### INDEPENDENT AUDITORS' LIMITED REVIEW REPORT

To

**The Board of Directors  
IVRCL Limited**

1. We have reviewed the accompanying unaudited financial results of **IVRCL LIMITED** ("the Company") for the quarter and six months ended September 30, 2015 ("the Statement") except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, at their meeting held on November 13, 2015 and have been initialed by us for identification only. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We refer to following notes to accompanying statement:
  - a) Note 1(a) regarding equity investment of ₹6,575.25 Lakhs and loans and advances of ₹2,632.68 lakhs as on September 30, 2015 in Hindustan Dorr Oliver Limited, a subsidiary company whose net worth has eroded and continues to incur losses as on September 30, 2015. We are unable to comment on the extent to which the carrying amount of such investment and loans and advances is recoverable.
  - b) Note 1(b) in respect of MOU/ definitive agreement entered in to by the Company for divestment of subsidiary companies Salem Tollways Limited, Kumarpalyam Tollways Limited and IVRCL Chengapalli Tollways Limited where all conditions precedent to the revised definitive agreement are substantially completed during the period. The sale consideration agreed for such divestment is lower than the carrying value of investments and outstanding advances. This will result into losses on divestment/diminution aggregating to ₹32,759.94 lakhs as on September 30, 2015.
4. Based on our review conducted as stated above, except for the effects/possible effects of the matters specified in Para 3(a), and para 3(b) above, nothing has come to our notice that causes us to believe that, the accompanying statements prepared in accordance with Accounting Standards specified under section 133 of the Companies (Accounts) Rules, 2013, Read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provision of Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Attention is invited to following notes to accompanying statement:

- a. Note 2(a) which indicates the preparation of financial statements of the Company on going concern basis for the reasons stated therein. The appropriateness of assumption of going concern is dependent upon the Company's ability to raise requisite finances /generate cash flows in future to meet its obligations, including financial support to its subsidiary companies.
- b. Note 2(b) in respect of certain projects related trade receivables, retention/withheld money and unbilled revenue aggregating to ₹1,53,665.19 lakhs, outstanding for long period and which are subject matters of arbitration and other recovery proceedings/ negotiations with the contractee/clients due to various disputes related to foreclosure/termination of the contracts and encashment of bank guarantees. Therefore, in view of non-billing/ slow progress/ termination of projects, and lack of other alternate audit evidence, we are unable to comment on the extent to which these balances are recoverable.
- c. Note 2(c) in respect of loans and advances aggregating to ₹42,384.13 lakhs given to subsidiaries engaged in BOT and other projects which are under disputes with the concessionaire and other subsidiaries that have significant accumulated losses as at March 31, 2015. The recovery of such advances to subsidiaries is dependent upon the completion of the projects and their operating performance.
- d. Note 2(d) regarding the managerial remuneration where the Company is awaiting Central government approval and/or in the process of making application to the Central Government.
- e. Note 2 (e) in respect of pending winding up petitions filed against the company and the matter is subjudice.
