Notes:

1. The above financial results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 29, 2015.

2 (a) The company has provided corporate guarantee, pledge besides cash margins retained by the bank all totaling to Rs. 330.17 crore in favour of a lender to secure the borrowings of certain group companies. Of the cash margin amounting to Rs. 18.11 crore, the lender has appropriated a sum of Rs. 10.98 crore, for the dues of one of the borrowers. The Board of Directors has reviewed and carried out a critical appraisal of the amount recoverable from the borrower entity and, taking into consideration its financial ability to repay and, as a matter of prudence, has provided for the entire amount of Rs. 10.98 crore due from this entity.

Although the said lender has also invoked the corporate guarantee and pledge of securities and demanded repayment of loans amounting to Rs. 312.06 crore, the borrowers are in negotiation with lender and are regular in servicing their respective obligations. Hence, the company continues to treat its obligations as contingent.

(b) An amount of Rs. 61.64 crores is due from a Group company, which is contesting several winding up petitions filed against it. In the opinion of the management no provision is considered necessary at this time.

(c) The company's net worth, taking into account the market value of investments, would be more than adequate to meet all its liabilities and continue to operate in the future. Accordingly, the accounts of the company are presented on principles applicable to a going concern.

3. There is no income tax liability on the profits of the year, taking into account the exempted profit on sale of securities.

4. The position of Managing Director fell vacant on 12th May 2014 and efforts are being made to identify a successor. The Company presently does not have any Managerial Personnel namely Managing Director and Chief Financial Officer.

5. The Company is registered with Reserve Bank of India as a Non-Banking (no deposit accepting) Financial Company. Certain regulatory requirements prescribed by the Reserve Bank of India under NBFC Regulations could not be met by the Company during the year. The matter is being addressed by the Board of Directors to find a suitable solution.

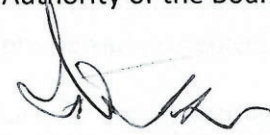

6. The Company had entered into a supply agreement with Mangalore Chemicals & Fertilizers Limited for supply of finished goods (materials). However, no transaction for purchase of materials could be recorded on account of various regulatory and logistic issues. The matter is being addressed by the Board of Directors to find a suitable solution.

7. Decline in the carrying value of long term investments of Rs. 30.30 crores, is considered temporary, having regard to the strategic nature of such investments.
8. The figures of the last quarter are the balancing figure between audited figures in respect of the full financial year and published year to date figures upto the third quarter of the current financial year.
9. Figures of the previous period / year have been regrouped / rearranged wherever necessary.
