Sub: Corporate Announcement for Successful Implementation of Wireless Real-time Seismic technology in India

Dear Sir,

We wish to inform you that the Company has introduced and used Wireless Realtime Seismic technology for 2D and 3D seismic survey projects in India. The Company has set a record for usage of live seismic channels recorded in real time by a cable-free seismic recording system for the first time in India. In this regard we request you to post the news in the 'Corporate Announcement' section of Exchange website as given below:

Asian sets a record for usage of wireless Real-time Seismic Recording system for ONGC

Asian has set a record for using first time in India, wireless 3D Seismic Real-time recording system for its project in the Block of ONGC in Jorhat, Assam. With this Asian wishes to announce that we have successfully completed Mobilization and commenced production and data Acquisition for ONGC at Jorhat Assam.

We request you to acknowledge and broadcast the same.

Thanking you,

Yours faithfully,

For Asian Oilfield Services Limited

Kanika Bhutani
Company Secretary
