

Review Report

To,
The Board of Directors,
Adhunik Metaliks Limited

1. We have reviewed the accompanying Statement of Unaudited Financial Results of 'Adhunik Metaliks Limited' ("the Company") for the Quarter ended 30th September, 2015 ("the Statement"), being submitted by the Company pursuant to Clause 41 of the Listing Agreements with the stock exchanges of India, except for the disclosures regarding 'Public Shareholding' and "Promoter and Promoter Group Shareholding" which have been traced from the disclosures made by management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not reviewed the revenues/(loss) and assets of Rs. (1.25) lacs and Rs.1065.69 lacs respectively, included in the accompanying financial results of a foreign branch not reviewed by us, whose financial information has been reviewed by the other auditor and whose reports has been furnished to us. Our reporting on the audited quarterly financial results, in so far as it relates to the affair of such branch is based solely on the Limited review reports of the other auditor.
4. *Basis for Qualified Conclusion:*
Note 5 of the financial statements with regard to recognition of deferred tax assets amounting to Rs. 3400.13 Lac, on unabsorbed depreciation, business losses and other timing differences incurred by the Company. Based on unexecuted orders on hand, the Management is confident that sufficient future taxable income will be available against which such deferred tax assets will be realised. However, based on our review, we conclude that, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, Accounting for Taxes on Income (AS 22). Had the aforesaid deferred tax assets not been recognised, loss after tax for the year ended would have been higher by Rs. 3400.13 Lac.

5. Qualified Conclusion:

Subject to matter referred to paragraph 4 on the basis for Qualified Conclusion above read with Note No 5 of the financial results and based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results, prepared in accordance with the applicable Accounting Standards as specified under Section 133 of the Companies Act, 2013 read with the Rule 7 of the companies (Accounts) Rules, 2014 and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements, including the manner in which it is to be disclosed, or that it contains any material misstatement.
