During the year the company has applied for striking-off of name of its subsidiaries namely VRL Infrastructure Limited and VRL Retail Venture Limited with Ministry of Corporate Affairs, as the same was incurring losses to the company. The results of these companies have not been consolidated in financials.
6. The Company has only a single reportable primary (business) segment viz. Retail Business. Therefore, segment information is provided only on a consolidated basis for the Company, its subsidiaries and joint venture called the "Group".
7. The Company has changed its method of depreciation on fixed assets from Written Down Value ("WDV") method to Straight Line Method ("SLM") method except building, as management believes that such change in accounting policy results in fair recognition of depreciation charge vis-à-vis its operations particularly when the Company is on growth path, which presents the financial results more appropriately. Due to such change in method of depreciation, adoption of Schedule-II of the Companies Act, 2013-depreciation charge is lower by Rs. 114.56 Lacs, reserve and surplus/ profit after tax is higher by Rs. 77.39 Lacs (net of tax Rs. 37.17 Lacs) and profit before tax is higher by Rs. 114.56 Lacs, for the year ended 31 March 2015. 12. Previous quarter / year figures have been regrouped / reclassified where ever necessary to confirm to the current quarter's and years presentation.

13. Management comments on auditors' qualifications / observations for the previous quarter / period are as under:-

- a) The Capital reserve amounting to Rs.60,523.24 Lacs, is Rs. 42,942.24 Lacs arising out of transfer of asset and liabilities to the acquiring companies in earlier years for which necessary reconciliation/ information to the tune of Rs 372.24 Lacs is not available with the company. Accordingly in the absence of the same, we are unable to comment on the appropriateness of capital reserve including consequential impact, if any, arising out of the same on these financial statements.

The Company restructured its business in F.Y 2010-11 resulting a Capital Reserve of Rs. 60,523 Lacs. The amount of Capital Reserve has been reconciled except Rs. 372.24 Lacs for which the company is in process to reconcile and there is no impact on Profit & Loss account.

- b) The Company has outstanding short-term borrowings at the year-end due to a lender including overdue principal and interest for which necessary supporting documents for balance confirmation at the year end and relevant information with relation to rate of interest is not available with the Company. In the absence of the same, we are unable to comment on the same.

The interest expense has been recognised in the Books of Account on the basis of the figure provided by the concerned lender in May 2012, in relation to balances as on 31st March 2012. The matter in respect of rate of interest is pending with DRT-II, Kolkata. Impact on Profit & Loss account cannot be quantified till the matter is disposed off by DRT-II, Kolkata.

- c) The company has recognized Rs. 27,111.06 Lacs as deferred tax assets at the year-end for which it does not have virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized in accordance with principles of Accounting Standard 22 "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. Had the company not recognized deferred tax, impact on profit and loss account would have been increase in loss during the year by Rs. 16.70 Lacs and decrease in Reserves and Surplus by Rs. 27,111.06 Lacs.

The Company has started to earn profits and during year, the Company has earned profit after tax of Rs. 975 Lacs resulting in reversal of Deferred Tax Assets by a sum of Rs. 869 Lacs and rest amount will be reversed in due course of business.

- d) The Company has disclosed contingent liabilities on account of appeals with various statutory authorities at different levels amounting to Rs. 16,957.11 Lacs for which necessary information is not available with the Company to reliably ascertain estimated amount of such liabilities and consequential impact thereof on these financial statements in accordance with Accounting Standard-29 issued by the Institute of Chartered Accountants of India. Hence, we are unable to comment on the same.

The Contingent Liabilities of Rs. 16,957.11 Lacs are under appeal with different authorities at different levels. The chances of these obligations are very remote even recently we have been awarded an order in our favour by Hon'ble Delhi High Court, quashing a demand of about 1,100 Lacs. Impact on Profit & Loss account cannot be ascertained till the matter is pending with different government authorities.

5. We draw attention to :

- a) *As stated in these consolidated financial results, included in capital reserve amounting to Rs.60,523.24/-lacs, is Rs. 42,942/-lacs arising out of transfer of asset and liabilities to the acquiring companies in earlier years for which necessary reconciliations/ information to the tune of Rs 372.24/-lacs is not available with the company. Accordingly in absence of the same, we are unable to comment on the appropriateness of capital reserve including consequential impact, if any, arising out of the same on these consolidated financial results.*
- b) *As stated in these consolidated financial results, the Group has outstanding short-term borrowings at the year-end due to a lender which include overdue principal and interest for which necessary supporting documents for balance confirmation at the year end and relevant information with relation to rate of interest is not available with the Company. In the absence of the same, we are unable to comment on appropriateness of the same.*
- c) *As stated in these consolidated financial results, the Group has recognized Rs. 26,242.01/- lacs as deferred tax assets at the year-end for which it does not have virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized in accordance with the principles of Accounting Standard 22 "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. Had the company not recognized such deferred tax asset, impact on profit and loss account would have been decrease in profit during the year by Rs. 26,242.01/- lacs and decrease in Reserves and Surplus by Rs. 26,242.01/-lacs.*
- d) *As stated in Note 8 of these consolidated financial results, the Group has disclosed contingent liabilities on account of appeals with various statutory authorities at different levels amounting to Rs.16,938.13/-lacs for which necessary information is not available with the Company to reliably ascertain estimated amount of such liabilities and consequential impact thereof on these consolidated financial results in accordance with Accounting Standard 29- 'Provisions, Contingent Liabilities and Contingent Assets' issued by the Institute of Chartered Accountants of India. Hence, we are unable to comment on the same.*
- e) *As stated in these consolidated financial results, the Group has year-end inventory of traded goods amounting to Rs. 4,265.95 lacs in its new warehouse at Mubarikpur, Haryana for which no physical verification was performed by us as the company was in process of shifting such goods to this warehouse. Hence, we are unable to comment on such inventory lying at the company's warehouse.*

6. Without qualifying our opinion, we report that,

- a) Attention is invited to note 10 of these consolidated financial results wherein the Group has accumulated losses amounting to Rs. 52,757.58/- lacs at the year-end which raises concern regarding going concern status of the Group. However, during the year, the Group has earned profit after tax of Rs. 975.48/-lacs and, having regard to improvement in the business conditions, increase in revenue from operations, cost rationalization measures adopted and opening of new stores by the group, these financial results have been prepared on a going concern basis and that no adjustments are required to the carrying value of assets and liabilities at the year-end.

7. Subject to paras 5(a), (b),(c), (d) , (e) and 6(a) above, in our opinion and to the best of our information and according to the explanations given to us these consolidated financial results for the year ended March 31, 2015:

- i. Are presented in accordance with the requirements of Clause 41 of the Listing Agreements in this regards and
 - ii. Give a true and fair view of the net profit and other financial information for the year ended March 31, 2015
8. Further, read with paragraph 1 above, we also report that we have, on the basis of the books of account and other records and information and explanation given to us by the management, also verified the number of consolidated shares as well as percentage of shareholdings in respect to aggregate amount of public shareholdings, as furnished by the company in terms of clause 35 of the Listing Agreement and found the same to be correct.
