**New Delhi, April 19, 2017:** Bharti Airtel (“Airtel”), India’s largest telecommunications services provider, announced a partnership with Amazon for Amazon’s Fire TV Stick with Voice Remote, which was launched in India today. #

#

Customers purchasing Amazon Fire TV will get free 100 GB high speed data via Airtel Broadband/Airtel 4G Home Wi-Fi\* to enable them to enjoy online content on their TV. #

#

In addition, Airtel Movies, the OTT app from Airtel, will offer Airtel mobile and broadband customers access to an exciting collection of thousands of popular Bollywood movies & premium TV shows across a host of genres.#

#

**Raj Pudipeddi, Director – Consumer Business & Chief Marketing Officer, Bharti Airtel** said, “We are delighted to partner with Amazon to enable a superior online content experience through our platforms. We invite customers to experience the Amazon Fire TV Stick with Voice Remote Fire TV on Airtel and also enjoy thousands of movies with Airtel Movies. Airtel has consistently innovated to delight the Indian consumer and has been rated as the top broadband network and the fastest mobile network in the country.”#

#

While the data offer can be availed by existing as well as new Airtel home broadband and 4G home Wi-Fi customers, free access to content on Airtel Movies will be available to all Airtel mobile customers as well. The data quota can be availed in buckets of 35GB per month for three months from the date of activation. To activate the Airtel offer, customers of Amazon Fire TV Stick with Voice Remote have to just launch Airtel Movies and follow a few simple steps#

#

Airtel 4G is available to customers in all 22 circles across India and the Airtel 4G home Wi-Fi device enables a seamless high speed Wi-Fi experience in homes with the added benefit of portability. Airtel has been rated as fastest mobile network in India by Ookla. #

#

Airtel Broadband is available to customers in 87 cities and offers high speed broadband with speeds up to 100 Mbps with cutting edge offerings like V-Fiber that power digital homes of the future.

*\*Airtel 4G Home Wi-Fi is currently available only in Delhi, Mumbai, Karnataka, Kerala, Haryana, Kolkata, Punjab and Maharashtra.*
