Mr. Vineet Kashyap, Managing Director, B L Kashyap & Sons Ltd. said, "The recent orders won by B L Kashyap are in the key growth sectors of the economy, including construction of residential real estate and business parks. B L Kashyap has legacy of having constructed and delivered world-class projects in dynamic markets of India. The construction industry is facing interesting times especially post pandemic. We are seeing revival in the sector with an increase in construction project queries. Focusing on our product mix, we at BLK are moving from contracting and concentrating more on end users, built to suit, large blue chips companies. We are seeing a movement from road infrastructure players into the building infrastructure space, this may be a growing trend in the coming years."

B L Kashyap has always been an early adopter of relevant technology. The company is using technology to monitor project sites remotely through Drones, which helps improve efficiency and quality. Company's commitment to quality has led to continuously train and up skill manpower.
