**The Board of Directors
Gabriel India Limited**

1. We have audited the accompanying interim Financial Results ("the statement") of **Gabriel India Limited** ("the Company") for the quarter and half year ended 30 September 2017, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5 July, 2016.
2. The year to date financial results which are the responsibility of the Company's management and approved by the Board of Directors, have been prepared in accordance with the recognition and measurement principles of Indian Accounting Standard 34 - Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder or and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the statement based on our audit.
3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management.
4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.
