Auditor's Report on Quarterly Consolidated Financial Results and Consolidated Year to Date Results of the Bharti Airtel Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
Board of Directors of Bharti Airtel Limited

1. We have audited the quarterly consolidated financial results of Bharti Airtel Limited ("the Company") and its subsidiaries (together referred to as "the Group") for the quarter ended March 31, 2016 and the consolidated financial results for the year ended March 31, 2016, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The quarterly consolidated financial results are the derived figures between the audited figures in respect of the year ended March 31, 2016 and the published year to date figures up to December 31, 2015, being the date of the end of the third quarter of the current financial year, which were audited by us. The consolidated financial results for the quarter ended March 31, 2016 have been prepared on the basis of the consolidated financial results for the nine-month period ended December 31, 2015, the audited annual consolidated financial statements as at and for the year ended March 31, 2016, and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these quarterly consolidated financial results as well as consolidated financial results based on our audit of the consolidated financial results for the nine-month period ended December 31, 2015 which were prepared in accordance with the recognition and measurement principles laid down in International Financial Reporting Standards and IAS 34 Interim Financial Reporting ("IAS 34") issued by International Accounting Standards Board; our audit of the annual consolidated financial statements as at and for the year ended March 31, 2016; and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. We draw attention to Note 8 to the quarterly consolidated financial results as well as consolidated year to date financial results, which describes the uncertainties related to the legal outcome of Department of Telecommunication's demand with respect to One Time Spectrum Charge. Our opinion is not qualified in respect of this matter.
4. We did not audit the financial statements of the joint venture included herein with the Company's share of profit in joint venture of Rs 2,660 Mn and Rs 9,640 Mn for three months period and twelve months ended March 31, 2016, respectively. These financial statements and other financial information have been audited by other auditors whose report has been furnished to us by the management.
