# Cabinet approves grain storage scheme in coop sector, CITIIS 2.0

New Delhi, May 31 (UNI): The Union Cabinet chaired by Prime Minister Narendra Modi on Wednesday approved Rs 1 lakh crore scheme in the cooperative sector for scaling up grain storage capacity across the country.

Accordingly, an interministerial panel would be set up to facilitate the creation of the "world's largest grain storage capacity in the co-operative sector".

Briefing media on Cabinet decisions, Information Broadcasting Minister Anurag Thakur said that India has grain storage capacity to the extent of only 47% of the total foodgrain production even as it is one of the largest

producers of the foodgrains in the world.

He said that like countries Argentina, China, US, Brazil and Russia have grain storage capacity higher than their total production.

"Now, in the cooperative sector, we are going to launch the scheme to have the world's largest storage capacity," Thakur

He further said that the country has the total storage capacity of 1450 lakh tonne and now 700 lakh tonne storage capacity will begin in cooperative sector.The informed that the total foodgrain production in the country is about 3,100 lakh tonne and the biggest problem is that (a portion of) valuable foodgrains go waste due to insufficient storage capacity and transportation related

The Minister said that the proposed scheme will not only save foodgrain from going waste but also reduce imports, boost food security, strengthen Primary Agricultural Credit Societies (PACS), contain migration, create jobs at panchayat level and increase farmers' income.

He said that the total estimated expenditure on the scheme would be around Rs 1 lakh crore.

"It's a win-win situation for one and all, for the Primary Agricultural Credit Societies (PACS), for the farmers, for the consumers and for the country as a whole," Thakur said.

Under the scheme, godowns with a capacity of 2,000 tonne will be set up in each block.

The new scheme envisages convergence of various schemes of the Ministry of Agriculture and Farmers Welfare, Ministry of Consumer Affairs, Food and Public Distribution and Ministry of Food Processing Industries.

The new scheme would be implemented by utilizing the available outlays provided under the identified schemes of the respective ministries.
