1. We have reviewed the results of Welspun India Limited (the "Company") for the quarter ended June 30, 2015 which are included in the accompanying 'Unaudited Standalone financial results for the quarter ended 30th June 2015' (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by the Management but have neither been reviewed nor been audited by us. The Statement has been prepared by the Company pursuant to Clause 41 of the Listing Agreement with the Stock Exchanges in India, which has been initialled by us for identification purposes. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
3. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. We have only traced the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' in the Statement from the disclosures made by the Management and are, therefore, not expressing a review opinion thereon.
5. We draw your attention to a matter relating to utilisation of deferred tax assets recognised in earlier period aggregating Rs. 3,107 lacs on the incremental unabsorbed Income-tax depreciation arising out of the Company's treatment of certain excise and value added tax incentives as 'capital receipts' for income tax purposes. The income tax authorities have passed orders treating these incentives as revenue in nature which are liable to income-tax. The Company has preferred appeals with the Commissioner of Income Tax (Appeals) against these orders. If the final decision in the matter is eventually decided against the Company, the tax expense for the quarter ended June 30, 2015 would be higher by Rs. 3,107 lacs. Our conclusion is not qualified in respect of this matter.
