**CHAIRMAN'S ADDRESS**

The Chairman addressed the members present at the meeting giving inter-alia Report/Information on business activities of the Company as under:

*As I pen this your Company now has a new name, a new identity – Indiabulls Ventures Ltd. (IBVL) The diversification into other businesses necessitated this change and I am confident that IBVL will scale greater heights under a new identity.*

*The newly elected government under the dynamic leadership of Mr. Narendra Modi resented its first Union Budget, which set a positive tone by emphasizing on the need to deal with pressing macroeconomic challenges. The need for time bound implementation of policies and projects, following the government's mantra of "minimum government and maximum governance" may see the economy clocking 7-8% growth in the coming 3-4 years.*

*The favorable external shock was the decline in crude prices by almost 50% since July 2014. This would work towards improving growth prospects and easing inflation pressures further.*

*Reposing faith in a stable and result oriented government, FIIs pumped in a staggering USD 33 bn during the period Apr-Dec, 2014 which helped the capital markets scale newer highs. The markets however continue to be volatile and will closely look at the speed of execution of the announced policy measures. Global cues will impact the markets which could lead to further volatility.*

*A revival in economic sentiment, rising income levels of borrowers and cooling property prices have resulted in improved outlook for the housing sector. Softening of interest rates combined with tepid property price inflation compared to increase in disposable incomes has made the house buying more affordable. In fact, the centre's push towards affordable housing is expected to substantially boost home sales over the next few years. IBVL through its subsidiary companies is ideally poised to partake of this opportunity through its realty distribution team.*

*The expansion of your Company's business into distribution of non discretionary wealth management products augured well for the Company as it continued to perform consistently amidst margin pressures. Another significant step was the acquisition of India Land and Properties Ltd. The acquisition was a foray into the commercial leasing space and opened up an approx 2 million sq ft opportunity in Ambattur, Chennai.*

*It gives me great pleasure to inform you that the Company reported a PAT of Rs. 151 cr, growing by a healthy 49%, and is now poised to grow aggressively in the coming years. The shareholders were yet again rewarded by way of a pay-out of Rs. 3/- per equity share as Interim Dividends, in aggregate, on a face value of Rs. 2/- per share, for the fiscal year 2014-15.*
