

PRESS RELEASE

BEML ESTABLISHES OFFICE AT LEH

BEML LIMITED, the premier Public Sector Company under the Ministry of Defence, has opened its District Office at Leh. The Office was inaugurated by Brig. BS Sandhu, Chief Engineer, Himank Project of DGBR. On the occasion, Col. Harveer Singh, Officer commanding and Shri Arun Kumar Sharma, Executive Engineer of DGBR, Senior Officials of DGBR Himank and Vijayak Project were present alongwith BEML Officials.

It is mentioned here that BEML is the first Defence Public Sector Company to establish an Office in Leh. The newly opened Office is located at an altitude between 10500 ft to 22000 ft and the ambient temperature varies from (+)25 Degree to (-)35 Degree with presence of oxygen as low at 50% MSL. Through this Office, BEML will be extending after sales support to its Mining & Construction equipment deployed through DGBR and E-In-C.

The Marketing Network of BEML comprises of Twelve Regional Offices, Four Zonal Service Centres and Seventeen District Offices including Leh across the Country to extend after sales service support to its customer round the clock.
