V. BRIEF SUMMARY OF BUSINESS/ ACTIVITIES OF ISSUER AND ITS LINE OF BUSINESS

THE SWADESHI BANK: Central Bank of India was founded on December 21, 1911 by Sir Sorabjee Pochkhanwalla with Sir Pheroza Mehta as Chairman. It was the first fully Indian owned and managed Commercial Bank in the Country. The birth of the Bank with its Indian Shareholders, Indian staff and Indian customers was the crystallization of Sir Sorabjee's dream of setting up a truly 'Swadeshi Bank'. Sir Sorabjee proclaimed with pride that Central Bank was the 'property of the nation and country's asset' and added that 'Central Bank lives on people's faith. It regards itself as the people's own Bank'. The Bank not only withstood the severe depression of the 1930s and series of financial crisis during the British rule, but also emerged stronger each time by converting various financial threats into business opportunities. A galaxy of eminent personalities like Sir Pheroza Mehta, Shri A. J. Billimoria, Sir Sorabjee Pochkhanwalla, Shri Pheroza Sethna, Sir Homi Mody, Shri Dinshaw Romer were associated with the Bank.

From its very inception, the Bank has been alive to the national aspirations and objectives. The Bank has always cared for the small and the needy sections of the society. The progress during the pre-nationalisation period was remarkable in more ways than one. The Bank was instrumental not only in inculcating banking habit amongst the people, but also in widening the scope of banking services in India by offering customers a wide range of schemes and services, pioneered by it. The Bank is indeed proud to be the pioneer in banking sector with many 'firsts' to its credit. Its wide range of innovations during the period upto nationalization in July 1969 include:

- 1921 : First to introduce Home Savings Safe Deposit Scheme to build saving/ thrift habits in lower and middle income groups
- 1924 : Established Exclusive Ladies Department to cater to the Bank's women clientele
- 1926 : Provided Safe Deposit Locker facility to customers and introduced Rupee Travellers' cheques
- 1929 : Set up Executor and Trustee Department
- 1932 : Introduced Deposit Insurance Benefit Scheme
- 1961 : Introduced Recurring Deposit Scheme

With the advent of social banking, greater thrust was given to Priority Sector lending to agriculture, small scale industries and various self-employment programmes. Special Departments were established in the Head Office of the Bank to cater to the needs of agriculture and small industries. Social Control Scheme of 1967 led to the broad-basing of the Board of Directors of the Bank to ensure representation of various interest-groups like agriculture, small industry etc.

THE POST-NATIONALISATION ERA: In the first phase of nationalization in July 1969, Central Bank of India was nationalized along with 13 other Banks. The Bank has made rapid strides in terms of major business parameters like branch network, deposit mobilization, lending to priority and non-priority sector, export credit and also in diversifying into other financial services.

Amongst the nationalized banks, in terms of branch network, Central Bank of India is the third largest Bank, with 3308 branches all over the country as on 31st March 2008. The Bank also has 34 Satellite Office and 343 extension counter at different centers. Significantly, around 70 per cent of the branches are located in rural and semi urban centers. Ours is an all India Bank in true sense of the word with representation in all of States and in 3 Union Territories out of 7 Union Territories. The Bank has 18 Zonal Offices, 78 Regional Offices, One Overseas Joint Venture Bank and 2 Subsidiaries; Housing Finance and Executor and Trustee business. The Bank has sponsored 11 Regional Rural Banks (RRBs) as of date. The Bank also pioneered the idea of infrastructure finance and development and co-sponsored the Infrastructure Leasing & Financial Services Ltd., the first organization of its kind in India.

The Bank has lead Bank responsibility in 48 Districts and most of these are located in the economically backward areas of Madhya Pradesh (3), Bihar (2), Maharashtra (1), Uttar Pradesh (2), West Bengal (1), Rajasthan (1) and Chhattisgarh (1). The Bank has Lead Bank responsibility for the state of Madhya Pradesh and is the Convenor of State Level Bankers' Committee.

The average business per employee increased from Rs.309 lacs as on March 2007 to Rs.407 lacs as on March 2008 since nationalization the Bank has achieved around 115 fold increase (PI check) in deposits, which stood at Rs. 110320 crores as on March 2008. It is remarkable that the Bank could achieve a sizeable per branch average deposit growth despite the fast branch expansion in the post-nationalisation period. Deposits mobilized under the Savings Bank segment constituted around 27.07% of the Bank's aggregate deposits indicating the strong bond between the household sector and the Bank.

The Bank's growth on the credit front is encouraging. The total advances of the Bank stood at around Rs. 74287 crores as on March 31, 2008. Likewise, there has been significant increase in the Bank's Investment portfolio, which stood at around Rs. 32796 crores as at March 31, 2008.

The Bank has been alive to the credit needs of agriculture, small-scale industries and other economic activities at the grass root level that deserve attention. Priority Sector Credit constituted around 48% of Net Credit as on March 2008, thereby exceeding the norm of 40%. The Bank has been extending financial support under various poverty alleviation and employment generating programmes such as SJSY, SJSRY, PMRY, etc. Among others, Bank attention is more towards welfare of SC/ST, women beneficiaries and Minority Communities.

The Bank has 78 regional offices, controlling 3308 branches and 34 Satellite offices and 343 extension counters as on March 31, 2008.

