such branch auditor.
- (b) Note No. 37 (a) of the standalone financial statements, describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and standalone financial statements as assessed by the management. Further, due to Covid-19 related lock down restrictions, management was able to perform year end physical verification of inventory at certain locations, subsequent to the year end. Also, we were not able to physically observe the verification of inventory that was carried out by the management. Consequently, we have performed alternative procedures to audit the existence of Inventory as per the guidance provided in SA-501 "Audit Evidence – Specific Considerations for Selected Items" and have obtained sufficient audit evidence to issue our unmodified opinion on these standalone financial statements.

Our opinion is not modified in respect of these matters.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us during the course of audit, we give in the Annexure 'A' a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from the branch not visited by us.
 - (c) The reports on the accounts of the branch office of the company audited under the section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
 - (d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Change in Equity dealt with by this Report are in agreement with the books of account and with the returns received from the branch not visited by us.
 - (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) As required by section 143(3)(i) of the Companies Act, 2013, and based on the checking of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, our separate report with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls is as per Annexure 'B'.

INDEPENDENT AUDITOR'S REPORT

- (h) With respect to the other matter to be included in the Auditors' report under Section 197(16), as amended: In our opinion and according to the information and explanation given to us, the managerial remuneration paid/provided during the current year by the Company is in accordance with the provisions of Section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the Company.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE "A" REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF JINDAL STAINLESS (HISAR) LIMITED FOR THE YEAR ENDED MARCH 31, 2020.

- i. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets by which fixed assets have been verified by the management according to the program of periodical physical verification in a phased manner which in our opinion is reasonable having regard to the size of the Company and the nature of its fixed assets. The discrepancies noticed on such physical verification were not material.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (which are included under the head 'Property, plant and equipment') are held in the name of the Company read with footnote (#) of Note No. 2 of the standalone financial statements.
- ii. The inventories of the Company (except stock lying with the third parties and in transit) have been physically verified by the management at reasonable intervals. Further due to Covid-19 related lock down restrictions, management was able to perform year end physical verification of inventory subsequent to the year end.
- In our opinion, the procedures of physical verification of inventory followed by the management are reasonable in relation to the size of the Company and nature of its business. Further, we have performed alternative procedures, for physical verification done subsequent to the year-end due to Covid-19, to audit the existence of Inventory as per the guidance provided in SA-501 "Audit Evidence – Specific Considerations for Selected Items" and have obtained sufficient audit evidence and the discrepancies noticed on such physical verification of inventory as compared to book records were not material.
- iii. The Company has granted loans, unsecured to Companies covered in the register maintained under section 189 of the Companies Act, 2013 (Read with note no. 36(a) of the standalone financial statements):-
- a) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that terms and conditions of aforesaid loans so granted are not prejudicial to the interest of the Company.
- b) In respect of aforesaid loans, repayment of principal & payment of interest has been stipulated and repayment and receipts have not become due for payment as on March 31, 2020 (read with footnote @ to note no. 47).
- c) There were no overdue amounts remaining outstanding as at the year-end.
- iv. According to the information, explanations and representations provided by the management and based upon audit procedures performed, we are of the opinion that in respect of loans, investments, guarantees and security, the Company has complied with the provisions of the Section 185 and 186 of the Companies Act, 2013.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other relevant provisions of the Act and the Rules framed thereunder.
- vi. We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act in respect of the Company's products and services to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii. (a) According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and service tax, duty of customs, cess and other material statutory dues with the appropriate authorities to the extent applicable and there are no undisputed statutory dues payable as at March 31, 2020 for a period of more than six months from the date they become payable.
- (b) According to the records and information & explanations given to us, there are no dues in respect of Income tax and goods and service tax that have not been deposited with the appropriate authorities to the extent applicable on account of any dispute and the dues in respect of duty of customs, duty of excise, service tax, sales tax and labour welfare cess that have not been deposited with the appropriate authorities on account of any dispute and the forum where the dispute is pending are given below:

INDEPENDENT AUDITOR'S REPORT

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF JINDAL STAINLESS (HISAR) LIMITED

Report on the internal financial controls over financial reporting under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of JINDAL STAINLESS (HISAR) LIMITED ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date in which are incorporated the Return for the year ended on the date audited by the branch auditor of the Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh.

Management's responsibility for internal financial controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the branch in terms of their reports referred to in the other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT

Opinion

In our opinion and based on the report of the branch auditor furnished to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other matter

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to Return audited by the branch auditor of the Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done and the report of the other auditor.

Notes to the financial statements for the year ended 31 March 2020

Corporate and General Information

Jindal Stainless (Hisar) Limited ("the Company") is domiciled and incorporated in India and its equity shares and GDR are listed at Bombay Stock Exchange/National Stock Exchange/ Luxembourg Stock Exchange respectively. The registered office of the Company is located at O. P. Jindal Marg, District Hisar, 125005, Haryana, India.

The company is a leading manufacturer /producer of stainless steel flat products in austenitic, ferritic, martensitic and duplex grades. The product range includes ferro alloys, stainless steel slabs and blooms, hot rolled coils, plates and sheets, cold rolled coils and sheets, specialty products such as razor blade steel, precision strips, coin blanks and long products.

The financial statements of the Company for the year 31 March 2020 were approved and authorized for issue by board of directors in their meeting held on 10 June 2020.

Statement of compliances

The financial statements are a general purpose financial statement which have been prepared in accordance with the Indian Companies Act, Indian Accounting Standards and complies with other requirements of the law. Indian Accounting Standards (IND AS) include equivalent to International Financial Reporting Standards (IFRS). Compliance with the IND AS ensures that the financial statements and notes of the entity comply with International Financial Reporting Standards (IFRS).

Basis of preparation

These financial statements have been prepared complying in all material respects with the Indian Accounting Standards notified under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rule 2015. The financial statements comply with IND AS notified by Ministry of Corporate Affairs (MCA). The Company has consistently applied the accounting policies used in the preparation of financial statement of all period presented.

The financial statements has been prepared considering all IND AS as notified and made applicable by MCA for reporting date i.e. 31 March 2020.

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

Changes in significant accounting policy

Transition to Ind AS 116, Leases

Ministry of Corporate Affairs (MCA) through the Companies (Indian Accounting Standards) Amendment Rules, 2019 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2019 has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other pronouncement. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model. Lessor accounting under Ind AS 116 is substantially unchanged in comparison with earlier under Ind AS 17. Lessors will continue to classify leases as either operating or finance lease using similar principles as in Ind AS 17. Therefore, Ind AS 116 did not have an impact for leases where the company is the lessor.

The Company has adopted Ind AS 116, Leases with effect from 01 April 2019 and it is detailed in note no 42 (Refer Note No. 1.16).

Standards issued but yet not effective

Ministry of Corporate Affairs (MCA) notified new standard and amendments to the existing standards. There is no such notification, which would have been applicable from 01 April 2020.

Notes to the financial statements for the year ended 31 March 2020

NOTE NO 1 : SIGNIFICANT ACCOUNTING POLICIES

Significant Accounting Policies

1.1 Basis of Measurement

The standalone financial statements have been prepared on accrual basis and under a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- Derivative financial instruments,
- Financial assets and liabilities except certain investments, loans and borrowings carried at amortized cost (refer accounting policy regarding financial instruments),
- Defined benefit plans – plan assets

The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest Crore and two decimals thereof, except as otherwise stated.

1.2 Property, plant and equipment

i. Property, plant and equipment are stated cost less accumulated depreciation and impairment losses. Cost comprises of all cost, net of income (if any) incurred to bring the assets to their present location and working condition and other related overheads till such assets are ready for intended use.

ii. Depreciation

Depreciation on property, plant & equipment is provided on straight line method over their useful lives and in the manner specified in Schedule II of the Companies Act, 2013. However, in respect of certain plant & machinery and electric installations, depreciation is provided as per their useful lives assessed on the basis of technical evaluation by the external valuer.

