Details of the Transaction

Background of the parties and percentage of shareholding and/or number of shares acquired:

Srei Equipment Finance Limited (“SEFL”) is a joint venture between Srei Infrastructure Finance Limited (“SREI”) and BNP Paribas Lease Group (“BPLG”), in which each of SREI and BPLG holds 50% of the total paid-up equity share capital on a fully-diluted basis.

Srei Growth Trust (“Seller”), a trust established under the Indian Trusts Act, 1882, of which SREI is the 100% beneficiary, owns 4,86,00,000 equity shares of SREI, comprising 9.66% of the total paid-up equity share capital of SREI on a fully-diluted basis (“SREI Shares”).

Transaction:

SREI, BPLG, SEFL the Seller, Mr. Hemant Kanoria and Mr. Sunil Kanoria have entered into a share purchase agreement (“SPA”) whereby BPLG has agreed to (i) acquire 2,51,54,317 equity shares of SREI representing 5% of the total paid-up equity share capital from the Seller (“First Transfer”), and (ii) in lieu thereof, sell its entire shareholding of 2,9830,000 equity shares of SEFL representing 50% of the total paid-up equity share capital to SREI (“Second Transfer”), in accordance with applicable laws (collectively, the First Transfer and Second Transfer are hereinafter referred to as the “Transaction”).

Pursuant to the terms and conditions of the SPA, the consideration received by SREI as a result of the First Transfer shall be utilized for the acquisition of the additional stake in SEFL in terms of the Second Transfer. Consequently, as a result of the consummation of the Second Transfer, 100% of the total paid-up equity share capital of SEFL shall be held by SREI. The pricing guidelines of the Reserve Bank of India (“RBI”) and the Securities and Exchange Board of India, as applicable, would be fully complied with in respect of the Transaction.

Objects and Effects of the Transaction:

In order to take advantage of the emerging opportunities in the infrastructure sector in India, BPLG desires to become a shareholder in SREI. This would enable BPLG to gain exposure to and take advantage of the larger infrastructure play in the country. Further, SREI would benefit by having BPLG, a subsidiary of BNP Paribas S.A., as a shareholder, coupled with the dual advantage of SREI holding 100% shareholding in SEFL. This would enable SREI to consolidate 100% of the financial results of the infrastructure equipment finance business.

Industry to which the entity being acquired belongs :

Business of asset-based financing for equipment such as construction equipment, transportation, materials handling, agricultural equipment, medical systems, information technology, and office equipment and renewable energy systems such as solar heaters.

Mr. Hemant Kanoria and Mr. Sunil Kanoria, promoters of SREI are interested to the extent of their shareholding and directorship in SREI and SEFL.

Cost of Acquisition and Nature of Consideration:

BPLG shall sell its entire shareholding in SEFL to SREI for a consideration equal to the total consideration which BPLG will pay for acquiring 2,51,54,317 equity shares of SREI representing 5% of the total paid-up equity share capital from the Seller at a price being the higher of:

- (a) the average of the weekly high and low of the volume weighted average price of the equity shares of SREI during the 26 (twenty six) weeks preceding the closing date of the acquisition as contemplated under the SPA; *and*
- (b) the average of the weekly high and low of the volume weighted average price of the equity shares of SREI during the 2 (two) weeks preceding the closing date of the acquisition as contemplated under the SPA, in each case computed in accordance with the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009.