VI. BRIEF HISTORY OF ISSUER SINCE INCEPTION, DETAILS OF ACTIVITIES INCLUDING ANY REORGANIZATION, RECONSTRUCTION OR AMALGAMATION, CHANGES IN CAPITAL STRUCTURE, (AUTHORIZED, ISSUED AND SUBSCRIBED) AND BORROWINGS

HISTORY SINCE INCEPTION

THE SWADESHI BANK: Central Bank of India was founded on December 21, 1911 by Sir Sorabjee Pochkhanwalla with Sir Pherozesha Mehta as Chairman. It was the first fully Indian owned and managed Commercial Bank in the Country. The birth of the Bank with its Indian Shareholders, Indian staff and Indian customers was the crystallization of Sir Sorabjee's dream of setting up a truly 'Swadeshi Bank'. Sir Sorabjee proclaimed with pride that Central Bank was the 'property of the nation and country's asset' and added that 'Central Bank lives on people's faith. It regards itself as the people's own Bank'. The Bank not only withstood the severe depression of the 1930s and series of financial crisis during the British rule, but also emerged stronger each time by converting various financial threats into business opportunities. A galaxy of eminent personalities like Sir Pherozeshah Mehta, Shri A. J. Billimoria, Sir Sorabjee Pochkhanawalla, Shri Pheroze Sethna, Sir Homi Mody, Shri Dinshaw Romer were associated with the Bank.

From its very inception, the Bank has been alive to the national aspirations and objectives. The Bank has always cared for the small and the needy sections of the society. The progress during the pre-nationalisation period was remarkable in more ways than one. The Bank was instrumental not only in inculcating banking habit amongst the people, but also in widening the scope of banking services in India by offering customers a wide range of schemes and services, pioneered by it. The Bank is indeed proud to be the pioneer in banking sector with many 'firsts' to its credit. Its wide range of innovations during the period upto nationalization in July 1969 include:

- 1921 : First to introduce Home Savings Safe Deposit Scheme to build saving/ thrift habits in lower and middle income groups
- 1924 : Established Exclusive Ladies Department to cater to the Bank's women clientele
- 1926 : Provided Safe Deposit Locker facility to customers and introduced Rupee Travellers' cheques
- 1929 : Set up Executor and Trustee Department
- 1932 : Introduced Deposit Insurance Benefit Scheme
- 1961 : Introduced Recurring Deposit Scheme

With the advent of social banking, greater thrust was given to Priority Sector lending to agriculture, small scale industries and various self-employment programmes. Special Departments were established in the Head Office of the Bank to cater to the needs of agriculture and small industries. Social Control Scheme of 1967 led to the broad-basing of the Board of Directors of the Bank to ensure representation of various interest-groups like agriculture, small industry etc.

THE POST-NATIONALISATION ERA: In the first phase of nationalization in July 1969, Central Bank of India was nationalized along with 13 other Banks. The Bank has made rapid strides in terms of major business parameters like branch network, deposit mobilization, lending to priority and non-priority sector, export credit and also in diversifying into other financial services.

Amongst the nationalized banks, in terms of branch network, Central Bank of India is the third largest Bank, with 3308 branches all over the country as on 31st March 2008. The Bank also has 34 Satellite Office and 343 extension counter at different centers. Significantly, around 70 per cent of the branches are located in rural and semi urban centers. Ours is an all India Bank in true sense of the word with representation in all of States and in 3 Union Territories out of 7 Union Territories. The Bank has 18 Zonal Offices, 78 Regional Offices, One Overseas Joint Venture Bank and 2 Subsidiaries; Housing Finance and Executor and Trustee business. The Bank has sponsored 11 Regional Rural Banks (RRBs) as of date. The Bank also pioneered the idea of infrastructure finance and development and co-sponsored the Infrastructure Leasing & Financial Services Ltd., the first organization of its kind in India.

The Bank has lead Bank responsibility in 48 Districts and most of these are located in the economically backward areas of Madhya Pradesh (3), Bihar (2), Maharashtra (1), Uttar Pradesh (2), West Bengal (1), Rajasthan (1) and Chhattisgarh (1). The Bank has Lead Bank responsibility for the state of Madhya Pradesh and is the Convenor of State Level Bankers' Committee.

The average business per employee increased from Rs.309 lacs as on March 2007 to Rs.407 lacs as on March 2008 since nationalization the Bank has achieved around 115 fold increase (PI check) in deposits, which stood at Rs. 110320 crores as on March 2008. It is remarkable that the Bank could achieve a sizeable per branch average deposit growth despite the fast branch expansion in the post-nationalisation period. Deposits mobilized under the Savings Bank segment constituted around 27.07% of the Bank's aggregate deposits indicating the strong bond between the household sector and the Bank.

The Bank's growth on the credit front is encouraging. The total advances of the Bank stood at around Rs. 74287 crores as on March 31, 2008. Likewise, there has been significant increase in the Bank's Investment portfolio, which stood at around Rs. 32796 crores as at March 31, 2008.

The Bank has been alive to the credit needs of agriculture, small-scale industries and other economic activities at the grass root level that deserve attention. Priority Sector Credit constituted around 48% of Net Credit as on March 2008, thereby exceeding the norm of 40%. The Bank has been extending financial support under various poverty alleviation and employment generating programmes such as SJSY, SJSRY, PMRY, etc. Among others, Bank attention is more towards welfare of SC/ST, women beneficiaries and Minority Communities.
