Such earnings of the Trust may be accumulated or utilized, for conferring welfare benefits on the beneficiaries.

The Trust has been utilizing its earnings towards need based welfare schemes, introduced from time to time, like critical medical assistance, untimely death, displacement assistance, scholarship for education of children, housing loan subsidy, etc. Such benefits are directly conferred by the Trust on the Beneficiaries.

While the Company is not currently extending any direct or indirect financial assistance to the Trust, it had, as part of the resources raised by the Trust in the past, initially extended loans on arm's length basis to the Trust (besides given grant), which loans have been fully paid repaid by the Trust.
