1. We have reviewed the unaudited financial results of Dhunseri Petrochem Limited (the "Company") for the quarter ended September 30, 2016 which are included in the accompanying "Statement of Standalone Unaudited Financial Results for the Quarter and Six Months ended 30<sup>th</sup> September, 2016" and the statement of assets and liabilities on that date together with the notes thereon (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015") and SEBI Circular dated July 5, 2016, which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Further, the Management is also responsible to ensure that the accounting policies used in preparation of this Statement are consistent with those used in the preparation of the Company's opening unaudited Balance Sheet as at April 1, 2015 prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw your attention to Note 4 to the Statement, regarding non-provisioning in respect of current tax expense during the quarter and six months ended September 30, 2016, in accordance with Indian Accounting Standard 34- Interim Financial reporting and Indian Accounting Standard 12 - Income Taxes. The impact of such non-provisioning on the profits and earnings per share for the quarter and six months ended September 30, 2016 and Other equity and Current tax liabilities as at September 30, 2016 cannot presently be determined.
5. Based on our review conducted as above, except for the indeterminate effect of the matter referred to in Paragraph 4 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 and SEBI Circular dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

2. Pursuant to the Scheme of Arrangement (the Scheme), duly sanctioned by the Hon'ble High Court at Calcutta at the hearing held on 27th July, 2016, with effect from the appointed date i.e. 1st April, 2016, the "Polyethylene Terephthalate ("PET Resin") business of the Company in India ("Transferred Business) stands transferred to Dhunseri Petglobal Limited (DPGL). Upon filing of the certified copy of the Court Order with the Registrar of Companies on 11th August, 2016, the Scheme has become operative on and from the said date and accordingly the effect of the same has been given at the time of preparation of these results.

In terms of the Scheme the consideration for transfer of PET Resin business of the Company in India amounting to Rs 284.75 crores being the book value of the net assets of the said business as on the appointed date has been settled by DPGL by issue and allotment of 284,75,000 Optionally Convertible Debentures (OCDs) of Rs. 100 each. Such OCDs have been fully redeemed during the quarter ended September 30, 2016.

Profit/(Loss) from the aforesaid discontinued operations as included in the above results and details thereof are set out below:

3. Exceptional item for the six months ended 30th September, 2016 represents provision for impairment loss, recognised on prudent basis taking into consideration certain unfavourable business conditions in respect of the Company's long term and strategic investment in Egyptian Indian Polyester Company S.A.E, a Subsidiary Company in Egypt. Further, Exceptional Item for the quarter and six months ended 30th September, 2015 represents refunds of duty paid by the Company, in respect of the Transferred Business referred to in Note 2 above, on Polyester Chips exported to and landed in the United States of America (USA) during the period from 1st August, 2013 to 31st March, 2015 which has arisen to the Company and accounted for during the quarter ended 30th September, 2015 upon renewal of the Generalised System of Preference program with retroactive effect between 1st August, 2013 to 28th July, 2015 by a provision in the Trade Preference Extension Act of 2015 of the USA.
4. The Company is currently undergoing various business restructuring plans and the impact / implications of the transactions that are likely to occur together with transactions already occurred relating to transfer of PET resin business, is difficult to assess at this stage and accordingly a reliable estimate of the weighted average annual income tax rate expected for the full financial year that is required to compute current tax expense and related liability if any, in keeping with Ind AS is currently not ascertainable. Accordingly no provision for current tax expense as required by Ind AS 12 has been considered for preparation of the unaudited financial results for the quarter and six months ended 30th September, 2016. The statutory auditors of the Company have qualified their limited review report on the results for the quarter ended 30th September, 2016 on this issue.
5. Consequent upon transfer of the business segment Polyester chips with effect from 1st April, 2016 pursuant to the Scheme referred in Note 2 above, the Company is now primarily engaged in Treasury Operations and is managed organizationally as a single unit. Accordingly, effective 1st April, 2016 the Company has a single reportable segment and earlier practice of segment reporting by primary business segment is no longer applicable to the Company.

6. Pursuant to the Investment Agreement dated 29th February, 2016, and acquisition of shares of DPGL by Indorama Ventures Global Services Limited by way of fresh allotment and consequent dilution on 12th September, 2016, DPGL has become a Joint Venture of the Company and ceased to be subsidiary
7. Pursuant to the Share Purchase agreement dated 29th February, 2016, the Company has acquired 50% stake in Equity Shares and Compulsorily Convertible Debentures of Micro Polypet Private Limited (MPPL) on 12th September, 2016 for an aggregate consideration of Rs 112.13 crores and upon such acquisition MPPL has become a Joint Venture company.
8. Pending completion of relevant formalities, certain assets including bank balances and liabilities pertaining to the Transferred Business referred to in Note 2 above are yet to be transferred in the name of Dhunseri Petglobal Ltd
