

## **Moser Baer Trust kick starts Digital Literacy Programme for ITBP, Greater Noida**

- Moser Baer Trust & ITBP take a step towards 'Digital India' Campaign
- 6 weeks training programme is formulated and designed by Moser Baer Trust

New Delhi, 18th September, 2015: Moser Baer Trust, the social arm of Moser Baer India Limited today launched **Digital Literacy Programme** for ITBP (Indo Tibet Border Police) Battalion based in Lakhanawali Camp, Greater Noida. The DLP Centre, an institute set up by Moser Baer for ITBP personnel at ITBP base was also inaugurated by **Nita Puri, Director, Moser Baer and Commandant, Rajesh Kumar Tomar, 39th. Bn I.T.B.P.F.**

The first of its kind public civil society partnership for up skilling the paramilitary forces aims at making the personnel of ITBP digitally literate. Also, to make them more comfortable with the digital interactions, which is now an integral part of our day to day life.

The 6 weeks digital skills training course is formulated and designed by Moser Baer Trust. After completing the six weeks training, the learners will be tested and certified by Moser Baer Trust. The newly inaugurated DLP Centre has a capacity of teaching 50 trainees per month.

Speaking on the occasion, **Ranu Kulshrestha, Chief Executive, MB Trust,** shared, "Moser Baer Trust always believes in empowering the different sections of the society and also making them self-reliance. So far, we have trained more than 7000 people through our Digital Literacy Programme. This time, we decided to conduct a training programme for our soldiers and personnel from armed forces. We are thankful to ITBP to give us an opportunity to serve the nation and also supporting the National Digital Literacy programme initiated recently by the govt. of India. The successful pass-outs shall further be linked to the National Digital Literacy Mission".

### **About Moser Baer Trust**

Moser Baer Trust, the social arm of Moser Baer India Limited believes - CSR is a way towards conducting business that achieves an integration of social economic and environmental imperatives at the same time addressing stakeholder expectations.

The Trust came into existence in July 2005 and ever since its inception has been in the forefront in intervening with contiguous communities in assisting them to address the challenges they face. The Trust is committed to achieve the Country Development Goals as well as the Millennium Development Goals wherever it operates.