Asset class	Useful life
Property, plant and equipment	
Plant and equipment	1-25 years
Buildings	3-60 years
Furniture and fixtures	1-10 years
Vehicles	1-19 years
Office equipment	1-16 years

- The asset's residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. Component accounting

When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes there placed part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

iv. Classification of plant & machinery into continuous and non-continuous is made on the basis of technical assessment and depreciation is provided for accordingly.

v. Expenditure during construction/erection period is included under capital work-in-progress and is allocated to the respective fixed assets on completion of construction/erection.

vi. Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of Property, plant and equipment and gains or losses arising from derecognition are recognized in statement of profit and loss in the year of occurrence.

Notes to the financial statements for the year ended 31 March 2020

1.3 Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any and cost includes any directly attributable expenditure on making the asset ready for its intended use. Intangible assets with finite useful lives are capitalized at cost and amortized on a straight-line basis normally over a period of 5 to 10 years, depending on their estimated useful lives.

Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in statement of profit and loss in the period in which the expenditure is incurred.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives (like goodwill, brands), if any are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether indefinite life continues to be supportable. The change in useful life from indefinite to finite life if any, is made on prospective basis.

1.4 Research and development cost

Research cost

Revenue expenditure on research is expensed under the respective heads of accounts in the period in which it is incurred.

Development cost

Development expenditure on new product is capitalized as intangible asset, if technical and commercial feasibility as per IND AS 38 demonstrated.

1.5 Inventories

Inventories are stated at lower of cost and net realizable value (except scrap/ waste which are valued at net realizable value). However raw materials, components, stores and spares held for use in the production of finished goods are not written down below cost if the finished products are expected to be sold at or above cost. Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and selling costs. The cost is computed on weighted average basis. Finished goods and process stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Conversion cost includes direct material, labour and allocable material and manufacturing overhead based on normal operating capacity.

1.6 Cash and cash equivalents

Cash and cash equivalents are financial assets. Cash and cash equivalents consist of cash and short-term highly liquid investments that are readily convertible to cash with original maturities of three months or less at the time of purchase/investment and are carried at cost plus accrued interest, if any.

1.7 Financial instruments

A financial instrument is any contract that at the same time gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments are recognized as soon as the company becomes a contracting party to the financial instrument. In cases where trade date and settlement date do not coincide, for non-derivative financial instruments the settlement date is used for initial recognition or derecognition, while for derivatives the trade date is used. Financial instruments stated as financial assets or financial liabilities are generally not offset; they are only offset when a legal right to set-off exists at that time and settlement on a net basis is intended.

a) Financial assets

Financial assets include trade receivable, cash and cash equivalents, derivative financial assets and also the equity / debt instruments held. Initially all financial assets are recognized at amortized cost or fair value through other comprehensive income or fair value through Statement of Profit or Loss, depending on its business model for those financial assets and their contractual cash flow characteristics.

Subsequently, based on initial recognition/ classification, where assets are measured at fair value, gain and losses are either recognized entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income)

i) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost less expected credit loss/impairment allowances. Receivables that do not bear interest or bear below market interest rates and have an expected term of more than one year are discounted with the discount subsequently amortized to interest income over the term of the receivable.

Impairment is made on the expected credit losses, which are the present value of the cash deficits over the expected life of receivables. The estimated impairment losses are recognized in the statement of profit and loss. Subsequent changes in assessment of impairment are recognized in the statement of profit and loss as changes in estimates.

The company makes provision for expected credit loss against trade receivables based on the simplified approach (i.e. the loss allowance is measured as the amount equal to lifetime expected credit losses).

Notes to the financial statements for the year ended 31 March 2020

ii) Loans & other financial assets

Loans and other financial assets are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, loans and other financial assets are measured at amortized cost using the effective interest method, less any impairment losses.

iii) Investment in equity shares

Investment in equity securities are initially measured at fair value. Any subsequent fair value gain or loss for investments held for trading is recognized through statement of profit & loss. The fair value gains or losses of all other equity securities are recognized in other comprehensive income.

iv) Investment in associates, joint venture and subsidiaries

The Company's investment in subsidiaries, associates and joint ventures are carried at cost except where impairment loss recognized.

b) Financial liabilities

Financial liabilities such as loans and borrowings and other payables are recognized initially on the trade date, which is the date that the Company becomes a party to the contractual terms of the instrument. Financial liabilities other than fair valued through profit and loss are recognized initially at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortized cost using the effective interest method. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss.

The Company derecognizes a financial liability when its contractual obligations are settled or cancelled or expired.

Financial liabilities at fair value through profit or loss

It includes financial liabilities held for trading and are designated as such at initial recognition. Financial liabilities are held for trading if they are incurred for the purpose of repurchasing in near term and also include Derivatives that are not part of an effective hedge accounting in accordance with IND AS 109, classified as "held for trading" and carried at fair value through profit or loss. Financial liabilities at fair value through profit or loss are measured at each reporting date at fair value with all the changes recognized in the statement of profit and loss.

Financial liabilities measured at amortized cost

Post recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method ("EIR"). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss.

Loans and borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the effective interest method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in statement of profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that is probable that some or all of the facility will be drawn down.

Financial guarantee contracts

As per IND AS -109 "Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the original or modified terms of a debt instrument."

Initial recognition

The date the company becomes a party to the irrevocable commitment is considered to be the date of initial recognition and financial guarantee contracts are recognized as liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. Trade accounts payable and other non-derivative financial liabilities are in general measured at amortized cost using the effective interest method. Finance charges, including premiums payable on redemption or settlement, are periodically accrued using the effective interest method and increase the liabilities' carrying amounts unless they have already been settled in the period in which they were incurred.

Derivative financial instruments

The Company uses derivative financial instruments principally to manage its exposure to fluctuations in interest rates, foreign exchange rates and prices of raw materials arising from operating, financing and investing activities. Derivative financial instruments are classified as current or non-current assets /liabilities based on their maturity dates. Embedded derivatives are separated from the host contract and accounted for separately if they are not closely related to the host contract. Derivative financial instruments are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value at the end of each period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit or loss.

Notes to the financial statements for the year ended 31 March 2020

1.8 Business combinations under common control

Common control business combinations include transactions, such as transfer of subsidiaries or business, between entities within a group.

Business combinations involving entities or business under common control are for using the pooling of interest method.

Under pooling of interest method, the assets and liabilities of the combining entries are reflected at their carrying amounts, the only adjustments that are made are to harmonise accounting policies.

The difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and presented separately from other capital reserves.

1.9 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.10 Impairment of non-financial assets

At each reporting date, the company assesses whether there is any indication that a non-financial asset may be impaired. If any such indication exists, the recoverable amount of the non-financial asset is estimated in order to determine the extent of the impairment loss, if any.

Recoverable amount is determined:

- In the case of an individual asset, at the higher of the fair value less cost to sell and the value in use: and
- In the case of cash generating unit (a group of assets that generates identified, independent cash flows) at the higher of cash generating unit's fair value less cost to sell and the value in use.

Where it is not possible to estimate the recoverable amount of an individual non-financial asset, the company estimates the recoverable amount of the smallest cash generating unit to which the non-financial asset belongs. The recoverable amount is the higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use. If the recoverable amount of a non-financial asset or cash generating unit is estimated to be less than its carrying amount, the carrying amount of the non-financial asset or cash generating unit is reduced to its recoverable amount. Impairment losses are recognized immediately in the statement of profit and loss.

Where an impairment loss subsequently reverses, the carrying amount of the non-financial asset or cash generating unit is increased to the revised estimate of its recoverable amount.

However, this increased amount cannot exceed the carrying amount that would have been determined had no impairment loss been recognized for that non-financial asset or cash generating unit in prior periods. A reversal of an impairment loss is recognized immediately in the statement of profit and loss.

Notes to the financial statements for the year ended 31 March 2020

1.11 Foreign currency transactions

i. Functional and presentation currency

The functional and reporting currency of company is INR or ₹.

ii. Transaction and balances

Currency transactions denominated in foreign currencies are initially recorded at the rates of exchange prevailing on the dates of the transactions. Monetary assets and liabilities denominated in such currencies are retranslated at the rates prevailing on the balance sheet date. Profits and losses arising on exchange are included in the net profit or loss for the period.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that gave rise to the translation difference.

