## Limited Review Report

**Review Report to  
The Board of Directors  
Shriram EPC Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results for the quarter ended September 30, 2017 and the year to-date results for the period April 1, 2017 to September 30, 2017 and financial position as on September 30, 2017 ('the Statement') of Shriram EPC Limited ('the Company'), being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 (Listing Regulations). Attention is drawn to the fact that the figures for the corresponding quarter / period ended September 30, 2016 and the corresponding year-to-date from April 1, 2016 to September 30, 2016, including the reconciliation of profit/ loss under Indian Accounting Standards ('Ind AS') of the corresponding quarter with profit/ loss reported under previous GAAP, as reported in these financial results have been approved by the Company's Board of Directors but have not been subjected to review.

This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with Ind AS 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

### 3. Basis for Qualified Conclusion:

- a) Our limited review report on the unaudited Ind AS financial results of the Company for the quarter ended September 30, 2017 is qualified in respect of the matters stated below:
  - i. Long term Loans and advances include Rs 3,437.12 lakhs (including interest accrued upto March 31, 2016) and other trade receivables include net amount of Rs 287.14 lakhs, due from related

party. Due to unavailability of sufficient appropriate audit evidence to corroborate management's assessment of recoverability of the above said amounts and as these are outstanding for more than three years, we are unable to comment on the recoverability of the same. No provision with respect to the same is made in the books of accounts. (Refer Note 7 - Notes to results)

4. Based on our review conducted as above, subject to the effects of our observations given in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results and financial position which are prepared in accordance with Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
  
5. We draw attention to the following matters in the notes to the unaudited financial results with regard to:
  - a. With reference to Note no 6 relating to dues aggregating to Rs 8,589.89 lakhs (September 2016: Rs 7,495.94 lakhs) in respect of an overseas project. As mentioned in the Note the construction activities has been ceased, and the case filed against the customer for the recovery of the amounts so far incurred in respect of the said project, has been decided in favour of the company by the court of Cassation (Supreme court). In view of this development, the company has also filed a revised claim with ECGC. The Management is of the view that the said amount is realizable.
  
  - b. Note no 8 regarding dues amounting to Rs 6,865.51 lakhs (September 2016: Rs 6,415.10 lakhs) in respect of project which is stalled due to statutory delays faced by the customer. As the customer has put in efforts to identify alternate options to complete the project, management is of the view that it will be able to realize such dues.
  
  - c. Note no 9 regarding dues amounting to Rs 42,436.03 lakhs (September 2016: Rs 37,372.85 lakhs) due from an associate and a subsidiary of the associate which has been outstanding for more than three years. Based on the non - disposal undertaking given by the associate with respect to its overseas subsidiary, projected operations of mines and cash flows from the mines, the above stated dues are considered to be realizable by the management.

6	The Company was in the course of executing project for Governorate of Basra, Government of Iraq ('the customer'). There were some delays in commencement of the project due to regulatory compliances. However the said contract has been cancelled by the Customer during February 2014. The construction activities has been ceased, and the case filed against the customer for the recovery of the amounts so far incurred in respect of the said project, has been decided in favor of the company by the court of Cassation(Supreme Court). In view of this development, the company has also filed a revised claim with ECGC. The total amounts due to Company recorded under Trade Receivables, Unbilled revenue (after excluding the margin which has been written off) and Other Financial Assets (Non current), in respect of this project, aggregate to Rs. 8,589.89 Lakhs (September 2016 - Rs. 7,495.94 Lakhs). Considering the steps taken by the Company, the management is confident of realizing the monies and do not expect any shortfall in realization of the dues.
7	Financial Assets Loans (Non Current) include Rs. 3,437.12 Lakhs (September 2016 - Rs 2,988.17 Lakhs)(including Interest accrued up to 31 March 2016), and Other Trade Receivables under "Other Non Current Financial Assets" include net amount of Rs. 287.14 Lakhs (September 2016 - Nil), due from Leitwind Shriram Manufacturing Pvt Limited (LSML)(a related party). As part of the Corporate Debt Restructuring (CDR) package entered into by LSML with its bankers, the dues to SEPC is subordinated to the dues to Bankers and hence expected to be recovered before March 2030. Considering the extended repayment period and future business potential for Wind Energy Business, the management is confident of realizing the dues.However as a matter of prudence, the Company has stopped recognising Interest from 01st April 2016 on the principal amount outstanding.The auditors have qualified this matter in their report for half year ended September 30, 2017.
8	The Company entered into a contract to construct Ammonia plant for Bharath Coal and Chemicals Limited (BCCL) (related party). The project is stalled due to delay in statutory approvals. The total exposure in this project recorded under Unbilled Revenue and Contract Work In Progress is Rs. 6,865.51 lakhs (September 2016 - Rs 6,415.10 lakhs). Considering the positive development in BCCL's efforts in identifying alternate options to complete the project, the management is of the view that BCCL will be in a position to complete the Ammonia Plant project and thereby the Company will be able to realize these amounts in full.
9	Financial Assets Loans (Non Current) include Rs 42,436.03 lakhs (September 2016 - Rs 37,372.85 lakhs) due from an associate company and its subsidiary. In order to secure these dues the company has entered into an arrangement, with the said associate and another wholly owned subsidiary of the associate which is engaged in coal mining operations in USA by which the company has acquired absolute and unconditional mining operation rights to exploit the coking coal reserves in relation to the mines of the said subsidiary, and the right to surplus cash flows, (after meeting subsidiary's lenders and other commitments), to the extent of the above mentioned dues. Also the associate company has given an undertaking that it will not divest its holdings in the said subsidiary company, without the prior consent of the company till the dues to the company are settled. Based on the projected operations of the mines and consequential projected cash flows, the outstanding dues are expected to be recoverable over a period of 11 years. In view of a mining asset and its cash flows being secured towards the outstanding due to the Company, no provision is considered necessary for these dues at this stage. However, as a matter of prudence the company has stopped recognising interest from April 1, 2016 on principal amounts outstanding.
10	The company is engaged in the sole activity of carrying on the business of "Engineering and Procurement Contract (EPC)" and therefore, has only one reportable segment in accordance with Ind AS 108 'Operating Segments". Hence, no separate segment reporting is applicable to the company.
11	Previous period figures have been regrouped / reclassified to be in conformity with current period's classification/disclosure, wherever necessary.
