## Business Update

- Ministry of Company Affairs has recently notified that all merger proposals be dealt with by National Company Law Tribunal (NCLT) and not the Honorable High Courts. The process of receiving official notification, moving of files from High Court to NCLT and listing of the proposals have taken significant additional time, not foreseen when the merger of Phoenix with Suprajit was announced. NCLT, Bangalore is dealing with merger cases for the first time, but management is hopeful that the process will be completed within next 3-4 months.
- New imported automated production line (H7), last part of the Capex, announced earlier, has arrived at site. It is currently undergoing installation, trials and testing. Samples from the new line are also under testing at customers' end. Company expects to complete the trials in March and start commercial production in April 2017. Subject to approvals, Company expects to receive additional business for this product from April 2017 onwards.
