

RJIL raises US\$ 750 Million, 12 year loan backed by K-sure

Mumbai, May 13, 2015: Reliance Jio Infocomm Limited ("RJIL"), a subsidiary of Reliance Industries Limited ("RIL") has signed a US\$ 750 Million loan backed by Korea Trade Insurance Corporation ("K-sure") on 7 May 2015. The loan is guaranteed by RIL and will be primarily used to finance goods and services procured from Samsung Electronics and Ace Technologies Corp., which are being sourced for the infrastructure rollout of RJIL.

- This is the first facility by K-sure with RJIL. However, it is the second facility by K-sure with the Reliance Group (incl. RIL and RJIL) and is a testament to the strengthening relationship between the two entities.
- This is the second round of financing for RJIL from Korean ECAs and the third overall between the group and Korean ECAs in three years highlighting the growing business with Korean organisations.
- It is also K-sure's largest deal in India.
- It has a door to door tenor of 12 years including a 2 year availability period and 10 year repayment period thereafter.
- The facility is funded by 9 relationship banks of Reliance including The Hongkong and Shanghai Banking Corporation Limited, Australia and New Zealand Banking Group Limited, Banco Santander, S.A., The Bank of Tokyo-Mitsubishi UFJ, Ltd., JPMorgan Chase Bank, N.A., Mizuho Bank, Ltd, and Sumitomo Mitsui Banking Corporation, ING Bank and DZ Bank AG.

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited (RJIL), a subsidiary of Reliance Industries Limited (RIL), India's largest private sector company, is the first telecom operator to hold pan India Unified License. This license authorises RJIL to provide all telecommunication services except Global Mobile Personal Communication by Satellite Service.

In addition to the pan-India 2300MHz spectrum, RJIL has spectrum in either 800MHz or 1800MHz or both in 20 out of total 22 circles in the country. RJIL plans to provide seamless 4G services using LTE in 800MHz, 1800MHz and 2300MHz bands through an integrated ecosystem.

RJIL is setting up a pan India telecom network to provide to the highly underserved India market, reliable (4th generation) high speed internet connectivity, rich communication services and various digital services in key domains such as education, healthcare, security, financial services, government-citizen interfaces and entertainment. RJIL aims to provide anytime, anywhere access to innovative and empowering digital content, applications and services, thereby propelling India into global leadership in digital economy.

RJIL has made significant progress in building its LTE business, including physical network infrastructure, systems and processes, sales and distribution network, applications and services, content etc. It is working with strategic partners who have committed significant resources, knowhow and global talent to support deployment and testing activities currently underway.

From less than 700 professionals a year back, the RJIL Jio team has grown rapidly to a national footprint of over 10,000 professionals today.
