NOTES

- 1 The above results have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on 29 August 2015.
- 2 The name of the Company is changed from Alumeco India Extrusion Limited to Golkonda Aluminium Extrusions Limited with effect from 6 July 2015.
- 3 The entire operations of the Company relate to only one segment namely, 'Aluminium Extrusion'. Hence segment disclosures as required under Accounting Standard 17 are not applicable.
- 4 10% Cumulative Redeemable Optionally Convertible Preference Shares (CRCPS) of ` 10 each had been allotted by the Company in the year 2005. As per the terms of the arrangement these preference shares including unpaid dividend could be converted into ordinary equity shares of the Company of Rs 10 each at any time after 3 years from date of allotment or could be redeemed by the Company at par in three equal installments commencing from the end of 5th, 6th and 7th year from the date of allotment. During the year 2009-10, the Company had obtained extension of redemption period by 3 years from the preference shareholders (i.e. redemption at end of 8th, 9th and 10th year from the date of allotment). Further extension of redemption period by 3 years has been obtained with all other terms remaining unaltered. Accordingly, these preference shares shall now be redeemed by the Company at par in three equal installments commencing from the end of 11th, 12th and 13th year from the date of allotment. No conversion option has been exercised so far.
- 5 The Company has accumulated losses of ` 161.16 million as on that date compared to the shareholders' fund of ` 160.52 million. During the year 2009-10, the Company was declared as a sick industrial company by the Board for Industrial and Financial Reconstruction (BIFR). During July 2013, the Alumeco Group (Denmark) took a commercial decision to stop extending the facility of supplying raw material on credit to the Company, as was being done in the past. This decision, coupled with the accumulated losses in the Company and the prevailing adverse business conditions (on account of liquidity crunch, labour problems, power cuts, poor order book position due to bad economic scenario, credit crunch in the market, etc.), has further strained the financial position of the Company. However, the Board of Directors and the Management of the Company are actively pursuing various available options to rehabilitate the Company and currently believe that the Company would be in a position to continue as a going concern. Further, during the year Company ceases to be Sick Industrial Company vide BIFR order no. MA NO. 135/BC/2015 dated 08 June 2015 as the net worth turned positive as on 31 December 2015. Hence, these financial results have been prepared under the going concern assumption. The auditors, in their opinion for the year ended 30 June 2015 have expressed doubt over the Company's ability to continue as going concern.
- 6 The Company had filed an application for closure of unit before the Government of Andhra Pradesh which has been rejected and the Company has filed appeal before the Hon'ble High Court of Andhra Pradesh, which appeal is pending for hearing. The workmen have been paid wages till 17-10-2013 including the statutory 90 day notice period. No provision in respect of worker compensation (Retrenchment and VRS Compensation) has been made at this stage, since the matter is pending before the High Court.
- 7 Extraordinary Items consist of Rs. 96.46 millions (excluding exchange effect) due to write back of amount payable to creditors with mutual consent.
- 8 Figures of the earlier periods, wherever necessary have been regrouped and rearranged to confirm to the classification of the current period.
