Mumbai, May 10, 2017: The Board of Directors in its meeting held today, has approved and taken on record the audited consolidated financial results of Zee Entertainment Enterprises Limited (ZEEL) (BSE: 505537, NSE: ZEEL.EQ) and its subsidiaries for the quarter and year ended March 31, 2017.

ZEEL reported consolidated revenue of Rs 15,280 million for the fourth quarter of fiscal 2017. Earnings Before Interest, Tax, Depreciation and Amortization (EBITDA) was at Rs 4,687 million. PAT for the quarter was Rs 15,142 million which includes exceptional gain of Rs 12,234 million on account of sale of sports business. EBITDA margin for the quarter stood at 30.7%.

Dr. Subhash Chandra, Chairman, ZEEL, commented, “The Indian economy has exhibited strong resilience with GDP growth of 7% in Q3FY17 despite demonetization of high value currency. Implementation of Goods and Services Tax (GST) would unify India into one market. This along with other reforms and push on infrastructure would accelerate growth from already healthy levels. A normal monsoon as forecasted by IMD could give a fillip to rural consumption.”

Mr. Punit Goenka, Managing Director & Chief Executive Officer, ZEEL, commented, “We are happy to deliver yet another quarter of strong financial performance despite the difficult economic environment. Our domestic advertising revenue grew by 8.1% despite the impact of demonetization.

After a couple of quarters of weakness, advertising growth appears to be back on track. The GST roll-out could boost advertising spends as a part of potential tax savings might be reinvested. While there is uncertainty regarding the implementation of the new tariff regulation due to pending litigations, we have published the prices of our channels and bouquets. We are confident that with the strong competitive position of our channels in every genre, we will be able to drive subscription business.

We have completed the first phase of sale of sports business during the quarter. While this had an impact on revenues, our focus is to strengthen national and regional channel portfolio, along with growing new businesses. We are exploring ways to extinguish preference share liability using the proceeds from the sale of sports business.”

BUSINESS PERFORMANCE

Broadcast Business

In Q4FY17, ZEEL's non-sports viewership share was 16.1%. While the pay Hindi GEC bouquet maintained its market share, the regional portfolio improved its market share.

Our two Hindi GECs, **Zee TV** and **&tv**, had a combined share of 21% amongst the top 7 channels in pay Hindi GEC genre. **Zee Anmol**, Hindi GEC catering to Free-to-Air (FTA) audience was ranked third in the genre.

In pay **Hindi movie** genre, we continue to retain leadership position through our four channels.

Regional entertainment portfolio once again exhibited a strong performance. **Zee Marathi** maintained its market share at the No.1 position in the Mah/Goa market. **Zee Bangla** was the second most watched channel in West Bengal. In Telugu market, **Zee Telugu** was the second ranked channel. **Zee Kannada** strengthened its position as the second ranked channel in Karnataka. **Zee Tamil** was the second ranked channel in the Tamil market. **Sarthak TV** continues to dominate the Oriya market.

Our **English cluster** continues to perform well bringing the best entertainment content and movies from around the world.

International Business

ZEEL's **International business** saw a decline in advertising and subscription revenues due to base effect. In Q4FY16, two popular cricket events were telecasted on our network in Pakistan which boosted advertising income. Similarly, international subscription for Q4FY16 was helped by catch-up revenue.

For the quarter ended March 31, 2017, international business financials are:

- Advertisement Revenue of Rs 525 Mn
- Subscription Revenue of Rs 1,026 Mn
- Other Sales and Services of Rs 663 Mn
- Total Revenue of Rs 2,214 Mn

Other Businesses

Zee Music Company, our music label, continued with its library expansion with acquisition of rights of both Bollywood as well as regional music. In Q4, our music label registered more than 2.2 billion views on YouTube.

Live Events business kicked off on-ground shows under the Zee Theatre umbrella in 9 cities across the country and 3 cities overseas. Zee Live's other property 'Wicked Weekends' continued to enthrall young audience in metro cities.

DittoTV is now integrated with major telecom operators which has led to good traction on the platform. Ozee continued to see organic growth with increased footfalls and witnessed an average of 50 mn+ video views per month during the quarter.

CONDENSED STATEMENT OF OPERATIONS

Consolidated operating revenue for the fourth quarter of FY17 stood at Rs 15,280 million, recording a growth of 0.4% on YoY basis. EBITDA for the quarter ended March 31, 2017 was Rs 4,687 million translating into EBITDA margin of 30.7%. Profit After Tax (PAT) for the quarter was Rs 15,142 million which includes exceptional gain of Rs 12,234 million on account of sale of sports business. Advertising revenue

ZEEL's consolidated advertising revenue in Q4FY17 was flat on YoY basis at Rs 8,469 Million. Domestic advertising growth was 8.1% YoY despite the negative impact of demonetization. Advertising revenue of our international business was impacted by country specific issues during the quarter and the base quarter revenue was aided by telecast of popular cricket events in Pakistan.

On a full year basis, the advertising revenue grew by 9.2% in FY2017 to Rs 36,735 million driven by strong performance of our regional channels and cinema cluster. While growth in H1FY17 was 17.4%, H2FY17 was impacted by demonetization and sale of sports business.

Subscription revenue

Domestic and international subscription revenues for the quarter declined by 2.8% YoY and 18.7% YoY respectively, largely due to catch-up revenues in Q4FY16. In addition, consolidation of only two months of sports business impacted subscription revenue during Q4FY17.

EXPENDITURE

ZEEL's total expenditure in Q4FY17 stood at Rs 10,593 million, lower by 4.6% compared to Q4FY16. The following table gives the break-down of costs.

<i>(Rs million)</i>	Q4FY2017	Q4FY2016	Growth	FY2017	FY2016	Growth

Total Expenses	10,593	11,109	-4.6%	45,073	42,989	4.8%

Refer Notes A and B above

Operating cost in Q4FY17 was lower on YoY basis due to consolidation of sports business for two months and higher costs of the two cricket events telecasted last year. The drop in Advertising, Publicity and other expenses is largely attributable to savings achieved in placement costs.

INVESTMENT IN MOVIES

Movies is one of the most important avenues of entertainment for Indian consumers and a key long term growth driver for our business. We have a portfolio of 11 movie channels across Hindi and regional languages. During FY17, we have significantly increased our investments in acquisition of movie rights and production of movies. A large part of increase in inventory and other current assets is on account of these investments. At the end of FY17, advances for movies stood at Rs 4,461 million. Advances are paid for acquisition of future rights and advance purchase of rights of movies under production.