1.12 Revenue Recognition

Indian Accounting Standard 115 Revenue from Contracts with Customers ("Ind AS 115"), establishes a framework for determining whether, how much and when revenue is recognised and requires disclosures about the nature, amount, timing and uncertainty of revenues and cash flows arising from customer contracts. Under Ind AS 115, revenue is recognised through a 5-step approach:

- (i) Identify the contract(s) with customer;
- (ii) Identify separate performance obligations in the contract;
- (iii) Determine the transaction price;
- (iv) Allocate the transaction price to the performance obligations; and
- (v) Recognise revenue when a performance obligation is satisfied.

Revenue is measured based on the consideration specified in a contract with a customer. A performance obligation is a promise in a contract to transfer a distinct good or service (or a bundle of goods and services) to the customer. A contract's transaction price is allocated to each distinct performance obligation and recognized as revenue, as, or when, the performance obligation is satisfied. The Company recognizes revenue when it transfers control of a product or service to a customer. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payments and excludes taxes and duties collected on behalf of the government.

The Company recognizes revenue from the following major sources :

Sale of products:

- Revenue from the sale of goods and services is recognized when the significant risks and rewards of ownership or effective control of promised goods and services have been transferred to the buyer on satisfaction of performance obligations and no significant uncertainty exists regarding the amount of consideration that will be derived.
- Revenue is measured based on transactions price (excluding any taxes or duties collected on behalf of government which are levied on sales) arrived at by determining fair value of consideration received or receivable after adjusting returns, sales incentive, discounts / rebates etc in exchange of goods and services. Export incentives and other benefits are recognised in the year of export.
- Revenue from other activities is recognized based on the nature of activity, when consideration can be reasonably measured. Certain claims like those relating to railways, insurance, electricity, customs, and excise are accounted for on acceptance/when there is a reasonable certainties.

Sale of services:

- Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

Dividend income:

- Dividend income is accounted for when the right to receive the same is established,

Interest income:

- For all financial instruments measured at amortized cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in statement of profit and loss.

1.13 Government grant

- Government grants related to capital nature shall be recognized in the statement of profit and loss on a systematic basis over the periods in which the entity recognizes as expenses the related costs for which the grants are intended to compensate.
- A government grant that becomes receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs shall be recognized in statement of profit or loss of the period in which it becomes receivable.

Notes to the financial statements for the year ended 31 March 2020

1.14 Employees benefits

a) Short term employee benefit

All employees' benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

b) Defined contribution plan

Contributions to the employees' provident fund, national pension scheme and employee's state insurance are recognized as defined contribution plan and charged as expenses in the year in which the employees render the services.

c) Defined benefit plan

The Provident Fund (Funded), Leave Encashment and Gratuity are defined benefit plans. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods. Past service cost is recognized in the statement of profit and loss in the period of plan amendment.

Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, gains and losses on curtailments and non-routine settlements
- Net interest income or expense

d) Long term employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

e) Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

The Company shall recognize a liability and expense for termination benefits at the earlier of the following dates:

- (i) When the entity can no longer withdraw the offer of those benefits; and
- (ii) When the entity recognizes costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

1.15 Borrowing costs

- (a) Borrowing costs that are specifically attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.
- (c) All other borrowing costs are recognized as expense in the period in which they are incurred.

1.16 Leases

The company as a lessee

The company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contain, a lease if the contract conveys the right to control the use of an identified asset for a period of time exchange of consideration.

At the commencement of the lease, the company recognize a right of use asset and corresponding lease liabilities for all lease arrangements except for leases with a terms of twelve months or less (short term leases), variable leases and low value leases, for which lease payments has been recognized as an operating expenses on a straight line basis over the term of lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease terms. Right of use assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

Notes to the financial statements for the year ended 31 March 2020

The Company recognizes a right-of-use asset, on a lease-by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognised. Initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The Company recognised a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate.

The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The company as lessor

Leases for which the company is a lessor is classified as finance or operating lease. When the terms of the lease transfer substantially all of the risks and benefits incidental to ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight line basis over the term of relevant lease.

1.17 Taxes on income

a) Current tax

- i) Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the Income-Tax Act 1961 and based on the expected outcome of assessments / appeals.
- ii) Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax

- i) Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable profit as well as for unused tax losses or credits. In principle, deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax assets and liabilities are also recognized on temporary differences arising from business combinations except to the extent they arise from goodwill that is not taken into account for tax purposes.
- ii) Deferred taxes are calculated at the enacted or substantially enacted tax rates that are expected to apply when the asset or liability is settled. Deferred tax is charged or credited to the statement of profit and loss, except when it relates to items credited or charged directly to other comprehensive income in equity, in which case the corresponding deferred tax is also recognized directly in equity.

1.18 Provisions, contingent liabilities, contingent assets and commitments

a) General

The Company recognizes provisions for liabilities and probable losses that have been incurred when it has a present legal or constructive obligation as a result of past events and it is probable that the Company will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation:
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at the end of each reporting period.

b) Other litigation claims

Provision for litigation related obligation represents liabilities that are expected to materialize in respect of matters in appeal.

c) Onerous contracts

Provisions for onerous contracts are recorded in the statements of operations when it becomes known that the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received.

Notes to the financial statements for the year ended 31 March 2020

1.19 Exceptional items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

1.20 Earnings per share

Basic Earnings per share is calculated by dividing the net profit or loss after tax for the year (without taking impact of OCI) attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the adjusted net profit or loss after tax for the year (without taking impact of OCI) attributable to the equity shareholder and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

1.21 Segment reporting

The Company's operating businesses are organized and managed according to the nature of products manufactured and services provided, with segment representing a strategic business unit that offers different products and as reviewed by the chief operating decision maker of the Company. The company's business falls within a primary business segment viz. " stainless steel".

1.22 Financial statement classification

Certain line items on the balance sheet and in the statement of profit and loss have been combined. These items are disclosed separately in the notes to the financial statements.

All assets and liabilities have been classified as current or non current as per the company normal operating cycle and other criteria as set out in the Division II of the Schedule III of the Companies Act, 2013. In general the company classifies assets and liabilities as current when they are expected to be realized or settled within twelve months after the balance sheet date.

1.23 Non-current assets held for sale and discontinued operations

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use and are measured at the lower of their carrying amount and fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a complete sale within one year from the date of classification.

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

Assets and liabilities classified as held for distribution are presented separately from other assets and liabilities in the balance sheet.

A disposal group qualifies as discontinued operation if it is a component of the Company that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations,
- Is part of a single co-ordinate plan to disclose of a separate major line of business or geographical area of operations

Or

- Is a subsidiary acquired exclusively with a view to resale.

An entity shall not depreciate (or amortize) a non-current asset while it is classified as held for sale or while it is part of a disposal group classified as held for sale.

1.24 Capital

Debt and equity instruments:

Ordinary equity shares are classified as equity. Debt instruments are classified as liability.

1.25 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

Notes to the financial statements for the year ended 31 March 2020

b) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

c) Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in future. These includes the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Contingencies

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

e) Leases

Identification of lease require significant judgement. The company evaluate if a contract qualify to be a lease as per the requirements of Ind AS 116. The company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

Notes to the financial statements for the year ended 31 March 2020

37. (a) Due to outbreak of COVID-19 which has been declared as a Pandemic by World Health Organization and subsequent lock down ordered by the Central and State Government(s) in India, the manufacturing facilities of the Company remained suspended from 25 March 2020 till 6 May 2020. The Company in compliance with the necessary instructions/guidelines, resumed its operations on 7 May 2020 in a phased manner, while ensuring health and safety of all the stakeholders. The Company is gradually ramping up its operations depending upon the market conditions.

This situation has disturbed the economic activity through interruption in manufacturing process, disruption in supply chain, etc.. The management has exercised due care in concluding significant accounting, judgements and estimates after taking into account possible impact of internal and external factors known to the management upto the date of these financial statements, to assess and finalise their carrying amount of assets and liabilities. Accordingly, as on date no material impact is anticipated in these financial statements. Further, the Company believes that this Pandemic may not have significant adverse impact on the long term operations and performance of the Company.

