Zydus Wellness Limited Apr 16 to Dec 16 - FY 17 Update

Operational Highlights – FY 17

- The Company registered an overall consolidated growth of 10.0 % on total income from operations for the six months ended on 30th September, 2016.
- However, Q3 FY 17 gone by has been exceptional due to the unexpected announcement of demonetization of high value currency notes.
- Sudden liquidity crunch created across the trade channel has impacted our overall business, with all our brands witnessing muted sales growth during the Q3 - FY 17.
- Despite the liquidity pressures in the trade, we have been able to continue our business without compromising on our credit terms and have seen positive recovery in the last few weeks of the quarter.
