LIMITED REVIEW OF UNAUDITED FINANCIAL RESULTS

TO
THE BOARD OF DIRECTORS
ACROPETAL TECHNOLOGIES LIMITED
BANGALORE

1. We have reviewed the accompanying statement of unaudited financial results ("the Statement") of **Acropetal Technologies Limited ("The Company")** for the third Quarter ended December 31st 2015. We have relied on the financials pertaining to the subsidiary companies as submitted by the company for consolidation purposes. We have not reviewed the financials of the subsidiary companies. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this financial Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2400 "Engagements to Review of Financial Statements", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit' opinion.

3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with Accounting Standards referred to in Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and disclosure Requirements), Regulations 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. As explained in foot note to the financial statements, the company is undergoing a problem in facing the going concern issue, here we mention events that may cast doubt about going concern assumption as follows (as per para 10 of SA 570 "Going Concern").

- a) The company has borrowings of Rs.10,693.16 lakhs which became immediately repayable in full on 31st Dec 2015. The entity is already in breach of its agreed overdraft and the bank has refused to renew the borrowings. The entity has also been unsuccessful in applying to other financial institutions for re-financing. It is highly unlikely that the entity will be successful in renewing or re-financing the Rs. Rs.10,693.16 lakhs borrowings.
- b) Company is facing difficulties in paying statutory dues such as Service tax and TDS amount of Rs.3.25 crores and Rs 3.78 crores on 31.12.2015.

c) *The company has accumulated losses and its Net worth has been substantially eroded , the company has incurred a net loss of Rs. 6.06 Crores during the Third Quarter and Rs. 178.33 Crores for the Year ending 31 St March 2015 and , the company's Current liabilities exceeds its current assets as at the Balance sheet date. These conditions, indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a Going Concern. However, the financial statements of the company have been prepared on a Going Concern basis.*

5. Further, M/S Kerala state Electronics development corporation Limited (KELTRON), one of the Domestic customer of the company has rejected invoices worth Rs.1,75,50,466/- due to non issuance of UID cards by the UID Authority. The company has not accounted for this in the books during the year 2013-14, the reasons that the discussion on the service is happening with the UID Authority..However we are not sure of the collectability of this amount from the customer.

6. The company has not accepted the deposits from the public. These are balances outstanding in advance from customer for a period more than 365 days from the date of acceptance, which will be classified as deposits as per Section 2 Sub section 31 Read with Rule 2(C) (xii) of the Companies Act 2013. These are advances from MD of Rs. 2.48 Crores for which we were not provided certificate from him that it is not advanced out borrowed money and hence we were unable to report that whether it is deposit U/s 2 (31) or otherwise.

7. Further, we also report that we have traced the number of shares as well as the percentage shareholdings in respect of aggregate amount of public shareholdings and the number of shares as well as the percentage of shares pledged/encumbered shares and non-encumbered shares in respect of the aggregate amount of promoters and promoter group shareholding in terms of Regulation 31(1) of the SEBI(Listing Obligations and disclosure Requirements), Regulations 2015, from the detail furnished by the Management and the particulars relating to undisputed investor complaints from the details furnished by the Registrars.