- (b) Certain balances of trade receivable and trade payable are in process of confirmation and/or reconciliation. In the opinion of the management, on confirmation / reconciliation, there will not be any material impact.
- (c) The Company has given inter corporate deposits to its two subsidiaries namely Green Delhi BQS Limited & JSL Media Limited, amounting to ₹ 22.60 Crore (₹ 22.60 Crore) {also investment of ₹ 0.10 Crore (₹ 0.10 Crore)} where the subsidiary companies has accumulated losses/negative net worth. In view of the long term involvement of the Company and future prospects, in the opinion of the management, these are good and realizable hence no provision has been considered necessary.
- (d) The audited GST return for the year ended 31 March 2019 is pending for the filing as competent authority has extended the date of filing till 30 September 2020. The company is in process of reconciling the data of GSTR 2A with GSTR 3B. In view of the management on final reconciliation the impact will not be material.
38. The Company had challenged the legality of LADT Act / Entry Tax Act in the state of Haryana before the Hon'ble Punjab and Haryana High Court / Supreme Court of India. Subsequently, on the SLP of the Haryana Government, Constitutional Bench of the Hon'ble Supreme vide its judgement dated 11 November 2016 held the applicability of entry tax valid on compensatory ground and directed its Divisional/ Regular Bench for examining the provisions of the state legislation on the issue of discrimination with respect to the parameters of Article 304 (a) of the Constitution and competence of state legislatures to levy entry tax on goods entering the landmass of India from another country. The division bench of Hon'ble Supreme Court vide its order dated 21 March 2017 (declared on 20 May 2017) remanded back the matter and permitted the petitioners to file petition before respective High Court to decide on factual background or any other constitutional/ statutory issues arises for consideration. The company accordingly filed Civil Writ Petition before Hon'ble High Court of Punjab & Haryana on 30 May 2017. The Hon'ble High Court granted interim relief by order for stay of demand on 31 May 2017 till any further direction.

In the meanwhile, the division bench of Hon'ble Supreme Court of India vide its order dated 09 October 2017 has upheld the legislative competence of the State Legislatures to levy Entry Tax on Import of goods from any territory outside India while examining the Entry Tax legislations of the State of Odisha, Kerala and Bihar.

The Company has made necessary provisions in this regard based on own assessment and calculation.

In view of above, Interest/ penalty if any, will be accounted for as and when this is finally determined/ decided by the Hon'ble Court.

39. Amount required to be spent towards Corporate Social Responsibility as per the provisions of section 135 of Companies Act, 2013 by the Company during the year is ₹ 8.89 Crore (₹ 6.29 Crore) and details of amount spent towards Corporate Social Responsibility is as under :

40. Financial risk management

40.1 Financial risk factors

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan, Investment, trade receivables, other receivables, cash and short-term deposits that arise directly from its operations. The Company also enters into derivative transactions. The Company's activities expose it to a variety of financial risks:

Notes to the financial statements for the year ended 31 March 2020

(i) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at 31 March 2020 and 31 March 2019.

(ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

(iii) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes.

Risk management is carried out by the treasury department under policies approved by the board of directors. The treasury team identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(i) Market risk

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. The Company uses derivative financial instruments such as foreign exchange forward contracts depending upon the underlying contract and risk management strategy to manage its exposures to foreign exchange fluctuations and interest rate.

Foreign exchange risk and sensitivity

An exposure can be defined as a contracted cash flow (trade receivables, trade payables, loans, purchase order placed or sales order received) denominated in a currency other than Indian Rupees. The Company may have foreign currency exposure on account of the following items:

Exposure against working capital –

- i) Export trade receivables and export sales orders received;
- ii) Imports trade payables and purchase orders raised;
- iii) Packing credit in foreign currency (PCFC),
- iv) Borrowings against FCNR(B) deposits of the banks;
- v) Advances from customers;
- vi) Any other kind of foreign currency borrowings as permitted by RBI for financing working capital of the Company.
- viii) Exposure against long term financing/relating to projects:
 - i. Foreign currency borrowings for capital and project expansion;
 - ii. Payments due against imported capital equipment for projects;
 - iii. Purchase orders for capital expenditure;
 - iv. Any kind of foreign currency borrowing used for long term financing requirements of the Company.

Derivatives financial instruments

Derivative contracts entered into by the Company and outstanding as on 31 March 2020 for hedging currency risks:

As at 31 March 2020

Nature of derivatives	Type	No. of contracts	Foreign currency (Million)	Amount (₹ In Crore)

EURO/USD	Sale	14	13.690	106.19
USD/INR	Buy	67	22.442	155.21

Note: INR equivalent values have been calculated at the year end exchange rates in INR to give an indicative value of the contracts in Indian rupees. Actual hedges however may be in different currency denominations.

Foreign Currency exposures that are not hedged by derivative instruments or otherwise outstanding as on 31 March 2020 is as under:

Nature	As at 31 March 2020		As at 31 March 2019	
	Foreign Currency (Millions)	Amount (₹ In Crore)	Foreign Currency (Millions)	Amount (₹ In Crore)
Account receivables

CHF	0.237	1.86	-	-
CAD	0.040	0.22	-	-
Loans				
USD	-	-	1.154	7.98

The following table demonstrates the sensitivity in the USD, Euro and other currencies to the Indian Rupee with all other variables held constant. The impact on the Company's profit before tax and other comprehensive income due to changes in the fair value of monetary assets and liabilities are given below:

Foreign exchange risk and sensitivity (Un hedged)

(₹ in Crore)

	Change in currency exchange rate	31 March 2020	31 March 2019
		Effect on profit/ (loss) before tax	Effect on profit/ (loss) before tax
USD	+5%	(5.06)	(8.65)
	-5%	5.06	8.65
EURO	+5%	(1.52)	(0.26)
	-5%	1.52	0.26

	-5%	-	(0.01)
CHF	+5%	(0.09)	0.02
	-5%	0.09	(0.02)

The assumed movement in exchange rate sensitivity analysis is based on the currently observable market environment.

The Company transacts business primarily in Indian Rupee, USD, EURO and CAD. The Company has obtained foreign currency loans and has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk. Certain transactions of the Company act as natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies. For the remaining exposure to foreign exchange risk, the Company adapts the policy of selective hedging based on risk perception of management. Foreign exchange hedging contracts are carried at fair value.

Interest rate risk and sensitivity

The Company will have Interest rate exposure on all interest bearing financial assets and liabilities. These could be broadly categorized as under:

- Interest bearing trade receivables and trade payables;
- Working capital borrowings;
- Long term borrowings.

All interest bearing assets and liabilities need to be captured, first based on the currency denomination e.g., INR, USD. Further classification needs to be done based on whether these are against floating rate benchmarks or fixed rate

With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of borrowings and borrowings on which interest rate swaps are taken.

(₹ in Crore)

	Increase /decrease in basis points	Effect on profit/ (loss) before tax	
		31 March 2020	31 March 2019
INR borrowings	+50	(10.09)	(10.87)
	-50	10.09	10.87
USD borrowings	+50	-	(0.04)
	-50	-	0.04

The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

Price risk and sensitivity

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Company enters into contracts for procurement of material, most of the transactions are short term fixed price contract and a few transactions are long term fixed price contracts.

The Company is not facing any exposure to equity price risk as all of its equity investments are within the group and its associates.

ii) Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. Outstanding trade receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The bank balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations.

Notes to the financial statements for the year ended 31 March 2020

iii) Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below provides undiscounted cash flows towards non-derivative financial liabilities and net-settled derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet date to the contractual maturity date.

The Company is required to maintain ratios (including total debt to EBITDA / net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders, except where exemption is provided by lender.

40.2 Competition and price risk

The Company faces competition from domestic and international competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products and trustworthy and innovative solution to meet the needs of its customers.

40.3 Capital risk management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, redeem or buy back capital to shareholders or issue new shares. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued capital, share premium and other equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents excluding discontinued operations.

The Company monitors capital using gearing ratio, which is net debt divided by total capital.

41. Fair values of financial assets and liabilities and hierarchy

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the Company is considered to be insignificant in valuation.
3. The fair values of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters, basis contractual terms, period to maturity, and market parameters such as interest rates, foreign exchange rates, and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgment, and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivative counterparties and believe them to be insignificant and not warranting a credit adjustment.

