ANNEXURE - 1**Explanatory Statement pursuant to Section 102 of the Companies Act, 2013****Item No. 1**

The Board of Directors at their meeting held on February 11, 2017, subject to the approval of the shareholders under Section 13 of the Companies Act, 2013 and other necessary approval(s), if any, has approved the proposal for alteration of object clause of the Memorandum of Associations (“MOA”) of the Company by way of adding new object clauses which permit the Company to engage in real estate business.

Real estate business has tremendous scope to generate sizeable revenue as compared to other businesses and it will diversify the business of the Company in true sense which the Company was looking for since long time. The Board also considered that the Company’s subsidiary company owned township land of 104 acres and the Company itself owned a piece of land situated at good location in Pune which has potential to develop, construct and sell housing and commercial units.

In view of above, the Board further considered that at present the Company does not require to invest major amount to start with the real estate business and it can commence the activity with minuscule investment. The Company being a holding company of Autoline Industrial Parks Limited which holds special township project can start with providing the services and works related to development/construction of the township project and to undertake, execute, carry out, dispose of, perform all the functions and undertake all activities connected therewith including but not limited to rendering consultancy, advisory and liasoning services, obtaining and dealing in all necessary approvals from concerned government and other authorities. In addition of above the Company may explore the possibility to make further investment in real estate business in the times to come.

To facilitate such initiatives, these additional objects may conveniently and advantageously be combined with the existing businesses of the Company.

Further, the existing MOA of the Company was framed pursuant to the provisions of the Companies Act, 1956. The Ministry of Corporate Affairs has notified the Companies Act, 2013 which replaces the provisions of the Companies Act, 1956. The Provision of the Companies Act, 2013 requires for stating of the Objects Clause of MOA in different manner. The Object Clause will now have two Parts viz. Part (A)- ‘The Objects to be Pursued by the Company on its Incorporation’ and Part (B) - ‘Matters which are necessary for furtherance of the Objects specified in Part (A)’. To fulfill the above requirements of the Companies Act, 2013, the Objects Clause is proposed to be amended further in the manner as given in the aforesaid resolution.

The aforesaid alteration, if approved by the shareholders shall be registered by the Registrar of Companies, Pune as per the provisions of the Act with such modifications as may be advised by him. The Board of the Company recommends the aforesaid resolution for approval by the members as a Special Resolution.

The draft of the proposed amended Memorandum of Association of the Company would be available for inspection by the Members at the Registered Office of the Company during 10:00 a.m. to 1:00 p.m. on all working days upto the last date of voting i.e. May 19, 2017 and would also be available on the website of the Company at www.autolineind.com.

None of the Directors, Key Managerial Personnel and their relatives are in any way concerned or interested in the said resolution.
