Limited Review Report

**Review Report to
The Board of Directors
ACC Limited**

1. We have reviewed the accompanying statement of unaudited financial results of ACC Limited ('the Company') for the quarter ended March 31, 2016 (the "Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. Cement

With construction activity picking up especially in infrastructure and housing sectors during the quarter, the demand for cement registered a perceptible increase as compared to the slow pace witnessed in the previous year. Better offtakes enabled the company to achieve a growth of 9% in cement sales volume during the quarter. Sales volume in this quarter was the highest since Q1 2014. Premium cement products continued to be promoted vigorously and their sales registered an increase of 53% during the quarter as compared to the previous year. Realisations in the quarter were 8% down YoY. Lower input costs especially from optimisation of the fuel mix through increased use of pet coke, a decline in solid fuel prices together with various other initiatives helped achieve a visible reduction in production and distribution costs.

Ready Mixed Concrete

This business notched robust growth of 13% in sales volumes, catering to the core segments of infrastructure, industrial and high-rise building projects, while widening its national presence with the addition of three new plants and expanding the sale of its premium range of value-added products and solutions. The business also maintained a strong thrust on enhancing plant efficiency and productivity levels.

Financial Results

The company's consolidated Net Sales was higher by 1.5% at ₹ 2927.38 crore as compared to the corresponding quarter of the previous year.

Operating EBITDA for the quarter was ₹ 433.59 crore against ₹ 609.48 crore during Q1 2015. Last year the higher Operating EBITDA in Q1 2015 was explained by the fact that it included an accrual of ₹ 139.74 crore pursuant to a favourable order from the Jharkhand High Court pertaining to sales tax incentives for earlier years.

Media Release

Profit before Tax was ₹ 313.97 crore during the quarter as compared to ₹ 310.12 crore in the corresponding quarter of 2015. The latter included an additional charge of ₹ 164.45 crore being the carrying amount as of January 1, 2015 of fixed assets with no remaining useful life as of that date in accordance with the provisions of Schedule II of the Companies Act 2013.

Profit after Tax in Q1 2016 was ₹ 226.95 crore as against ₹ 236.54 crore in the first quarter of 2015.

Outlook

We expect that acceleration in Government's investment in infrastructure and other urbanization projects, new schemes and allocations announced in the recent Union Budget especially in roads and housing, softening of interest rates giving a fillip to housing and the forecast of an above normal monsoon this year are all trends that portend well for heightened construction activity and in turn for an increase in the demand for both cement and concrete. Simultaneously we will continue with efforts to improve on our operating efficiencies.