Notes to the financial statements for the year ended 31 March 2020

Fair value hierarchy

The following table provides the fair value measurement hierarchy of Company's financial asset and financial liabilities, grouped into Level 1 to Level 3 as described below:

Level 1 - Quoted price (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 - Inputs other than quoted prices include within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Unobservable inputs for the asset or liability.

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments of the companies: -

	Note	Level	As at 31 March 2020 (₹ In Crore)	As at 31 March 2019 (₹ In Crore)	Valuation Techniques and Key Inputs
Financial assets /liabilities at fair value through amortised cost:					
(a) Financial assets					
Loans	5	3	934.86	934.86	Discounted cash flows
Other financial assets	6	3	247.87	141.43	Discounted cash flows
(b) Financial liabilities					
Borrowings - non current	14	3	1,799.03	1,929.16	Discounted cash flows
Borrowings - current	17	3	89.94	71.88	Discounted cash flows
Other financial liabilities	19	3	438.12	424.06	Discounted cash flows
Financial assets / liabilities at fair value through statement of profit or loss:					
Derivative Forward Contract (assets)	6	2	-	1.17	Forward foreign currency exchange rate
Derivative Forward Contract (liabilities)	19	2	11.08	-	Forward foreign currency exchange rate

There were no significant changes in the classification and no significant movements between the fair value hierarchy of assets and liabilities during FY 2019-20.

Fair valuation of financial guarantees

Financial guarantees issued by the company on behalf of Jindal Stainless Limited have been measured at fair value through profit and loss. Fair value of said guarantees as at 31 March 2020, and 31 March 2019 have been considered at nil as estimated by the management and an independent professional.

The Government of India on 12 December 2019 vide The Taxation Laws (Amendment) Act, 2019 inserted a new section 115BAA in the Income Tax Act, 1961, which provides an option to the Company for paying Income Tax at reduced rates as per the provisions/ conditions defined in the said section. The Company has recognized the tax provision in its books as per Section 115BAA during the year and re-measurement of deferred tax liability (net) which was recognized in earlier tax regime. This has resulted in reversal of tax expenses for the year ended 31 March 2020 by ₹ 22.24 crores.

45. Segment Reporting

As per IND AS 108 Operating Segment, segment information has been provided in notes to consolidated financial statements.

46. Assets are tested for impairment whenever there are any internal or external indicators of impairment. Impairment test is performed at the level of each Cash Generating Unit ('CGU') within the Company at which the goodwill or other assets are monitored for internal management purposes, within an operating segment.

The impairment assessment is based on higher of value in use and fair value less costs of disposal.

The measurement of the cash generating units' value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short to- mid term market conditions.

Assumption	Approach used to determining values
Sales volume	Average annual growth rate over the five-year forecast period; based on past performance and management's expectations of market development.
Sales price	Average annual growth rate over the five-year forecast period; based on current industry trends and including long term inflation forecasts for each territory.
Budgeted gross margin	Based on past performance and management's expectations for the future.
Other operating costs	Fixed costs of the CGUs, which do not vary significantly with sales volumes or prices. Management forecasts these costs based on the current structure of the business, adjusting for inflationary increases but not reflecting any future restructurings or cost saving measures. The amounts disclosed above are the average operating costs for the five-year forecast period.
Annual capital	Expected cash costs in the CGUs. This is based on the historical experience of management, and the planned refurbishment expenditure. No incremental revenue or cost savings are assumed in the value-in-use model as a result of this expenditure.
Long-term growth rate	This is the weighted average growth rate used to extrapolate cash flows beyond the budget period. The rates are consistent with forecasts included in industry reports.
Pre-tax discount rates	Reflect specific risks relating to the relevant segments and the countries in which they operate.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JINDAL STAINLESS (HISAR) LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of JINDAL STAINLESS (HISAR) LIMITED (herein after referred to as "the Holding Company") and its subsidiaries ("the Holding Company & its subsidiaries" together referred as "the Group") and its associates, which comprise of the Consolidated Balance Sheet as at March 31, 2020, the Consolidated statement of profit and loss (including other comprehensive income), the Consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information in which are included the Return for the year ended on that date audited by the branch auditor of the Holding Company's branch located at Kothavalasa in Vizianagaram district, Andhra Pradesh (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and associates referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group and its associates as at March 31, 2020, and its consolidated profit (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the sub-paragraphs (a) to (c) of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and associates, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matter	How our audit addressed the key audit matters
Contingent liabilities (Holding Company) The Company (Holding Company) faces a number of actual legal and regulatory proceedings. The determination of the provision and/or the level of disclosure required involves a high degree of judgement resulting in provisions and contingent liabilities being considered as a key audit matter.	<p>We evaluated the design and tested operating effectiveness of controls in respect of determination of the contingencies. We determined that the operation of the controls provided to us with evidence over the completeness, accuracy and valuation of the guarantees by an independent valuer;</p> <p>We read the summary of litigation matters provided by management and held discussions with Company's legal department/ advisors and read determinations and judgment's made by the Court/ legal authority(s). We requested legal letters from some of the external legal advisors with respect to the matters included in the summary. Where appropriate we examined correspondence connected with the cases;</p> <p>For litigation provisions/ contingencies, we tested the calculation, assessed the estimates against historical trends.</p> <p>We considered management's judgment's on the level of provisioning/ contingencies to be appropriate. We also evaluated appropriateness of the disclosures in Note no. 31 which we considered appropriate.</p>

INDEPENDENT AUDITOR'S REPORT

Description of Key Audit Matter	How our audit addressed the key audit matters
<p>Revenue Recognition(Holding Company)</p> <p>Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery.</p> <p>The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>Refer Note 1 of the Consolidated Financial Statements – Significant Accounting Policies</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> • Evaluating the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls • Evaluating the design and implementation of Company's controls in respect of revenue recognition. • Testing the effectiveness of such controls over revenue cut off at year-end • Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognized in the correct period. • Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing. • Assessing the appropriateness of the Company's revenue recognition accounting policies in line with IND AS 115 ("Revenue from Contracts with Customers") and testing thereof.
For Key Audit Matters identified by Component Auditors, refer "Annexure I" attached herewith (as stated in respective audit reports).	

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the Consolidated state of affairs (consolidated financial position), Consolidated financial performance (consolidated statement of profit and loss including other comprehensive income), Consolidated cash flows and consolidated statement of changes in Equity of the Group and its associates in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The respective Board of Directors of the Companies included in the Group and its Associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of three subsidiaries, namely, JSL Lifestyle Limited, JSL Media Limited and Green Delhi BQS Limited; included in the consolidated financial statements whose financial statements reflect total assets of ₹ 268.75 Crores as at March 31, 2020, total revenues of ₹ 336.74 crores and net cash inflow of ₹ 0.22 Crores for the year ended on that date, as considered in the consolidated financial statements. We did not audit the financial statements of three associates, namely Jindal Stainless Corporate Management Services Pvt. Limited, Jindal Stainless limited and J.S.S. Steelitalia Limited (having negative net worth); in whose financial statements the Company's share of profit is ₹ 25.92 Crores and total Comprehensive Income of ₹ 40.62 Crores for the year ended on March 31, 2020. These financial statements have been audited by other auditor whose report have been furnished to us by the management and our opinion on the statement, in so far as it relates to the amounts and disclosures included in respect of subsidiaries and associates, is based solely on the reports of the other auditors.
- (b) Financial statements of two subsidiary companies namely Jindal Stainless Steelway Limited and JSL Logistic Limited; which reflect total assets of ₹ 401.71 crores as at March 31, 2020, total revenue of ₹ 1,743.06 crores and net cash inflow of ₹ 0.16 crores for the year ended on that date, have been audited by one of the joint auditors of the Holding Company.
- (c) We did not audit the financial statements of one branch of Holding Company included in consolidated financial statements of the Company whose financial statements reflect total assets of ₹ 4.58 crore as at March 31, 2020 and the total revenue of ₹ 184.37 crore for the year ended on that date, as considered in consolidated financial statements, has been audited by the branch auditor whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branch, is based solely on the report of such branch auditor.

