－The Company allotted $80,00,000$ Warrants convertible into Equity Shares of face value of Rs． 10 each to other than Promoters for cash at an issue price of Rs． 50 each （including premium of Rs．40）．The allottees exercised power to convert 9，06，666 and $15,99,999$ number of warrants into equity shares．
－State Bank of India，being the leader of consortium，has treated its lending facilities to the company as Non－Performing Asset on $28^{\text {th }}$ November，2015．The reasons for non honoring commitments were insufficient cash flows due to drastic reduction in prices of steel products，cheaper imports to India and slowdown of global economy．As a result，interest on such loan of Rs． 800 million has not been provided in the financial statement for the period from $28^{\text {th }}$ November， 2015 to $31^{\text {st }}$ December， 2015 which has thus，impacted the profitability for the quarter under reporting．
