1 The above results have been reviewed by Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on 29.07.2015. The same have been reviewed by the Joint Statutory Auditors of the Company as required under Clause 41 of Equity Listing Agreement.

- 2 Electricity generation is the principal business activity of the Company. Other operations viz., Contract, Project Management and Consultancy Works do not form a reportable segment as per Accounting Standard - 17 on Segment Reporting specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The operations of the Company are mainly carried out within the country and therefore Geographical Segments are not applicable.
- 3 In view of the seasonal nature of business, the financial results of the current quarter may not be comparable with other quarters.
- 4 On 20th November 2014, accidental fire broke out in the transformer cavern of Uri-II Power Station (240 MW) causing major damages to Electro & Mechanical Equipments and Civil Structures in power house area, resulting in stoppage of generation. Assets of the power station and business interruption loss are covered under mega insurance policy. However, losses upto excess clause as well as beyond the provisions of the insurance policy has been updated during the current quarter by ₹ 200 Lacs on estimated basis which is in addition to ₹ 2826 Lacs provided for during FY 2014-15. Further losses, if any, to be borne by the company shall be determined after receipt of the final survey report and impact thereof shall be accounted for accordingly. Restoration work for resumption of generation by the Power Station is under Progress and out of 04 units of Power Station 03 units i.e. unit#1, 4 & 3 of the power station have been synchronised with the grid on 15.06.2015, 17.06.2015 & 12.07.2015 respectively.
- 5 Pursuant to issuance of Guidance Note on Rate Regulated Activities issued by the Institute of Chartered Accountants of India, Regulatory Income amounting to ₹ 13500 Lacs for the current quarter (cumulative upto 30.06.2015 ₹ 176539 Lacs) have been recognised in respect of Subansiri Lower Project, where construction activities have been interrupted w.e.f. 16.12.2011 due to protest of anti dam activists.

However, pending 'truing up' of the capital cost for the tariff period 2009-14, sales have been reduced by ₹ 3580 Lacs during the current quarter (corresponding previous quarter ₹ Nil) as an abundant precaution.
- b) For the purpose of recognising sales for the current quarter, Return on Equity (ROE) (a component of Tariff) has been grossed up using Minimum Alternate Tax (MAT) rate of FY 2015-16, pending review of applicable rate of tax (MAT or Normal) at year end.
- c) Sales includes ₹ 32189 Lacs for the current quarter (corresponding previous quarter ₹ 35667 Lacs) which is yet to be billed.
- 7 CERC Regulations for the tariff period 2014-19 provides for recovery of income tax from the beneficiaries by way of grossing up of the return on Equity with effective tax rate of the respective financial year i.e. actual tax paid during the year on the generating income. Deferred tax asset created for the quarter on generating income amounting to ₹ 118.51 Lacs is accordingly accounted for as deferred tax adjustment against deferred tax as the same would get adjusted in effective tax rate in future period.

## LIMITED REVIEW REPORT

### Board of Directors

NHPC Limited

NHPC Complex Office

Sector-33, Faridabad – 121 003

We have reviewed the accompanying Statement of Un-audited Standalone Financial Results of NHPC Limited for the quarter ended 30<sup>th</sup> June, 2015, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and has not been reviewed by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these Financial Results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries from company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Financial Results read along with notes thereon, prepared in accordance with applicable accounting standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