INDEPENDENT AUDITOR'S REPORT

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

(d) Note no. 35 (a) to the consolidated financial statements, which describes the uncertainties and the impact of Covid-19 pandemic on the Holding Company and Group operations and consolidated financial statements are assessed by the management. Further, due to Covid-19 related lock down restrictions, management of Holding Company and other entities included in the Group were able to perform year end physical verification of inventory at certain locations, subsequent to the year end. Also, we were not able to physically observe the verification of inventory that was carried out by the management of Holding Company. Consequently, we have performed alternative procedures to audit the existence of Inventory as per the guidance provided in SA-501 "Audit Evidence - Specific Considerations for Selected Items" and have obtained sufficient audit evidence to issue our unmodified opinion on standalone financial statements.

Our opinion on the same is not modified in respect of the above matter.

Report on other legal and regulatory requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated balance sheet, the Consolidated statement of profit and loss, the Consolidated statement of cash flows and Consolidated statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the Directors of the Group and its Associate companies incorporated in India is disqualified as on March 31, 2020 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group (Holding and Subsidiary Companies) and its associates companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure- A"; and
- (g) With respect to the other matters to be included in the Auditors' report in accordance with the requirements of Section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us and on the consideration of the reports of the other auditors, referred to in other matter paragraph, on separate financial statements / consolidated financial statements of the subsidiaries and its associates, we report that the remuneration paid by the Group and its associates to its directors during the year is in accordance with the provisions of section 197 of the Act, to the extent applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiaries and associates:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its Associates- Refer Note 31, 36, 37 and 49 to the consolidated financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company, its subsidiaries companies and Associate Companies incorporated in India.

Jindal Stainless Limited (an Associate)	<p>Carrying amount of investment in an associate company and net assets of a subsidiary company</p> <p>The Group has investment in equity instruments of its associate company, Jindal United Steel Limited amounting to ₹ 168.90 crores and carries net assets amounting to ₹ 42.51 crores in respect of a subsidiary, PT. Jindal Stainless Indonesia in its consolidated financial statements.</p> <p>The Group assesses recoverability of the investment in associate and net assets of the subsidiary, which is a cash generating unit ('CGU'), when impairment indicators exist by comparing the fair value (less costs of disposal) of investment in associate and value in use of CGU with carrying amounts thereof as on the reporting date in accordance with Ind AS 36, Impairment of Assets.</p> <p>The fair value of the investment in associate and value in use of the CGU is determined by a management-appointed independent valuation specialist based on discounted cash flow ('DCF') method. The process of computation of such fair value (less costs of disposal) and value in use using DCF method is complex. Management's assessment of such valuations requires estimation and judgement around assumptions used. The key assumptions underpinning management's assessment include, but are not limited to, projections of future cash flows, growth rates, discount rates, estimated future operating and capital expenditure.</p> <p>The application of significant judgment in this matter required substantial involvement of internal valuation experts on the audit engagement.</p> <p>Accordingly, assessment of impairment losses to be recognised, if any, on the carrying amounts of investment in the associate company and net assets of the CGU has been considered as a key audit matter for current year's audit.</p>	<p>Our audit procedures were focused on obtaining sufficient appropriate audit evidence that the carrying amounts of investment in the associate, Jindal United Steel Limited and net assets of the subsidiary, PT. Jindal Stainless Indonesia are not materially misstated. These procedures included, but were not limited to, the following:</p> <p>We obtained an understanding of management's processes and controls for determining the fair valuation of investment in associate and value in use of the CGU. The understanding was obtained by performance of walkthroughs which included inspection of documents produced by the Group and discussion with those involved in the process of valuation.</p> <p>In addition to the evaluation of design and testing the operating effectiveness of controls implemented for identification of impairment indicators and measurement of impairment provisions, we also performed the following procedures:</p> <ul style="list-style-type: none"> Assessed the qualification and objectivity of the management-appointed independent valuation specialist to determine the fair value of investment in associate and value in use of the CGU; Assessed the appropriateness of valuation methodology used with the help of an auditor's expert, and tested the mathematical accuracy of management's model; Reconciled the cash flow projections to the business plans approved by the Group's management; Challenged the management's assessment of underlying assumptions used for the cash flow projections including the implied growth rates, considering evidence available including the impact of COVID-19 pandemic, where appropriate to support these assumptions and our understanding of the business; Tested the discount rate and long-term growth rates used in the forecast including comparison to economic and industry forecasts where appropriate; Evaluated the sensitivity analysis performed by management in respect of the key assumptions such as discount and growth rates to ensure there was sufficient headroom with respect to the estimation uncertainty impact of such assumptions on the fair value and value in use calculation; Engaged internal valuation experts to obtain additional comfort on the valuation technique used by management's valuation expert; Obtained written representations from management and those charged with governance on whether the significant assumptions used in valuation of the investment in the associate company and value in use of the CGU are considered reasonable; Ensured that disclosure in relation to investment in associate and net assets of subsidiary have been appropriately made in the consolidated financial statements including the related impairment indicators.

Estimating recoverability of MAT credit also requires significant judgments, including the timing of reversals of unabsorbed depreciation.</p> <p>Considering the materiality of the amounts involved and inherent subjectivity requiring significant judgment involved in the determination of utilization of MAT credit through estimation of future taxable profits, this area was considered to be of most significance to the audit and determined to be a key audit matter.</p>	<p>Our procedures in relation to assessment of MAT credit recognised as at reporting date included, but were not limited to, the following:</p> <ul style="list-style-type: none"> ● Obtained and updated our understanding of the management's process of computation of future accounting and taxable profits of the Holding Company, and expected utilization of available MAT credit within specified time period as per provisions of the IT Act. ● Evaluated the design of and tested the operating effectiveness of controls around the preparation of underlying business plans, future taxable profit computation, and assessment of recognition of MAT credit at year end. ● Reconciled the business results projections to the future business plans approved by the Holding Company's board of directors; ● Challenged the management's assessment of underlying assumptions used for the business results projections including expected capacity expansion and utilisation, implied growth rates and expected prices considering evidence available to support these assumptions and our understanding of the business; ● Tested the growth rates used in the forecast by comparing them to past trends and to economic and industry forecasts where appropriate including the impact of COVID-19 pandemic; ● Performed independent sensitivity analysis in respect of the key assumptions such as growth rates to ensure there was sufficient headroom with respect to the estimation uncertainty impact of such assumptions on the timing of reversal of unabsorbed depreciation and utilisation of MAT credit; ● Tested the computations of future taxable profits, including testing of the adjustments made in such computations with respect to tax-allowed and tax-disallowed items, other tax rebates and deductions available to the Holding Company, and tested the computation of MAT liability in such future years, in accordance with the provisions of the IT Act. ● Evaluated the historical accuracy of the estimates made in the prior periods with respect to business projections and aforesaid tax computations. ● Tested the mathematical accuracy of management's projections and tax computations. ● Based on aforesaid computations, assessed the appropriateness of management's estimate of likelihood of utilization of MAT credit within the time period specified and in accordance with the provisions of the IT Act. ● Engaged the internal tax experts to assess the accuracy of MAT credit recognised in the consolidated financial statements. ● Evaluated the appropriateness and adequacy of the disclosures related to MAT credit in the consolidated financial statements in accordance with the applicable accounting standards.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF JINDAL STAINLESS (HISAR) LIMITED

Report on the internal financial controls over financial reporting under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of consolidated financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of JINDAL STAINLESS (HISAR) LIMITED ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries (incorporated in India) together referred to as "the Group") and its associates which are companies incorporated in India and in which are incorporated the Return audited by the branch auditor of the Holding Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh, as of that date.

Management's responsibility for internal financial controls

The respective board of directors of Holding Company, its subsidiary companies and its associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

Our responsibility is to express an opinion on the Group's and its associates internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's and its associates internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associates which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

Other matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 5 subsidiary companies (including 2 subsidiary companies audited by one of the joint auditor of the Holding Company) and 3 associate companies which are companies incorporated in India, is based on the corresponding reports of the respective auditors of such companies incorporated in India and Return audited by the branch auditor of the Holding Company's branch at Kothavalasa in Vizianagaram district, Andhra Pradesh.

