## New Multi year orders worth ~Rs. 400+ crores received

Haryana, 29<sup>th</sup> July 2022

**Talbro's Automotive Components Limited receives new multi years orders worth ~Rs. 400 crores for both, domestic and overseas customers across all the divisions and varied segments.** These orders are to be executed over a period of next 4-6 years covering the company's product lines – gaskets, heat shields, forgings, chassis and rubber.

- The order spans across newly invested technologies such as heat shields for which we have secured new customers in the Domestic PV space.
- Further, the Company has received orders from a new overseas customer through which we have entered in the Agri, Construction & off-road segment
- Out of new orders, 18% account for Electric Vehicle (EVs) segment for leading established domestic OEM for PV segment

These orders will help us increase our share with existing customers and new customers across geographies which will help us grow and gain market share in the coming years.
