- 2. The Company has obtained a stay from Securities Appellate Tribunal on the order of SEBI requiring the reinstatement of the financials, relating to two accounting years ended 31st March 2013 and 2014, till the disposal of the appeal.
- 3. Claim against a banker for restitution of deposits of Rs.60.96 crores, which were unilaterally encashed and appropriated towards its claims against a group company, is being pursued before the High Court of Karnataka. Appropriated amounts are being shown as recoverable from the said bank, pending disposal of its appeal.
- 4. Investments in certain Subsidiaries and certain Associates are considered as long term and strategic in nature and accordingly, no provision has been considered for diminution in the value, which is considered temporary in nature.
- 5. The consortium of bankers of Kingfisher Airlines Ltd. had invoked corporate guarantees given by the Company and have demanded payment of Rs. 6,203.35 crores, approached the Debt Recovery Tribunal, Bangalore and also filed winding up petitions before the Karnataka High Court. Based on expert legal opinion, the Company has contested the above proceedings. There has been no significant development in this regard during the current period. The Company continues to treat the disputed amounts as contingent in nature.
- 6. With regard to various legal cases, including 9 winding up petitions (8 of which are admitted), which are pending disposal, there has been no significant development during the current period.

- 12. United Spirits Ltd has recalled their loan and demanded premature repayment of Rs. 1,337.41 crs along with accrued interest. It is the Company's position that the demand is untenable. In any view of the matter, there are winding up petitions pending against the Company and restraints imposed by the Hon'ble High Court of Karnataka, with regard to making payments. The Company is responding appropriately.
- 13. In the absence of Managing Director and Chief Financial Officer, the Board in consultation with the Chairman has given directions to the President of the Company and the Group Chief Financial Officer to conduct the day to day affairs of the Company.

## LIMITED REVIEW REPORT

- 1. We have reviewed the accompanying statement of unaudited financial results of United Breweries (Holdings) Limited, Bangalore ("the company") for the period ended September 30, 2015 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- 2. Our review has been restricted to the figures shown in the columns headed "three months ended 30-09-15" and "for the six months ended 30-09-15"...
- 3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to Review Interim Financial Information issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. We have issued a qualified report on the audited financial statements for the accounting year ended 31-3-2015 stating amongst other things, non-provision for decline in the value of investments in certain subsidiaries and associates which are carried in the books at Rs. 258.81 crores, non-provision for the loss that may arise due to possible non-recovery of loans and advances of Rs 75.43 crores due from certain subsidiaries, non-provision for the possible loss that may arise on account of various financial exposures to Kingfisher Airline Limited, non-recognition of certain liabilities/obligations and appropriateness of preparation of financial statements on going concern basis being subject to favourable resolution of several litigations involving the Company. There have not been any significant developments during the current quarter in this regard.
- The company has not so far estimated and provided for the losses that may arise on account of its financial exposures to Kingfisher Airlines Limited (KFA) which are in the form of invoked corporate guarantees of Rs. 8,158.89 crores (which the company continues to show as contingent liabilities). KFA is under severe financial stress and it has defaulted in honouring its financial obligations on several counts; winding up petitions filed against it have been admitted by the Honourable High Court of Karnataka; it is not carrying on any business.
- 6. Some of the beneficiaries of the company's corporate guarantees referred to in paragraph 5 above have filed winding up petitions against the company. Eight such winding up petitions involving amounts of Rs. 7,256.24 crore, have been admitted by the Honourable High Court of Karnataka. The company is contesting these orders and continues to disclose its obligations as contingent.

## VISHNU RAM & CO.,

- 7. The company has shown Rs. 35.34 crores as due from a banker who had encashed company's deposits lying with it and appropriated the amount towards its claims against a group company. The possible loss on account of this, has not been estimated and recognised in the accounts.
- 8. An amount of Rs. 832.46 crores is shown as due from a financial company, which has sold the company's investment and appropriated part of the sale proceeds against dues from KFA. Further, the said finance company still holds custody of 59,150,000 shares in KFA, belonging to the company. The company has petitioned the High Court of Calcutta and High Court of Karnataka challenging the validity of the actions taken by the financial company and for rendering full accounts. The petitions are pending disposal and the company continues to show the amount as good and recoverable from such financial company.
- 9. The 'status quo' with respect to the transaction of company's sale of 10,141,437 no. of shares in United Spirits Limited in favour of Diageo group, as ordered by the Honourable Supreme Court of India, continues.
- 10. An amount of Rs. 20 crore due from a vendor continues to be shown as good and recoverable, even though, the company has not been able to obtain confirmation of the dues from such vendor.
- 11. Attention is invited to note no. 12 with regard to demands made by United Spirits Limited for immediate repayment of their dues amounting to Rs. 1,337.42 crore and the interest thereon.
- 12. Attention is invited to note no. 11 with regard to recall of loan and sale of securities by a banker and appropriating the sale proceeds against the loan.
- 13. Based on our review conducted as above and subject to our observations in paragraphs 4 to 12 above, we report that nothing else has come to our attention that causes us to believe that the accompanying statement of un-audited financial results read with the notes thereon and prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