Our opinion is not modified in respect of this matters with respect to our reliance on the work done and the reports of the other auditors.

PLACE : New Delhi

DATED : 10 June 2020

Notes to the consolidated financial statements for the year ended 31 March 2020

NOTE NO – 1 BASIS OF CONSOLIDATION AND SIGNIFICANT ACCOUNTING POLICIES

1) General information

Jindal Stainless (Hisar) Limited (“the Company” or “the Parent Company”) is a leading manufacturer /producer of stainless steel flat products in austenitic, ferritic, martensitic and duplex grades. The product range includes ferro alloys, stainless steel slabs and blooms, hot rolled coils, plates, cold rolled coils and speciality products such as razor blade steel, precision strips, coin blanks and long products.

The Parent and its subsidiaries (together referred as “the Group”) are manufacturer of diverse range of steel products with its manufacturing facilities located in the state of Haryana, Andhra Pradesh, Tamil Nadu, Gujarat and Maharashtra in India.

2) Basis of preparation

The consolidated financial statements have been prepared complying in all material respects with the Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rule 2015. The financial statements comply with IND AS notified by Ministry of Corporate Affairs (MCA). The Company has consistently applied the accounting policies used in the preparation of financial statement of all period presented.

The financial statements has been prepared considering all IND AS as notified and made applicable by MCA for reporting date i.e. 31 March 2020.

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

3) Changes in Significant accounting policies

Transition to Ind AS 116, Leases

Ministry of Corporate Affairs (MCA) through the Companies (Indian Accounting Standards) Amendment Rules, 2019 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2019 has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases, and other pronouncement. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model. Lessor accounting under Ind AS 116 is substantially unchanged in comparison with earlier under Ind AS 17. Lessors will continue to classify leases as either operating or finance lease using similar principles as in Ind AS 17. Therefore, Ind AS 116 did not have an impact for leases where the company is the lessor.

The Company has adopted Ind AS 116, Leases with effect from 01 April 2019 and it is detailed in note no 48.

Standards issued but yet not effective

Ministry of Corporate Affairs (MCA) notified new standard and amendments to the existing standards. There is no such notification, which would have been applicable from 01 April 2020.

4) Basis of consolidation of financial statements

i) The Company has prepared consolidated financial statements by consolidating its accounts with those of the followings as on 31 March 2020:

Name	Country of Incorporation	% Age Shareholding / Voting Power	
		31 March 2020	31 March 2019
Subsidiaries @			
Jindal Stainless Steelway Limited #	India	100.00%	81.91%
JSL Lifestyle Limited	India	78.70%	77.74%
JSL Logistics Limited	India	100.00%	100.00%
Green Delhi BQS Limited	India	95.09%	94.86%
JSL Media Limited	India	99.94%	99.94%
Associates*			
J.S.S. Steelitalia Limited	India	33.00%	33.00%
Jindal Stainless Limited	India	34.54%	35.12%
Jindal Stainless Corporate Management services Pvt Ltd.	India	50.00%	50.00%

@ The control in subsidiary is gained when the Company is exposed to, or has rights to variable returns from its involvement with the entity and the ability to affect those returns through its power over the entity.

Shareholding changed due to buyback of equity shares.

* An associate is entity over which the group has significant influence, i.e. the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

Notes to the consolidated financial statements for the year ended 31 March 2020

- ii) The financial statements of parent Company and its subsidiaries have been consolidated on line-by-line basis by adding together book value of like items of assets, liabilities, income and expenses after eliminating intra-group balances and intra- group transactions in accordance with Ind AS 110 "Consolidated Financial Statement".
- iii) Non-controlling interest represents the equity in a subsidiary not attributable, directly or indirectly to a Parent. Non-controlling interest in the net assets of the subsidiaries being consolidated is identified and presented in the consolidated balance sheet separately from the equity attributable to the Parent's shareholders and liabilities. Profit or loss and each component of other comprehensive income are attributed to parent and to the non-controlling interest. Impact of any insignificant and immaterial non-controlling interest is not considered.
- iv) In case of associates, where Company holds directly or indirectly through subsidiaries 20% or more equity or / and exercises significant influence, investments are accounted for by using equity method in accordance with Ind AS 28 "Investments in Associates and Joint Ventures".
- v) Post-acquisition, the Company accounts for its share in the change in net assets of the associates, through its statement of profit and loss, other comprehensive income and through its reserves for the balance.
- vi) The difference between the cost of investment and the share of net fair value of investees' assets and liabilities at the time of acquisition of shares in the associates is identified in the financial statements as goodwill or capital reserve as the case may be. However goodwill is not separately recognised but included in the value of investments.
- vii) The difference between the cost of investment at the time of acquisition of shares in the subsidiaries and the share of net of the assets acquired and the liabilities assumed measured at their acquisition date fair values is identified in the financial statements as goodwill or capital reserve as the case may be.
- viii) The accounting policies of the parent company, its subsidiaries and associates are largely similar.
- ix) The deferred tax is recognised for temporary differences arising after elimination of profits and losses resulting from intragroup transactions.
- x) Figures pertaining to the subsidiary companies have been reclassified wherever necessary to bring them in line with parent company's financial statements.
- xi) Significant accounting policies of the financial statements of the company and its subsidiaries are set out in their respective Standalone Financial Statements.

5) Significant accounting policies

The significant accounting policies to prepare consolidated financial statements are in uniformity with the standalone financial statements of the Company. Following are the additional policies specifically considered for preparation of consolidated financial statements:

a) Business combination

Business combinations are accounted for using the acquisition method. The cost of acquisition is measured at the aggregate of the fair values at the date of exchange of assets given, liabilities incurred or assumed and equity instruments issued by the Company in exchange for control of the acquiree. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the recognition criteria are stated at their fair values at the acquisition date except certain assets and liabilities required to be measured as per the applicable standard.

The interest of non-controlling shareholders in the acquiree is initially measured at the non-controlling shareholders' proportionate share of the acquiree's identifiable net assets.

b) Deferred tax

The Company does not recognise deferred tax liability with respect to undistributed retained earnings of subsidiaries as the Company controls the timing of distribution of profits and it is probable that the subsidiaries will not distribute the profits in the foreseeable future.

c) Goodwill

Goodwill arising on an acquisition of business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or group of cash-generating units) that is expected to benefit from the synergies of the combination.

37. Green Delhi BQS Limited (GDBQS) had entered into a Concessionaire Agreement ("Agreement") with DTC in 2007 on Build, Operate and Transfer basis of Bus Queue Shelters across identified locations in Delhi ("Sites"). Subsequently, there was dispute between the GDBQS and DTC over the non-handover of certain Sites. Thereafter, the Agreement was unilaterally terminated by the DTC in 2011. GDBQS then approached the Delhi High Court for resolution of dispute. The Hon'ble Court directed that the matter be resolved by arbitration as per the Agreement. The matter was then referred to a panel of three arbitrators who by a unanimous award dated July 1, 2019 ("Arbitration award") held that DTC had committed first breach of the Agreement by not handing over the Sites to GDBQS. The Arbitration award, after considering the claim and counterclaim of the parties directed DTC to pay an amount of ₹ 16.51 Crore to GDBQS within 6 weeks of the Arbitration award. However DTC filed an appeal against the Arbitration award before the Delhi High Court and prayed for grant of stay on the enforceability of the same. The High Court vide its order dated December 16, 2019, granted the stay subject to the condition that DTC deposits ₹ 16.51 crore in the Registry of the Court within a period of 8 weeks from the date of the order. The matter is pending before the Delhi High Court for further proceedings.
38. Green Delhi BQS Limited has taken unsecured loan from certain companies, aggregating to ₹ 70,92,51,917/- outstanding as on March 31, 2020. GDBQS is not able to service interest liability due to insufficient cash flow/-ve net worth of the Company. GDBQS has negotiated said Companies for waiver of interest liability with an assurance to pay the principal liability after the outcome of the Arbitration Proceedings, which is likely to be decided during the next financial year.

