## Auditor qualification no: 4

The Company has treated Deferred Revenue Expenditure for Rs199.40 Lacs as an asset in Balance Sheet. These expenditure are related to years upto 31.03.2013. The accounting policy adopted by the Company is contrary to the treatment prescribed in AS-26 (Intangible Assets) which require such expenditure to be written off in Profit & Loss Statement in the year of incurring expenditure.

## Management reply to Auditor's Qualification:

Regarding the observations made by Auditors for the Accounting Standard AS-26 (Intangible Assets), we comment that the Company had treated new export development expenses through participation in Foreign Trade Fairs, New product development and technical know how as deferred revenue expenses whose benefit shall accrue to the Company over a period of time. Hence, management had treated these expenses as deferred revenue expenses which are to be amortized in subsequent five years. Now, due to change in Accounting Standard on Deferred Revenue Expenditure issued by The Institute of Chartered Accountants of India, the Deferred Revenue Expenditure are to be booked in full in the year of its incurrence of the expenditure without any carry forward for future period. Deferment of DRE is now not allowed as per change in Accounting Standard. During the year, the Company has not booked any expenditure on DRE account. However, balance of earlier years DRE for writing off remained Rs. 199.40 Lacs which Company shall write off in the financial year 2016-17.
