In other cases the timing for closing and re-opening of the trading window shall be determined by the Compliance Officer taking into account various factors including the Unpublished Price Sensitive Information in question becoming generally available and being capable of assimilation by the market, which in any event shall not be earlier than 48 (forty-eight) hours after the information becomes generally available.

When the trading window is open, trading by Designated Persons shall be subject to pre-clearance by the Compliance Officer, if the value of the proposed trades is above thresholds stipulated in Clause 6.4.
