This will involve restating the value of land at Rs 715,67,100 instead of 317,056,551. Annexure - D**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and the Generally Accepted Accounting Principles (GAAP) in India. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for the various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

INDUSTRY OUTLOOK

During the year, there was a battle of sorts with disgruntled investors as well as with the bank. However all disputed with the investors have been amicably settled and the respective investors have filed complaint withdrawal with all agencies. However before the situation calmed down, many employees have deserted the company. The management is trying to bring back the company on rails and has partly succeeded by bagging the VAS content provider status from Tata Docomo. However revenues have not yet started flowing in and there is a fairly reasonable chance of succeeding in this line and accruing revenues in the next year. There is also a probability of sales picking up in technology line if Dhanlaxmi extends its supports, which the management is continuously pursuing.

RISKS AND CONCERNS

There are no more risks that the company may come across now that all the complaints are withdrawn except some harsh methods from bank which are unlikely in this year. There are neither signs nor communication yet from bank in this regard.

OPERATIONAL REVIEW

TeleCom sector is still not encouraging and prospects are not visible at this time. However company is marketing its IVR Systems and Core banking. Efforts are also being put in VAS business.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Telecanor Global Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Balance sheet & Profit and loss

Note no: 1

SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation:

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013, ("the Act") and other relevant provisions of the Act.

The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First-Time Adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

The preparation of financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to accounts.

b) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably.

a) Income from Services:

Revenues are recognized immediately when the services are provided. The company collects the taxes on behalf of the government and therefore, these are not economic benefits flowing to the company. Hence they are excluded from revenue.

b) Sale of Goods:

Revenues are recognized when the company has transferred all significant risks and rewards of ownership of goods to the buyer.

c) Property, Plant and Equipment Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with carrying value of all its property, plant and equipment recognised as at 01st April 2016 measured as per previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment. Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, intended by the Management. The Company depreciates property, plant and equipment over their useful lives specified in Schedule II of the Companies Act, 2013 using the straight- line method. The useful lives of the assets are as follows:

Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Special Note : *Value of land was devaluated to the extent of Rs.24,54,89,541/- as per resolution passed 06-09-2022, management representation letter received and valuation report as per certificate issued by the Govt of Andhra Pradesh. Which was taken as events occurred after the Balance Sheet Date.*

d) Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment, if any. Intangible Assets are amortized over their respective individual estimated useful lives on the straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence demand, competition, and other economic factors (such as stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end. Software product development costs are expensed as incurred unless technical and commercial feasibility of the project demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be reliably measured. The costs which can be capitalized include the cost of material, employee benefit expenses, overhead costs that are directly attributable to preparing the asset for its intended use.

e) Inventories

Inventories are valued at cost. Costs include all non refundable duties and all charges incurred in bringing the goods to their present location and condition.

f) Impairment:

The Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company follows 'Simplified Approach' for recognition of impairment loss allowance on all trade receivables or contractual receivables. Under the simplified approach the Company does not track changes in credit risk, but it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / (expense) in the statement of profit and loss.

g) Foreign currency transactions

(a) Initial recognition

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

(b) Conversion:

At the year-end, monetary items denominated in foreign currencies, if any, are converted into rupee equivalents at exchange rates prevailing on the balance sheet date.

i) Loans and Advances

Company neither paid interest nor paid instalment on the term loan and OD.

j) Earning per share

k) Contingencies and events occurring after balance sheet date – nil

l) Employee benefits
