New Delhi, December 1, 2015.

Hero MotoCorp Ltd. (HMCL), the world's largest two-wheeler manufacturer, today reported sales of **550,731** units of two-wheelers in the month of November 2015.

The company had sold **547,413** units of two-wheelers during corresponding month last year.

During the month, HMCL achieved the landmark 1 million unit sales during the 35-day festive period starting with the Navratras, a robust 11% growth over the corresponding period last year. This was made possible thanks to the phenomenal demand for the new scooters, Maestro Edge and Duet and the new Splendor PRO, along with the robust sales of Passion PRO and Glamour bikes.
