

T-Mobile Poland selects Wipro to Provide Integrated Applications and Infrastructure Services

Warsaw, Poland and Bangalore, India – June 15, 2015: Wipro Ltd. (NYSE:WIT), a leading global information technology, consulting and business process services company today announced that it has won a contract from T-Mobile Poland to provide integrated Applications and Infrastructure services.

Wipro has committed to T-Mobile a significant improvement of its legacy application consolidation & rationalization, transforming its operating model from application-focus to domain-focus leading to better customer service.

Over the next five years, Wipro will help T-Mobile systemize and standardize the IT architecture and operations of their Polish entity. A significant portion of the services will be provided from Wipro's Delivery Center in Warsaw as a part of their development strategy for Poland.

Anil Jain, Senior Vice President & Business Head-Global Communications and Media, Wipro Limited, said: "We are delighted to have been chosen by T-Mobile in Poland. This is a large transformational deal and a significant win for us. We look forward to supporting T-Mobile enhance their business performance through increased operational efficiency.

Milan Zika, Board Member, Chief Technology and Innovation, T-Mobile Polska, said: "We are very pleased to have brought a business partner aboard that understands where we want to be as a company and has the expertise to help us achieve our goals."

Wipro is present in Poland since 2008 and currently operates from 3 office centres in Poland- Warsaw, Gdansk and Dabrowa Gornicza. In Poland, Wipro has over 300 employees providing IT and BPO services to customers from multiple industries.

Note: *The deal was mentioned in Wipro Limited's Q4 FY14-15 financial results announcement press release dated April 21, 2015, for the quarter ended March 31, 2015, with the name of the company.*
