### LIMITED REVIEW REPORT

To  
**The Board of Directors**  
**NHPC Limited**  
**NHPC Office Complex**  
**Sector-33, Faridabad – 121 003**

We have reviewed the accompanying statement of unaudited standalone financial results of NHPC Limited (“the Company”) for the quarter ended 31st December, 2016 and the year to date results for the period from 1st April, 2016 to 31st December, 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company’s Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 1 The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their meetings held on 6th February, 2017 and 7th February, 2017 respectively. Joint Statutory Auditors of the Company have carried out Limited Review of the results for the current quarter & nine months and of the corresponding previous quarter & nine months.

## Notes to reconciliation:

- a) Property, Plant and Equipment (PPE) containing a lease arrangement have been de-recognized and shown at fair value as lease receivable as per Ind AS 17- Leases.
- b) The Company has valued financial assets (other than investment in Subsidiaries and Joint Ventures which are accounted for at cost) and financial liabilities at fair value. Impact of fair value changes as on the date of transition, is recognised in opening reserves and changes thereafter are recognised in Statement of Profit and Loss or Other Comprehensive Income, as the case may be.
- c) Under previous GAAP, actuarial gains/losses were recognised in Statement of Profit & Loss. Under Ind AS, the same is recognised in Other Comprehensive Income.
- d) Prior period errors in respect of items of income/expenditure relating to periods before the date of transition to Ind AS have been adjusted against opening reserves as per Ind AS 8- "Accounting Policies, Changes in Accounting Estimates & Errors."
- e) Impact of change in accounting policy for spares qualifying as asset as per Ind AS 16- 'Property, Plant & Equipment' on the date of transition has been recognised in opening reserves and changes thereafter are recognised in Statement of Profit and Loss.
- f) Under previous GAAP, non current investments were stated at cost. Where applicable, provision was made to recognise the decline, other than temporary, in valuation of such investments. Under Ind AS 109- 'Financial Instruments', investments in equity instruments (other than investment in Subsidiaries and Joint Ventures which are accounted at cost) have been classified at Fair value through Other Comprehensive Income (FVTOCI) by way of an irrevocable election at the date of transition.
- 3 In view of seasonal nature of business, the financial results of the current quarter may not be comparable with previous quarter of current year.
- 4 During the quarter ended on 31.12.2016, Wind Power Project, Jaisalmer (50MW) has been put on commercial operation on 30.09.2016 (midnight).
- 5 Electricity generation is the principal business activity of the Company. Other operations viz., Contract, Project Management and Consultancy Works do not form a reportable segment as per Ind AS 108- 'Operating Segments' specified under Section 133 of the Companies Act, 2013. The operations of the Company are mainly carried out within the country and therefore Geographical Segments are not applicable.
- 6 Till FY 2015-16, the Company had recognized Regulatory Income in accordance with the Guidance Note on Rate Regulated Activities issued by the Institute of Chartered Accountants of India. With effect from FY 2016-17, such rate regulated items are to be accounted for as per Ind AS 114- 'Regulatory Deferral Accounts.' Ind AS 114 allows an entity to continue to apply previous GAAP accounting policies for the recognition, measurement, impairment and derecognition of regulatory deferral account balances. Ind AS 114 further provides that for this purpose, Guidance Note of the ICAI on 'Accounting for Rate Regulated Activities' shall be considered to be the previous GAAP. Accordingly, Regulatory Income amounting to ₹ 13402 Lacs and ₹ 38041 Lacs for the quarter and nine months ended on 31.12.2016 (cumulative upto 31.12.2016 ₹ 255123 Lacs) have been recognized in respect of Subansiri Lower Project, where construction activities have been interrupted w.e.f. 16.12.2011 due to protest of anti-dam activists and case pending with National Green Tribunal (NGT).
- 7 Pending approval of tariff for the period 2014-19 by the Central Electricity Regulatory Commission (CERC) as per notification No.L-1/144/2013/CERC dt 21st February 2014, sales have been recognized provisionally as per tariff notified by CERC for the period 2009-14 in respect of Sewa-II, Chamera-III, Chutak, TLDP-III and Parbati-III Power stations. However, pending 'truing up' of the capital cost for the tariff period 2009-14, sales have been reduced by ₹ 860 Lacs and ₹ 7819 Lacs on estimated basis during the quarter and nine months ended on 31.12.2016 (corresponding previous quarter ₹ 2213 Lacs and previous nine months ₹ 9410 Lacs) as an abundant precaution.

