5. RBI had asked banks to review certain loan accounts and their classification over the two quarters ending December 31, 2015 and March 31, 2016. The Bank has completed this exercise over the timeframe stipulated by RBI.
6. The weak global economic environment, the sharp downturn in the commodity cycle and the gradual nature of the domestic economic recovery has adversely impacted the borrowers in certain sectors like iron and steel, mining, power, rigs and cement. While the banks are working towards resolution of stress on certain borrowers in these sectors, it may take some time for solutions to be worked out, given the weak operating and recovery environment. In view of the above, the Bank has on a prudent basis made a collective contingency and related reserve during the three months ended March 31, 2016, amounting to ₹ 3,600.00 crore towards exposures to these sectors. This is over and above provisions made for non-performing and restructured loans as per RBI guidelines.

8. In accordance with RBI circular dated July 16, 2015, investment in Rural Infrastructure and Development Fund and other related deposits have been re-classified to Schedule 11 - Other Assets from Schedule 8 - Investments. Consequently, interest on such deposits has also been re-classified to 'Others' from 'Income on investments' in Schedule 13 - Interest earned.
9. During the year ended March 31, 2015, the Bank made full provision against outstanding Funded Interest Term Loans (FITLs) pertaining to restructurings prior to issuance of RBI guidelines on debt restructuring, by debiting its reserves by ₹ 929.16 crore with the approval of the RBI since this item related to prior years. In 2008, RBI had issued guidelines on debt restructuring, which also covered the treatment of funded interest in cases of debt restructuring, that is, instances where interest for a certain period is funded by a FITL which is then repaid based on a contracted maturity schedule. In line with these guidelines, the Bank was providing fully for any interest income which was funded through a FITL for cases restructured subsequent to the issuance of the guideline. However, during the year ended March 31, 2015, RBI required similar treatment of outstanding FITL pertaining to cases restructured prior to the 2008 guidelines which were not yet been repaid.
