Dear Sirs,

**Sub: Intimation of receiving "Geospatial Business leader of the Year award"**

This is to inform that Mr. Sajid Malik, Chairman and Managing Director of the Company has been awarded "**Geospatial Business Leader of the Year**". The award was presented by Dr Kiran Kumar, Member of the Space Commission and former Chief of ISRO. A glimpse of event captured is attached as Annexure I

The jury recognized Genesys International's contribution under the leadership of Mr. Sajid Malik for introducing state-of-the-art geospatial data and infrastructure in the country, particularly through the launch of the 3D digital twin map platform, one of the most advanced geospatial technologies globally.

Commenting on the award, Mr. Sajid Malik, stated, "Genesys has consistently been at the forefront of geospatial technologies, and we are enthusiastic about our mapping platform and the opportunities that lie ahead. We are grateful to the distinguished jury for recognizing the outstanding work done by the talented individuals within our company."

This is for your information and records please.

Thanking you,

For **Genesys International Corporation Limited**

**Vineet Chopra**  
**Vice President – Legal and Company Secretary**  
Encl: As above

## Annexure I

Mr. Sajid Malik, Chairman and Managing Director of Genesys International receiving the award of “**Geospatial Business Leader of the Year**”, from Dr Kiran Kumar, Member of the Space Commission and former Chief of ISRO
