Limited Review Report on Quarterly and year to date Unaudited Standalone Financial Results of Reliance Communications Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To the Board of Directors of
Reliance Communications Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Reliance Communications Limited ('the Company') for the quarter and nine months ended 31 December 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016 issued by SEBI.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 11 February 2017. Our responsibility is to issue a report on these financial results based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited standalone financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder and other recognised accounting practices and policies, except to the extent as modified by the Court Order dated 03 July, 2009 as stated in paragraph 5 below and the choice exercised by the Company in accordance with the said Court Order, which may be considered to override the relevant provisions of Indian Accounting Standard 8 (Ind AS 8) 'Accounting Policies, Changes in Accounting Estimates and Errors', has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5 July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on Quarterly and year to date Unaudited Standalone Financial Results of Reliance Communications Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

Reliance Communications Limited

5. We draw attention to Note 2 of the Statement regarding the Scheme of Arrangement ('the Scheme') sanctioned on 03 July 2009 by the Hon'ble High Court of Judicature at Mumbai, the Company is permitted to adjust additional depreciation and amortisation, expenses and/ or losses, which have been or are required to be debited to the statement of profit and loss by a corresponding withdrawal or credit from/ to General Reserve, as determined by the Board of Directors. During the quarter and nine months ended 31 December 2016, consistent with the practice followed in earlier periods, the Company has withdrawn ₹ 170 crore (corresponding previous quarter ₹ 294 crore) and ₹ 635 crore (corresponding previous nine months ₹ 895 crore) respectively from General Reserve to offset additional depreciation and amortisation on account of fair valuation of certain assets. Had such withdrawal not been made, the reported loss for the quarter and nine months ended 31 December 2016 would have been ₹ 449 crore (corresponding previous quarter ₹ 773 crore) and ₹ 2,337 crore (corresponding previous nine months ₹ 1,966 crore) respectively.

Further, during the quarter and nine months ended 31 December 2016 the Company has identified net exchange variations of ₹ 244 crore (corresponding previous quarter ₹ 204 crore) and ₹ 628 crore (corresponding previous nine months ₹ 563 crore) respectively, which are in the opinion of the board, considered to be of exceptional nature and are withdrawable from General Reserve as per the Scheme mentioned above and have not been charged as expenses. Accordingly, consistent with the practice followed in the earlier periods, the withdrawal from General Reserve for net exchange variations, if any, would be done at the year end. Above treatment has no impact on the reported loss for quarter and nine months ended 31 December 2016.

Our review report is not modified in respect of the above matters.

6. The unaudited financial results for the comparative periods ended 31 December 2015 included in the Statement are based on published financial results for the said periods prepared in accordance with the then applicable Accounting Standards and other accounting principles generally accepted in India as reviewed by B S R & Co. LLP, Chartered Accountants, one of the joint auditors and Chaturvedi & Shah, Chartered Accountants, vide limited review report dated 22 January 2016, as adjusted for the differences in the accounting principles adopted by the Company on transition to IndAS, which have been reviewed by us.

Reliance Communications Limited

- (ii) During the quarter and nine months ended 31 December 2016, as permitted by the Schemes referred to in paragraph (i) above, the Company and its subsidiaries, Reliance Communications Infrastructure Limited and Reliance Infratel Limited have identified net exchange variations of ₹ 275 crore (corresponding previous quarter ₹ 291 crore) and ₹ 713 crore (corresponding previous nine months ₹ 740 crore) respectively, which are in the opinion of the respective Board, considered to be of exceptional nature and are withdrawable from General Reserve as per the Schemes mentioned above and have not been charged as expenses. Accordingly, consistent with the practice followed in the earlier periods, the withdrawal from General Reserve for net exchange variations, if any, would be done at the year end. Above treatment has no impact on the reported profit for quarter and nine months ended 31 December 2016.

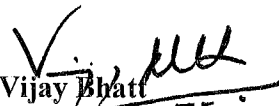

Our review report is not modified in respect of this matter.
