EXPLANATORY STATEMENT

Item No. 1 & 2

[Pursuant to Sec 102 of the Companies Act, 2013 ('The Act')]

Your directors draw your attention to the fact that the company requires funds for general corporate purposes including but not limited to redemption of preference shares. While it is expected that the internal generation of funds would partially finance the need for capital to raise resources externally, it is thought prudent for the company to have enabling approvals to raise a part of the funding requirements for the said purposes through the issue of appropriate securities as defined in the resolution, in Indian or International markets.

It is proposed to create, offer, follow on offer, issue and allot securities through private placement, issue of equity shares or convertible Bonds or such other equity linked instruments or permitted securities as may be finalised by the Board or any committee thereof in the course of domestic and/or international offerings including but not limited to Qualified Institutional Placement within the meaning of Chapter VIII of the Securities & Exchange Board of India (Issue of Capital & Disclosure Requirements) Regulations, 2009 ("ICDR Regulations"), Foreign Currency Convertible Bonds, Bonds with share warrants attached, Global Depository Receipts, American Depository Receipts or any other linked instruments of the company or a combination of the foregoing, in one or more tranches, at a price determined in accordance with applicable laws and otherwise on such terms and conditions as may be deemed appropriate by the Board and/or any Committee thereof at the time of the issue or allotment of the securities.

The detailed terms and conditions of the issue as and when made will be determined by the Board of Directors in consultation with the Merchant Bankers, Lead Managers, Advisors, Underwriters and other experts in accordance with the applicable provisions of the law.

Since the pricing and other terms of the offering can not be decided except at later stage, an enabling resolution is being passed to give adequate flexibility and discretion to the Board to finalise the terms. However, the same would be in accordance with the ICDR Regulations and/or Issue of Foreign Currency Convertible Bonds and Ordinary Shares (through Depository Mechanism) Scheme 1993 as amended from time to time or any other guidelines /regulations as may be applicable and in case of an issue of Securities to Qualified Institutional Buyers pursuant to Chapter VIII of the ICDR Regulations, the company may, in accordance with applicable law, also offer a discount of not more than 5% or such percentage as permitted under applicable law on the price calculated in accordance with

the pricing formula provided under Chapter VIII of the ICDR Regulations as may be amended from time to time, and the relevant date in this regard shall be the date on which the Board decides to open the issue of securities or such other time as may be allowed under the ICDR Regulations from time to time.

Section 62 of the Companies Act, 2013 provides, inter alia, that when it is proposed to increase the issued capital of a company by allotment of further Equity Shares, such further Equity Shares shall be offered to the existing shareholders of such company in the manner laid down therein unless the members by way of special resolution decide otherwise.

The Company may have to issue debt securities in this process, convertible in to Equity Shares at a later date and then shall require to create securities in favour of trustees or any person. Accordingly, the Company proposes to pass resolution as set out in item no. 2 enabling the Company to create suitable mortgage or otherwise deal with the assets of the Company

Since the Special Resolutions proposed under item No. 1 and 2 of this notice may result in the issue of Equity Shares of the company to persons other than members of the company, consent of the members is being sought pursuant to the provisions of Section 62 (1)(c) and other applicable provisions of the Companies Act, 2013 as well as applicable rules notified by the Ministry of Corporate Affairs and in terms of the provisions of the Listing Agreements executed by the Company with the stock exchanges where the Equity Shares of the company are listed.

The Special Resolutions, if passed, will have the effect of allowing the Board to offer, issue and allot Equity Shares to the investors who may or may not be the existing shareholders of the company. The equity shares, if any, shall rank in all respects pari passu with the existing Equity Shares of the company.

The Board of Directors request the resolutions as set out in item No. 1 and 2 of this notice for the approval of Members as a special resolutions.

None of the Promoters, Directors, Key Managerial Personnel or their relatives are in any way concerned or interested, financially or other wise, in these resolutions except to the extent of their shareholding as Members.