- 8 CERC Regulations for the tariff period 2014-19 provides for recovery of income tax from the beneficiaries by way of grossing up of the Return on Equity with effective tax rate of the respective financial year i.e. actual tax paid during the year on the generating income. Accordingly, deferred tax assets created for the quarter and nine months ended on 31.12.2016 on generating income amounting to ₹ 2063 lacs and ₹ 10741 lacs respectively is accounted for as deferred tax adjustment against deferred tax liability as the same would get adjusted in effective tax rate in future period.
- 9 All non-convertible bonds of the Company are secured by way of first pari passu charge over certain immovable assets and movable assets of the Company. The available asset cover exceeds the required cover under terms of various issue offer documents.
- 10 Board of Directors in its meeting held on 12.01.2017 has declared an interim dividend @17% of the face value of ₹ 10 per share ( ₹ 1.70 per equity share) for the financial year 2016-17.
- 11 Board of Directors in its meeting held on 07.02.2017 has approved the proposal for Buyback of fully paid-up equity shares of the Company not exceeding 10% of paid up equity capital and free reserves of the company as on 31.03.2016.
- 12 Prior to transition to Ind AS, capital expenditure incurred for creation of facilities, over which the company does not have control but creation of which is essential principally for construction of the project, was being charged to 'Expenditure Attributable to Construction (EAC) as a part of Capital Work in Progress (CWIP) on the basis of attributability of such costs to the creation of major assets of the project. The said accounting treatment was objected to by the office of the C&AG as not being in line with the opinion of the EAC of the ICAI issued on the basis of pre-revised AS 10- "Fixed Assets" and an observation was issued during supplementary audit of the Financial Statements for F.Y. 2015-16. However, with the introduction of IND AS, the accounting treatment is covered under Para 9 of Ind AS-16, "Property, Plant & Equipment" which prescribes Unit of Measure approach under which management of an entity is competent to apply its judgment to recognition criteria based on its specific circumstances.
- 13 Other income for nine months ended on 31.12.2016 includes recovery of late payment surcharge amounting to ₹ 44032 Lacs from one of the beneficiaries.
- 14 CERC (Terms & Conditions of Tariff) Regulations provide for levy of late payment surcharge by generating company in case of delay in payment by beneficiaries beyond 60 days from the date of presentation of bill. An amount of ₹ 38725 lacs is due but not recognised on account of surcharge till 31.12.2016 due to significant uncertainties in the timing of its collection from the customers.
- 15 Statutory Auditors have included the following matters in Audit Report on the accounts for the year ended 31.03.2016 under "Emphasis of Matter" paragraph, without modifying their opinion in respect of these matters:
- (i) Stay from Hon'ble high court of Delhi against implementation of stoppage of Personal Pay Adjustment (fitment benefits) recovery from below Board level Executives,
  - (ii) Provisions against the expenditure incurred for conducting survey & investigation of projects or being carried forward pending clearances with various authorities,
  - (iii) Uncertainty related to the outcome of the claims/ arbitration proceedings and lawsuit filed by/ against the Company on/ by contractors and others,

  - (v) Kollibhel-IA project, the fate of which is pending adjudication before the Hon'ble Supreme Court of India,
  - (vi) Capital expenditure incurred for creation of facilities i.e. enabling assets is charged to Expenditure Attributable to Construction (EAC).
- Matters referred under para (i) to (v) were included by the Statutory Auditors under " Emphasis of Matter" paragraph in the Audit Report for the year ended 31.03.2015 as well.
- The above points on which attention has been drawn by the auditors have been addressed as under:-
- (i) In view of the directions of the Hon'ble High Court, Personal Pay Adjustments to the employees is continued to be paid along with the Salary,
  - (ii) In the opinion of the management, the projects on which survey & investigation expenditure is incurred are still active and accordingly, the expenditure incurred is being carried forward. However, provision wherever considered necessary has been made in the books,
  - (iii) Management has assessed and provided for the probable outflow wherever required as per provisions of Ind AS.
  - (iv) In the opinion of the management, unconfirmed balances will not have any material impact,
  - (v) & (vi) are statements of fact.
- 16 Figures for the previous periods have been re-grouped/re-arranged wherever necessary.
