Notes:

1. a) The Group has opted for amortising the foreign exchange fluctuation gain / (loss) on the long term foreign currency monetary items over the balance life of depreciable assets / long term monetary items, as the case may be. The Group has carried forward unamortised portion of net gain of ₹ 271.88 crore to "Foreign Currency Monetary Items Translation Difference Account" as on December 31, 2015.
b) Pursuant to the option exercised under the Scheme of Amalgamation of Reliance Infraprojects Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay, net foreign exchange loss of ₹ 103.30 crore and ₹ 141.80 crore (net off of foreign exchange loss of ₹73.30 crore and ₹ 216.81 crore attributable to finance cost) for the quarter and nine months ended December 31, 2015 of the Parent Company has been debited to the Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve. Had such withdrawal not been done, the Profit before tax for the quarter and nine months ended December 31, 2015 would have been lower by ₹ 103.30 crore and ₹ 141.80 crore respectively and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Accounting Standard 5 (AS-5) "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies". This matter has been referred to by the Auditors in their report.
2. During the quarter ended December 31, 2015 Reliance Defence Systems Pvt. Ltd.(RDSPL) (Acquirer), a wholly owned subsidiary of the Parent Company and Reliance Infrastructure Ltd. (Person Acting in Concert referred as PAC) made an open offer to the public equity shareholders of Pipavav Defence And Offshore Engineering Company Ltd.(PDOC) (Target Company) to acquire up to 19,14,13,630 fully paid-up equity shares of face value of ₹ 10 each of the Target Company, constituting 26% of the total fully diluted equity share capital of the Target Company at an offer price of ₹ 66 per share (plus ₹ 3.59 per share towards interest at 10% p.a. for delay in payment beyond scheduled payment date viz. June 15, 2015 as per the original offer till the date of actual payment i.e. 30.12.2015). In terms of the said offer, the Acquirer has acquired 13,87,12,427 shares of the Target Company, constituting 18.84% of the voting equity share capital at a total consideration of ₹ 965.30 crore (including interest of ₹ 49.80 crore). Post December 31, 2015 the Acquirer has acquired 8,13,90,598 equity shares of the Target Company at a total consideration of ₹ 512.76 crore whereby PDOC has become an associate of RDSPL with holding of 29.90%.
3. Delhi Airport Metro Express Private Limited (DAMEPL), a SPV of the Parent Company, had terminated the Concession Agreement with Delhi Metro Rail Corporation (DMRC) for the Delhi Airport Metro Line and the operations were taken over by DMRC with effect from July 1, 2013. As per the terms of the Concession Agreement, DMRC is now liable to pay DAMEPL a Termination Payment, which is estimated at ₹ 2,823 crore, as the termination has arisen owing to DMRC's Event of Default. The matter has been referred to arbitration and the process for the same is continuing. Pending final outcome of the arbitration, the Parent Company continues to fund the statutory and other obligations of DAMEPL post take over by DMRC and accordingly has funded ₹ 68.50 crore and ₹ 294.76 crore during the quarter and nine months ended December 31, 2015. The total investment made by the Parent Company in DAMEPL upto December 31, 2015 amounts to ₹ 1,996.86 crore.

