18. It is further stated in the application that the Corporate Debtor has been availing credit facilities from other banks apart from Punjab National Bank-Financial Creditor / Applicant and other banks and financial institutions. These banks also have *pari passu* charge over the property and assets both movable and immovable, hypothecated in their favour.

20. Counsel for the Financial Creditor / Applicant has filed before us, a copy of letter dated 06.07.2017 of the Respondent no.-1 company / Corporate Debtor in response to the Financial Creditor's notice dated 30th June, 2017 enclosing a complete set of application filed on behalf of Punjab National Bank under Section 7 of the IBC. An extract of the Respondent no.-1's reply is given below: -

- (1) "The company have manufacturing plants spread across three states and have invested huge fund in building the said manufacturing facilities. In those manufacturing facilities, approximately 4500 workers are engaged. They have not received their wages & dues and are very actively agitating at all locations.
- (2) That despite adverse market conditions, the Company's manufacturing activities were in full swing till 2010-2011 and it could have continued for much longer period had there been cooperation and understanding of the liquidity crisis by the Bankers / Secured Lenders.

(3) That even, at that stage the Management put all their efforts to revive the Company and were almost successful but for the non-cooperative attitude of the Banks / Secured Lenders. If, the desired liquidity has been pumped in at that time, the Company would have been active at this juncture.

(4) That the Company, in fact till 2011-12 put its best efforts to honour its commitment towards payment of Principal and interest thereon and on cursory look of your application, it appears that your client i.e. Punjab National Bank has not taken into account all the adjustment made as per the restructuring schemes approved under CDR mechanism and payments made thereafter by the Company.

Thus, the claim put forward by your client in the application before the Hon'ble National Company Law Tribunal is exaggerated, unsubstantiated, frivolous and not in accordance with the accepted restructuring scheme.

(5) That Due to heavy losses and erosion of net worth, the Company made a reference to the erstwhile Hon'ble Board for Industrial & Financial Reconstruction (BIFR) and same was registered under reference number 58/2012 in October, 2012.

That as per the order of Hon'ble BIFR, the Company had drawn up an elaborate revival plan, taking into consideration the market demand and available financial strength. The revival plan was submitted to the Secured Creditors, including Punjab National Bank, through ICICI Bank Ltd. the Operating Agency (OA). The revival plan was prepared, considering the interest of all stake holders including the secured creditors, the Workers & Employees and the Statutory Authorities (for Statutory Dues).

However, instead of deliberating and exploring the possibilities of revival of the Company, the secured creditors

including Punjab National Bank opt for actions under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 and got the proceedings at BIFR abated.

By this action of the Secured Lenders, not only the revival of the Company was jeopardized, but the future of approximately 4500 workers, many employees and other stakeholders was adversely affected.

(6) That your client i.e. Punjab National Bank to recover its alleged dues has also approached the Hon'ble Debt Recovery Tribunal, Delhi and the matter is sub-judice."

21. Learned Counsel of the Corporate Debtor was given an opportunity to file a reply to the petition within one week on 10.07.2017. However, it is seen that the Corporate Debtor has not availed of this opportunity, even by the next date of hearing i.e. 18.07.2017. So be it.

22. We have also heard learned Counsel for the 'Financial Creditor' who has taken us through the various paras of the application as already recorded in the preceding paras from the perusal of the record. We are satisfied that the 'Financial Creditor' has proved by overwhelming evidence that default has occurred. Accordingly, the application for initiation of Corporate Insolvency Resolution Process under section 7 is admitted and Mr. Sanjay Gupta, Registration No. IBBI/IPA-001/IP-P00117/2017-18/10252 is appointed as Interim Resolution Professional.

23. In pursuance of Section 13 (2) of Code, we direct that public announcement shall be immediately made by the Interim Resolution Professional with regard to admission of this application under Section 7 of the Code. We also declare moratorium in terms of Section 14 of the Code. A necessary consequence of the moratorium flows from the provisions of Section 14 (1)(a), (b), (c) & (d) and thus the following prohibitions are imposed:

“(a) the institution of suits or continuation of pending suits or proceedings against the Respondent no.-1 including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority;

(b) transferring, encumbering, alienating or disposing of by the Respondent no.-1 any of its assets or any legal right or beneficial interest therein;

(c) any action to foreclose, recover or enforce any security interest created by the Respondent no.-1 in respect of its property including any action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002;

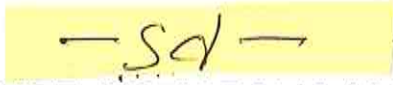

(d) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the Respondent no.-1.”

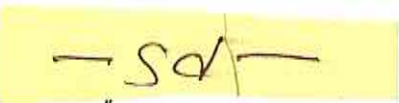

24. It is made clear that the provisions of moratorium shall not apply to transactions which might be notified by the Central Government or the supply of the essential goods or services to the Respondent no.-1 as may be specified is not to be terminated or suspended or interrupted during the moratorium period.

25. The Petition is disposed of in the above terms.
