

PRESS RELEASE

## Infosys Selected as a Strategic Technology Services Partner of Deutsche Bank

**Bangalore, July 8, 2015:** Infosys (NYSE: INFY), a global leader in consulting, technology, outsourcing and next-generation services, including be-spoke development, application maintenance services, digital and mobility, package implementation, and testing services, has announced that it has signed a multi-year agreement with Deutsche Bank.

Under the terms of the agreement, Infosys will provide these services across the Deutsche Bank Group and will also be a strategic partner under Deutsche Bank's Supplier Partnership Program. Deutsche Bank's Supplier Partnership Program was successfully launched in June 2014 to concentrate the most strategic vendors based on business impact across all categories of the bank.

### Quotes

#### **Kim Hammonds, Global Chief Information Officer, Deutsche Bank**

"Deutsche Bank is committed to applying innovative technology to enhance its efficiency and service to clients. Working with Infosys will help the bank to achieve these goals."

#### **Mohit Joshi, Executive Vice President and Global Head of Financial Services, Infosys**

"We look forward to further strengthening our relationship with Deutsche Bank and supporting the bank achieve its goals."

### Safe Harbor

Certain statements in this press release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment

concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2015 and our Forms 6- K for the quarters ended June 30, 2014, September 30, 2014 and December 31, 2014. These filings are available at [www.sec.gov](http://www.sec.gov). Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. Any forward-looking statements contained herein are based on assumptions that we believe to be reasonable as of this date. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