The Parent Company had reviewed the progress in settlement of various claims and also on overall review of financial position of DAMEPL, the Company considered it prudent to write off ₹ 1,258.20 crore out of above investment during the previous year ended March 31, 2015. However, as legally advised, DAMEPL's claims for the termination payments are considered fully enforceable. This matter has been referred to by the Auditors in their report.
4. Unrealised gains amounting to ₹ 64.10 crore and ₹ 126.68 crore during the quarter and nine months ended December 31, 2015, pertaining to Engineering Procurement and Construction contracts entered into with associate companies, have not been eliminated as prescribed by a Scheme of Amalgamation between Reliance Bhavnagar Power Private Limited and Reliance Jamnagar Power Private Limited and Reliance Infrastructure Engineers Private Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay in February 2013. The Parent Company considers that the prescribed accounting treatment leads to a more accurate reflection of the results of the working of the Parent Company. Had the relevant provisions of Accounting Standard 23 (AS -23) "Accounting for Investments in Associates in Consolidated Financial Statements" been followed, the Profit after tax and carrying cost of associate for the quarter and nine months ended December 31, 2015 would have been lower by ₹ 64.10 crore and ₹ 126.68 crore respectively. This matter has been referred to by the Auditors in their report.
5. Delhi Electricity Regulatory Commission (DERC) issued its Tariff Order on October 05,2015 to two joint ventures namely BSES Rajdhani Power Ltd. (BRPL) and BSES Yamuna Power Ltd. (BYPL)(JVs), whereby it has trued up the revenue gap upto March 31,2014 with certain dis-allowances. The JVs have preferred appeal against the Order before APTEL. Based on the legal opinion, the impact of such disallowances, which are subject matter of appeal, has not been considered. This matter has been referred to by the Auditors in their report.
6. NTPC Ltd. served notice to JVs for regulation (suspension) of power supply on February 01,2014 due to delay in payments. The JVs appealed against the notice before the Hon'ble Supreme Court (SC) and prayed for suitable direction from Hon'ble SC to DERC for providing cost reflective tariff and giving a roadmap for liquidation of the accumulated Regulatory Assets. The Hon'ble SC inter-alia in its interim order directed the JVs to pay the current dues. The JVs sought modification of the said order, so as to allow them to pay 70% of the current dues are awaiting decision of the Hon'ble Supreme Court, which is reserved. This matter has been referred to by the Auditors in their report.
7. Pursuant to the direction of the Department of Power (GoNCTD) on January 07,2014, the Comptroller Auditor General of India (CAG) conducted audit of two JVs and submitted the draft audit report. The JVs challenged the direction of GoNCTD before the Hon'ble High Court of Delhi (HC). The Hon'ble HC in its order dated October 30,2015 set aside the directions of GoNCTD and directed that "all actions taken pursuant to the directions and all acts undertaken in pursuance thereof are infructuous".The aggrieved parties have filed an appeal against the Hon'ble HC judgement before the Hon'ble SC which is listed for arguments on March 02, 2016.This matter has been referred to by the Auditors in their report.

Limited Review Report
To The Board of Directors of Reliance Infrastructure Limited

1. We have reviewed the accompanying unaudited standalone financial results of Reliance Infrastructure Limited (“the Company”) for quarter and nine months ended December 31, 2015 (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company’s management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies generally accepted in India, except to the extent as modified by the Court Order dated March 30, 2011 and the option exercised by the Company in accordance with the Court Order as stated in paragraph 5 (b) below, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to:
 - a. Note 3 of the Statement regarding termination of Concession Agreement by Delhi Airport Metro Express Private Limited (DAMEPL), a SPV of the Company with Delhi Metro Rail Corporation (DMRC) for reasons stated therein. The matter is sub-judice and the ultimate recovery of the investment of the Company of ₹ 1,996.86 Crore in DAMEPL is dependent upon the outcome of the arbitration proceedings. The net amount outstanding in books of account as on December 31, 2015 is ₹ 738.66 Crore.

- b. Note 1(b) of the Statement regarding the Scheme of Amalgamation ('the Scheme') between Reliance Infraprojects Limited (wholly owned subsidiary of the Company) and the Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Company, as determined by the Board of Directors, is permitted to adjust foreign exchange losses / gains debited/credited to the Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which overrides the relevant provisions of Accounting Standard 5 (AS 5) "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies". The net foreign exchange loss of ₹ 103.30 Crore and ₹141.80 Crore (net off of foreign exchange loss of ₹ 73.30 Crore and ₹ 216.81 Crore attributable to finance cost) for the quarter and nine months ended December 31, 2015 respectively has been debited to Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve in terms of the Scheme. Had such withdrawal not been done, profit before tax for the quarter and nine months ended December 31, 2015 would have been lower by ₹ 103.30 Crore and ₹ 141.80 Crore respectively and General Reserve would have been higher by an equivalent amount.

Our conclusion is not modified in respect of above matters.