39. Financial Risk Management

39.1 Financial risk factors

The Group's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Group's operations. The Group has loan, Investment, trade receivables, other receivables, cash and short-term deposits that arise directly from its operations. The Group also enters into derivative transactions. The Group's activities expose it to a variety of financial risks:

i) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at 31 March 2020 and 31 March 2019.

ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity risk.

Liquidity risk is the risk that the Group may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Group's financial performance. The Group uses derivative financial instruments to hedge certain risk exposures. The Group does not acquire or issue derivative financial instruments for trading or speculative purposes.

Risk management is carried out by the treasury department under policies approved by the board of directors. The treasury team identifies, evaluates and hedges financial risks in close co-operation with the Group's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

i) Market Risk

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Group's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. The Group uses derivative financial instruments such as foreign exchange forward contracts depending upon the underlying contract and risk management strategy to manage its exposures to foreign exchange fluctuations and interest rate.

Foreign exchange risk and sensitivity

An Exposure can be defined as a Contracted Cash Flow (Trade Receivable, Trade Payable, loan, purchase order placed or sales order received) denominated in a currency other than Indian Rupees. The Group may have foreign currency exposure on account of the following items:

Exposure against Working capital –

- i) Export Trade Receivables and export sales orders received;
- ii) Imports Trade Payables and purchase orders raised;

Notes to the consolidated financial statements for the year ended 31 March 2020

- iii) Packing credit in foreign currency (PCFC),
- iv) Borrowings against FCNR(B) deposits of the banks;
- v) Advances from customers;
- vi) Any other kind of foreign currency borrowings as permitted by RBI for financing working capital of the Group.
- vii) Exposure against long term financing/relating to projects:
 - i. Foreign Currency Borrowings for capital and project expansion;
 - ii. Payments due against imported capital equipment for projects;
 - iii. Purchase orders for capital expenditure;
 - iv. Any kind of foreign currency borrowing used for long term financing requirements of the Group.

Derivatives Financial Instruments

CHF	+5%	(0.09)	0.02
	-5%	0.09	(0.02)

The assumed movement in exchange rate sensitivity analysis is based on the currently observable market environment.

The Group transacts business primarily in Indian Rupee, USD, EURO, JPY, GBP and CHF. The Group has obtained foreign currency loans and has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk. Certain transactions of the Group act as natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies. For the remaining exposure to foreign exchange risk, the Group adapts the policy of selective hedging based on risk perception of management. Foreign exchange hedging contracts are carried at fair value.

Interest rate risk and sensitivity

The Group will have Interest rate exposure on all interest bearing financial assets and liabilities. These could be broadly categorized as under:

- Interest bearing Trade Receivables and Trade Payables;
- Working capital borrowings;
- Long term borrowings.

All interest bearing assets and liabilities need to be captured, first based on the currency denomination e.g., INR, USD. Further classification needs to be done based on whether these are against floating rate benchmarks or fixed rate

With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of borrowings and borrowings on which interest rate swaps are taken.

	-50	0.06	0.09

Notes to the consolidated financial statements for the year ended 31 March 2020

The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

Price risk and sensitivity

The Group is exposed to the movement in price of key raw materials in domestic and international markets. The Group has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Group enters into contracts for procurement of material, most of the transactions are short term fixed price contract and a few transactions are long term fixed price contracts.

The Group is not facing any exposure to equity price risk as all of its equity investments are within the group and its associates.

ii) Credit risk

The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade receivables

The Group extends credit to customers in normal course of business. The Group considers factors such as credit track record in the market and past dealings for extension of credit to customers. Outstanding Trade receivables are regularly monitored. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Group has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

In determining the allowances for doubtful trade receivables, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

Financial instruments and cash deposits

The Group considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The bank balances are maintained with the institutions with which the Group has also availed borrowings. The Group does not maintain significant cash and deposit balances other than those required for its day to day operations

iii) Liquidity risk

The Group's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Group relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Group monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Group does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below provides undiscounted cash flows towards non-derivative financial liabilities and net-settled derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet date to the contractual maturity date.

The Group is required to maintain ratios (including total debt to EBITDA / net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders, except where exemption is provided by lender.

39.2 Competition and price risk

The Group faces competition from domestic and international competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products and trustworthy and innovative solution to meet the needs of its customers.

39.3 Capital risk management

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, redeem or buy back capital to shareholders or issue new shares. The Group's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Group's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Group also proposes to maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Group's capital management, capital includes issued capital, share premium and all other equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalent.

The Group monitors capital using gearing ratio, which is net debt divided by total capital.

40. Fair values of financial assets and liabilities and hierarchy

The Group maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- 2) Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Group based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the Group is considered to be insignificant in valuation.
- 3) The fair values of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters, basis contractual terms, period to maturity, and market parameters such as interest rates, foreign exchange rates, and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgment, and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivative counterparties and believe them to be insignificant and not warranting a credit adjustment.

Fair Value hierarchy

The following table provides the fair value measurement hierarchy of Group's financial asset and financial liabilities, grouped into Level 1 to Level 3 as described below:

Level 1- Quoted price (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2- Inputs other than quoted prices include within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3- Unobservable inputs for the asset or liability.

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments of the companies: -

	Note	Level	As at 31 March 2020 (₹ In Crore)	As at 31 March 2019 (₹ In Crore)	Valuation Techniques and Key Inputs
Financial assets /liabilities at fair value through amortised cost:					
(a) Financial assets					
Loans	5	3	900.00	900.00	Discounted cash flows
Other financial assets	6	3	276.04	149.88	Discounted cash flows
(b) Financial liabilities					
Borrowings - non current	15	3	1,828.64	1,971.52	Discounted cash flows
Borrowings - current	19	3	218.53	205.55	Discounted cash flows
Other financial liabilities	16	3	476.36	455.24	Discounted cash flows
Financial assets / liabilities at fair value through statement of profit or loss:					
Derivative Forward Contract (assets)	6	2	-	1.17	Forward foreign currency exchange rate
Derivative Forward Contract (liabilities)	16	2	11.08	-	Forward foreign currency exchange rate

There were no significant changes in the classification and no significant movements between the fair value hierarchy of assets and liabilities during FY 2019-20.

Fair valuation of financial guarantees

Financial guarantees issued by the company on behalf of Jindal Stainless Limited have been measured at fair value through profit and loss account. Fair value of said guarantees as at 31 March 2020 and 31 March 2019 have been considered at nil as estimated by the management and an independent professional.

41. The Company has made investment in an associate in terms of composite scheme of arrangements approved by Hon'ble High Court where the prices of equity shares are determined as per SEBI formula.

Notes to the consolidated financial statements for the year ended 31 March 2020

- 44 Assets are tested for impairment whenever there are any internal or external indicators of impairment. Impairment test is performed at the level of each cash generating unit ('CGU') within the group at which the goodwill or other assets are monitored for internal management purposes, within an operating segment. The impairment assessment is based on higher of value in use and fair value less costs of disposal. During the year, the testing did not result in any impairment in the carrying amount of goodwill and other assets. The measurement of the cash generating units' value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short to- mid term market conditions.

Assumption	Approach used to determining values
Sales volume	Average annual growth rate over the five-year forecast period; based on past performance and management's expectations of market development.
Sales price	Average annual growth rate over the five-year forecast period; based on current industry trends and including long term inflation forecasts for each territory.
Budgeted gross margin	Based on past performance and management's expectations for the future.
Other operating costs	Fixed costs of the CGUs, which do not vary significantly with sales volumes or prices. Management forecasts these costs based on the current structure of the business, adjusting for inflationary increases but not reflecting any future restructurings or cost saving measures. The amounts disclosed above are the average operating costs for the five-year forecast period.
Annual capital	Expected cash costs in the CGUs. This is based on the historical experience of management, and the planned refurbishment expenditure. No incremental revenue or cost savings are assumed in the value-in-use model as a result of this expenditure.
Long-term growth rate	This is the weighted average growth rate used to extrapolate cash flows beyond the budget period. The rates are consistent with forecasts included in industry reports.
Pre-tax discount rates	Reflect specific risks relating to the relevant segments and the countries in which they operate.
