

HERO MOTOCORP FURTHER AUGMENTS PRODUCT RANGE WITH THE LAUNCH OF NEW PASSION PRO

NEW PASSION PRO, WITH MORE POWERFUL ENGINE, ENHANCED MILEAGE & ATTRACTIVE STYLING, COMES AT RS 47,850/- (EX-SHOWROOM DELHI)

New Delhi, June 16, 2015: Further bolstering its robust portfolio of winning products, Hero MotoCorp, the world's largest two-wheeler manufacturer, today launched the stylish and more powerful new Passion Pro bike.

One of the most popular motorcycle brands in the country with over a million units in annual sales, Passion has captured the imagination of customers for over a decade. A stylish bike from its inception, Passion has reinvented itself with changing times and now comes with more powerful engine, enhanced fuel efficiency and greater style quotient, to go with the legendary Hero reliability.

Engine

Powered by a 97.2 CC APDV engine, the new Passion Pro delivers an exciting power output of 6.15 kW @ 8000 rpm and maximum torque of 8.05 Nm @ 5000 rpm.

Safety & Convenience

The new bike features a Flush Type fuel tank cap which adds to the convenience, provides greater safety and enhanced looks. The fuel tank has capacity of 13.5 liters. With the 240 mm front disc brakes, the bike is designed for plenty of brake power to make the ride even safer, while clear indicators and new tail light increases rider safety through enhanced visibility.

Salient features

The new Passion Pro comes with power start, front side cowl and digital-analog combo meter, improving the visibility of the instrument cluster. The bike will offer eight exciting colors to choose from – Black Sports Red, Black Heavy Grey, Black Frost Blue, Sports Red, Force Silver, Bronze yellow and two completely new colors – Matte Brown and Majestic White.
