Item No 6 & 7

As provided in Item No 6, proposed to be passed by the members of SVOGL Oil Gas and Energy Ltd. (the `Company') by way of a special resolution by Postal Ballot, shall be deemed to be an authorization, confirmation and ratification by the members of the Company, in terms of Regulation 10(2) of Securities & Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 to the Scheme of Strategic Debt Restructuring (SDR) approved by Monitoring Institution, ICICI Bank Ltd.

1.1 JLFs and justification for SDR

The performance of SVOGL has been reviewed several times by JLF / CDR MC / CDR EG and SVOGL has not been performing as per the projections of CDR package and has also not been able to achieve certain critical milestones stipulated as per the CDR package. SVOGL's account was reviewed at the JLF held on July 13, 2015, wherein SVOGL informed that the company has reported revenue of only Rs. 180.0 million with negative EBIDTA in Q1 FY 2016 and only 4 out of 17 major rigs are in operation.

JLF, at the meeting held on July 13, 2015, deliberated on the fact that tenders of around Rs. 95.00 billion are either already being floated by ONGC & OIL India or are about to be floated in near future. JLF also deliberated on the fact that though the tenders are coming out but SVOGL cannot participate in the process as ONGC has put restrictions on SVOGL against participating in the tenders.

Basis the current financial position of SVOGL, a JLF was convened on July 23, 2015 for taking a decision regarding undertaking of Strategic Debt Restructuring (SDR) as per the extant RBI guidelines.

JLF deliberated on the proposal and keeping in view that (1) SVOGL is unable to perform as per CDR projections, (2) SVOGL is unable to achieve certain critical milestones stipulated in CDR package, (3) the fact that implementation of SDR may help in establishing the viability and (4) views given by JLF lenders, JLF was of the view that undertaking SDR in the case of SVOGL merits consideration.

JLF, based on the supermajority decision, agreed in-principally to "undertake SDR" for SVOGL. The reference date for SDR package was decided as July 23, 2015.

JLF also deliberated that TEV study and valuation be carried out for the SVOGL. It is to be noted that though we have appointed Mott Macdonald for the TEV Study, presently SVOGL cannot participate in any contract with ONGC and Oil India as ONGC has put restrictions on SVOGL against participating in the tenders and hence the viability parameters and business model for SVOGL are difficult to ascertain. In view of stipulated timelines in RBI guidelines, it is proposed that detailed TEV Study and valuation will be carried out in due course of time after implementation of SDR package.

2. Strategic Debt Restructuring (SDR)

2.1 RBI guidelines on SDR

RBI introduced "Strategic Debt Restructuring Scheme" vide circular dated June 8, 2015. With a view to ensuring more stake of promoters in reviving stressed accounts and provide banks with enhanced capabilities to initiate change of ownership in accounts which fail to achieve the projected viability milestones, banks may, at their discretion, undertake a 'Strategic Debt Restructuring (SDR)' by converting loan dues to equity shares.

2.1.1 Key features of SDR framework

- Under SDR, whole or part of the loan and interest outstanding to be converted into equity shares in the borrower company, so as to acquire majority shareholding by the lenders in the company.
- Post SDR, all lenders under the JLF must collectively hold 51% or more of the equity shares issued by the company.
- Decision on SDR is required to be approved by the majority of the JLF members (minimum of 75% of creditors by value and 60% of creditors by number)
- The invocation of SDR will not be treated as restructuring for the purpose of asset classification and provisioning norms.
- On completion of conversion of debt to equity as approved under SDR, the existing asset classification of the account will continue for a period of 18 months (stand-still in asset classification) from the reference date i.e. date of JLF's decision to undertake SDR.
- JLF and lenders should divest their holdings in the equity of the company in favour of a 'new promoter'. However, the quantum of provision on the date of divestment, which shall not be less than what was held as at the 'reference date', shall not be reversed.
- To implement SDR, necessary approvals including special resolution by the shareholders of the borrower company are required.
- The asset classification benefit is subject to the following conditions:
- The 'new promoter' should not be a person/entity/subsidiary/associate etc. (domestic as well as overseas), from the existing promoter/promoter group.
- The new promoters should have acquired at least 51 per cent of the paid up equity capital of the borrower company.

2.1.2 Regulatory exemptions

Parameters	Exemptions
Conversion of debt into equity	SDR excise to convert debt into equity would not be considered as restructuring for the purpose of asset classification and provisioning norms.
Pricing	Exemption from SEBI Issue of Capital and Disclosure Requirements Regulations, 2009 for issue of preference shares.
Open offer	Exemption from the obligation to make an open offer on acquiring 25% or more shares under regulation 3 and regulation 4 of the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

Intra-group exposure	Exemption from regulatory ceilings/restrictions on Capital Market Exposures, investment in Para-Banking activities and intra-group exposure.
Mark-to-market loss	Exemption from the requirement of periodic mark-to-market for the 18 month period for the equity shares acquired under this scheme.
Refinancing of loan	On divestment to a 'new promoter', banks may refinance the existing debt of the company without treating the exercise as 'restructuring' subject to banks making provision for any diminution in fair value of the existing debt on account of the refinance.
Investor-associate relationship	On holding more than 20% of voting power, such investment may not be treated as investment in associate in case of SDR.

CDR package provides for conversion of FITL/defaulted amount as per the option of the lenders. It is proposed to convert FITL/ defaulted over due amount of Rs 3,527.4 Million by lenders into fully paid up equity shares of SVOGL at par, under the RBI guidelines for SDR. Similarly SDR scheme empowers the lenders to convert their defaulted overdues into equity shares of the company.

- (i) None of the Directors/ Managers are concerned or interested, either financial or otherwise, in this resolution.
- (ii) None of the other key managerial personnel are concerned or interested, financial or otherwise, in this resolution.
- (iii) None of the relatives of the persons mentioned in sub-clause (i) & (ii), if any, are concerned or interested, financial or otherwise, in this resolution.
