**Bengaluru, June 23, 2015: Mahindra Lifespace Developers Ltd (MLDL)**, the real estate and infrastructure development business of the \$16.9 billion Mahindra Group, marked its foray into the Bengaluru market, by announcing the upcoming launch of its premium residential project, **Windchimes** on Banerghatta Main Road.

Windchimes is spread over 5.85 acres and offers luxurious 3 and 4 BHK residences in three sizes and across 2 towers. Located adjacent to the Proposed Metro Phase 2 line and in close proximity to IIM Bangalore and Hulimavu Station, the development is in close proximity to residential as well as prime commercial corridors of the city. At Windchimes, the indoor-outdoor living experiences of a traditional house have been transposed onto a vertical format with outdoor spaces.

Windchimes has been designed to create a sense of privilege. An assortment of leisure activities await indulgence which includes a well-appointed Club house, Gym, Spa, Swimming pools, Sports activity areas besides Elders Corner and Children's Play area. The beautiful landscape elements of courtyards, gardens, and ponds, all coalesce to create the premium feel of a resort. The lush landscape fills the site with roads limited only to the periphery, leaving the central greens free for pedestrian movement.

Mahindra Lifespaces has been at the forefront of sustainable development. It is India's first 'Green Homes' developer with one of the largest footprints of Indian Green Building Council (IGBC) pre-certified and certified green buildings.
